1 Overview

- 1.1** This Consultation Paper proposes changes to how we regulate people working in insurance and reinsurance firms (collectively referred to as 'insurers' in this document).
- 1.2** Insurers currently apply a revised version of the Financial Conduct Authority's Approved Persons Regime and the Prudential Regulation Authority's Senior Insurance Managers Regime. We propose building on this framework and introducing all elements of the Senior Managers and Certification Regime.
- 1.3** The Prudential Regulation Authority is consulting simultaneously on similar changes for insurers. We have been working closely to ensure our respective proposals are fully aligned and compatible.

Context

Background

- 1.4** In March 2016, for banks we replaced the Approved Persons Regime (APR) with the Senior Managers and Certification Regime (SM&CR).¹ This followed recommendations from the Parliamentary Commission on Banking Standards (PCBS), which reviewed the banking industry following the financial services crisis in 2008. The PCBS recommended a new accountability framework that was more focused on senior management, and that firms should take more responsibility for making sure their employees are fit and proper. The PCBS also emphasised that there needed to be better standards of conduct at all levels in banks.
- 1.5** The original legislation did not cover insurers. However, considering the risks that such firms pose, and as part of implementing the EU Solvency II Directive's guidance on systems of governance, the Prudential Regulation Authority (PRA) introduced the Senior Insurance Managers Regime (SIMR). We revised APR to complement the PRA's proposals.
- 1.6** SIMR and the APR revisions came into force on 7 March 2016. The key features of our current rules include:
- 12 Significant Influence Functions (SIFs) and the Customer-Dealing function—People in these roles need to be approved by us.
 - Selected Non-Executive Directors, such as the Chair of the Nominations and With-Profits Committees, who also need our approval.
 - Each person approved by us needs to have a 'Scope of Responsibilities' document setting out what they are accountable for. Insurers need to send these to the FCA on request.

1 By banks, we mean all deposit-taking institutions.

- A requirement for firms, except small Non-Directive Firms (NDFs), to develop a governance map. This document covers all Senior Managers and Key Function Holders (under SIMR), as well as senior individuals of interest to the FCA. Governance maps also need to be sent to us on request.
- Basic rules of conduct apply to anyone approved by the FCA or PRA. These are an important tool in ensuring Senior Managers are clear about our expectations of their conduct.

1.7 In May 2016, Parliament amended FSMA to give us the obligation to extend much of the SM&CR to all our regulated firms, including insurers. As a result we are replacing APR with the SM&CR for insurers.

Who does this consultation affect?

1.8 Our proposals will affect all insurers and reinsurers regulated by the FCA and the PRA, ranging from very small firms outside the scope of the Solvency II Directive, to some of the largest global firms. Specifically, they cover:

- All firms in scope of the UK rules implementing the Solvency II Directive (Solvency II firms). This includes the Society of Lloyd's, managing agents, incoming branches of non-UK firms and Insurance Special Purpose vehicles (ISPVs), but excludes some firms able to rely on transitional provisions. Our proposals will affect most staff in those firms, including (but not limited to) most of the existing approved individuals.
- All insurers outside the scope of the Solvency II Directive (referred to in this CP as Non-Directive firms or NDFs), approved people and most other staff within those firms. The PRA defines a small NDF as a firm where the value of assets for all the regulated activities it carries out is £25,000,000 or less. NDFs exceeding this threshold qualify as 'large' NDFs.

1.9 The proposals in this consultation do not affect Approved Persons or Appointed Representatives of firms. We will confirm how we intend to approach the SM&CR for Appointed Representatives in a follow-up Consultation Paper later this year. Principal firms, including the Senior Managers of principal firms, remain fully responsible for ensuring that their Appointed Representatives and networks comply with our rules.

Aims of the SM&CR

1.10 The SM&CR is a key part of our priority of Culture & Governance at firms set out in our 2017/18 Business Plan. Culture is the product of a number of different drivers within firms and is shaped by many influences that drive the behaviour of everyone in an organisation. The 'tone from the top', the effectiveness of management and governance and incentive structures, all contribute to the overall culture of a firm.

1.11 Firms need to have effective governance arrangements that are suitable for the size and scale of the risks they run – with a strategy to manage and mitigate these risks to deliver appropriate outcomes for consumers and markets.

1.12 The purpose of the SM&CR isn't to change how firms organise themselves or to require firms to hire people to fill specific functions. It is for firms to decide how best to structure themselves, taking into account factors such as size and complexity, best practice, and requirements in law and regulations. The SM&CR will reinforce and clarify the expectations of individuals within these governance structures.

1.13 Firms' Senior Managers have a crucial role in delivering effective governance. This includes taking personal responsibility and accountability for their decisions and exercising rigorous oversight of the business areas they lead. We want all firms to develop a culture of accountability at all levels and for senior individuals to be fully accountable for defined business activities and material risks.

1.14 This should, over time, result in improved culture and governance in the industry. It should also promote public confidence that firms have the right people in the right roles, working in the interests of consumers and markets.

Our approach to designing the SM&CR

1.15 There are many different types of insurers that will be subject to the SM&CR, ranging from the very small to some of the largest global firms.

1.16 Given the differences in the size and nature of these firms, we don't consider it's appropriate to take exactly the same approach as we did for banks or for all types of insurers. While we want to ensure there are consistent principles across financial services, we also want the new regime to be clear, proportionate to the risks posed to our objectives, and flexible enough to accommodate the different business models and governance structures of insurers. We want the regime to be as simple as possible for firms to understand and for us to regulate.

1.17 With this in mind, we propose applying the full SM&CR to Solvency II firms and large NDFs, and a streamlined regime for small NDFs, small run – off firms ² and ISPVs. This is, an approach designed to be proportionate to the potential harm these firms are able to cause. Our proposals build on the SIMR and the revised APR. Please see Table 1 for a summary of what this means in practice.

1.18 However, it is also important to note:

- All insurers will be subject to our Certification Regime, Fit and Proper tests, and Conduct Rules requirements, which are described in Chapters 4, 5 and 6 respectively.
- The Senior Managers Regime (SMR), described in Chapter 3, will apply to all insurers. However, some of the SMR's features will not apply to small NDFs and ISPVs. For small NDFs and ISPVs the existing higher level governance requirements in these areas will continue to apply.
- Not all insurers will be subject to the same list of Senior Management Functions. For example, a small NDF won't need to apply the same functions as a Solvency II firm.

² PRA define a small run-off firm as a firm with less than £25 million technical provisions that no longer have permission to write or acquire new business.

- The full list of Prescribed Responsibilities (PRs), detailed in paragraph 3.56, will apply to Solvency II firms and large NDFs. There are fewer PRs for small NDFs, third-country branches and ISPVs. PRs will not apply to EEA Branches.
- Some of the roles currently requiring approval under APR will no longer need FCA approval. Instead, they will be covered under the Certification Regime.

Our proposed Senior Managers Regime

1.20 We propose approving the most senior people performing key roles in insurance firms. Our Handbook will set out which functions (or roles) are Senior Management Functions. We propose the following functions for all Solvency II firms and large NDFs, in addition to the PRA's proposed Senior Management Functions:

- Executive Directors
- Compliance Oversight
- Money Laundering Reporting Officer
- Conduct Risk Oversight Officer (Lloyd's only)
- Other Overall Responsibility
- Chair of Nominations Committee
- Chair of the With-Profits Committee⁴

1.21 Many firms won't need to apply all of these functions, eg insurers don't need to hire extra staff to be the Chair of the Nominations Committee if they don't have someone already performing that function (this is the same under APR).

1.22 The underlying legislation:

- obliges the regulators to require a 'Statement of Responsibilities' document to be provided when a Senior Manager is applying for approval. This sets out the areas of the business that the prospective Senior Manager will be responsible and accountable for. Insurers already have to have a Scope of Responsibilities, which is identical in substance to the new Statement of Responsibilities. We are simply changing the name of these to be consistent with the new legislation.
- allows the FCA to take action against a Senior Manager if they fail to take 'reasonable steps' to prevent regulatory breaches in their areas of responsibility, ie the 'duty of responsibility'. This means that if something goes wrong in an area they're responsible for, we will be interested in whether they took steps that could reasonably be expected of a person in their position to stop this from happening (or continuing). This is a new obligation.

1.23 We also propose some new responsibilities that firms will need to allocate to their Senior Managers, known as Prescribed Responsibilities. These are in addition to the

⁴ Including the person responsible for the with-profits advisory arrangement.

Prescribed Responsibilities the PRA introduced as part of the SIMR, and will ensure a Senior Manager is accountable for key conduct risks. The full list of PRs, detailed in paragraph 3.56 will apply to Solvency II firms (other than EEA and non-EEA branches, ISPVs and small run-off firms) and large NDFs. There are fewer PRs for small NDFs, non-EEA branches, and ISPVs. PRs will not apply to EEA branches.

- 1.24** For Solvency II firms (other than ISPVs and small run-off firms) and large NDFs, firms must also provide a Responsibilities Map as part of the application process. This is described in paragraphs 3.75–3.79. Again, insurers are already required to have governance maps. Responsibilities Maps will replace governance maps, but the requirement to have such a map is not a big change for insurers, as these documents are identical in substance.

Our proposed Certification Regime

- 1.25** This is the biggest single change for insurers. The Certification Regime will apply to employees who aren't Senior Managers but whose role means it's possible for them to cause significant harm to the firm or its customers. The Certification Regime is made up of eight Significant Harm Functions, which we refer to in this document as Certification Functions.
- 1.26** These people don't need to be approved by us, but firms will need to check and confirm ('certify'), at least once a year, that they are fit and proper to perform their role.
- 1.27** Our Handbook will set out the roles that are Certification Functions. They include:
- Significant Management function
 - Proprietary traders
 - CASS oversight function
 - functions subject to qualification requirements
 - Client Dealing function
 - Algorithmic Traders
 - Material Risk Takers
 - Anyone who supervises or manages a person performing a Certification Function
- 1.28** We recognise that in practice some of the Certification Functions are more relevant to banks/investment firms and won't apply to insurance firms.

Our proposed Conduct Rules

- 1.29** The Conduct Rules set high-level standards of behaviour that will apply to almost all employees who perform financial services activities in a firm. Although Conduct Rules currently apply to insurers, their application is limited to Approved Persons. We now propose applying Conduct Rules to:
- anyone approved by the FCA as a Senior Manager
 - anyone covered by the Certification Regime

- all other employees other than ancillary⁵ staff

1.30 We propose applying our Conduct Rules to the above individuals in relation to both a firm's regulated, and unregulated, financial services activities.

1.31 Our proposed conduct rules are intended to drive up standards of individual behaviour in financial services. They represent a meaningful change in the standards of conduct we expect from those working in the industry. By applying the conduct rules to a broad range of staff we aim to improve individual accountability and awareness of conduct issues across firms.

1.32 FSMA requires firms to train their staff so that they know how the Conduct Rules apply to them. Firms must also notify the FCA when they've taken formal disciplinary action against a person for breaching a Conduct Rule.

Our proposed SM&CR for small NDFs and ISPVs

1.33 Small NDFs are currently subject to fewer requirements than larger insurers. We propose to take a similarly proportionate approach to implementing the SM&CR. We therefore propose introducing:

- four Senior Management Functions
- Statements of Responsibilities (consistent with our proposals for Solvency II firms)
- three FCA-only PRs, plus an additional two shared with the PRA
- the Certification Regime and Conduct Rules (as for Solvency II firms)

1.34 We propose specifying three Senior Management Functions to ISPVs, although we don't necessarily expect firms with simple governance structures to have all of these.

1.35 The Overall Responsibility requirement and the requirement for a Responsibilities Map will not apply to small NDFs or ISPVs. However, the requirement in SYSC 2.1.3CR of dealing with the apportionment of responsibilities will continue.

1.36 In January 2017, we consulted on the new regime for ISPVs issuing Insurance Linked Securities (ILSs)⁶ that we expect to come into force in summer 2017. Building on the proposals in that CP, we propose fewer requirements for ISPVs than for larger insurers (see Chapter 8 for these proposals).

Our proposed SM&CR for incoming branches of non-UK firms

1.37 This CP also outlines our proposals for incoming branches of non-UK firms. These comprise both European Economic Area (EEA) and non-EEA branches. We propose applying the Certification Regime and Conduct Rules to both EEA and non-EEA branches.

1.38 For EEA branches, under the SMR we propose introducing two new Senior Management Functions. However, PRs won't apply, as this is a matter for the home state regulator.

⁵ Ancillary staff are people who perform a role that is not specific to the financial services business of the firm (eg, catering staff, receptionists etc).

⁶ www.fca.org.uk/publication/consultation/cp17-03.pdf

1.39 For non-EEA branches, we propose:

- five Senior Management Functions
- Statements of Responsibilities (as for Solvency II firms)
- removing the Actuarial Conduct Function
- a shorter list of PRs
- Responsibilities Maps

Is this of interest to consumers?

1.40 Consumers will be interested in how individual accountability is being improved within firms, and how staff they interact with will be required to comply with new Conduct Rules.

Equality and diversity considerations

1.41 We have considered the equality and diversity issues that may arise from the proposals in this Consultation Paper.

1.42 The proposals will allow more than one person to perform a Senior Management Function or a function in scope of the Certification Regime at the same firm. If this were not the case, the proposals could be deemed to discriminate indirectly against people working under a job-share arrangement, for example due to family obligations.

1.43 Overall, we do not consider that the proposals in this Consultation Paper raise concerns about equality and diversity issues. We also don't think that the proposals result in any discrimination for any of the groups with protected characteristics, ie age, disability, sex, marriage or civil partnership, pregnancy and maternity, race, religion and belief, sexual orientation and gender reassignment.

1.44 We will continue to consider the equality and diversity implications of the proposals during the consultation period, and will revisit them when publishing the final rules.

1.45 In the interim, we welcome any input to this consultation on the matter.

Next steps

What do you need to do next?

1.46 If you are an insurer regulated by the FCA and are currently subject to the Approved Persons Regime, you should read this Consultation Paper, paying particular attention to the sections marked for your type of firm. People who work in these firms might also be interested in how these proposals affect them.

1.47 We want to know what you think of our proposals. This consultation will be open for three months so please send us your comments by 3 November 2017. You can use the form on our website or write to us at the address on page 2.

1.48 These proposals sit alongside our proposals for applying the SM&CR to all other solo-regulated firms. For more information on these proposals, please see CP17/25 or visit our website.

1.49 We will consult separately later this year on changes following the extension of the SM&CR. This will include how firms will transition into the new regime, and any changes we will need to make to our forms and other parts of our Handbook (the 'technical Consultation Paper'). The same principles of simplicity and proportionality will apply when we consider how to transition firms to the new regime – for example, minimising the need for firms and individuals to apply for new approval as a Senior Manager if they are already an Approved Person.

We have developed the policy in this Consultation Paper in the context of the existing UK and EU regulatory framework. We will keep the proposals under review to assess whether any amendments may be required in the event of changes in the UK regulatory framework, including as a result of any negotiations following the UK's vote to leave the EU.

1.50 Firms should read this CP alongside the PRA's corresponding CP.⁷

1.51 A summary cost-benefit analysis is available in Annex 1, page 56.

1.52 We are consulting separately on how the SM&CR will apply to all other FSMA-authorised firms, in addition to insurers in CP17/25.

What will we do?

1.53 We will consider your feedback and publish our rules in a Policy Statement next year.

1.54 The regime won't come into effect until we publish our final rules and set a date for them to commence.

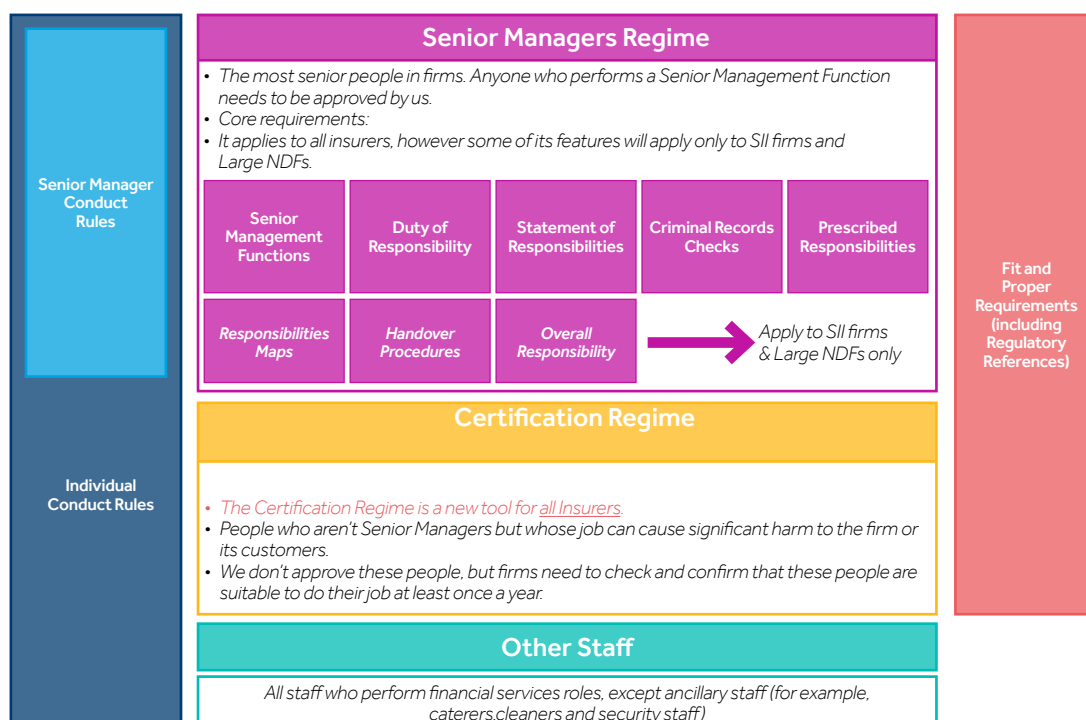

1.55 For more information on next steps, please visit our website.

2 Guide to the regime

2.1 To help you understand our Consultation Paper, we've provided:

- a diagram showing the key elements of the regime for all firms (see below)
- a Glossary of Terms with a short description of each tool (see page 13)

Note:

Conduct Rules, the Fit and Proper Requirements and Regulatory References will also apply to **all Non-Executive Directors**, even if they aren't a Senior Manager.

3 The Senior Managers Regime

All firms should read this chapter.

Solvency II firms and large NDFs will already have some of these elements in place; some of the proposals are new.

If you are a small NDF, paragraphs 3.84 to 3.93 will be particularly relevant.

Introduction

3.1 This chapter sets out our proposals for the Senior Managers Regime (SMR) in Solvency II firms large NDFs and small NDFs. It covers:

- who will be a Senior Manager
- obligations on firms and Senior Managers, such as the Duty of Responsibility
- our powers to apply conditions when we approve Senior Managers
- those responsibilities that will normally need to be normally held by a single Senior Manager (Prescribed Responsibilities)
- Statements of Responsibilities and Responsibilities Maps
- what firms and individuals need to do under the SMR

3.2 Our proposals for incoming branches and ISPVs are discussed in Chapters 7 and 8 respectively.

3.3 Our proposals for small NDFs are presented in this Chapter in paragraphs 3.84-3.93 below.

Overview

What is a Senior Management Function

3.4 A Senior Management Function is a new type of controlled function under FSMA. It is defined in FSMA as 'in relation to the carrying on of a regulated activity by [a firm], ... [a] function [which] will require the person performing it to be responsible for managing one or more aspects of the [firm's] affairs, so far as relating to the activity, and ... those aspects involve, or might involve, a risk of serious consequences ... for the [firm], or ... for business or other interests in the United Kingdom'.

3.5 We refer to a person who holds a Senior Management Function as a 'Senior Manager'. Senior Managers are the most senior people in a firm with the greatest potential to cause harm.

3.6 The FCA decides which roles are Senior Management Functions (as limited by the description in FSMA). These are in addition to those roles designated by the PRA.

Impact on firm structure and governance

- 3.7** When we make a role a Senior Management Function, this doesn't mean a firm needs to reorganise itself or hire new people to fill these specific roles. If you don't have anyone doing these jobs, the functions don't apply. The number and type of Senior Managers a firm has depends on how each firm is organised (this is the same as the Approved Persons Regime). Certain functions are required by other sections of our Handbook so firms should make sure they continue to have people fulfilling these roles where applicable. The SM&CR is not proposing to change this.
- 3.8** However, later in this section we discuss new responsibilities that should be held by individual Senior Managers. When considering the proposed Senior Management Functions, firms should also think about the new responsibilities that we expect to be allocated among them.
- 3.9** The ultimate decision-making body of a firm is its governing body, acting collectively. Individual accountability under the SM&CR does not undermine this. However, individual Senior Managers have an important part to play in establishing and embedding the right culture and governance within firms, to improve the standard of conduct at all levels.
- 3.10** Every Senior Manager will need a Statement of Responsibilities, and they will have a duty of responsibility. These are explained in detail below, but the main purpose of these new tools is to clarify who is responsible for what, and reinforce the personal accountability and responsibility of Senior Managers.
- 3.11** We will consult separately later this year on how someone who is currently an Approved Person will transition to being a Senior Manager under the new regime. The same principles of simplicity and proportionality will apply when we consider how to transition firms to the new regime – for example, minimising the need for firms and individuals to apply for new approval as a Senior Manager if they are already an Approved Person.

Who will be a Senior Manager in Solvency II firms and large NDFs?

- 3.12** We propose five executive functions as FCA Senior Management Functions, as set out in Table 2. The PRA will maintain the Senior Insurance Management Functions (SIMFs) but intend to rename their SIMFs as SMFs. We have provided both the FCA and PRA functions in the table below for completeness.

Table 2: Executive Senior Management Functions

3.13 We also propose two Non-Executive roles as Senior Management Functions, the Chair of the Nominations Committee and the Chair of the With-Profits Committee⁸. These roles already exist under the revised APR. Under the SM&CR, only Non-Executive Directors (NEDs) that perform specific roles will be Senior Managers. While this is the same as the approach we took for the revised APR, it is different to the original APR, where we approved all Non-Executive roles. We have listed these new functions in Table 3, alongside the PRA functions for completeness.

