"the Return" means the CCR007 return for the period ended 30 September 2015, which Edge Performance was due to submit to the Authority by 11 November 2015;

REASONS FOR ACTION

6. On the basis of the facts and matters and conclusions described in its Warning Notice issued to Edge Performance dated 11 May 2016 and in the Decision Notice, it appears to the Authority that Edge Performance is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that Edge Performance is a fit and proper person having regard to all the circumstances, including whether Edge Performance managed its business in such a way as to ensure that its affairs were conducted in a sound and prudent manner.
7. This is because Edge Performance has failed to comply with the regulatory requirement to submit the Return. Edge Performance has not been open and co-operative in all its dealings with the Authority, in that Edge Performance has failed to respond adequately to the Authority's repeated requests for it to submit the Return, and has thereby failed to comply with Principle 11 of the Authority's Principles for Businesses and to satisfy the Authority that it is ready, willing and organised to comply with the requirements and standards under the regulatory system.
8. These failures, which are significant in the context of Edge Performance's suitability, lead the Authority to conclude that Edge Performance has failed to manage its business in such a way as to ensure that its affairs are conducted in a sound and prudent manner, that it is not a fit and proper person, and that it is therefore failing to satisfy the Threshold Conditions in relation to the regulated activities for which Edge Performance has had a permission.

9. The decision which gave rise to the obligation to give this Final Notice was made by the Regulatory Decisions Committee.
