The FCA's response to the Complaints Commissioner's Report 202600068

Published on 19 November 2026

We have carefully considered the Complaints Commissioner's Final Report on this complaint.

We note the Commissioner did not uphold the substantive elements of the complaint. In response to the Commissioner's invitation at paragraph 31, we have provided further clarification on our earlier response and have shared this with the Commissioner and the complainant.