Tell us what you think:

- Q1:** Does the proposed list of FCA Senior Managers cover the appropriate roles, ie the most senior decision makers within a firm?
- Q2:** Are there any other roles that the FCA should consider specifying as SMFs?
- Q3:** Are there any proposed Senior Managers that the FCA should consider excluding?

⁸ including the person(s) responsible for the with-profits advisory arrangement.

Introducing a new SMF: the Conduct Risk Oversight Officer (Lloyd's only)

- 3.14** The Society of Lloyd's enables its syndicates to provide specialist insurance and reinsurance products worldwide, and is regulated by both the FCA and PRA. Lloyd's oversees the conduct of market participants, mainly through oversight of Managing Agents, but also through supervision of the activities of policyholders and other market stakeholders and service providers.
- 3.15** Given the size, scale and structurally-unique role of the Society of Lloyd's, we propose creating a specific to Lloyd's FCA Conduct Risk Oversight function. This function will be responsible for overseeing the conduct of business standards required by the Society for the Managing Agents that write business at Lloyd's. We want to avoid overlap with the responsibility of Managing Agents' SMFs because these people already have accountability for mitigating conduct of business risks. So this new Conduct Risk Oversight Officer will only be relevant to the Society of Lloyd's.
- 3.16** The proposal is consistent with the PRA's current Underwriting Risk Oversight function.

Tell us what you think:

Q4: Do you agree with our proposal to introduce a Conduct Risk Oversight Officer for Lloyd's?

Other Overall Responsibility requirement and Other Overall Responsibility function (SMF18)

- 3.17** We propose applying an Overall Responsibility requirement to all Solvency II firms,⁹ and large NDFs. This means that these firms will need to ensure that every activity, business area and management function of the firm has a Senior Manager with Overall Responsibility for it. This is to prevent unclear allocation of responsibilities that could result in issues falling between the cracks. Overall Responsibility means a Senior Manager will have primary and direct responsibility for:
- briefing and reporting to the governing body about that activity, area or function
 - putting matters for decision about that activity, area or function to the governing body
- 3.18** Having Overall Responsibility doesn't mean the person needs to have day-to-day management of that function. Rather they are the most senior person responsible for managing the area overall and they need to be sufficiently senior and credible, and with sufficient resources and authority, to be able to exercise their management and oversight responsibilities effectively.
- 3.19** The objective of this requirement is not to overlap with the inherent responsibilities of the Chief Executive's role. The Chief Executive is the person(s) responsible under the immediate authority of the firm's governing body for the conduct of the whole of a firm's business. Instead, the intention is to ensure that it is clear who the governing body of a firm has delegated responsibility to for each area of the firm's business.

⁹ other than small run-off firms (see paragraph 3.95), ISPVs (see chapter 8) and EEA branches (see chapter 7)

This could be to the Chief Executive or a member of the executive team. The allocation of responsibilities will differ from one firm to another.

3.20 From applying Overall Responsibility under the banking regime, we know that some firms found this requirement difficult to understand and implement. So to help insurers understand how this requirement will work in practice, we've set out below the steps firms might want to consider:

- Firms should consider **what activities, business areas and management functions they have**. Firms may find it useful to refer to the general concepts contained in Annex 1 of SYSC 4 (though SYSC 4 doesn't apply to insurers) as a starting point to think about how their own business is organised, but this is not mandatory or exhaustive.
- Once a firm has set these out, the next step is to think about **who has overall responsibility at the most senior level** for each of these.
- The most senior person with Overall Responsibility might be an existing Senior Manager, such as the Chief Executive, an Executive Director, or the Senior Manager responsible for Compliance Oversight. We expect that this will be the case most of the time.
- However, depending on how a firm is organised, the most senior person with Overall Responsibility for an area might not already be a Senior Manager. In this case, this person will need to be approved by us as a Senior Manager under the Other Overall Responsibility Function.
- Where a Senior Manager has Overall Responsibility for an activity, business area or management function, this will need to be clearly set out in their Statement of Responsibilities and reflected in the Responsibilities Map.

3.21 A firm must ensure that Overall Responsibility is allocated to the most senior person responsible for a business area. However, where the individual doesn't hold any other Senior Manager role, they must be approved for the Other Overall Responsibility Function (SMF18).

3.22 Examples of how Overall Responsibility may apply in an insurance firm include:

- If an insurer operates via a direct sales force, the individual with Overall Responsibility for sales may require approval under SMF18, if they're not already a Senior Manager.
- In a life insurer, the person with senior responsibility for legacy life business or another major business unit may also need approval under SMF18 if they're not already a Senior Manager.
- Individuals with Overall Responsibility of functions such as product pricing (if separate from underwriting), complaints, claims, IT (including systems to support back office and front office functions) or may also require approval under SMF18 if they're not already a Senior Manager.

3.23 Insurers may offer new lines of business or expand into new products, meaning that new business areas, activities and management functions may be created. In those cases, we anticipate that firms should consider their governance structure

carefully and identify the individuals with Overall Responsibility for those newly established functions.

Activities the Overall Responsibility rule applies to

3.24 The scope of the Overall Responsibility rule is the same as the scope of the Conduct Rules. This means it applies to a firm's regulated and unregulated financial services activities (including any related ancillary activities).¹⁰

3.25 Under the Overall Responsibility rule, firms must allocate responsibility to a Senior Manager for all activities, business areas and management functions of the whole firm, including those carried out from a branch overseas. This includes all transactions that take place overseas (whether in full or in part).

Dividing or sharing Overall Responsibility

3.26 It's not possible to divide an Overall Responsibility because they are specific to how a firm is structured and the roles of the people running it.

3.27 For example, by analogy, in Annex 1 of SYSC 4, 'Retail sales' is listed as a possible business area of a firm. One firm could have a single retail sales function for several different business lines. Another firm could have separate retail sales functions for each of its different business lines. In each case, the allocation of the Overall Responsibility for the retail sales function(s) of the firm will be different.

3.28 This means if responsibility for retail sales is allocated across a number of Senior Managers, firms don't need to apply to us for a waiver to 'split' the responsibility between each of the Senior Managers. Firms just need to make sure that each Senior Manager's Statement of Responsibilities sets out what they are responsible for in a clear and accurate way.

3.29 Allocating Overall Responsibility for the same area or activity to two or more Senior Managers ('sharing') is permitted, where this is appropriate.

Q5: Do you agree with the proposed Overall Responsibility SMF?

Broadening the scope of the Compliance Oversight function (current CF10)

3.30 Under the revised APR, the Compliance Oversight Function (CF 10) applies to life insurers regarding compliance with certain parts of the FCA Handbook¹¹ and not more generally (eg the Principles for Business).

3.31 We consider the current scope and definition of the role is too narrow to effectively cover all FCA requirements, as well as directly applicable EU legislation for which FCA is responsible.

3.32 Therefore, we propose that the Compliance Oversight Function will cover all insurers for all requirements of the regulatory system for which FCA is responsible, ie all FCA

¹⁰ Under our current rules for overall responsibility that apply to banks, building societies, credit unions and PRA-designated investment firms, this includes the legal function. However, this policy is under review following industry feedback (see Discussion Paper 16/4: Overall responsibility and the legal function).

¹¹ COBS, CASS, COLL

rule requirements as well as any directly applicable legislation or provisions where the FCA may have responsibility for ensuring compliance.

Tell us what you think:

Q6: Do you agree with our proposal to extend the scope and definition of SMF16 to cover all FCA requirements?

Extending the Chair of the With-Profits Committee function (current CF2b)

3.33 When we revised the APR for insurers, we introduced a new Controlled Function, the Chair of the With-Profits Committee (CF2b), to ensure the fair treatment of with-profits fund policy holders.

3.34 We believe that this function meets the definition of an SMF as this role gives significant advice to the management body of the firm on with-profits matters. Therefore, we propose making the Chair of the With-Profits Committee a Senior Manager.

3.35 The FCA's Conduct of Business Sourcebook (COBS)¹² allows firms to use a with-profits advisory arrangement instead of a With-Profits Committee. However, we don't currently require any person in this arrangement to be approved. Given this structure poses similar risks to the With-Profits Committee structure, we are proposing to also capture this function as part of the definition of Chair of the With-Profits Committee.

Tell us what you think:

Q7: Do you agree with our proposal to extend the Chair of the With-Profits Committee to cover any person(s) performing the with-profits advisory arrangement?

Holding more than one Senior Management Function

3.36 Where someone intends to hold more than one FCA Senior Management Function, the person will need to apply for approval from us for each function (this can be done at the same time and using the same form for both functions). They will only need one Statement of Responsibilities, but this must clearly describe all of their responsibilities.

3.37 There may be cases where a Senior Manager is applying to perform a PRA and FCA Senior Management Function at the same time. In this case, an 'overlap rule' will be applied. For example, someone could be a Chief Finance Officer (CFO) who is also appointed to the Board. Acting as a CFO is a PRA SMF, and being an Executive Director is an FCA SMF. However, firms don't need to seek separate approval from both the FCA and the PRA in this situation. Instead, people apply just once to the PRA, and the overlap rule ensures the approval covers both roles. We work closely with the PRA on these applications to ensure FCA issues are considered fully.

3.38 Also, there may be cases where a Senior Manager is appointed to perform a PRA Senior Manager role, for example Chief Risk Officer and the same person is later appointed as an Executive Director in addition to their existing role. Where this

12 www.handbook.fca.org.uk/handbook/COBS/20/5.html

happens, the firm needs to apply to the FCA for the person to be approved for their new responsibilities – but this won't affect their existing approval from the PRA. The person will only need one Statement of Responsibilities but it must clearly describe all of their responsibilities under both functions.

The 12-week rule

3.39 Currently, the revised APR and the Senior Managers Regime allow someone to cover for an Approved Person or a Senior Manager without being approved, where the absence is temporary or reasonably unforeseen, and the appointment is for less than 12 consecutive weeks.

3.40 We propose extending this rule so it also applies to responsibilities under the 'Overall Responsibility' requirement (explained in paragraph 3.17). For example, if the person approved to perform the Chief Operations Function becomes unwell and they're also the person with Overall Responsibility for the complaints-handling process, the 12-week rule allows the firm for a maximum of 12 weeks to:

- appoint a person to perform the Chief Operations Function without the new appointment being approved
- reallocate the responsibility for the complaints-handling process to the same person, or a different person, without them being approved

Tell us what you think:

Q8: Do you agree with our proposal to extend the 12-week rule to apply to responsibilities under the 'Overall Responsibility' requirement? If not, please explain why.

Applying conditions when approving Senior Managers

3.41 FSMA granted the FCA new powers to apply conditions and time limits when approving Senior Managers. We can only use these powers if we think it's desirable to do so to advance our statutory objectives.

3.42 FSMA also requires us to publish a statement of our policy for these new powers, which is set out in SUP10C of our Handbook.

3.43 We will now be able to:

- approve a Senior Manager, but make this subject to conditions
- approve a Senior Manager for a limited time only
- change existing approvals, including imposing, changing or removing conditions or time limits

- 3.44** An example of where time-limited approval may apply might be where a firm needs to appoint a candidate on an interim basis while seeking a permanent candidate for a particular function.
- 3.45** Circumstances where the FCA may consider imposing, changing or removing conditions might include examples where approval is linked to required remedial actions to be undertaken by the firm.

Senior Managers overseas

- 3.46** There is no territorial limitation on the Senior Managers Regime. This means that the Senior Managers Regime will apply to anyone who performs a Senior Manager role, whether they are based in the UK or overseas.
- 3.47** The Senior Management Functions for incoming branches of overseas firms are set out in paragraphs 7.4 and 7.15.

Duty of responsibility

- 3.48** Every Senior Manager will have a duty of responsibility¹³. This means that if a firm breaches one of our requirements, the Senior Manager responsible for that area could be held accountable if they did not take 'reasonable steps' to prevent or stop the breach.
- 3.49** The burden of proof lies with the FCA to show that the Senior Manager did not take the steps a person in their position could reasonably be expected to take to avoid the firm's breach occurring (or continuing).
- 3.50** When deciding whether to take action against someone based on the duty of responsibility, we will look at all the circumstances of the case including the seriousness of the breach, the person's position, responsibilities and seniority, and the need to use enforcement powers effectively and proportionately. These criteria are published in the Decision and Procedure and Penalties Manual (DEPP).
- 3.51** Sometimes it will be appropriate to take action against a Senior Manager, sometimes against a firm, and sometimes against both. These decisions are made on a case-by-case basis, applying the criteria set out in DEPP.
- 3.52** In bringing enforcement action against Senior Managers – whether under the duty of responsibility, the Conduct Rules or otherwise – we will consider the individual's Statement of Responsibilities when determining the extent of the Senior Manager's responsibilities.
- 3.53** We've published final guidance on enforcing the duty of responsibility in banks.¹⁴ We expect that this guidance will also apply to insurers, but will formally consult on this as part of the technical Consultation Paper later this year.

¹³ This is derived directly from FSMA, rather than our rules (see s. 66A(5)(d) FSMA).

Prescribed Responsibilities

What is a Prescribed Responsibility?

3.54 Prescribed Responsibilities are specific responsibilities that we define in our Handbook that a firm must give to a Senior Manager.

3.55 The PRA has already introduced Prescribed Responsibilities (PRs) as part of the SIMR. We now propose introducing some additional FCA PRs.

3.56 Table 4 below presents the PRs specified by both the FCA and PRA.

Our proposed approach to Prescribed Responsibilities

- 3.57** The Senior Manager allocated a Prescribed Responsibility should be the most senior person responsible for that area in the firm. The PR must be allocated clearly and should normally be held by a single individual, except where a firm can show that dividing or sharing a responsibility is appropriate and justifiable (see paragraphs 3.66-3.68).
- 3.58** With the exception of the CASS responsibility, PRs cannot be allocated to individuals approved under SMF18 (Other Overall Responsibility Function).
- 3.59** If a firm moves a PR from one Senior Manager to another, the relevant Senior Managers' Statements of Responsibilities will need to be updated to reflect these changes. However, simply re-allocating Prescribed Responsibilities won't require approval.
- 3.60** The FCA and PRA propose 19 PRs in total. Of these 19 PRs:
- seven are shared between the PRA and the FCA
 - nine have been allocated by the PRA only
 - three are FCA only
- 3.61** The seven shared PRs in Table 4 indicate areas where both regulators have an interest in how these responsibilities are being discharged. We expect each of these responsibilities to be allocated to one SMF.
- 3.62** The nine PRA PRs are primarily focused on the PRA's objectives for prudential soundness of firms. For example, the PRs on 'overseeing the adoption of the firm's culture' and 'leading the development of the firm's culture by the governing body as a whole' were introduced by the PRA under the SIMR and have a prudential focus. We view such responsibilities broadly and we think that the whole firm, from the governing body down, is responsible for these. Therefore, we have not introduced an equivalent PR for one individual.
- 3.63** We propose to have three FCA-only PRs:
- a new PR for the firm's performance of its obligations under the Code of Conduct (COCON), to ensure the firm trains its staff in the Conduct Rules and complies with the FCA notification requirements
 - a CASS PR (although this is only applicable where there is an underlying obligation on the firm to comply with these rules)
 - a PR for preventing Financial Crime

- 3.64** When allocating PRs, firms will need to think about who in practice is the most senior person responsible. For example, if the Money Laundering Reporting Officer Senior Manager reports to a more senior individual with responsibility for financial crime matters more generally, the PR for financial crime should be allocated to this person and not the Money Laundering Reporting Officer.
- 3.65** In paragraph 4.23 we explain how the CASS Prescribed Responsibility interacts with the CASS Oversight Function in the Certification Regime.

Dividing and sharing a Prescribed Responsibility

- 3.66** Each Prescribed Responsibility should normally be held by only one person. Firms will only be able to divide or share a Prescribed Responsibility in limited circumstances and where they can show that this is appropriate and justifiable.

'Dividing' a responsibility means several Senior Managers have responsibility for separate parts of one Prescribed Responsibility.

'Sharing' a responsibility means several Senior Managers are jointly responsible for all of a Prescribed Responsibility.

- 3.67** If a firm divides or shares a Prescribed Responsibility, they will need to show why this is justified and confirm that this does not leave a gap. For example, it would be justified to share a function or responsibility as part of a job share, where departing and incoming Senior Managers work together temporarily as part of a handover, or where a particular area of a firm is run by two Senior Managers.
- 3.68** Where responsibilities are shared or divided, this will need to be clearly explained in the relevant Statements of Responsibilities. In general, where responsibilities are shared, each Senior Manager will be jointly accountable for those responsibilities.

Tell us what you think:

Q9: Do you agree with our approach to Prescribed Responsibilities and our proposed list of PRs?

Q10: Do you agree with our approach to dividing and sharing Prescribed Responsibilities?

Statements of Responsibilities

- 3.69** A Statement of Responsibilities (SOR) is a document that every Senior Manager will need to have, clearly setting out their role and what they are responsible for. This is required under FSMA.
- 3.70** Currently, insurers must maintain, and provide on request, a Scope of Responsibilities document which is the same in substance as a Statement of Responsibilities document. Solvency II firms must keep records of their scope of responsibilities

documents for 10 years. Large and small NDFs are required to keep records for six years.

- 3.71** We propose re-naming Scope of Responsibilities documents to 'Statements of Responsibilities' to be consistent with the new legislation and reduce confusion by having different names for the same document.
- 3.72** To apply the legislation's requirements, we will:
- require insurers to submit SORs with an approval application for a new Senior Manager and then maintain and update them
 - require insurers to update and re-submit them whenever there is a significant change in responsibilities
- 3.73** We have existing guidance in SUP10C of our Handbook setting out examples of what might be a significant change in responsibilities. This includes where a Senior Manager has a Prescribed Responsibility added or removed from their responsibilities, or where there is a change to how responsibilities are shared between Senior Managers.
- 3.74** We will consult later this year on the template for Statements of Responsibilities and the process for submitting them to us.

Tell us what you think:

Q11: Do you agree with our proposals on Statements of Responsibilities?

Responsibilities Maps

- 3.75** Currently, Solvency II firms and large NDFs must prepare and maintain an up-to-date 'governance map' that covers all Senior Managers and Key Function Holders (under the PRA SIMR), as well as all senior individuals of interest to the FCA. Firms must provide a map if requested by the FCA and must keep records of those for 10 years.
- 3.76** We propose replacing this governance map with a 'Responsibilities Map' – a single document that sets out the firm's management and governance arrangements. This includes, for example, how the Prescribed Responsibilities have been allocated, details on who has Overall Responsibility for the firm's activities, business areas and management functions, details of individuals' and committees' reporting lines, and how any responsibilities are shared or divided between different people.
- 3.77** Responsibilities Maps are designed to give a collective view of the allocation of responsibilities across a firm and demonstrate that the Senior Managers' Statements of Responsibilities don't leave any gaps. They also help us to identify who to speak to about particular issues and who is accountable if something goes wrong.
- 3.78** Responsibilities Maps must be kept up to date on an ongoing basis and must also be submitted alongside any application for approval that is sent to the FCA. This does not present duplication with PRA's requirements. We expect firms will submit the same

responsibilities maps documents to both us and the PRA, depending on the role that they are seeking approval for.

- 3.79** These requirements won't apply to small NDFs, small run-off firms and ISPVs. However, (as currently happens) these firms will need to continue to keep up-to-date records of apportionment of responsibilities in line with the requirements in SYSC 2.

Tell us what you think:

Q12: Do you agree with our proposal to require firms to maintain, produce and, where relevant, submit Responsibilities Maps?

Handover procedures

- 3.80** We propose introducing a requirement for all Solvency II firms and large NDFs to take all reasonable steps to ensure that a person taking on a Senior Manager role has all the information and materials they could reasonably expect to have in order to do their job effectively. One way of doing this could be for the predecessor to prepare a suitable handover note.
- 3.81** In addition, a firm must have a policy in place explaining how it complies with this requirement, and maintain adequate records of the steps it has taken.

Tell us what you think:

Q13: Do you agree with our proposal to apply handover requirements to Solvency II firms and large NDFs? If not, please explain why.

Outsourcing under the Senior Managers Regime

- 3.82** Where a firm relies on a third party for the performance of operational functions of the firm, it remains fully responsible for discharging all of its obligations under the regulatory system. This means that while firms may outsource the function, they cannot outsource the responsibility for this function.
- 3.83** For example, when an insurer decides to outsource its internal audit or claims handling functions to third parties, they will be required to explain clearly how responsibility for oversight of these outsourced functions is allocated among its Senior Managers within the firm. In addition, firms will need to continue to take into account the outsourcing guidance in SYSC 13, and any requirements in the directly applicable EU Regulation.

How does the SMR apply to Small Non-Directive Firms?

Introduction

3.84 This section sets out our proposals for the application of the SMR to small Non-Directive Firms ('small NDFs'). Small NDFs are those insurance firms that are out of scope of the Solvency II Directive and hold assets of £25 million or less.

3.85 There are about 75 UK insurance firms that classify as small NDFs. Most of these firms are mutual insurers, and many of them are registered as friendly societies.

Overview

3.86 Under current rules, small NDFs are subject to a streamlined regime.¹⁶ This can be summarised as follows:

- a shorter list of roles requiring approval (including PRA roles)¹⁷
- a shorter list of Prescribed Responsibilities under the PRA's SIMR
- more time to prepare scope of responsibilities documents
- no requirement for a governance map
- a shorter mandatory record-keeping period for the scope of responsibilities

Our proposals

3.87 We believe that the regime for small NDFs should remain proportionate and that the above principles should be maintained. We recognise that these firms typically undertake less complex activities and therefore their business models and governance arrangements are less complex.

3.88 Table 5 shows the SMFs we propose introducing alongside the PRA's functions.

- 3.89** We propose not to apply the 'Overall Responsibility' requirements and SMF 18 ('Other Overall Responsibility' function), as we don't consider these are necessary for small NDFs. Also, we propose to not require approval for the Chair of the Nominations Committee and the Chair of the With-Profits Committee. Our proposal doesn't prevent such firms establishing these committees; however we believe this is a proportionate approach that still ensures effective governance and clear accountability.
- 3.90** To simplify our rules, we propose renaming the current FCA controlled functions CF1, CF5 and CF6 as 'SMF3' (Executive Director).
- 3.91** We also propose applying a shorter list of Prescribed Responsibilities:

Table 6: Proposed Prescribed Responsibilities (PRs) in small NDFs

A	Shared	Performance by the firm of its obligations under the Senior Managers Regime, including implementation and oversight

- 3.92** Statements of Responsibilities are a FSMA requirement and will apply to small NDFs. Small NDFs will have already produced scope of responsibilities document, so the key change is that these documents need to be submitted alongside any approval application.
- 3.93** We propose to treat small run – off firms similarly to small NDFs, which means that our proposals for small NDFs presented in the Small NDFs section above will apply to these firms.

