

Fee tariff data

Regulatory fees and levies 2024/25

FSCS class 5 category 2, consumer credit provision (CLDM-2)

(data previously reported for class SK01L – consumer credit lending)

Tariff base	annual lending
Validation date	Financial year ending in 2023

We need information from you to calculate your levies for the Financial Services Compensation Scheme (FSCS).

This guidance sheet provides details on the data to include within your fee tariff data submission. We have given links to relevant parts of the Handbook to help you complete the form correctly.

New funding classes and categories for FSCS became effective from 1 April 2019. Details can be found in [FEES 6 annex 3A](#) of our handbook.

Your firm is allocated to FSCS class 5 category 2, consumer credit provision (CLDM-2), which replaced FSCS class K (SK01L). The levy for this category continues to be based on value of consumer credit lending.

Please see [latest publications](#) about fees and levies on our website.

FEES AND LEVIES 2024/25– REQUEST FOR FEE TARIFF DATA

Legal basis for firms belonging to class 5 category 2 (CLDM-2): firms with a consumer credit permission for:

- entering into a regulated credit agreement as lender;
- exercising, or having the right to exercise, the lender's rights and duties under a regulated credit agreement

firms with a limited consumer credit permission are excluded

Tariff base for class 5 category 2 (CLDM-2): annual lending for your financial year ended in 2023

Annual lending is reported by consumer credit lenders in column A of consumer credit regulatory return [CCR003](#).

You do not have to report this data separately if you have already reported this in your [CCR003](#) 2023 year-end Gabriel return.

IMPORTANT

Firms registered for online invoicing must submit the data online; any completed paper forms should be emailed to feetariffreturns@fca.org.uk before the date shown on the front of your fee tariff data letter.

Before submission please ensure:

- Tariff data has been completed in **whole numbers and is in GBP**
- You have completed all sections
- Do not leave blanks (enter '0' when submitting on line or 'NIL' on the paper form, where applicable)
- The tariff data has been signed off at the appropriate level of seniority, for example the compliance director, before submitting to us