How does the SMR apply to small run-off firms?

3.94 The PRA published its feedback¹⁸ to its Consultation Paper CP34/16 'Strengthening individual accountability in banking and insurance: amendments and optimisations'. PRA previously consulted on SIMR optimisations for SII firms in run – off that no longer have regulatory permissions to write new business.

Recap

What firms need to do under the Senior Managers Regime

If a person will be performing a Senior Manager Function, the firm will need to:

- satisfy themselves that the candidate is fit and proper¹⁹ (see Chapter 5) to perform the relevant function
- work out whether there is an overlap²⁰ with a PRA SMF and if not, apply for the person to be approved by us before they start their role
- if there is an overlap, then firms don't need to seek separate approval from the FCA. They will just require PRA's approval in this situation
- send us a Statement of Responsibilities and Responsibilities Map (if applicable) with each application for approval

After a Senior Manager has been approved, the firm will need to:

- update Statements of Responsibilities and Responsibilities Maps and resubmit the Statements of Responsibilities to us whenever there is a significant change to a Senior Manager's responsibilities
- assess that their Senior Managers are fit and proper to carry out their job at least once a year

Also, firms will need to make sure they have appropriately allocated all of the relevant Prescribed Responsibilities and Overall Responsibility (where applicable) to their Senior Managers.

What Senior Managers need to do

- Any person who is a Senior Manager will have a 'duty of responsibility'²¹.
- Senior Managers must ensure that their Statements of Responsibilities are accurate and up to date.
- There are also Conduct Rules that apply to Senior Managers. We explain these in Chapter 6. Senior Managers will need to understand and comply with these rules.

¹⁹ As described in FIT 1.2.1B.

²⁰ See FSMA s66A(5)(d).

²¹ Senior Managers should understand what this means in the context of their job.

4 Certification Regime

All firms should read this chapter, as the Certification Regime applies to all insurers.

Introduction

4.1 This chapter sets out our proposals for the Certification Regime, which will apply to all insurers. In particular, it sets out:

- what functions will be under the Certification Regime
- what firms will need to do under the Certification Regime

Overview

4.2 The Certification Regime is a new FSMA requirement for all firms. This is one of the biggest changes for insurers compared to the current SIMR and revised APR.

4.3 It applies to people who perform certain functions, known as Certification Functions, but who are not Senior Managers. FSMA defines a Certification Function²² as one that 'requires the person performing it to be involved in one or more aspects of the firm's affairs, so far as relating to a regulated activity, and ... those aspects involve, or might involve, a risk of significant harm to the firm or any of its customers'.

4.4 We set out the functions that we consider to meet the FSMA definition, which we list in our Handbook. Once we decide that a role is a Certification Function, firms need to make sure that anyone doing that role is fit and proper to do the job, and issue them with a certificate stating this. This needs to be renewed at least once a year. This is referred to as the 'Certification Regime'.

4.5 Some of the staff in scope of the Certification Regime may have been previously approved by us. We will not approve these people any more, as one objective of the Certification Regime is to reinforce that firms, rather than the regulator, are responsible for ensuring their staff are fit and proper. This also means that the people under the Certification regime won't appear on the FCA public register.

4.6 We are proposing to apply the same list of Certification functions to all firms. However we recognise that some of the functions already in place for banks (such as algorithmic trading and proprietary trading) are unlikely to apply in practice to insurers. In small firms, it is possible that there will be no one in the Certification Regime if there is only a handful of senior individuals (who will be Senior Managers) supported by administrative staff.

²² In the definition of 'significant harm function' in s63E(5) of FSMA.

Certification Functions

- 4.7** We propose making the following roles Certification Functions, building on some of the existing roles in the revised APR. These will apply to all FSMA-authorised firms.
- 4.8** Please note that the Certification Regime only applies to employees²³ of firms. It does not apply to Non-Executive Directors, for example.

Table 9: Proposed Certification Functions

Significant management function (based on current CF29)	<p>These individuals perform functions that would have been Significant Influence Functions under our Approved Persons Regime.</p> <p>These roles are important individuals who can seriously impact the way the firm conducts its business.</p> <p>The significant management function is described in more detail in paragraph 4.11.</p>
Functions that are subject to qualification requirements	<p>These are set out in our Training and Competence Sourcebook²⁴. For example, life insurers should identify individuals:</p> <ul style="list-style-type: none"> • advising on long-term care insurance contracts • overseeing administrative functions for insurance contracts that are life policies and for pension schemes • giving advice or performing activities related to pension transfers (current CF30s)
Anyone who supervises or manages a Certified Person (directly or indirectly), but isn't a Senior Manager	<p>This will ensure that people who supervise certified employees are held to the same standard of accountability. It also ensures a clear chain of accountability between junior certified employees and the Senior Manager ultimately responsible for that area. In practice, it means that if a firm employs a customer-facing financial adviser, for example, every manager above them in the same chain of responsibility will have to be certified (until the Senior Manager approved under the SMR is reached).</p>
Material Risk Takers	<p>For dual-regulated insurers, these individuals are those that Solvency II firms already need to identify under Solvency II regulations on remuneration. Solvency II firms need to identify those individuals whose professional activities have a material impact on the firm's risk profile. We don't propose to extend this Certification Function to firms not currently subject to the Solvency II requirements on remuneration.</p>
The client dealing function (based on the relevant elements of the current CF30 function)	<p>This function will be expanded from the current CF30 function to apply to any person dealing with clients, including retail and professional clients and eligible counterparties.</p> <p>This will cover people who:</p> <ul style="list-style-type: none"> • advise on investments other than a non-investment insurance contract and perform other functions related to this, such as dealing and arranging • deal, as principal or agent, and arrange (bring about) deals in investments • act in the capacity of an investment manager and the functions connected with this • act as a bidder's representative.
Proprietary traders (current CF29)	<p>These individuals perform functions that would have been Significant Influence Functions under our Approved Persons Regime.</p>
CASS Oversight function (current CF10a)	<p>These important roles can seriously impact the way the firm conducts its business.</p>

Algorithmic trading	<p>This function includes people with responsibility for:</p> <ul style="list-style-type: none"> • approving the deployment of a trading algorithm or a material part of one • approving the deployment of a material amendment to a trading algorithm or a material part of one, or the combination of trading algorithms • monitoring or deciding whether or not the use or deployment of a trading algorithm is or remains compliant with the firm's obligations <p>These roles are unlikely to apply to most insurance firms.</p>
---------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

4.9 The PRA is proposing a slightly different set of Certification Functions, although the two do not conflict:

- all Key Function Holders (KFHs)²⁵ for all Solvency II insurers and large NDFs along with Insurance Special Purpose Vehicles
- Material Risk Takers (MRTs)²⁶ – this will only apply to large²⁷ Solvency II insurers and large NDFs
- individuals who are managing a Material Risk Taker

4.10 The set of Certification Functions specified by the FCA is wider than those specified by the PRA. This is to reflect the different statutory objectives of the two regulators, and recognises that there is a wider set of functions within insurers that might pose significant risks to the FCA's statutory objectives.

Significant Management Certification Function

4.11 We propose that the Significant Management Certification Function applies to someone with 'significant responsibility for a significant business unit'. By this we mean people below Senior Managers who are responsible for business units that, on account of their size, nature or impact, are considered 'significant' by the firm.

4.12 The intention of the Significant Management Function is to provide broad coverage of a firm's main activities below the Senior Manager layer. Firms will need to decide whether a business unit is 'significant'. We have set out factors in our Handbook for firms to consider, including:

- the size and significance of the firm's business in the UK
- the risk profile of the unit
- the unit's contribution to the firm's capital requirements
- its contribution to the profit and loss account
- the number of employees, Certification Functions or Senior Managers in the unit
- the number of customers served by the unit

²⁵ Individuals who are responsible for a 'key function' at Solvency II insurers, ie risk, actuarial, Internal Audit, Compliance and Finance.

²⁶ Those 'employees' of an insurer whose professional activities have a material impact on the firm's risk profile as per the Solvency II remuneration requirements.

²⁷ The PRA define 'large' as a firm with premium income of more than £1bn in each of the last three years, or with assets of more than £10bn at the end of the last three years.

4.13 For example, we expect that most insurers in the general insurance or life sector have complaints-handling business units that may be significant according to the factors listed above. Similarly, we consider underwriting to be one of the most significant business units in insurers in any sector. As a result, we would generally expect that the people below the Senior Managers layer responsible for these functions will be certified.

4.14 A business unit isn't limited to one that carries on commercial activities with customers and third parties or that generates revenue. A business unit can also be an internal support department (for example, human resources, operations or information technology).

4.15 We have set out some further guidance in the Handbook on the factors that insurers should consider, as well as some examples of business units that may be significant. However, the examples are only guidance to prompt firms to think about how the function applies to their activities, and we do not require firms to organise themselves in this way. Additionally, some of the examples may not apply to all firms.

Tell us what you think:

Q16: Do you agree with the functions we have proposed making Certification Functions?

Q17: Are there any other functions that we should make a Certification Function?

4.16 We also note that there have been some preliminary concerns raised with us about the fact that people performing Certification Functions will not appear on a public register. We invite feedback on these concerns.

Q18: Do you think the identity of people performing Certification Functions should be made public by firms? If so, which Certification Functions should be made public?

Performing more than one Certification Function

4.17 If someone performs more than one Certification Function, a firm needs to certify that the individual is fit and proper to carry out each function. For example, someone might carry out a function requiring a qualification, and also carry out the Significant Management Function. There might be different competencies required for the different functions, so firms need to assess that the person is fit and proper to do each role (but this can be done as part of a single assessment process).

4.18 If a Senior Manager also performs a Certification Function that is closely linked to their role as a Senior Manager, then they won't need to be certified under the Certification Regime (see 4.23 for an example in relation to CASS). However, if they are performing a Certification Function that is very different to the activity they are performing as a Senior Manager, they will also need to be certified. We expect that this will not be common in practice.

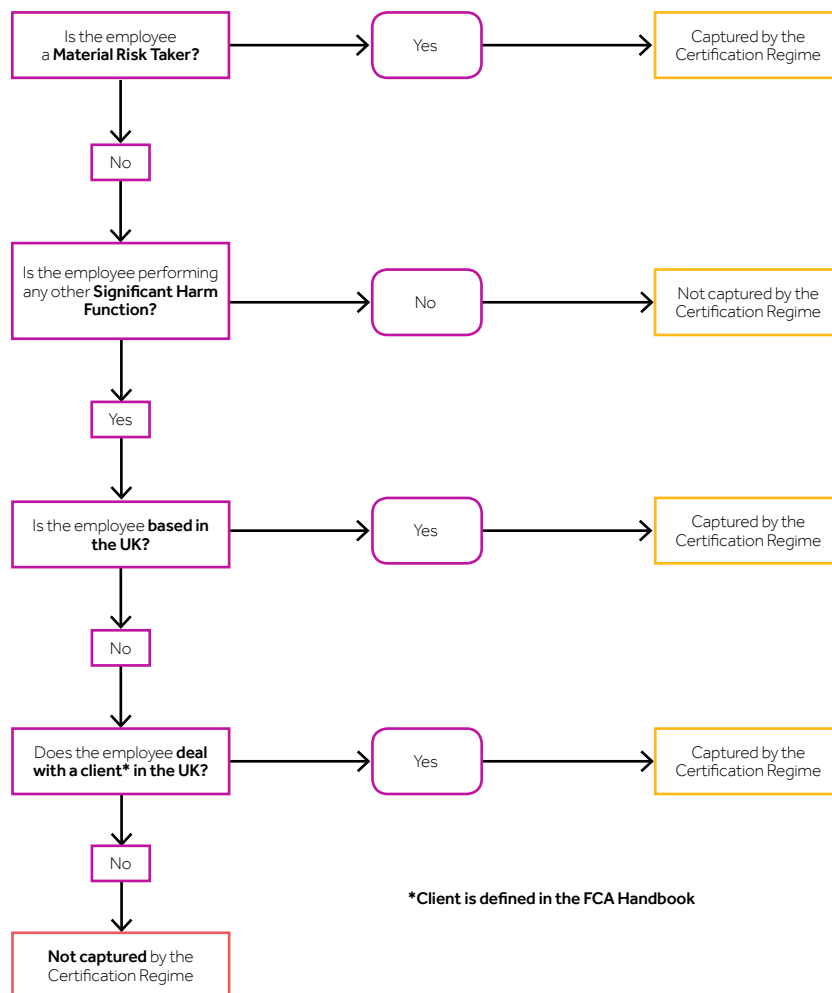

Overseas employees

4.19 For UK firms, the Certification Regime is limited to people performing a Certification Function who are either based in the UK or, if based outside the UK, have contact with UK clients. We call this the territorial limitation.

4.20 This means that if a person based overseas does not deal with UK clients, but would otherwise have been carrying out one of the functions listed in Table 7, the Certification Regime will not apply to them. However, there will still be a Senior Manager who is responsible for the Certification Regime (through the Prescribed Responsibility).

4.21 The exception to this is where a person is a material risk taker under Solvency II regulations on remuneration. For these individuals, there is no territorial limitation. This means that if a person is a material risk taker, the Certification Regime will apply even if they are based overseas and do not deal with a UK client.

4.22 The flow chart below sets this out:

Tell us what you think:

Q19: Do you agree with our proposed territorial limitation for the Certification Regime? If not, please explain why.

How the CASS Oversight Certification Function interacts with the CASS Prescribed Responsibility

- 4.23** Firms holding client money or client assets are subject to specific requirements (set out in the CASS chapter of our Handbook) and owe particular duties to their clients. The SM&CR reflects and reinforces these requirements.
- 4.24** A Senior Manager must be responsible and accountable for all elements of CASS compliance under the CASS Prescribed Responsibility (as set out in paragraph 3.63). A firm can allocate this Prescribed Responsibility to any Senior Manager, but this should be the most senior person responsible for this area. In practice, this will often be allocated to the Senior Manager carrying out the Compliance Oversight role, but this is not a requirement. Once the Prescribed Responsibility has been allocated, it might be the case that this Senior Manager also performs the CASS Oversight Function, which is a Certification Function. In this situation, the person will be a Senior Manager, and therefore there is no need for the firm to also apply the Certification Regime to them.
- 4.25** However, as the CASS Oversight Function is often operationally focused, the person performing it might not always be a Senior Manager. In this case, the person with the CASS Oversight Function will fall under the Certification Regime.
- 4.26** We have taken this approach to give firms flexibility in allocating the CASS responsibilities, recognising that in practice the person who performs the operational CASS Oversight Function (which focuses on detailed aspects of complying with our rules) might not always also be the most senior individual with ultimate responsibility for this activity within a firm – particularly in larger firms.
- 4.27** We will consult on changes needed to the CASS Sourcebook to reflect the proposals set out in this document, in our follow-up Consultation Paper.

Tell us what you think:

- Q20:** Do you agree with the approach we have proposed to allocating CASS responsibilities? If not, please explain why.

Recap

What will firms need to do under the Certification Regime?

The Certification Regime will make firms more responsible for assessing that their staff are fit and proper to carry out Certification Functions. FCA approval is not required for anyone who performs a Certification Function.

Firms will need to:

- Identify employees who perform a Certification Function.
- Assess whether those employees are fit and proper to perform their role. Firms need to do this assessment at the point of recruitment (or before a person performs a Certification Function) and on an ongoing, annual basis. We discuss the fit and proper assessment in more detail in the following chapter.
- Issue a certificate to the employee if the firm is satisfied that they are fit and proper to perform that Certification function. The certificate needs to:
 - state that the firm is satisfied that the person is a fit and proper person to perform the function the certificate relates to
 - set out what aspect of the firm's affairs the person will be involved in as part of performing their function
- If the firm completes a fit and proper assessment and then decides not to issue a certificate to someone, the firm must give the person a notice in writing setting out:
 - what steps (if any) the firm proposes to take in relation to the person as a result of the decision
 - the reasons for proposing this

5 Fit and Proper requirements

All firms should read this chapter.

Introduction

- 5.1** This chapter sets out our proposals for how firms should assess whether Senior Managers, Non-Executive Directors and individuals under the Certification Regime are fit and proper. In particular, it sets out:
- the fit and proper test
 - the evidence we expect firms to gather when making their assessment

Overview

- 5.2** A key feature of the SM&CR is to reinforce that firms need to take responsibility for their staff being fit and proper to do their jobs. This requirement stems from legislation. FSMA requires firms to make sure anyone performing a Senior Management Function or a Certification Function is fit and proper for their role. In addition to this we propose applying this requirement to Non-Executive Directors who are not Senior Managers.
- 5.3** Once someone is in a role, firms will need to assess them on an ongoing basis, and at least once a year. This assessment should take into account relevant FCA rules around the qualifications, training, competence and personal characteristics required for that role.
- 5.4** We already have a number of rules about qualifications, training, competence and personal characteristics, and we don't propose making any further new rules at this stage.
- 5.5** For example, we have rules:
- for firms generally in SYSC 3.1.6 (The Competent Employees Rule)
 - for firms carrying on activities not subject to TC in SYSC 3.1.9²⁸
 - in relation to retail activities, TC2.1.12 (competence for the relevant role)

28 www.handbook.fca.org.uk/handbook/SYSC/3/1.html

- 5.6** Guidance in the FCA's FIT Handbook sets out the factors that we currently consider when assessing people as fit and proper under APR. We propose extending the application of FIT to Senior Managers and Certified staff in insurance firms.

Tell us what you think.

Q21: Do you agree with our proposed approach to rules and guidance on fit and proper tests? If not, please explain why.

Evidence requirements

- 5.7** We propose requiring new evidence that firms will need to collect when assessing whether candidates for Senior Management roles, Certification Functions or Non-Executive Directors (even if they are not Senior Managers) are fit and proper.

Criminal records checks for Senior Managers

- 5.8** Under the current Approved Persons application process, firms and candidates need to declare if a candidate has a criminal record (including any spent convictions the employer has a legal right to be made aware of). This will continue for Senior Manager applications. However, we also propose requiring firms to undertake a criminal records check as part of each Senior Manager approval application. This will ensure the information the candidate has given to the firm is accurate and complete. This requirement will also apply to Non-Executive Directors who are not Senior Managers where a fitness requirement already applies to them.
- 5.9** This means firms will have to register with to the Disclosure and Barring Service (DBS), and the equivalent agencies in Scotland and Northern Ireland, who run the checks. Smaller firms may need to use an umbrella organisation to access these services.
- 5.10** We also propose that where a candidate has spent a considerable amount of time working or living outside the UK, firms should consider undertaking an equivalent check with the appropriate overseas regulatory body, where possible.
- 5.11** We don't propose to mandate criminal record checks for Certified staff, but firms may choose to conduct these checks for other staff where they are legally allowed to do so – this is up to firms to decide.

Tell us what you think

Q22: Do you agree with our proposed requirements on criminal record checks? If not, please explain why.

Regulatory references for Senior Managers and Certified persons

- 5.12** The FCA and the PRA applied the Fair and Effective Markets Review (FEMR) recommendations and made new rules on regulatory references that came into force in March 2017. These rules apply to banks and insurers – both Solvency II (SII) and large NDFs – and, to a limited extent, to solo-regulated firms and small NDFs.
- 5.13** We now propose requiring all insurers seeking to appoint someone to a Senior Manager or a Certified role to request a regulatory reference from the candidate's past

employer(s). This requirement will also apply to all Non-Executive Directors who aren't Senior Managers.

5.14 These references will help firms make better informed decisions about candidates.

5.15 The proposed rules will require firms to:

- request a reference from all previous employers in the past six years for people applying for Senior Manager, Certification and non-approved Non-Executive Director roles
- share information between one another in a standard template
- disclose certain mandatory information going back six years, including details of disciplinary action taken due to breaches of the Conduct Rules and any findings that the individual was not fit and proper
- disclose any other information relevant to assessing whether the candidate is fit and proper (for example, the number of upheld complaints), covering the previous six years, although for serious misconduct there will be no time limit and firms will need to use their judgement when considering what is relevant, on a case-by-case basis
- retain records of disciplinary/fit and proper findings going back six years
- not enter into arrangements that conflict with their disclosure obligations (eg non-disclosure agreements)

5.16 In addition, firms will need to update regulatory references where new, significant information comes to light.

5.17 Regulatory references already apply to Solvency II firms and large NDFs, for Approved Persons and standard Non-Executive Directors (NEDs). We propose that regulatory references will now apply to Certified staff as well.

5.18 Since March 2017, small NDFs have been required to provide a reference upon request and to include all relevant information in the reference going back six years. We propose to now apply the same full set of requirements to small NDFs as for Solvency II firms and large NDFs.

5.19 Applying the regulatory reference rules to all insurers will provide them with a more complete picture of someone's conduct, allowing them to better assess whether that person is fit and proper. This should, in turn, encourage staff to take greater responsibility for their own conduct.

Tell us what you think

Q23: Do you agree with our proposals to extend the requirement for regulatory references to all insurers and to cover Certified persons? If not, why not?

6 Conduct Rules

All firms should read this chapter, as the Conduct Rules apply to all insurers.

Introduction

6.1 This chapter sets out our proposals for:

- the scope and content of a new set of enforceable Conduct Rules
- the training and notification requirements that are linked to the Conduct Rules

Overview

6.2 The Banking Reform Act replaced the regulators' power to write Statements of Principle and Code of Practice for Approved Persons (APER) with a power to write rules of conduct that can be applied to all employees within a firm.

6.3 As a result, the FCA introduced a new set of enforceable Conduct Rules in the Code of Conduct (COCON) Sourcebook,²⁹ building on existing elements of the APER principles. COCON sets basic standards of good personal conduct, against which we can hold individuals to account. These rules currently apply to approved roles in insurers as well as to the banking sector.

6.4 We believe that Conduct Rules are an important tool in ensuring all relevant staff in firms are clear about our expectations of their conduct and that the FCA can take action where these expectations are not met.

6.5 The aim is to:

- shape the culture, standards and policies of a firm as a whole
- promote more positive behaviours that actively support the FCA's priorities of reducing consumer harm and promoting market integrity

6.6 Additionally, the possibility of enforcement should deter people from doing something that could damage the firm or its customers (which could also indirectly undermine the integrity of financial markets).

6.7 Our proposed conduct rules are intended to drive up standards of individual behaviour in financial services. They represent a meaningful change in the standards of conduct we expect from those working in the industry. By applying the conduct rules to a broad

29 www.handbook.fca.org.uk/handbook

range of staff we aim to improve individual accountability and awareness of conduct issues across firms.

What are the Conduct Rules?

6.8 There are nine Conduct Rules, listed in Table 10.

Table 10: Proposed Conduct Rules

First Tier – Individual Conduct Rules	
1.	You must act with integrity
2.	You must act with due care, skill and diligence
3.	You must be open and cooperative with the FCA, the PRA and other regulators
4.	You must pay due regard to the interests of customers and treat them fairly
5.	You must observe proper standards of market conduct
Second Tier – Senior Manager Conduct Rules	
SC1.	You must take reasonable steps to ensure that the business of the firm for which you are responsible is controlled effectively
SC2.	You must take reasonable steps to ensure that the business of the firm for which you are responsible complies with the relevant requirements and standards of the regulatory system
SC3.	You must take reasonable steps to ensure that any delegation of your responsibilities is to an appropriate person and that you oversee the discharge of the delegated responsibility effectively
SC4.	You must disclose appropriately any information of which the FCA or the PRA would reasonably expect notice

6.9 For insurers, Conduct Rules 1 to 5 currently apply to all staff approved by either the FCA or the PRA. Conduct Rules SC1 to SC4 apply to all FCA SIF holders³⁰ and the PRA's Senior Insurance Management Functions (SIMFs).³¹

6.10 In May 2017, we published final rules that now apply the five individual Conduct Rules and Senior Manager Conduct Rule 4 to standard NEDs, in addition to all approved NEDs.

6.11 There are two main questions we need to consider when applying the Conduct Rules to all insurers:

- **who** (ie which type of role) the Conduct Rules apply to
- the type of **activities** the Conduct Rules apply to

³⁰ www.handbook.fca.org.uk/handbook/SUP/10A/5.html

³¹ Under the Act, the PRA may only designate controlled functions that it considers to be Senior Insurance Management Functions.

Who the Conduct Rules apply to

Our proposals

6.12 We propose applying the Conduct Rules to the following types of role:

- all Senior Managers
- all Certification staff
- all Non-Executive Directors who are not Senior Managers (to whom, in addition to the individual Conduct Rules, we propose applying the Senior Manager Conduct Rule 4 to 'disclose appropriately any information of which the FCA or the PRA would reasonably expect notice' to these individuals)
- all other employees, except ancillary staff (ie people who don't perform a role specific to financial services, eg receptionists, catering staff etc.)

6.13 We recognise that the Conduct Rules may involve additional costs for firms. However, we've proposed applying the Conduct Rules to the majority of employees working in firms because we consider they are an important tool to achieve cultural change across organisations, and not just at the Senior Manager and Certification level. Firms should be able to demonstrate that they apply the spirit as well as the letter of the Conduct Rules. By this we mean that we expect firms to ensure that staff understand what the rules mean to them in the context of their particular firm.

6.14 The list of roles that we consider ancillary and therefore out of scope of the Conduct Rules are set out below (this is an exhaustive list):

- receptionists
- switchboard operators
- post room staff
- reprographics/print-room staff
- property/facilities management
- events management
- security guards
- invoice processing
- audio visual technicians
- vending machine staff
- medical staff
- archive records management
- drivers

- Corporate Social Responsibility staff
- data controllers and processors under the Data Protection Act
- cleaners
- catering staff
- personal assistants, secretaries
- Information Technology Support (ie helpdesk)
- Human Resources administrators/processors

6.15 We invite feedback on the proportionality of our proposals.

Activities the Conduct Rules apply to

Our proposals

- 6.16** We propose applying the Conduct Rules to a firm's regulated and unregulated financial services activities (including any related ancillary activities carried on in connection with a regulated activity).
- 6.17** This is narrower than the application under the banking regime, where the Conduct Rules apply to everything someone does on behalf of the bank, whether it's regulated or unregulated, or linked to financial services. We think this narrower approach for insurers is proportionate because there is less evidence of potential harm to consumers or market integrity.
- 6.18** However, we have not limited the application of the Conduct Rules to only cover an employee's role in relation to the regulated activities of an insurer, as we consider this would be too narrow. In practice, conduct issues that have an impact on our objectives won't be limited to the regulated areas of a firm's business. Therefore, unregulated financial services activities such as property investment for both life and non-life insurers will be in scope of the Conduct Rules.

Tell us what you think

- Q24:** Do you agree with our proposal to apply the Conduct Rules to all employees, except ancillary staff? If not, why not?
- Q25:** Do you agree with our proposed scope of the Conduct Rules to financial services activities whether regulated or unregulated? If not, why not?

Training and notification requirements

- 6.19** FSMA requires firms to make the individuals who are subject to the Conduct Rules aware that this is the case, and train them in how the rules apply to them.
- 6.20** FSMA also requires firms to notify us when disciplinary action has been taken against a person for any reason specified by us. We propose to require notification of disciplinary action only if that action was because of breaches of the Conduct Rules. For Senior Managers, we propose that firms notify us of this information within seven business days of the firm becoming aware of the matter. For other staff, we propose the notification is made once a year. We will be consulting on the form that will be used to notify us of these breaches and changes to all other forms as part of our technical Consultation Paper later this year).
- 6.21** The new notification requirements won't change or remove firms' obligations to report concerns about an individual's conduct under existing rules and principles, such as SUP 15 and FCA Principle 11.

Tell us what you think

- Q26:** Do you agree with our proposals about notifications under the Conduct Rules? If not, please explain why.
- Q27:** Do you agree with our proposal to link notification requirements for disciplinary action to breaches of the Conduct Rules?
- Q28:** Do you agree with our proposed frequency of Conduct Rules notifications? If not, please explain why.

What will firms need to do?

There are two obligations for firms about the Conduct Rules:

- training staff
- notifying us when disciplinary action is taken because of a breach of the Conduct Rules

A firm must also allocate the Prescribed Responsibility for the firm's obligations for Conduct Rules notifications and training.

What will individuals need to do?

Where the Conduct Rules apply, relevant individuals need to be aware of and comply with the rules as part of their job.

7 UK branches of foreign firms

European Economic Area (EEA) and non-European Economic Area (non-EEA) branches should read this chapter.

- 7.1** This section sets out our proposals for incoming branches, specifically UK branches of EEA firms (EEA branches)³² and third-country branches (non-EEA branches).
- 7.2** This section should be read in conjunction with our proposals for Solvency II firms, large NDFs and small NDFs presented in Chapters 3, 4, 5 and 6.

How does SMR apply to EEA branches?

- 7.3** The FCA currently applies a subset of significant influence controlled functions to EEA branches to reflect the split of home/host state responsibilities under the relevant single market directives. This includes the Money Laundering Reporting Officer (CF11) and the Significant Management function (CF29).
- 7.4** Under the SM&CR, we propose designating the executive functions shown in Table 11 as SMFs. These are the same as the executive roles that currently apply under the revised APR.

Table 11: Proposed executive Senior Management Functions in EEA branches

SMF21 – EEA Branch Senior Manager

SMF17 – Money Laundering Reporting Officer

- 7.5** The Money Laundering Reporting function will be defined in the same way as for UK Solvency II firms.
- 7.6** The EEA Branch Senior Manager (EBSM) will cover individuals with responsibility for the management and conduct of the business of the branch.
- 7.7** As is the case for UK-authorised firms, there is no territorial limitation for Senior Managers in EEA branches. This means that the Senior Managers Regime will apply to anyone who performs a Senior Manager role, whether they are based in the UK or overseas. In practice, we expect most branches to be able to identify Senior Managers who are primarily based in the UK.

Fit and proper

- 7.8** We will not form a judgement on whether an individual applying to perform the EEA Branch Senior Manager is fit and proper, as we consider this more properly to be a matter for the home member state. But, we are still interested in the person's honesty, integrity and financial soundness as it affects the conduct obligations to which the branch is subject.

³² EEA branches are branches of insurance firms that are headquartered in the EEA and are subject to the Solvency II Directive.

Prescribed Responsibilities

- 7.9** Allocation of responsibilities is a matter which we consider to be for the home member state, so our Prescribed Responsibilities will not apply to EEA branches. Similarly, we aren't proposing requirements around handover procedures for Senior Managers.

Responsibilities Maps

- 7.10** We propose requiring EEA Branches to provide and maintain Responsibilities Maps. This is similar to the approach we took for branches of EEA banks. Firms need to note that the general override principle applies, ie where home state requirements provide equivalent protection to our rules, our rules will not apply.
- 7.11** Our proposal for Responsibilities Maps could overlap with information received as part of the 'required details' provided when an EEA branch passports into the UK. We will mirror the amendment to the rule we made for EEA banking branches to specifically avoid duplication.

Tell us what you think

Q29: Do you agree with our proposals for applying the Senior Managers Regime to EEA branches? If not, why not?

Certification Regime in EEA branches

- 7.12** We propose applying the Certification Regime in the same way as for Solvency II firms. However, we propose restricting the Certification functions so they apply only in relation to the branch. In addition, EEA branches should note that the CASS oversight function will not apply, as the CASS rules don't apply to EEA branches.
- 7.13** A territorial limitation will apply. That means that the Certification Regime will only apply to individuals who are based in the UK. It will not extend to people based outside the UK, even if they deal with a UK client.

Tell us what you think

Q30: Do you agree with our proposal to apply the Certification Regime to EEA branches with the adaptations set out? If not, why not?

How do Conduct Rules apply to EEA branches?

- 7.14** We propose applying our Conduct Rules to EEA branches, as we proposed for Solvency II firms in Chapter 6. However, the Conduct Rules will only apply to staff in EEA branches in relation to matters that are within the UK's scope of responsibilities as the host state regulator – ie the 'single market override' will apply. As with the Certification Regime, the Conduct Rules won't apply to employees based outside the UK.

Tell us what you think

Q31: Do you agree with our proposal to apply the Conduct Rules to EEA Branches? If not, why not?

Senior Managers Regime in non-EEA branches

Senior Managers

7.15 We propose specific Senior Management Functions that cover the senior individuals responsible for the management of the branch business.

7.16 Table 12 shows our proposed five Senior Management Functions.

Table 12: Proposed Senior Management Functions in non-EEA branches

SMF3 – Executive Director
SMF27 – Partner
SMF16 – Compliance Oversight
SMF17 – Money Laundering Reporting Officer
SMF22 – Other Local Responsibility function

7.17 The Executive Director (SMF3) function will mirror the existing Director controlled function (CF1). Its scope will cover people performing their role in relation to the branch only, rather than in relation to the whole firm.

7.18 The Other Local Responsibility (SMF22) function will operate in a similar way to the Other Overall Responsibility (SMF18) function proposed for Solvency II firms. It will include any individuals who have local responsibility for any of the activities, business areas or management function of the branch. Therefore, if a branch has allocated local responsibility for all the activities, business areas and management functions of the branch between its other SMFs, it will not need to have any individuals approved under the Other Local Responsibility function.

7.19 Currently, we apply the Systems and Control (CF28), the Significant Management (CF29), and the Chair of the Nominations Committee (CF2a) functions. We propose to stop requiring approval for these functions under the SMR. However, we expect that the functions that will be dropped will closely map to the Other Local Responsibility function, so we don't expect our proposals to result in a significant change from current APR rules.

7.20 The Actuarial Conduct Function (CF51) was introduced under the FCA's revised APR for insurers in response to PRA changes made in light of Solvency II. Under current rules, the PRA have an SIMF19 (Head of Third-Country Branch function), which covers the responsibility for the conduct of all activities of the third-country branch subject to the regulatory system. As FCA COCON requirements would apply to this person, we consider that this affords an appropriate degree of protection to consumers and so we propose no longer to require a specific 'actuarial conduct' controlled function.

Prescribed Responsibilities

7.21 We propose applying the PRs listed in Table 13. As with Solvency II firms, some of these responsibilities have been specified by both regulators and others by either the FCA

or the PRA only. Please note that reference to 'firm' for this purpose means the UK branch and not the overseas legal entity.

Table 13: Proposed Prescribed Responsibilities in non-EEA branches

Handbook PRs Reference	PRA, FCA or shared	Prescribed Responsibilities for third-country branches
A	Shared	Performance by the firm of its obligations under the Senior Managers Regime, including implementation and oversight
B	Shared	Performance by the firm of its obligations under the Certification Regime
C	Shared	Responsibilities Maps
AA	Shared	Responsibility for management of the firm's risk management processes in the UK
EE	Shared	Escalation of correspondence from the PRA, FCA and other regulators in respect of the firm to the governing body and/or the management body...
FF	Shared	Compliance with the UK regulatory system
B-1	FCA	Responsibility for the firm's performance of its obligations under the COCON (in terms of training and regulatory reporting)
D	FCA	Local responsibility for the firm's policies and procedures for countering the risk that the firm might be used to further financial crime
Z	FCA	Local responsibility for the firm's compliance with CASS
O	PRA	Management of the allocation and maintenance of the firm's capital, funding and liquidity
Q	PRA	Production and integrity of the firm's financials and its regulatory reporting
T	PRA	Development and maintenance of the firm's business model by the governing body
T-2	PRA	Performance of the firm's ORSA
U	PRA	Insurance Fitness & Propriety
X	PRA	Outsourced operational functions (including systems and technology)
BB	PRA	Responsibility for management of the firm's systems and controls in the UK

7.22 The Senior Managers Regime requires responsibilities to be allocated to the most senior person with responsibility in the firm. If we applied this to non-EEA branches, we would include the most senior individuals in the legal entity as a whole. So, PRs should be allocated to the most senior individual responsible for the day-to-day management of the function or area of responsibility of the branch only.

7.23 We propose that PRs can only be allocated to individuals performing executive functions in the branch.

7.24 Our proposal for the CASS PR is in line with our proposals for Solvency II firms and only applies where CASS requirements apply to the branch.

7.25 PRs, except for the CASS PR, cannot be allocated to those holding the Other Local Responsibility function.

Responsibilities Map

- 7.26** We propose that non-EEA branches prepare, submit and, where appropriate, update a management Responsibilities Map. For firms that don't have a UK board, but have a management committee or equivalent instead, Responsibilities Maps must set out matters reserved to the management body of the branch, rather than the ultimate overseas governing body.
- 7.27** We expect non-EEA branches to provide a detailed explanation of how their management and governance arrangements fit together with those of its overseas head office and the wider group.

- Q33:** Do you agree with our proposed SMFs for non-EEA branches? If not, why not?
- Q34:** Do you agree with our proposal to remove the Actuarial Conduct Function from the list of approved functions for non-EEA branches? If not, why not?

How does the Certification Regime apply to non-EEA branches?

- 7.28** We propose applying the Certification Regime in the same way as for Solvency II firms, where necessary restricting the Certification Functions so they apply only in relation to the branch.

- Q35:** Do you agree with our proposal to apply the Certification Regime to non-EEA branches? If not, why not?

How do Conduct Rules apply to non-EEA branches?

- 7.29** We propose applying the Conduct Rules in the same way as for Solvency II firms. The Conduct Rules will apply in relation to the activities of the branch only and to individuals who are based in the UK.
- 7.30** Due to the structure of a branch, staff may also be subject to a Code of Conduct set by the legal entity. However, the Conduct Rules are drafted at a high level and the FCA does not expect them to be inconsistent with any separate standards set by head office or the home state regulator.

8 Insurance Special Purpose Vehicles

(Re) insurance firms with Insurance Special Purpose Vehicles, as well as any Insurance Special Purpose Vehicle firms, should read this chapter.

Introduction

- 8.1** This section sets out our proposals for the extension of the SM&CR and Conduct Rules to Insurance Special Purpose Vehicles (ISPVs).

Overview

- 8.2** In March 2016, HM Treasury released an initial consultation on the regulatory, tax and corporate framework for Insurance Linked Securities (ILS) business in the UK and also invited comments on the authorisation and supervision of ISPVs. ISPVs will be used to facilitate the transfer of risk from an insurer to the capital markets via the issuance of ILS.
- 8.3** In November 2016, HM Treasury consulted on draft regulations for the creation of the ILS regime (expected to take effect in autumn 2017). Alongside this, we and the PRA published a joint consultation paper outlining the proposed authorisation and supervisory approach for ISPVs. This was followed by an FCA consultation on changes to the FCA handbook to implement the ILS regime (CP17/3), issued at the end of January 2017.³³ This included interim governance requirements for ISPVs, until the SM&CR proposals take effect.
- 8.4** CP17/3 included the following in relation to the governance arrangements of ISPVs:
- Applying SYSC 3 to ISPVs, to align the governance requirements for ISPVs with reinsurers.
 - As part of the application of SYSC 3, applying CF10 (Compliance Oversight) to ILS business involving life insurance risks but not to that involving general insurance risks.
 - The proposed dis-application of the Money Laundering Reporting Officer controlled function (CF11) for ISPVs. The money laundering risk is low for ILS business given the target market is institutional investors. Also, we understand that the Treasury is not proposing to apply the Money Laundering Regulations (MLRs) for ILS business, so our current proposal is that it would be disproportionate to require CF11. However, we will review our position based on the final position adopted by the Treasury.
- 8.5** We do not expect that client money requirements in CASS will apply to ILS business because the ISPVs will not hold money for their investors. However, a trustee firm holding assets or money for an ISPV may be subject to CASS requirements. We intend

33 www.fca.org.uk/publications/consultation-papers/cp17-3-proposed-handbook-changes-insurance-linked-securities

to confirm the final rules affecting interim governance arrangements for ISPVs in a Policy Statement later this year.

How does the SM&CR apply to ISPVs?

- 8.6** We propose applying the key pillars of the SM&CR to ISPVs. This includes the Senior Managers Regime, Certification Regime and Conduct Rules, supported by some discretionary tools such as Prescribed Responsibilities.
- 8.7** The PRA has identified three mandatory PRA SMF roles for ISPVs:
- Chief Executive Officer
 - Chief Finance Officer
 - Chair
- 8.8** We propose specifying the following Senior Managers, although we do not expect firms with simple governance structures to necessarily have all of these in place:
- SMF 3 – Executive Director
 - SMF 16 – Compliance Oversight
 - SMF 27 – Partner
- 8.9** Similar to our proposed regime for small NDFs, we propose that:
- The requirements for Overall Responsibility, SMF18 and Responsibilities Maps won't apply.
 - Statements of Responsibilities will be required (as well as the six-year record-keeping obligation as per small NDFs proposals).
 - Prescribed Responsibilities will be applied. However, the list is shorter and reflects the limited risk that ISPVs pose to our objectives. See Table 14 below for the list of proposed Prescribed Responsibilities.

Table 14: Proposed Prescribed Responsibilities for ISPVs

Handbook PRs Reference	PRA, FCA or shared	PRs for ISPVs
A	Shared	Performance by the firm of its obligations under the Senior Managers Regime, including implementation and oversight
B	Shared	Performance by the firm of its obligations under the Certification Regime
B-1	FCA	Responsibility for the firm's performance of its obligations under the COCON (in terms of training and regulatory reporting)
D	FCA	Overall Responsibility for the firm's policies and procedures for countering the risk that the firm might be used to further financial crime
U	PRA	Fitness and Propriety in respect of its notified non – executive directors and key function holders

8.10 We also propose that the Certification Regime and the Conduct Rules apply as for Solvency II firms.

Tell us what you think

- Q37:** Do you agree with our SM&CR proposals for ISPVs? If not, why not?
- Q38:** Do you agree with our proposal to apply the Conduct Rules to ISPVs as for Solvency II and large NDFs? If not, why not?

Annex 1

Summary of the cost benefit analysis

Introduction

1. When proposing rules, we must publish a cost-benefit analysis (CBA) under Section 138I(2)(a) of FSMA. The CBA must include an analysis and estimate of the costs arising from, and the benefits brought about by, our proposed rules. This Annex summarises the CBA. Firms should also read our full CBA www.fca.org.uk/publication/research/cba-extension-senior-managers-certification-regime.pdf
2. As part of our CBA, we have attempted to calculate:
 - the likely costs for firms and the FCA, split into one-off and ongoing
 - the illustrative reduction in harm required for the proposed policy to break-even (ie for benefits to balance costs)
3. The benefits and wider indirect effects have not been quantified, as we believe they cannot reasonably be estimated, given that it would be difficult to do so reliably, and it would not be reasonably practicable to produce an estimate. We have provided a qualitative discussion of these elements instead.

Market failures

4. Our SM&CR proposals seek to address market failures in order to prevent harm from occurring. Whilst we expect firms to identify and rectify problems themselves, we will work with them to help ensure their systems and controls, governance, and culture enable them to comply fully with our rules.
5. There are two areas of harm in particular in markets served by solo-regulated firms and insurers (the firms in scope of the proposed policy) that the SM&CR looks to address:
 - information asymmetry; firms have more information than their regulator(s) and firms' employees have more information than firms' owners (for example, shareholders)
 - behavioural biases affecting employees
6. Information asymmetry exists when one party knows more than the other. This can cause problems when the party with more information does not act in the interests of the other party. For example, a firm may convince a customer that they need a certain product.

7. Information asymmetry between firms and the regulators arises because the regulator cannot monitor all activities and outcomes in financial markets, or detect all misconduct.
8. A similar information asymmetry exists between a firm's employees and its owners. Employees may think they are unlikely to get caught, and so take excessive risks, leading to poor outcomes for the firm. Similarly, they may also not comply with the firm's rules more generally.
9. Behavioural biases are distortions that impede people's ability to make choices that are in their best interests. Biases can cause people to misjudge important facts or to be inconsistent, for example changing their choices for the worse when the same decision is presented in a different way, or imitating their peers even though it's not in their interests. In other words, our normal human thought processes can lead us to make mistakes.
10. The SM&CR is designed to address these failures and improve how markets function. This, in turn, should contribute to our consumer protection objective.
11. A CBA assesses the costs and benefits of a proposed policy compared to how the markets would evolve in absence of the policy (the 'counterfactual'). We have used the revised Approved Persons Regime (APR) implemented as part of the EU Solvency II Directive as the counterfactual (which is currently in force).

Compliance costs and costs to the FCA

12. There is often a compliance cost for firms when they apply requirements from the regulator. For example, staff may need additional training and supervision, or new IT equipment might be needed to document compliance. Some of these costs only arise when the new requirements are implemented (ie one-off costs), for example due to system changes, while others will be ongoing, for example training for new joiners.
13. To assess these costs we sent questionnaires to 2,017 firms (at legal entity level).³⁴ We received responses from 190 solo-regulated firms and 37 insurers. Firms reported individual costs incurred against each of the elements of the regime, split into a number of subcategories such as training, organisational restructure and staff monitoring. We have used these 'reported costs' in our CBA.
14. However we acknowledge that our CBA estimates are subject to a number of uncertainties (see our full CBA for details). Therefore, we have also calculated 'revised estimates' which we believe are a better reflection of the true costs that firms will incur to comply with the proposed policy on a one-off and ongoing basis. We have calculated these by excluding cost categories that are unlikely to be borne in practice.

34 To increase the number of expected responses by insurers, the original sample of 1,740 firms contacted on 28 September 2016 was enlarged by a further sample of 277 insurers (FRNs) on 2 November 2016.

15. Table 12 below presents the revised estimates calculated, and the lower bounds of these estimates. The reported estimates are presented in Annex 1 of our full CBA document.

Table 15: Total one-off and annual ongoing costs for the regime for insurers, £m

Regime	one-off	ongoing
Small NDFs and small insurers in run-off*	0.8 – 0.9	0.6
Solvency II and large NDFs	8.0 – 8.1	2.6 – 3.5
Total	8.8 – 8.9	3.2 – 4.1

Source: FCA survey of firms (undertaken Q4 2016). *As explained in paragraph 3.59 the cost for small NDFs and small insurers in run-off are not reliable. Where we present one figure for the revised estimate this is because the two figures are the same.

16. In addition, we estimate that the FCA will itself incur an estimated £13.4 million over 4 years as the new regime is developed and implemented. These costs are to cover FCA staff costs (£7.9m), training for FCA staff, and communication to industry and consultancy costs (£1.9m) and to develop the IT infrastructure to enable the new regime to function (£3.6m).
17. The total cost to the FCA for the whole SM&CR extension includes the costs of extending the policies to solo-regulated firms and insurers. It is not possible to split out the costs attributable to solo-regulated firms and insurers separately.

Indirect costs and wider impacts

18. Indirect costs result from people changing their behaviour as a result of the policy, rather than as a direct result of complying with the policy itself. For example, placing higher levels of responsibility on Senior Managers may mean some leave financial services, increasing recruitment costs.
19. Operational efficiency looks at trying to maximise output for a given level of input, ie trying to allocate a firm's resources to produce the highest level of output possible. The overall impact of our SM&CR proposals on operational efficiency is unclear. On the one hand, increasing the monitoring of staff conduct and activity may take resources away from more profitable areas. On the other hand, it could result in better decision making and final products, as there is closer scrutiny and review in the development process.
20. We do not expect a significant net change in competition, although there may be several effects pulling in different directions. Areas where we expect competition may be affected are product innovation, firm entry and exit to the market, and international competitiveness. Product innovation may be delayed due to a lengthier sign-off process (although this could improve the end-product), and more risky innovation may be avoided altogether, as senior managers seek to reduce the risks they may be held accountable for. However it has been recognised that regulation can also foster innovation. There may be changes to firm entry and exit in markets as the relative cost of the SM&CR will vary according to the size and complexity of firms. Finally, as the full scope of SM&CR applies to firms in the UK, domestic firms will face relatively higher costs to foreign firms, reducing their competitiveness. On the other hand, higher standards of conduct and culture may improve the integrity of the market, drawing in foreign investment and business. Importantly, we are unlikely to see a negative effect

on competition that is in the interest of consumers if firms that cannot meet basic standards leave the market.

21. We expect some cost increases on firms to pass through to consumers in the form of higher prices. However, some markets will experience lower prices as exploitative behaviour is reduced, competition is improved, and firms improve their standards and compliance.
22. The SMR may lead to higher wages for Senior Managers as they demand more pay for the increased responsibility (and potential liability) that the SMR introduces. For the same reason, it may also be harder to attract and retain Senior Managers in financial services. However, regulatory references and the annual fit and proper checks should reduce the 'recycling' of inappropriate staff, which may result in increased profits for firms and better products for consumers.
23. If the extension of the SM&CR is perceived to be fair and justifiable, firms' compliance may be improved. However, if the regime is perceived as unnecessary or disproportionate, this may reduce firms' engagement with regulation, increasing non-compliance.

Potential benefits

24. A robust individual accountability regime can reinforce acceptable standards of behaviour and be a critical factor for deterring misconduct. Ultimately, its main aim is to drive culture change by making Senior Managers more accountable and by applying basic conduct standards to all financial services staff. There are a number of channels through which we expect the SM&CR to drive the reduction in harm.
25. Firstly, culture and standards will be driven up through increased accountability at the senior level, supported by a new 'duty of responsibility' on Senior Managers, senior Conduct Rules and the Certification Regime. Better culture throughout the firm should improve outcomes for consumers by reducing exploitative behaviour.
26. Secondly, through the application of Conduct Rules, associated reporting requirements and firm-level assessments of staff's suitability, we expect misconduct to be more easily identified. Also, the wider application of our Conduct Rules, combined with other SM&CR tools (such as Statements of Responsibilities, Responsibilities Maps, Prescribed Responsibilities and Overall Responsibility requirements) will broaden the scope for, and increase the focus and effectiveness of, FCA disciplinary actions, where appropriate. In short, we expect misconduct is more likely to be caught and sanctioned. This should reduce misconduct and therefore reduce harm to consumers.
27. Thirdly, the Certification Regime and Conduct Rules should encourage more effective competition. By improving compliance and reducing misconduct, we might expect increased competition in the interests of consumers, rather than competition between firms that seek to exploit consumers' information asymmetries or their behaviour. By reducing exploitation, firms that act in the best interests of consumers are more likely to get business, leading to stronger competition and better, cheaper products for consumers.

28. Fourthly, increased accountability should lead to better decision making within firms. Improved decision making should cut costs and/or lead to better quality products. Customers should experience lower prices and better products/services.
29. Finally, the introduction of conditional approvals, regulatory references and a reduction in the number of individuals approved by the Regulator should improve staff hiring processes in firms.
30. Collectively, our policy proposals should reduce the market failures identified earlier, specifically, information asymmetry and behavioural distortions.

Illustration of potential benefits

31. We have not attempted to quantify the benefits because we believe that they cannot reasonably be estimated taking account of the difficulties in the likely reliability of any such estimate. Nor do we think it is reasonably practicable to produce such an estimate, in light of the difficulties in likely reliability.
32. Instead, we have attempted to quantify the harm that consumers experience from products or services they have bought. Such problems include financial loss (eg from buying a product that doesn't suit their needs), loss of time and other factors, such as distress.
33. Using data on redress and fines, we have tried to illustratively quantify the harm from misconduct. The approach we use allows us to provide a basic estimate of harm that actually occurred and therefore of the potential benefits of the proposed policies from a reduction of this harm.
34. We use three sources of data to provide an estimate of the level of harm caused by firms affected by these proposals:
 - redress paid to compensate for harm
 - costs of handling complaints
 - the fines for misconduct imposed by the FCA

Table 16: Estimated unpaid redress, complaints-handling costs and fines per year, insurers

Regime	Redress, £m		Admin. Costs, £m	Fines, £m	Total, £m	
	Lower (Unpaid redress)	Upper (any problem)			Lower (Unpaid redress)	Upper (any problem)
All insurers	134.3	235.7	77.3	4.5	216.1	317.5
Solvency II, large NDFs	134.3	235.6	77.2	4.5	216.0	317.3
Small NDFs, small insurers in run-off	0.1	0.1	0.1	0.0	0.2	0.2

FCA analysis. Columns and rows may not sum to their totals due to rounding.

Comparison of costs and benefits

35. We calculated, based on the quantifiable costs, what percentage reduction in harm identified would be needed for the proposed policy packages to break-even.
36. We recognise that the costs in this analysis are only an illustrative estimate of harm. However, accepting these limitations, the following analysis demonstrates that the proposals are likely to be proportionate to the scale of the likely harm in financial services that our proposals seek to address.
37. To create an overall measure of the costs and benefits over a 10-year period, we convert them to 'present values' (PV) and then sum them. The PV reflects that society prefers to receive goods and services sooner rather than later and to defer costs to future generations. That is, costs incurred in the future are valued less than costs incurred immediately.³⁵
38. The analysis indicates that a greater than 1%-2% reduction in harm identified would lead to benefits that are larger than the compliance costs for insurers.

Table 17: Reduction in harm needed to break even, all firms by 10-year present value

Regime	Compliance cost PV, £m	Total estimated harm PV £m*	Required reduction in harm to breakeven*
Insurers	36.7 – 44.6	1,797.5 – 2,640.2	1-2%

FCA analysis. This shows the share of the compliance costs (net of cost savings due to fewer pre-approvals) against the unpaid redress, complaints handling costs and fines using an interest rate of 3.5%. *While the lower bound of the total illustrative harm may underestimate the harm to some extent, the upper bound is a considerable overestimate of the harm.

39. It also appears likely that the additional, non-quantifiable benefits of the proposed policies will outweigh the indirect costs.
40. The proportionality of the regime appears clear for large insurers where we only need a small reduction in harm for the policy to be net beneficial.

³⁵ We use 3.5%, the discount rate used by HM Treasury for policy appraisal.

41. Overall, we expect the reduction in harm to outweigh the costs of implementing the proposals, and the policy to be net beneficial.

Annex 3

Compatibility statement

- 42.** This Annex records the FCA's compliance with a number of legal requirements applicable to the proposals in this consultation, including an explanation of the FCA's reasons for concluding that our proposals in this consultation are compatible with certain requirements under the Financial Services and Markets Act 2000 (FSMA).
- 43.** When consulting on new rules, the FCA is required by section 138I(2)(d) FSMA to include an explanation of why it believes making the proposed rules is (a) compatible with its general duty, under s. 1B(1) FSMA, so far as reasonably possible, to act in a way that is compatible with its strategic objective and advances one or more of its operational objectives, and (b) its general duty under s. 1B(5)(a) FSMA to have regard to the regulatory principles in s. 3B FSMA. The FCA is also required by s. 138K(2) FSMA to state its opinion on whether the proposed rules will have a significantly different impact on mutual societies as opposed to other authorised persons.
- 44.** This Annex also sets out the FCA's view of how the proposed rules are compatible with the duty on the FCA to discharge its general functions (which include rule-making) in a way that promotes effective competition in the interests of consumers (s. 1B(4)). This duty applies in so far as promoting competition is compatible with advancing the FCA's consumer protection and/or integrity objectives.
- 45.** In developing our proposals, we have had regard to the recommendations made by the Treasury under s. 1JA FSMA about aspects of the economic policy of Her Majesty's Government.
- 46.** Treasury's recommendations most relevant to our proposals are the following:
- The government's economic policy – 'continuing to strengthen the financial system, improving the regulatory framework to reduce risks to the taxpayer and building resilience, so that it can provide finance and financial services to the real economy and realise better outcomes for consumers, supporting sustainable economic growth and encouraging productive investment.'
 - Matters about aspects of the government's economic policy that relate to 'Growth', 'Better outcome for consumers' and 'Competition'.
- 47.** Our proposals are intended to have a positive impact on the behaviour and culture of the firms in question, which should contribute to greater sustainability of any growth in the financial services markets and in the UK economy as a result.
- 48.** Also, one of the main objectives of our proposals is to ensure that Senior Managers are clear about the responsibilities they hold and are held accountable for the performance of these responsibilities. There are also specific standards of conduct that will apply to Senior Managers and financial services staff. Our proposals aim to raising conduct standards and improving culture. Therefore, they intend to have a positive impact on the financial system by improving the regulatory framework to reduce risks and realise better outcomes for consumers.

49. We believe that our proposals do not undermine Treasury's recommendations relating to 'Competition'. We have kept competition in mind when framing how these proposals should be implemented. In particular, we have focussed on whether there is a risk of weakening competitive pressure, disadvantaging smaller firms and potential new entrants. In considering applying the SM&CR to all FSMA authorised firms, we have been mindful of the need to consider the impact on those firms that pose lower risk to our statutory objectives. Therefore, our proposals have been specifically tailored to reflect the different businesses carried out by different persons and allow firms flexibility in how to achieve these.
50. For a detailed assessment of the equality and diversion implications of these proposals, see paragraph 1.38.

The FCA's objectives and regulatory principles: Compatibility statement

51. The proposals set out in this consultation are primarily intended to advance the FCA's operational objective of securing an appropriate degree of protection for consumers. They are also relevant to our operational objective of ensuring that the relevant markets function well. They will clarify the lines of responsibility at the top of relevant firms and enhance the regulators' ability to hold senior and other individuals in such firms to account. This should, over time, result in improved governance across financial services.
52. In preparing the proposals set out in this consultation, the FCA has had regard to the regulatory principles set out in s. 3B FSMA.

The need to use our resources in the most efficient and economic way

53. The proposals set out in this consultation will impact the FCA's existing authorisations, supervision and enforcement processes and systems. The FCA will incur additional short-term costs as the regime is implemented (for example, there will be an increase in staff costs leading up to the implementation date). The FCA will also incur costs in developing the IT infrastructure for the new regime. These costs are set out in the detailed Cost Benefit Analysis.
54. Following the implementation, there's not expected to be any significant change in the level of resources the FCA uses, relative to the costs of regulating the current regime.

The principle that a burden or restriction should be proportionate to the benefits

55. The proposals are intended to result in beneficial changes in behaviour and reduce non-compliance, misconduct, excessive risk taking and un-allocated individual responsibility. Firms are likely to incur both direct and indirect compliance costs, but our Cost-Benefit Analysis shows that these are not excessive, compared to the potential benefits to consumers. We therefore believe that the proposals in this Consultation Paper are proportionate to the benefits.

The desirability of sustainable growth in the UK economy in the medium or long term

56. Our proposals are intended to have a positive impact on the behaviour and culture of the firms in question, which should contribute to greater sustainability of any growth in the insurance market.

The general principle that consumers should take responsibility for their decisions

57. The proposals we have made concern firms' governance arrangements and requirements applying to their staff. These are not matters over which consumers can have any influence, and they simply have to accept the firm they deal with as it is. However, with an improved culture and raising of standards within firms to treat customers fairly and have proper regard to their informational needs, there is implicit support that firms would be better placed to enable consumers to take responsibility for their own decisions.

The responsibilities of senior management

58. One of the main objectives of the proposals contained in this Consultation Paper is to ensure that Senior Managers are clear about the responsibilities they hold and are more effectively held accountable for the performance of these responsibilities. There are also specific standards of conduct that apply to Senior Managers through the Senior Manager Conduct Rules.

The desirability of recognising differences in the nature and objectives of business carried out by different persons including mutual societies and other kinds of business organisations

59. We believe our proposals do not undermine this principle. In considering applying the SM&CR to all insurers, we have been mindful of the need to consider the impact on small Non-Directive Firms (small NDFs).
60. Broadly speaking, we decided that the broad tiers of the regime should apply to all relevant firms – ie the Senior Managers Regime, Certification Regime and Conduct Rules. This is because the risks to consumers in dealing with badly governed smaller firms is the same as with larger firms. Having said that, although our proposals are designed to lead to similar outcomes for consumers, regardless of the firm they deal with, they have been specifically tailored to reflect the different businesses carried out by different persons and allow firms flexibility in how to achieve these. So the Senior Managers Regime is designed to avoid imposing a uniform governance structure on all firms, although all firms will need to demonstrate clear lines of accountability within the governance structure. The Certification Regime also allows firms to identify the functions that can cause significant harm to their business models and consumers. The Code of Conduct is also written at a high level to allow it to reflect the levels of complexity and riskiness of different firms' business.

The desirability of publishing information relating to persons subject to requirements imposed under FSMA, or requiring them to publish information

61. We will be able to see compliance with the rules either from the information that they give us (eg under existing requirements in SUP 15, Principle 11 or the new obligation to inform the regulators about disciplinary action arising out of breaches) or by a supervisory visit (eg the operation of the Certification Regime). We do not propose to change our current policy which is that this information is not published, but instead will consider each firm's circumstances on a case by case basis, including as part of any enforcement investigation.

The principle that we should exercise our functions as transparently as possible

62. We have had industry feedback during the pre-consultation stage and engaged with relevant external stakeholders. We will continue to actively engage with relevant stakeholders throughout the consultation process.

Duty to have regard to the importance of taking action intended to minimise the extent to which business may be used for financial crime

63. In formulating these proposals, we have taken into account the importance of taking action intended to minimise the extent to which it is possible for a business carried on (i) by an authorised person or a recognised investment exchange; or (ii) in contravention of the general prohibition, to be used for a purpose connected with financial crime (as required by s. 1B(5)(b) FSMA). Our proposals seek to address financial crime risks through our SMFs (in particular, the Money Laundering Reporting Officer), Prescribed Responsibilities (in particular, the responsibility for financial crime) and Conduct Rules.

Expected effect on mutual societies

64. We do not expect the proposals in this paper to have a significantly different impact on mutual societies.

Compatibility with the duty to promote effective competition in the interests of consumers

65. Our proposals comply with the FCA's duty (so far as compatible with acting in a way which advances the consumer protection or integrity objectives) to discharge its general functions in a way that promotes effective competition in the interests of consumers. We have also kept competition in the interests of consumers in mind when framing how these proposals should be implemented, with a particular focus on whether there is a risk of weakening competitive pressure, disadvantaging smaller firms and potential new entrants.

Equality and diversity

66. We are required under the Equality Act 2010 to 'have due regard' for the need to eliminate discrimination and to promote equality of opportunity in carrying out our policies, services and functions. As part of this, we conduct an equality impact assessment to ensure that the equality and diversity implications of any new policy proposals are considered.
67. The outcome of the assessment in this case is stated in paragraph 1.38 of the Consultation Paper.

22 Regulatory references

22.1 Application

General application

- 22.1.1 R This chapter applies to all *firms* (subject to SYSC 22.1.5R).

Activities covered

- 22.1.2 G This chapter is not limited to *regulated activities* or other specific types of activities.

Territorial scope and overseas firms

- 22.1.3 R There is no territorial limitation on the application of this chapter, subject to SYSC 22.1.5R and SYSC 22.1.6R.

- 22.1.4 G One effect of SYSC 22.1.3R is that the obligation to provide a reference can apply even if the *employee* worked in an overseas office of the *employer*.
- 22.1.5 R This chapter does not apply to:
- (1) an overseas firm that does not have an establishment in the *United Kingdom*; or
 - (2) a UCITS qualifier (see section 266 of the *Act* (Disapplication of rules)).
- 22.1.6 R For an *incoming firm* or any other *overseas firm*, SYSC 22.2.2R (Obligation to give references) only applies if the current or former *employee* in question (defined as “P” in SYSC 22.2.2R) is or was an *employee* of its *branch* in the *United Kingdom* and only relates to their activities as such.
- 22.1.7 R (1) In order to decide whether someone is an *employee* of a *branch*, the *Glossary* definition of *employee* is applied to the *branch* as if the *branch* and the *firm* of which it forms part were separate *firms*.
- (2) For the purpose of (1), paragraph (4A)(c) of the definition of *employee* (someone employed elsewhere in the *group*) does not apply.

22.2 Getting, giving and updating references: the main rules

Obligation to obtain references (~~full scope regulatory reference firms only applicable to SMCR firms~~)

- 22.2.1 R (1) If ~~a full scope regulatory reference firm~~ an SMCR firm (A) is considering:
- (a) permitting or appointing someone (P) to perform a *controlled function*; ~~or~~
 - (b) issuing a certificate under the certification regime for P; or
 - (ba) appointing a board director;
- (as explained in more detail in rows (A) and (B) of the table in SYSC 22.2.3R), A must take reasonable steps to obtain appropriate references from:
- (c) P’s current *employer*; and
 - (d) anyone who has been P’s *employer* in the past six years.
- (2) A must take reasonable steps to obtain the reference before the time in column two of the applicable row in the table in SYSC 22.2.3R.

- (3) A must in particular request:
 - (a) the information in SYSC 22.2.2R(1) to (3); and
 - (b) (if P's current or previous *employer* is also ~~a full-scope regulatory reference firm~~ *an SMCR firm*) the information in SYSC 22.2.2R(4) (questions (A) to (F) of Part One of SYSC 22 Annex 1R).
- (4) When deciding what information to request under (1), A must have regard to the factors in SYSC 22.2.2R(5) (Factors set out in SYSC 22 Annex 2R).

Obligation to give references

- 22.2.2 R (1) A *firm* (B) must provide a reference to another *firm* (A) as soon as reasonably practicable if:
- (a) A is considering:
 - (i) permitting or appointing someone (P) to perform a *controlled function*; or
 - (ii) issuing a certificate under the certification regime for P; or
 - (iii) appointing P to another position in the table in SYSC 22.2.3R;
 (as explained in more detail in the table in SYSC 22.2.3R);
 - (b) A makes a request, for a reference or other information in respect of P from B, in B's capacity as P's current or former *employer*;
 - (c) B:
 - (i) is P's current *employer*; or
 - (ii) has been P's *employer* at any time in the six year period preceding the request in (1)(b); and
 - (d) A indicates to B the purpose of the request.
- (2) B must disclose to A in the reference all information of which B is aware that B reasonably considers to be relevant to A's assessment of whether P is fit and proper.
- (3) B is only required to disclose under (1) and (2) something that occurred or existed:
- (a) in the six years before the request for a reference; or

- (b) between the date of the request for the reference and the date B gives the reference; or
- (c) (in the case of serious misconduct) at any time.

[**Note:** See SYSC 22.5.10G and SYSC 22.5.11G for *guidance* on the meaning of serious misconduct]

- (4) ~~If B is a full scope regulatory reference firm~~ Where B is an *SMCR firm*:
 - (a) B must in addition disclose the information in questions (A) to (F) of Part One of SYSC 22 Annex 1R (Template for regulatory references given by ~~relevant authorised persons~~ *SMCR firms* and disclosure requirements); and
 - (b) B must disclose the information in (a) whether or not A is a ~~full scope regulatory reference firm~~ *an SMCR firm*.
- (5) When deciding what information to give to A under (1) to (3), B must have regard to the factors in SYSC 22 Annex 2R (Factors to take into account when asking for and giving regulatory references).

22.2.3 R Table: What positions need a reference

Position	When to obtain reference	Comments
(A) Permitting or appointing someone to perform an <i>FCA controlled function</i> or a <i>PRA controlled function</i> .	One <i>month</i> before the end of the application period	
	Where a request for a reference would require: <ul style="list-style-type: none"> (a) the <i>firm</i> requesting the reference; (b) the <i>employer</i> giving the reference; or (c) any other <i>person</i>; to make a mandatory disclosure prior to P disclosing to its current <i>employer</i> that such application has been made, the date is the end of the application period.	

(B) Issuing a certificate under section 63F of the <i>Act</i> (Certification of employees by relevant authorised persons).	Before the certificate is issued	This includes renewing an existing certificate.
(C) Appointing someone to any of the following positions (as defined in the <i>PRA Rulebook</i>): (a) a notified non-executive director; (b) a credit union non-executive director; or (c) a key function holder.	Not applicable	SYSC 22.2.1R (obligation to obtain a reference) does not apply to a firm appointing someone to the position in column (1). However SYSC 22.2.2R does apply to a firm asked to give a reference to a firm appointing someone to the position in column (1).
<u>(D) Appointing someone to be a non-SMF board director subject to competence requirements.</u>	<u>Before appointment</u>	<u>Only applies to a UK SMCR firm that:</u> <u>(a) is an FCA-authorised person; and</u> <u>(b) is not a limited scope core SMCR firm.</u>
Note 1: Mandatory disclosure means an obligation in any applicable laws, regulations or rules to declare or disclose information to the public.		
Note 2: P refers to the <i>employee</i> or <i>ex-employee</i> about whom the reference is given as defined in more detail in SYSC 22.2.1R and SYSC 22.2.2R.		
Note 3: The application period means the period for consideration referred to in section 61 of the <i>Act</i> (Determination of application).		

Obligation to revise references: The main rule (~~full scope regulatory reference firms only applicable to SMCR firms~~)

22.2.4 R If at any time:

- (1) ~~a full scope regulatory reference firm~~ an SMCR firm (B) has given a reference under SYSC 22.2.2R to another firm (A) about an *employee*

or *ex-employee* of B (P);

- (2) B was also a ~~full-scope regulatory reference firm~~ an SMCR firm when it gave the reference in (1);
- (3) either of the following applies:
 - (a) B is aware of matters or circumstances that mean that if B had been aware of them when giving that reference, this chapter would have required B to draft the reference differently; or
 - (b) the following applies:
 - (i) B has since giving the reference reached conclusions of the type described in question (E) of Part One of SYSC 22 Annex 1R or taken disciplinary action of the type described in question (F) of Part One of SYSC 22 Annex 1R; and
 - (ii) if B had taken or reached those conclusions or actions within the six year period referred to in Part One of SYSC 22 Annex 1R, this chapter would have required B to draft the reference differently; and
- (4) it would be reasonable to consider the differences in (3) to be significant for an assessment by A of the fitness and propriety of P for the role at A for which the reference was given;

B must:

- (5) make reasonable inquiries as to the identity of P's current *employer*; and
- (6) give A details of those differences in writing as soon as reasonably practicable, unless SYSC 22.2.5R says that B does not have to do so.

22.2.5 R B does not need to update A if:

- (1) A is no longer a *firm*;
- (2) P has not yet been *employed* by A (because, for example, P is still working their notice period with B) and it is no longer intended for A to *employ* P;
- (3) A is no longer P's *employer*; or
- (4) despite making reasonable enquiries under SYSC 22.2.4R, B does not know whether P is still *employed* by A.

22.2.6 R This *rule* sets out time limits about the obligation to update a reference in SYSC 22.2.4R.

- (1) If B still *employs* P, SYSC 22.2.4R applies throughout the period B remains *employed*.
- (2) If B no longer *employs* P, the obligation to update ends six years after P ceased to be *employed* by B.
- (3) If B no longer *employs* P and the matters or circumstances are not serious misconduct by P, B does not have to disclose something if it did not occur or exist in the six year period ending on the date B gave the original reference. This limitation applies in addition to the one in (2).

[**Note:** See SYSC 22.5.10G and SYSC 22.5.11G for *guidance* on the meaning of serious misconduct]

Obligation to revise references: Finding out who the current employer is (all firms)

22.2.7 R If at any time:

- (1) ~~a full scope regulatory reference firm~~ an SMCR firm (B) has given a reference under SYSC 22.2.2R to another *firm* (A) about an *employee* or *ex-employee* of B (P);
- (2) B asks A whether P is still an *employee* of A; and
- (3) B gave A the reference no more than six years ago;

A must answer that question as soon as reasonably practicable, even if B does not tell A why it wants to know that information.

22.3 Drafting the reference and the request for a reference

How to draft the reference

22.3.1 G There are no requirements about the form in which a *firm* that is not ~~a full scope regulatory reference firm~~ an SMCR firm should give a reference.

22.3.2 G SYSC 22.4 has requirements about the form in which ~~a full scope regulatory reference firm~~ an SMCR firm should give a reference.

How to draft the request for a reference

- 22.3.3 G
- (1) A *firm* (A) asking another *firm* (B) for a reference should give B sufficient information to let B know that the requirements in this chapter apply to the reference it is being asked to give and which requirements apply.
 - (2) As long as it complies with (1), A does not have to set out specifically the information this chapter requires it to obtain. This is because B should include that information even though B is not

specifically asked to include it.

- 22.3.4 G A *firm* asking for a reference under this chapter from a current or former *employer* that is not a *firm* will normally need to specify what information it would like.

Inclusion of additional material

- 22.3.5 G (1) This chapter sets out minimum requirements for a reference. It does not prevent a *firm* from including more than is required by this chapter.
- (2) If a *firm* does disclose more than is required by this chapter the reference should still meet its duties under general law to its former *employee* and the recipient (see SYSC 22.5.3G to SYSC 22.5.5G).
- 22.3.6 G Nothing in this chapter prevents a *firm* from disclosing material outside the time limits under this chapter.

22.4 **Drafting the reference: detailed requirements for ~~full scope regulatory reference firms~~ SMCR firms**

Purpose of SYSC 22 Annex 1R

- 22.4.1 G SYSC 22 Annex 1R (Template for regulatory references given by ~~relevant authorised persons~~ SMCR firms and disclosure requirements) has two purposes:
- (1) to set out what information a ~~full scope regulatory reference firm~~ an SMCR firm should disclose under SYSC 22.2.2R(4); and
- (2) to provide a template that a ~~full scope regulatory reference firm~~ an SMCR firm should use when giving a reference under this chapter.

How to draft the reference

- 22.4.2 R (1) ~~A full scope regulatory reference firm~~ An SMCR firm must use the template in Part One of SYSC 22 Annex 1R (Template for regulatory references given by ~~relevant authorised persons~~ SMCR firms and disclosure requirements) when giving a reference under this chapter to another *firm* (A).
- (2) A *firm* may make minor changes to the format of the template in Part One of SYSC 22 Annex 1R when giving a reference under this chapter, provided that the reference includes all the information required by SYSC 22 Annex 1R.
- (3) This *rule* applies even if A is not a ~~full scope regulatory reference firm~~ an SMCR firm.

- 22.4.3 G (1) SYSC 22.4.2R does not stop a ~~full scope regulatory reference firm~~ an SMCR firm including matters in the reference not required by the template in SYSC 22 Annex 1R.
- (2) ~~A full scope regulatory reference firm~~ An SMCR firm may include the material required by the template and additional material in the same document.
- (3) Any additional material should not alter the scope of any of the questions in the templates.

- 22.4.4 G ~~A full scope regulatory reference firm~~ An SMCR firm should use the template in SYSC 22 Annex 1R (Template for regulatory references given by ~~relevant authorised persons~~ SMCR firms and disclosure requirements) even if the *firm* asking for the reference does not specifically ask it to.

PRA requirements

- 22.4.5 R B may combine in a single reference what the *PRA's rules* require and what this chapter requires.

22.5 Giving references: additional rules and guidance for all firms

Verification

- 22.5.1 R This chapter does not require a *firm* to disclose information that has not been properly verified.
- 22.5.2 G (1) For example, this chapter does not necessarily require a *firm* to include in a reference the fact that an *ex-employee* left while disciplinary proceedings were pending or had started. Including such information is likely to imply that there is cause for concern about the *ex-employee* but the *firm* may not have established that the *ex-employee* was actually responsible for misconduct.
- (2) However, a *firm* may include such information in a reference if it wishes to (see SYSC 22.3.5G).

Accuracy

- 22.5.3 G A *firm* should, when giving a reference under this chapter, provide as complete a picture of an *employee's* conduct record as possible to new *employers*.

Fairness

- 22.5.4 G (1) A *firm* supplying a reference in accordance with this chapter owes a duty under the general law to its former *employee* and the recipient *firm* to exercise due skill and care in the preparation of the reference.

- (2) The *firm* may give frank and honest views, but only after taking reasonable care both as to factual content, and as to the opinions expressed.
 - (3) References should be true, accurate, fair and based on documented fact.
- 22.5.5 G (1) An example of the general duty described in SYSC 22.5.4G is that fairness will normally require a *firm* to have given an *employee* an opportunity to comment on information in a reference. The *firm* might do this through, for example, disciplinary proceedings.
- (2) Paragraph (1) does not mean that the *firm* should provide an opportunity to comment on the reference itself, as opposed to the allegations on which it is based.
 - (3) A *firm* may have given the *employee* an opportunity to comment on allegations that are later included in a reference even though, at the time that the *firm* is giving that opportunity, no reference is being contemplated. That may mean that the *firm* gives the *employee* their opportunity to comment on the allegations some time before the reference is prepared.
 - (4) Paragraph (1) does not mean that a *firm* will be unable to include an allegation in a reference if it has offered the *employee* an opportunity to comment on the allegation but the *employee* has unreasonably refused to do so.
 - (5) Where a *firm* should have given an *employee* an opportunity to comment on an allegation if the allegation is to be included in a reference, this chapter requires the *firm* to give the *employee* that opportunity rather than merely to leave the allegation out of the reference.
 - (6) Paragraph (5) may mean that where the *firm* has not given its *employee* an opportunity to comment on a matter at the time it first arose, it will have to give the *employee* the opportunity around the time that the *firm* is preparing the reference.
 - (7) The obligation to give an *employee* an opportunity to comment does not mean that there is a wider duty to investigate whether there are facts that show that there has been a conduct breach (see SYSC 22.5.18G).
 - (8) This chapter does not require the *employee's* views to be included in the reference. Instead the *firm* should take those views into account so far as appropriate when deciding whether something should be disclosed and how the disclosure is drafted.

Outsourcing

- 22.5.6 G The requirements in this chapter for a *firm* (B) to give a *firm* (A) a reference also apply where A has outsourced the collection of that information to another (unregulated) third party, where B has been made aware that the unregulated third party is acting on behalf of A.

Circumstances in which the ex-employee left

- 22.5.7 G The obligation to give a reference for an *employee* or *ex-employee* applies however the *employment* ended or is going to end. For example, it applies whether it ended through resignation, redundancy, dismissal or fixed term work, a secondment or temporary work coming to an end.

Missing or incomplete information

- 22.5.8 G (1) If a *firm*'s records do not cover the maximum periods contemplated by SYSC 22.2.2R or SYSC 22 Annex 1R (Template for regulatory references given by ~~relevant authorised persons~~ SMCR firms and disclosure requirements), the *firm* should note that in the reference.
- (2) A *firm* should not include a warning of the type described in (1) as a matter of routine. It should only be included if there is a genuine need to include it.

All relevant information: Calculation of six year period for disclosure

- 22.5.9 G (1) In general there is a six year limit on what should be disclosed under SYSC 22.2.2R(1) to (3).
- (2) Where the matter to be disclosed consists of a single course of conduct (such as market manipulation) the six year period does not begin until that course of conduct has come to an end. This means that individual events that occurred more than six years ago may still be within the six year limit.
- (3) This *guidance* is also relevant to the six year time limits for updating references in SYSC 22.2.6R.

All relevant information: Removal of six year period

- 22.5.10 G (1) SYSC 22.2.2R(1) to (3) normally has a six year time limit. SYSC 22.2.2R(3)(c) removes that time limit for serious matters. This paragraph (SYSC 22.5.10G) and SYSC 22.5.11G have *guidance* about this. This *guidance* is also relevant to the time limits for updating references in SYSC 22.2.6R.
- (2) The removal of the time limit does not mean that the time that has elapsed since the matter occurred is irrelevant. The length of time that has elapsed is relevant to deciding whether the matter is serious. In general, the longer ago the matter occurred, the less likely it is still to be serious for these purposes.

- (3) In determining whether something is serious for these purposes, the key question is how important the information still is for the requesting *firm's* assessment of the *employee's* fitness for the function that they are going to perform.
- (4) In considering what is relevant, a *firm* should, in particular, have regard to SYSC 22.5.4G (Fairness).
- (5) The table in SYSC 22.5.11G provides *guidance* on some of the factors which a *firm* should take into account when determining whether a matter is serious.
- (6) The *guidance* in this paragraph and in the table in SYSC 22.5.11G is only designed for the purposes of this chapter. It does not, for example, apply for the purposes of SUP 15 (Notifications to the FCA), DEPP or EG.

22.5.11 G Table: Examples of factors to take into account when deciding whether old misconduct is sufficiently serious to disclose

Factors to take into account	Comments
(A) Whether P has committed a serious breach of individual conduct requirements.	Individual conduct requirements has the same meaning as in Part Two of SYSC 22 Annex 1R (Template for regulatory references given by relevant authorised persons <u>SMCR firms</u> and disclosure requirements).
	Factors to take into account in deciding whether the breach is serious include the following.
	(1) The extent to which the conduct was deliberate or reckless.
	(2) The extent to which the conduct was dishonest.
	(3) Whether the breaches are frequent or whether they have continued over a long period of time. The fact that breaches were frequent or repeated may increase the likelihood that they should be disclosed since the breaches may show a pattern of non-compliance.
	(4) The extent of loss, or risk of loss, caused to existing, past or potential investors, depositors, policyholders

	or other counterparties or customers.
	(5) The reasons for the breach. For example, where the breach was caused by lack of experience which has been remedied by training or further experience, it is less likely that the breach will still be relevant.
(B) Whether the conduct caused B to breach requirements of the <i>regulatory system</i> or P was concerned in a contravention of such a requirement by B and, in each case, whether P's conduct was itself serious.	(1) The factors in (A) are relevant to whether P's conduct was serious.
	(2) The seriousness of the breach by B is relevant. The factors in (A) are also relevant to this.
	(3) A breach by B of certain requirements is always likely to be serious under (2). Breach of the <i>threshold conditions</i> is an example. However that does not mean that P's involvement will automatically be serious.
(C) Whether P's conduct involved dishonesty (whether or not also involving a criminal act).	Dishonesty is an important factor but it is not automatically decisive in every case. For instance, a small one-off case of dishonesty many years ago may not be sufficiently serious to require disclosure.
(D) Whether the conduct would have resulted in B's dismissing P, had P still been working for B, based on B's disciplinary policies and the requirements of the law about unfair dismissal.	
(E) Whether the conduct was such that, if B was considering P for a role today and became aware of the historical conduct, B would not employ P today notwithstanding the time that	

has passed.	
Note 1: P refers to the <i>employee</i> about whom the reference is being written.	
Note 2: B refers to the <i>firm</i> giving the reference.	

Breach of APER

- 22.5.12 G (1) An example of information that may be relevant under SYSC 22.2.2R(1) to (3) is the fact that the *employee* has breached a requirement in *APER*.
- (2) This means that any *firm* (not just one that is a ~~full scope regulatory reference firm~~ an SMCR firm) should consider whether it needs to disclose a breach of *APER* when giving a reference under this chapter.
- [Editor's note: This provision will be dealt with in a second Consultation Paper]

Agreements not to disclose information

- 22.5.13 R A *firm* must not enter into any arrangements or agreements with any *person* that limit its ability to disclose information under this chapter.
- 22.5.14 G SYSC 22.5.13R covers all types of agreements and arrangements. For example:
- (1) it is not limited to an agreement or arrangement entered into when the *employee* leaves;
- (2) it applies however the *employment* ends (see SYSC 22.5.7G); and
- (3) it covers a "COT 3" Agreement settled by the Advisory, Conciliation and Arbitration Service (ACAS).
- 22.5.15 G A *firm* should not give any undertakings to suppress or omit relevant information in order to secure a negotiated release.
- 22.5.16 G The obligation to supply information to another *firm* under this chapter will apply notwithstanding any agreement prohibited by SYSC 22.5.13R.

Time in which to respond to reference requests

- 22.5.17 G The *FCA* expects that normally a *firm* should issue a reference under this chapter within six weeks of being asked to.

Duty to investigate allegations

- 22.5.18 G (1) A *firm* should, wherever feasible, conclude investigative procedures before the *employee* departs.

- (2) However, this chapter does not create a duty to investigate alleged misconduct by an *employee* or former *employee*.
- (3) There are several reasons why a *firm* may find it appropriate to investigate potential misconduct by an *employee* or former *employee*, including:
 - (a) assessing the actual and potential damage resulting from misconduct;
 - (b) identifying other individuals potentially culpable or accountable for the breach;
 - (c) satisfying itself that the *SMF manager* responsible for the areas where the misconduct occurred took reasonable steps to prevent or stop it; and
 - (d) (where the *employee* has *remuneration* susceptible to malus or clawback) enabling it to consider whether any adjustments are justified.

Criminal record checks

- 22.5.19 G A *firm* giving a reference need not include information from a criminal records check it has carried out under Part V of the Police Act 1997 (Certificates of Criminal records, etc). The recruiting *firm* should carry out a criminal records check itself if necessary. SUP 10C.10.16R requires a ~~relevant authorised person~~ an SMCR firm to carry out such a check when appointing an *SMF manager* or a board director who is not an approved person.

22.6 Giving and updating references: additional rules and guidance for ~~full-scope regulatory reference firms~~ SMCR firms

Omitting or supplementing mandatory disclosures

- 22.6.1 G (1) A *firm* may have concluded that an *employee* is unfit or has breached *COCON* or *APER* (as described in questions (E) to (F) of Part One of SYSC 22 Annex 1R (Template for regulatory references given by ~~relevant authorised persons~~ SMCR firms and disclosure requirements)). The *firm* may later become aware of facts or matters causing it to revise its original conclusions.
- (2) If so, the *firm* may decide not to disclose in a reference its conclusion or may qualify its conclusion with supplementary information.
- 22.6.2 G (1) A *firm* may have concluded that an *employee* is unfit or has breached *COCON* or *APER* (as described in questions (E) to (F) of Part One of

SYSC 22 Annex 1R (Template for regulatory references given by ~~relevant authorised persons~~ SMCR firms and disclosure requirements)). However the *firm* may consider that the disclosure is incomplete without including mitigating circumstances.

- (2) For example, if the *firm* is reporting a breach of *COCON* it may consider that the breach is very uncharacteristic of the *employee* and that they have had an exemplary record since then. In that case, the *firm* should include those views.

Requirement to consider whether there has been a conduct breach

- 22.6.3 G
- (1) If a *firm* has taken disciplinary action of the type referred to in question (F) in Part One of SYSC 22 Annex 1R (Template for regulatory references given by ~~relevant authorised persons~~ SMCR firms and disclosure requirements) against an *employee* and is asked to give a reference about that *employee*, the *firm* should (if it has not already done so) consider whether the basis on which it took that action amounts to a breach of any individual conduct requirements covered by question (F).
 - (2) If the *firm* decides that the basis on which it took that action does amount to a breach of those requirements, it should include that disciplinary action in the reference under question (F).
 - (3) Paragraph (2) applies even if the grounds of the disciplinary action did not include such a breach of individual conduct requirements.
 - [(4) SYSC TP 5.4.5R disapples the requirement in (1) for disciplinary action taken before 7 March 2017 or, in the case of ~~relevant authorised persons~~ SMCR dual regulated banking sector firms, 7 March 2016, where a ~~full scope regulatory reference firm's~~ an SMCR dual regulated banking sector firm's records do not record whether previous conduct subject to disciplinary action amounted to a breach.
[Editor's note: This provision will be dealt with in a second Consultation Paper]
 - (5) The obligation to consider whether there was a conduct breach does not mean that there is a wider duty to investigate whether there are facts that show that there has been a conduct breach (see SYSC 22.5.18G).

All relevant information: Interaction with mandatory disclosures

- 22.6.4 G
- (1) SYSC 22.2.2R(1) to (3) may require a ~~full scope regulatory reference firm~~ an SMCR firm to disclose information that goes beyond the mandatory minimum information in Part One of SYSC 22 Annex 1R (Template for regulatory references given by ~~relevant authorised persons~~ SMCR firms and disclosure requirements).

- (2) This may mean, for instance, that a *firm* should in some cases disclose a conclusion that an *employee* or former *employee* has breached *COCON* or *APER* where that conclusion was reached outside the time limits in Part One of SYSC 22 Annex 1R.

Updating references fairly

- 22.6.5 G (1) SYSC 22.5.1R to SYSC 22.5.5G (Verification, accuracy and fairness) also apply to updating a reference under SYSC 22.2.4R.
- (2) Therefore fairness may require a *firm* to have given an *employee* an opportunity to comment on an allegation if it is included in an update to a reference.

22.7 Getting references: additional rules and guidance for ~~full-scope regulatory reference firms~~ SMCR firms

Intra-group transfers

- 22.7.1 R (1) This *rule* applies when:
- (a) ~~a full-scope regulatory reference firm~~ an SMCR firm (A) would otherwise have to ask another *person* (B) for a reference under SYSC 22.2.1R; and
- (b) A and B are in the same *group*.
- (2) A need not ask for a reference from B if there are adequate arrangements in place under which A has access to the same information sources as B to the extent that they are relevant to things A has to ask B under SYSC 22.2.1R (Obligation to obtain references).
- (3) If A only has access to some of the information sources in (2), A may ask for a reference that only covers the sources to which A does not have such access.
- (4) If A, in accordance with this *rule*, does not ask for a reference or a full reference it must access the information resources referred to in this *rule* and get the relevant information within the time specified by SYSC 22.2.3R.
- 22.7.2 G (1) SYSC 22.7.1R means that a *firm* recruiting someone from another member of its *group* is not required to request a reference from the other where the *group* has centralised records or alternative measures in place to ensure sharing of relevant information between its members.
- (2) The recruiting *firm* should be satisfied that the centralised or

alternative measures ensure relevant information is made available as part of the fit and proper assessment of the recruit.

Who should be asked to give a reference

- 22.7.3 G The *Glossary* definition of *employer* covers more than just a conventional employer and so it may not always be obvious who a *person's employer* is. Therefore ~~a full scope regulatory reference firm~~ an SMCR firm appointing someone to a position that requires a reference may have to get the *employee's* help in identifying their previous *employers*.
- 22.7.4 G (1) SYSC 22.2.1R (Obligation of ~~a full scope regulatory reference firm~~ an SMCR firm to try to obtain a reference) applies even if the ex-*employer* is not a *firm*.
- (2) ~~A full scope regulatory reference firm~~ An SMCR firm should take all reasonable steps to try to obtain the reference in these circumstances. However, the *FCA* accepts that the previous *employer* may not be willing to give sufficient information.

Asking for a reference to be updated

- 22.7.5 G (1) SYSC 22.2.1R (Obligation of ~~a full scope regulatory reference firm~~ an SMCR firm to try to obtain a reference) applies even if the *employer* has already got a reference for the *employee*. For example:
- (a) ~~a relevant authorised person~~ an SMCR firm should have a reference whenever it renews the certificate of a *certification employee*; and
- (b) changing jobs within the same ~~full scope regulatory reference firm~~ SMCR firm may require a reference.
- (2) However, the ~~full scope regulatory reference firm~~ SMCR firm does not necessarily need to obtain a new reference each time (a) or (b) above occurs. That is because an existing reference will very often still be appropriate for the purpose (see SYSC 22.7.6G to SYSC 22.7.8G).
- 22.7.6 G If ~~a relevant authorised person~~ an SMCR firm (A):
- (1) appoints someone (P) to a *specified significant-harm function* position;
- (2) obtains a reference from an ex-*employer*; and
- (3) later wishes to renew P's certificate under the certification regime;
- it is unlikely that A will need to ask for another reference from that ex-*employer* or ask for it to be reissued unless there is a change in P's role of the type described in SYSC 27.2.15G (major changes in role).

- 22.7.7 G (1) If ~~a full scope regulatory reference firm~~ an SMCR firm (A):
- (a) appoints someone (P) to a *specified significant-harm function* or an *approved person* position;
 - (b) obtains a reference from an *ex-employer* (B); and
 - (c) later wishes to:
 - (i) appoint P to another *specified significant-harm function* or *approved person* position; or
 - (ii) keep P in the same *specified significant-harm function* but make a change in P's role of the type described in SYSC 27.2.15G (major changes in role), whether that change is made at a time when the certificate has not yet come up for renewal or at the time it is being reissued; or
 - (iii) move P from a *specified significant-harm function* to an *approved person* position or vice versa;
- A should consider whether to ask B to reissue or amend its reference.
- (2) A may decide that it is not necessary to ask B to reissue or amend its reference. For example, A may decide that:
- (a) the existing reference already covers everything necessary; or
 - (b) (where B is not a *firm*) B will not give any further information.

- 22.7.8 G If:
- (1) a *firm* (A) appoints someone (P) to a *specified significant-harm function* or *approved person* position;
 - (2) A obtains a reference from an *ex-employer* (B);
 - (3) later P transfers to a *specified significant-harm function* or an *approved person* position with a ~~full scope regulatory reference~~ SMCR firm in A's group (C);
 - (4) B's reference is:
 - (a) addressed to all *firms* in A's group; or
 - (b) otherwise drafted so that it is clear that C may rely on it; and
 - (5) C does not need to ask for the reference to be reissued or amended, taking account of SYSC 22.7.6G and SYSC 22.7.7G;

C may be able to rely on that reference without asking B to give another one.

When references are to be obtained

- 22.7.9 G If ~~a full scope regulatory reference firm~~ an SMCR firm is unable to obtain a reference by the time in column two of the table in SYSC 22.2.3R, it should still try to obtain the reference as soon as possible afterwards.
- 22.7.10 G (1) Where ~~a relevant authorised person~~ an SMCR firm needs to fill a vacancy for a *specified significant-harm function* which could not have reasonably been foreseen, the *FCA* recognises that it may not be reasonable to expect the ~~relevant authorised person~~ SMCR firm to obtain references prior to issuing a certificate.
- (2) In such cases, the ~~relevant authorised person~~ SMCR firm should take up the reference as soon as reasonably possible.
- (3) If a reference obtained later raises concerns about the person's fitness and propriety, the ~~relevant authorised person~~ SMCR firm should revisit its decision to issue the person with a certificate.
- 22.7.11 G (1) Although this chapter (see SYSC 22.2.3R) only requires ~~a full scope regulatory reference firm~~ an SMCR firm to try to get a reference for a person it is recruiting to perform an *FCA controlled function* or a *PRA controlled function* towards the end of the application process, the *FCA* would normally expect a *firm* to have obtained the reference before the application for approval is made.
- (2) The main examples of circumstances in which it would be reasonable for a *firm* to delay getting a reference are where asking for a reference earlier will create a serious risk of:
- (a) breaching the confidentiality of a wider commercial or corporate transaction;
 - (b) prematurely triggering the need for a public announcement; or
 - (c) the *candidate* not applying for the position in the first place because it would reveal to the *candidate's* current *employer* the proposed move too soon.
- (3) The *FCA* may consider that it needs to see the information in a reference before it reaches a decision. If so, it may formally ask for that information and extend the time period in which it has to make its decision until it gets the reference. SUP 10C.10.28G gives additional details about requests for further information and the effect they have on the period of time the *FCA* has to make a decision about an application.

- (4) ~~Full scope regulatory reference firms~~ SMCR firms are reminded that the *Act* itself requires a *firm* to be satisfied that a *candidate* is fit and proper before it makes an application for approval (see *SUP* 10C.10.14G for more detail). *SYSC* 22.7.11G(2) does not affect that obligation.

22.8 Additional rules and guidance for all firms

Policies and procedures

- 22.8.1 R A *firm* must establish, implement and maintain policies and procedures that are adequate for the purpose of complying with the obligations in this chapter.
- 22.8.2 G *SYSC* 22.8.1R does not require a *firm* to create or keep records that are not required under *SYSC* 22.9.1R (General record keeping rules) or another *rule*.

Appointed representatives

- 22.8.3 R This chapter applies to a *firm's appointed representatives* as well as to the *firm*.
- 22.8.4 R When a ~~relevant authorised person~~ an SMCR firm is permitting or appointing someone to perform a *controlled function* whose approval is given under *SUP* 10A.1.15R or *SUP* 10A.1.16R (appointed representatives of ~~relevant authorised persons~~ SMCR firms), the requirements of this chapter for *firms* that are not ~~full scope regulatory reference firms~~ SMCR firms apply in place of the requirements that only apply to ~~full scope regulatory reference firms~~ SMCR firms.
- 22.8.5 G A *firm* should ensure its *appointed representative* complies with the requirements of this chapter when the *appointed representative* appoints an *approved person* under *SUP* 10A.1.15R to *SUP* 10A.1.16BR (appointed representatives).
[Editor's note: This provision will be dealt with in the second Consultation Paper]
- 22.8.6 G (1) A *firm* should ensure that its *appointed representative* gives a reference when another *firm* (or its *appointed representative*) asks that *appointed representative* to give a reference in accordance with this chapter.
- (2) A *firm* is not responsible for its *appointed representative's* giving references if another *principal* has accepted responsibility for this.
[Editor's note: This provision will be dealt with in the second Consultation Paper]

Getting and giving a reference where the employee has worked in a group or on

secondment

22.8.7 G If:

- (1) a *firm* (A) is thinking of employing someone (P);
- (2) P is *employed* by a group services company (D) that is not a *firm*;
- (3) P (in their capacity as an *employee* of D) performs a function or service for a *firm* (B) in the same *group* as D such that P is also an *employee* of B; and
- (4) A intends to appoint (P) to a position that entitles A to obtain a reference from B;

then:

- (5) (if A is a ~~full scope regulatory reference firm~~ an SMCR firm) A should ask both B and D for a reference;
- (6) B is obliged to give the reference if A asks it to (whether or not A is a ~~full scope regulatory reference firm~~ an SMCR firm);
- (7) B should ask D to provide it with the information needed to provide a reference in accordance with this chapter;
- (8) D may give a reference but (as it is not a *firm*) it is not obliged to; and
- (9) D and B may give a single joint reference.

22.8.8 G SYSC 22.8.7G also applies where:

- (1) D is not in the same *group* but has seconded P to B; and
- (2) P (in their capacity as an *employee* of D) performed any function or services for B such that P was also an *employee* of B.

22.8.9 G If:

- (1) a *firm* (A) is thinking of appointing someone (P) to a position that entitles A to obtain a reference from another *firm* (B); and
- (2) P was an *employee* of other members of B's *group* as well as of B;

then:

- (3) (if A is a ~~full scope regulatory reference firm~~ an SMCR firm) A should ask all the group members that *employed* P for a reference;
- (4) B should give a reference if A asks it to (whether or not A is a ~~full scope regulatory reference firm~~ an SMCR firm);

- (5) P's *employers* in that group (including any that are not *firms*) may give a single joint reference; and
- (6) if the reference is being provided on a consolidated group basis, it should be clear what information is relevant to which *employer* within the *group*.

22.9 Records

General record keeping rules (~~full scope regulatory reference firms only~~
applicable to SMCR firms)

- 22.9.1 R (1) ~~A full scope regulatory reference firm~~ An SMCR firm must arrange for orderly records to be created and kept that are sufficient to enable it to comply with the requirements of this chapter.
- (2) This *rule* only applies to records in relation to the following questions in Part One of SYSC 22 Annex 1R (Template for regulatory references given by ~~relevant authorised persons~~ SMCR firms and disclosure requirements):
- (a) question (E) (fit and proper); and
 - (b) question (F) (disciplinary action).

Time limit for records to be kept (~~full scope regulatory reference firms only~~
applicable to SMCR firms)

- 22.9.2 G SYSC 22.9.1R does not have an express time limit for which a *firm* should retain the records as its effect is that those time limits are the same as the time limits in SYSC 22 Annex 1R (Template for regulatory references given by ~~relevant authorised persons~~ SMCR firms and disclosure requirements).

Reduction in disclosure obligations where there are limited record keeping requirements (all firms)

- 22.9.3 R A *firm* does not breach the requirements of this chapter by failing to include information in a reference that it would otherwise have to include if:
- (1) the reason for the omission is that the *firm* does not have the necessary records; and
 - (2) neither SYSC 22.9.1R nor any other requirement of or under the *regulatory system* requires the *firm* to have those records.
- 22.9.4 G If a *firm* is asked to give a reference in circumstances where the record keeping requirements in SYSC 22.9.1R do not apply:
- (1) it is still required to give the reference;

- (2) it should give the reference based on the records it does have; and
- (3) it will not breach the requirements of this chapter by failing to include information in a reference if the reason for this is that it does not have the necessary records, as long as it is not required to have those records by some other requirement in the *Handbook* outside this chapter or some other requirement of or under the *regulatory system*.

Effect of previous record keeping requirements (~~full scope regulatory reference firms only~~ applicable to SMCR firms)

- 22.9.5 G (1) SYSC 22.9.1R applies to keeping records created before the date this chapter came into force (or before this chapter first applied to the firm in question) as well as ones created afterwards.
- (2) ~~A full scope regulatory reference firm~~ An SMCR firm does not breach the requirements of this chapter by failing to include something in a reference or failure to have records because it destroyed the relevant records before the date this chapter came into force (or before this chapter first applied to it) in accordance with the record keeping requirements applicable to it at the time of destruction.

22 Annex 1R Template for regulatory references given by ~~relevant authorised persons~~ SMCR firms and disclosure requirements

Part One: Form of Template

Guide to using this template:

Each question must be answered. Where there is nothing to disclose, this should be confirmed by ticking the “No” box for the relevant question.

In this template:

- “we” / “our firm” refers to the firm or firms giving the reference (as set out in either 1A or 1B below);
- “individual” refers to the subject of the reference (as set out in 2 below); and
- “your” refers to the firm requesting the reference (as set out in 3 below).

Information requested	Response
-----------------------	----------

1A	Name, contact details and firm reference number of firm providing reference; or	
1B	Names, contact details and firm reference numbers (where applicable) of group firms providing a joint reference	
2	Individual's name (i.e. the subject of the reference)	
3	Name, contact details and firm reference number of firm requesting the reference	
4	Date of request for reference	
5	Date of reference	

The answers to Questions A to F cover the period beginning six years before the date of your request for a reference and ending on the date of this reference.

If 'yes' and associated disciplinary action was taken as a result, please refer to Question F below.

If 'yes', and no associated disciplinary action was taken as a result, we have set out below the facts which led to our conclusion.

Question F

We have taken disciplinary action against the individual that:

(1) relates to an action, failure to act, or circumstances, that amounts to a breach of any individual conduct requirements that:

(a) apply or applied to the individual; or

(b) (if the individual is or was a key function holder, a notified non-executive director or a credit union non-executive director for your firm) the individual is or was required to observe under *PRA* rules (including if applicable, *PRA* rules in force before 7 March 2016); or

Yes	
No	

If 'yes', we have provided below a description of the breaches (including dates of when they occurred) and the basis for, and outcome of, the subsequent disciplinary action.

--

Question G

Are we aware of any other information that we reasonably consider to be relevant to your assessment of whether the individual is fit and proper? This disclosure is made on the basis that we shall only disclose something that:

(1) occurred or existed:

(a) in the six years before your request for a reference; or

(b) between the date of your request for the reference and the date of this reference; or

(2) is serious misconduct.

Answer:

Yes	
No	

If 'yes', we have provided the relevant information below.

Part Two: Definitions used in Part One

Section One of Part Two of this annex defines terms used in this annex.

Section Two of Part Two of this annex modifies the meaning of certain requirements in Part One and has material about completing the template.

Section One: Meaning of certain terms and phrases	
Defined term or phrase	Meaning
B	B refers to the <i>employer</i> or <i>ex-employer</i> giving the reference as defined in more detail in SYSC 22.2.1R and SYSC 22.2.2R.
P	P refers to the <i>employee</i> or <i>ex-employee</i> about whom the reference is given as defined in more detail in SYSC 22.2.1R and SYSC 22.2.2R.
A finding or conclusion by B that P was not fit and proper to perform a function (see questions (E) to (F) of the template)	This means a finding or conclusion by B in the following circumstances where: (a) B assesses the continuing fitness and propriety of P as an <i>approved person</i> in

	<p>accordance with the requirements of the <i>regulatory system</i>, including when carrying out this assessment under section 63(2A) of the <i>Act</i> (annual assessment of <i>approved persons</i> by a relevant authorised person <u>an SMCR firm</u>); or</p> <p>(b) B assesses the fitness and propriety of P when B is proposing to issue a certificate under section 63F of the <i>Act</i> (Certification of employees by relevant authorised persons <u>SMCR firms</u>) for P.</p> <p>Paragraph (b) applies whether the certificate is being issued for the first time or is being renewed.</p>
Individual conduct requirements	Individual conduct requirements mean any of the following:

23 Senior managers and certification regime: Introduction and classification

23.1 Purpose

- 23.1.1 G The purpose of this chapter is to:
- (1) explain what the senior managers and certification regime is and where to find the main *Handbook* provisions;
 - (2) define which *firms* the regime applies to;
 - (3) define the different kinds of *SMCR firm*; and
 - (4) require certain *firms* to carry out criminal record checks before appointing certain *board directors*.

23.2 Definitions and types of firms

- 23.2.1 R *SYSC 23 Annex 1R* (Definition of *SMCR firm* and different types of *SMCR firms*) defines:
- (1) what an *SMCR firm* is; and
 - (2) what the different types of *SMCR firm* are.
- 23.2.2 G Broadly speaking, *firms* covered by the senior managers and certification regime that are dual-regulated by the *FCA* and the *PRA* are divided into two categories:
- (1) Banks and deposit-takers. They are called *SMCR dual regulated banking sector firms*.
 - (2) Insurers.
- 23.2.3 G Broadly speaking, *firms* covered by the senior managers and certification regime that are regulated by the *FCA* are divided into three categories:
- (1) *Firms* regulated by the *FCA* that do not fall into (2) or (3). They are

called *core SMCR firms*. A large number of *firms* will be in this category.

- (2) Certain large *firms*. These are called *enhanced scope SMCR firms*. Relatively few *firms* fall into this category.
- (3) *Firms* whose business is limited to certain types. These are called *limited scope core SMCR firms*. A large number of *firms* will be in this category. The main examples are:
 - (a) *limited permission consumer credit firms*;
 - (b) an *authorised professional firm* whose only *regulated activities* are *non-mainstream regulated activities*;
 - (c) internally managed *AIFs*; and
 - (d) *firms* whose main business is not regulated and whose regulated business is (with limited exceptions) restricted to *insurance distribution activity* in relation to *non-investment insurance contracts*.

23.3 Overview of the senior managers and certification regime

- 23.3.1 G There are three main elements to the regime:
 - (1) the senior managers regime;
 - (2) the certification regime; and
 - (3) conduct rules that apply directly to a *firm's* workforce.
- 23.3.2 G The table in SYSC 23.3.3G gives more details about each of those three elements. The first two columns of the table applies to all *firms*. The third column only covers *firms* that are not regulated by the *PRA*.
- 23.3.3 G Table: Summary of the senior managers and certification regime

It is prepared as part of the <i>firm's</i> application to the <i>FCA</i> or <i>PRA</i> for them to be approved as an <i>SMF manager</i> . It should be updated after approval when there has been any significant change in the responsibilities of the <i>SMF manager</i>	responsibilities). Many of the requirements are in the <i>Act</i> itself but they are summarised in <i>SUP 10C.11</i> . <i>SUP 10C.11</i> also adds some further requirements, particularly about there being one <i>statement of responsibilities</i> per <i>SMF manager</i> per <i>firm</i> .	<i>firms</i>

-----------------	------------------------------------------------------------------------------------------------------------	--

- 23.3.4 G The *PRA* has requirements corresponding to the senior managers and certification regime that apply to *PRA-authorised persons*. The *FCA* and *PRAs*' regimes are designed to work together and complement each other. A *PRA-authorised person* will therefore need to consider the *PRA*'s requirements to get a complete picture of the requirements that apply to it (and its workforce) in the area covered by the senior managers and certification regime and the requirements in the *Act* on which it is based.

23.4 Criminal record checks for certain directors

- 23.4.1 R This section applies to a *UK SMCR firm* that:
- (1) is an *FCA-authorised person*; and
 - (2) is not a *limited scope core SMCR firm*.
- 23.4.2 R A *firm* must (as part of its assessment of the fitness and propriety of any of its *non-SMF board directors subject to competence requirements* (P) obtain the fullest information that it is lawfully able to obtain about P under Part V of the Police Act 1997 (Certificates of Criminal records, etc) and related subordinated legislation of the *UK* or any part of the *UK* before P's appointment as a *board director*.
- 23.4.3 G The *guidance* in *SUP 10C.10.17G* to *SUP 10C.10.18G* and *SUP 10C.10.21G* about criminal record checks (criminal record checks for *candidates* to be an *SMF manager*) applies to criminal record checks under this section.

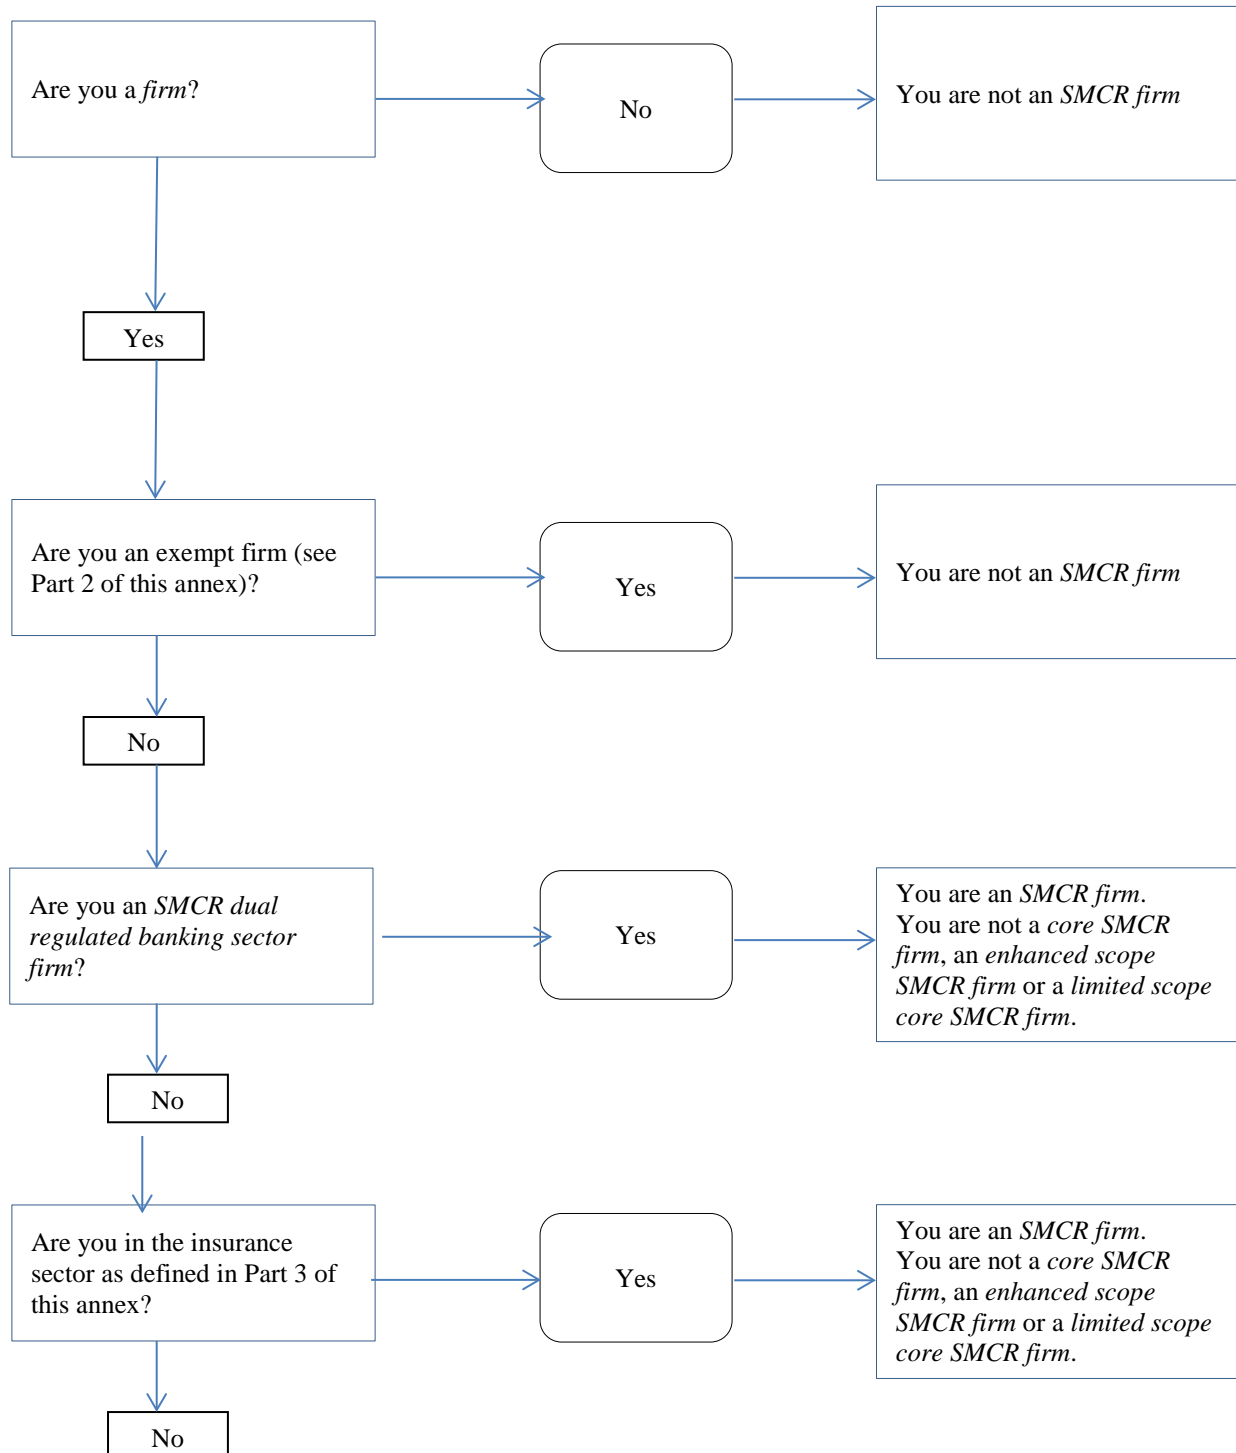

23 Annex 1 Definition of SMCR firm and different types of SMCR firms

Part One: Flow diagram and other basic provisions

- 1.1 R The flow diagram in *SYSC 23 Annex 1 1.2R*, defines:
- (1) an *SMCR firm*; and

(2) the different categories of *SMCR firm*.

1.2 R Flow diagram: Types of SMCR firm

1.3 R If a *firm* is subject to a *requirement* that it must comply with the *rules* in the *Handbook* applicable to one of the categories of *SMCR firm* set out in this Annex, it is to be treated as falling into that category of *SMCR firm* for all purposes.

1.4 G (1) The *FCA* may, on a case-by-case basis, require a *core SMCR firm* to comply with the requirements that apply to an *enhanced scope SMCR firm* if the *FCA* considers it appropriate to do so to advance one or more of its operational objectives under the *Act*.

(2) The most common example of a *requirement* described in SYSC 23 Annex 1 1.3R is likely to be one of the kind described in (1).

- (3) One effect of SYSC 23 Annex 1 1.3R is that if a *firm* is moved from the *core SMCR firm* to the *enhanced scope SMCR firm* category, the *FCA-designated senior management functions* that will apply to it are the ones for *enhanced scope SMCR firms*.

Part Two: Definition of exempt firm

- 2.1 R This part defines an exempt firm for the purposes of the flow diagram in Part One of this annex.
- 2.2 R An *overseas firm* is an exempt *firm* if it:
- (1) does not have; and
 - (2) does not have an *appointed representative* that has;
an establishment in the *United Kingdom*.
- 2.3 R An *incoming EEA firm* that is an *EEA pure reinsurer* is an exempt firm.
- 2.4 R A *UCITS qualifier* is an exempt firm (see section 266 of the *Act* (Disapplication of rules)).
- 2.5 R An *AIFM qualifier* is an exempt firm.

Part Three: Definition of insurance sector

- 3.1 R A *firm* is in the insurance sector for the purposes of the flow diagram in Part One of this annex if the *firm* is:
- (1) a *Solvency II firm* (including a *large non-directive insurer*); or
 - (2) a *small non-directive insurer*.
- 3.2 R (1) A *firm* from which the Solvency II rules (as defined by the part of the *PRA Rulebook* described in this paragraph (1)) are disapplied by chapter 2 of the Solvency II Firms: Transitional Measures part of the *PRA Rulebook* is in the insurance sector for the purposes of the flow diagram in Part One of this annex.
- (2) A *firm* defined as a small run-off firm in the Glossary part of the *PRA Rulebook* is in the insurance sector for the purposes of the flow diagram in Part One of this annex.

Part Four: Definition of limited scope core SMCR firm

- 4.1 R This part sets out the requirements for being a *limited scope core firm* for the purposes of the flow diagram in Part One of this annex.
- 4.2 R A *firm* listed in the table in SYSC 23 Annex 1 4.3R is a limited scope core *firm* if:

- (1) its principal purpose is to carry on activities other than *regulated activities*; and
- (2) it is not a *MiFID investment firm*.

4.3 R Table: List of limited scope core SMCR firms referred to in SYSC 23 Annex 1 4.2R

(1)	<i>Oil market participant</i>
(2)	<i>Service company</i>
(3)	<i>Energy market participant</i>
(4)	A wholly owned <i>subsidiary</i> of: <ul style="list-style-type: none"> (a) a <i>local authority</i>; or (b) a registered social landlord
(5)	A <i>firm</i> with <i>permission</i> to carry on <i>insurance distribution activity</i> in relation to <i>non-investment insurance contracts</i> but no other <i>regulated activity</i> (except <i>advising on P2P agreements</i>)

- 4.4 G It will be a matter of fact in each case whether, having regard to all the circumstances, including in particular where the balance of the business lies, a *firm's* principal purpose is to carry on activities other than *regulated activities*. If a *firm* wishes to rely on SYSC 23 Annex 1 4.2R, it should be in a position to demonstrate that its principal purpose is to carry on activities other than *regulated activities*.
- 4.5 R A *sole trader* is a *limited scope core firm*.
- 4.6 R A *firm* whose *permission* is limited to the carrying on of a relevant credit activity (as defined in paragraph 2G of Schedule 6 to the Act) (a *limited permission*) is a *limited scope core firm*.
- 4.7 R A *not-for-profit debt advice body* is a *limited scope core firm*.
- 4.8 R An *authorised professional firm* whose only *regulated activities* are *non-mainstream regulated activities* is a *limited scope core firm*.
- 4.9 R A *firm* is a *limited scope core firm* if it meets the following conditions:
- (1) it is an *internally managed AIF*;
 - (2) it is a *body corporate*; and

- (3) it is not a *collective investment scheme*.

Part Five: Exclusion from enhanced regime

- 5.1 R This part sets out which *firms* are excluded from the enhanced regime for the purposes of the flow diagram in Part One of this annex.
- 5.2 R A *non-UK SMCR firm* is excluded from the enhanced regime.
- 5.3 R A *firm* is excluded from the enhanced regime if its *permission* only covers being the *full-scope UK AIFM* of:
- (1) an *unauthorised AIF*; or
 - (2) an *authorised AIF* only marketed to investors that are *professional clients*.
- 5.4 R A *firm* is excluded from the enhanced regime if:
- (1) it is exempt from *MiFID* under article 2(1)(j); and
 - (2) its only *permission* is *bidding in emissions auctions*.

Part Six: Financial qualification condition for being an enhanced scope SMCR firm

- 6.1 R A *firm* meets a qualification condition for the purposes of identifying an *enhanced scope SMCR firm* under the flow diagram in Part One of this annex if it meets one of the criteria set out in column (1) of the table in SYSC 23 Annex 1 6.2R.
- 6.2 R Table: Financial qualification conditions

Qualification condition	Reporting requirement
(1) The <i>firm</i> has (or has had at any time in the previous three years) assets under management of £50 billion or more	Assets under management are calculated in accordance with the method that must be used to calculate the amount to be recorded in <i>data element</i> 1A (Total funds under management) in <i>data item</i> FSA038 (Volumes and Type of Business)
(2) The <i>firm's</i> current total intermediary regulated business revenue is £35 million per annum or more	Total intermediary regulated business revenue is calculated in accordance with the method that must be used to calculate the amount to be recorded in <i>data element</i> 4E (Total regulated business revenue) in Section B (Profit and Loss account) of the <i>RMAR</i>
(3) The <i>firm's</i> annual revenue generated by	Annual revenue generated by regulated

regulated consumer credit lending is £100 million or more	<p>consumer credit lending is calculated as follows:</p> <p>(a) calculate each amount that must be recorded in column B (Revenue) for the rows headed “Lending” in <i>data item</i> CCR002 (Consumer Credit data: Volumes); and</p> <p>(b) add those amounts together.</p>
(4) The <i>firm</i> currently has 10,000 or more outstanding regulated mortgages	<p>A <i>firm</i>’s outstanding regulated mortgages are calculated as follows:</p> <p>(a) calculate the amount that must be recorded in row E4.5 (Total) in the box under the headings and sub-headings “Regulated Loans”, “Balances outstanding” and “Number” in the <i>MLAR</i>;</p> <p>(b) calculate the amount that must be recorded in row G1.1(d) (total) under the headings and sub-headings “As PRINCIPAL administrator” and “Regulated loans” in the <i>MLAR</i>; and</p> <p>(c) add those amounts together.</p>

- 6.3 G (1) Column (2) of the table in SYSC 23 Annex 1 6.2R refers to the *Handbook* versions of the relevant *data items*.
- (2) The boxes referred to in row (4) (outstanding regulated mortgages) correspond to the online version of the *MLAR* as follows:
- (a) paragraph (a) corresponds to *data item* c3; and
- (b) paragraph (b) corresponds to *data item* G1.1 c1 (d).
- 6.4 R If the applicable financial reporting requirements in column (2) of the table in SYSC 23 Annex 1 6.2R have changed during the relevant period, the calculations must be made in accordance with whatever requirements applied for the applicable period.
- 6.5 R The calculations are made on a solo basis.
- 6.6 R (1) The calculation periods and dates in column (1) of the table in SYSC 23 Annex 1 6.2R are defined so as to be consistent with the financial reporting periods and dates used for the corresponding *data item* in column (2) of that table. The rest of this *rule* gives

particular examples of this principle.

- (2) If a calculation in column (1) of the table in SYSC 23 Annex 1 6.2R is on a per annum or annual basis, then:
 - (a) if the reporting period in column (2) is based on the *firm's* accounting period, so is the calculation period in column (1); and
 - (b) if the reporting period in column (2) is based on a calendar year, so is the calculation period in column (1).
- (3) (a) Where row (2) or (3) of column (1) of the table in SYSC 23 Annex 1 6.2R refers to a *firm's* current financial figures it refers to the figures for its most recent calculation period in column (1).
 - (b) The most recent calculation period is the one ending on the end date of the reporting period for the *firm's* most recent *data item* in column (2).
- (4) The current figure in row (1) or (4) of column (1) of the table in SYSC 23 Annex 1 6.2R is the one for the *firm's* most recent *data item* in column (2).
- (5) A *firm's* most recent *data item* is the one whose required submission date has passed most recently.

6.7 R Where:

- (1) the calculation in column (1) of the table in SYSC 23 Annex 1 6.2R is based on annual or per annum revenue; and
- (2) the reporting period in column (2) is based on the *firm's* accounting period; but
- (3) the *firm's* accounting period is not twelve months;

the *firm* must adjust the financial figure in column (1) proportionately.

6.8 R A qualification condition does not apply to a *firm* if:

- (1) the corresponding reporting requirement referred to in column (2) of the table in SYSC 23 Annex 1 6.2R does not apply to the *firm*; or
- (2) the *firm* has not been subject to the relevant reporting requirements for long enough for the calculation to be made for that qualification condition.

6.9 G (1) The financial reporting period in column (2) of the table in SYSC 23 Annex 1 6.2R may be shorter than the corresponding calculation period in column (1) of that table.

- (2) For example, the calculation period in column (1) may be based on annual revenue but the *firm* may have to prepare the corresponding *data item* in column (2) for revenue arising in six-month periods.
- (3) In this example, the calculation in column (1) is based on the most recently ended six-month period and the six-month period before that.
- (4) This applies whether the financial reporting periods in column (2) are based on a *firm's* accounting periods or on the calendar year.
- (5) See SYSC 23 Annex 1 6.7R for special requirements where a *firm* has an accounting period of more or less than a year, which might be caused, for example, by the *firm* changing its accounting reference date.

Part Seven: Other qualification conditions for being an enhanced scope SMCR firm

- 7.1 R A *firm* meets a qualification condition for the purposes of identifying an *enhanced scope SMCR firm* under the flow diagram in Part One of this annex if it meets one of the following criteria:
 - (1) the *firm* is a *significant IFPRU firm*; or
 - (2) the *firm* is a *CASS large firm*.
- 7.2 G If a *firm* is subject to a *requirement* that it must comply with the *rules* in the *Handbook* applicable to one of the categories of *firm* in SYSC 23 Annex 1 7.1R it is to be treated as falling into that category of *firm* for the purpose of this Annex as well.

Part Eight: When a firm becomes an enhanced scope SMCR firm

Meeting the financial thresholds in Part 6

- 8.1 R A *firm* that:
 - (1) was not an *enhanced scope SMCR firm*; and
 - (2) then meets one of the qualification conditions in Part 6 of this Annex (financial qualification conditions);

must comply with the requirements for *enhanced scope SMCR firms* (and becomes an *enhanced scope SMCR firm*) from six months after the *data item* submission date for the calculation period in column 1 of the table in SYSC 23 Annex 1 6.2R for which the *firm* first meets that qualification condition.
- 8.2 R (1) The *data item* submission date for a calculation period in column (1) of the table in SYSC 23 Annex 1 6.2R is the date on which the *data item* for the corresponding financial reporting period in

column (2) of that table should be submitted.

- (2) Where a *firm* must use *data items* from more than one financial reporting period to make a calculation required by column (1) of the table, the *data item* submission date is the due date for submission of the *data item* for the most recent such financial reporting period.

Meeting the qualification conditions in Part 7

8.3 R A *firm* that:

- (1) was not an *enhanced scope SMCR firm*; and
- (2) then meets one of the qualification conditions in Part 7 of this annex (other qualification conditions);

must comply with the requirements for *enhanced scope SMCR firms* (and becomes an *enhanced scope SMCR firm*) from six *months* after the date that the status in SYSC 23 Annex 1 7.1R becomes effective.

8.4 G SYSC 23 Annex 1 8.3R means that a *firm* becomes an *enhanced scope SMCR firm* on the date in column (2) of the table in SYSC 23 Annex 1 8.5G.

8.5 G Table: Date firm becomes an enhanced scope firm

Qualification condition	Date firm becomes an enhanced scope SMCR
The <i>firm</i> is a <i>significant IFPRU firm</i>	Six <i>months</i> after the date in IFPRU 1.2.6R(2).
The <i>firm</i> is a <i>CASS large firm</i> This includes a <i>firm</i> that has elected to be treated as a <i>CASS large firm</i>	Six <i>months</i> after the date in CASS 1A.2.12R.

8.6 G (1) The purpose of the six-month period between meeting the conditions for being an *enhanced scope SMCR firm* and the *firm* becoming subject to the requirements for such *firms* is to allow it to make preparations to comply with the new requirements.

- (2) For example, a *firm* that used to be a *core SMCR firm* should use this period to apply for approval for its personnel to perform the new *designated senior management functions* that will apply because it has become an *enhanced scope SMCR firm*.

8.7 G (1) A *firm* retains its old status during the six-month period described in this Part.

- (2) For example, a *core SMCR firm* that meets one of the qualification conditions for being an *enhanced scope SMCR firm* will remain as a *core SMCR firm* for six months after it meets the qualification condition.

Part Nine: When a firm stops being an enhanced scope SMCR firm

Introduction

- 9.1 R A *firm* that:
- (1) was an *enhanced scope SMCR firm*; and
 - (2) then meets none of the qualification conditions in this Annex,
- ceases to be subject to the requirements for *enhanced scope SMCR firms* (and ceases to an *enhanced scope SMCR firm*) on the date set out in this Part.

Ceasing to meet the financial thresholds in Part 6

- 9.2 R Where the last qualification condition that an *enhanced scope SMCR firm* meets is one of the conditions in Part 6 of this annex (financial qualification conditions), a *firm* ceases to be subject to the requirements for *enhanced scope SMCR firms* one year after the *data item* submission date for the calculation period in column (1) of the table in SYSC 23 Annex 1 6.2R for which the *firm* first ceases to meet that qualification condition.
- 9.3 G See SYSC 23 Annex 1 8.2R for what *data item* submission date means.

Ceasing to meet the qualification conditions in Part 7

- 9.4 R Where the last qualification condition that an *enhanced scope SMCR firm* meets is one of the conditions in Part 7 of this annex (other qualification conditions), a *firm* ceases to be subject to the requirements for *enhanced scope SMCR firms* one year after the date that the status in SYSC 23 Annex 1 7.1R ceases to apply.

Remaining as an enhanced scope firm

- 9.5 R If:
- (1) the one year period in SYSC 23 Annex 1 9.2R or SYSC 23 Annex 1 9.4R is still running; and
 - (2) the *firm* again meets a qualification condition in Part Six or Seven of this annex;
- then:

- (3) the *firm* remains an *enhanced scope SMCR firm*; and
- (4) the *six-month* period in Part 8 of this annex does not apply.

Amend the following as shown. In accordance with paragraph F to this instrument, cross references amended in column A in the tables of Annex A are so changed in the text of the following provisions. These changes are not shown.

24 Senior managers and certification regime: Allocation of prescribed responsibilities

24.1 Application

Main application rules

24.1.1 R This ~~section~~ chapter applies to ~~UK-relevant authorised persons~~ an SMCR
4.7.1 firm, except to the extent that this chapter applies a narrower scope to a
particular provision. However, this chapter does not apply to:

(1) a limited scope core SMCR firm; or

(2) an EEA SMCR firm.

24.1.2 R This ~~section~~ chapter is not limited to *regulated activities* or other specific
4.7.3 types of activities.

Territorial scope

24.1.3 R There is no territorial limitation on the application of this ~~section~~ chapter,
4.7.2 subject to SYSC 24.1.5R.

24.1.4 R When this chapter applies to a non-UK SMCR firm, it applies in relation to
the activities of the firm's branch in the United Kingdom.

24.2 Allocation of FCA-prescribed senior management responsibilities: Main allocation rules

Allocation of FCA-prescribed senior management responsibilities

24.2.1 R A *firm* must allocate each of the *FCA-prescribed senior management*
4.7.5(1) *responsibilities* in ~~Part 1 of~~ the table in SYSC 24.2.6R that apply to it to one
or more *SMF managers* of the *firm*.

24.2.2 G (1) Subject to (2), SYSC 24 Annex 1 (Which prescribed responsibilities
apply to which kind of firm) sets out which FCA-prescribed senior
management responsibilities apply to which kind of SMCR firm.

(2) Each *FCA-prescribed senior management responsibility* in Part Four of the table in SYSC 24.2.6R (functions applying in specified situations) is subject to further restrictions on the types of *firm* and circumstances to which it applies, as set out in that Part.

24.2.3 R (1) A *firm* may not allocate an *FCA-prescribed senior management responsibility* to an *SMF manager* who is only approved to perform the *other overall responsibility function* or the other local responsibility function for that *firm*, subject to ~~(6)~~ (2).
4.7.5(5)

4.7.5(6) (2) A *firm* may allocate ~~the~~ *FCA-prescribed senior management responsibility* (z) in ~~row (11)~~ of the table in SYSC 24.2.6R (functions in relation to CASS) to an *SMF manager* who is only approved to perform the *other overall responsibility function* or the other local responsibility function.

24.2.4 R A *firm* must make the allocations of *FCA-prescribed senior management responsibilities* in this ~~rule~~ chapter in such a way that it is clear who has which of those responsibilities.
4.7.5(7)

What the FCA-prescribed senior management responsibilities are

24.2.5 R The *FCA-prescribed senior management responsibilities* are set out in the table in SYSC 24.2.6R.

(ee)

24.3 Who ~~functions~~ prescribed responsibilities should be allocated to

Seniority and authority

24.3.1 G ~~In general, the~~ The FCA expects that a *person* who has responsibility for an
4.7.24 FCA-prescribed senior management responsibility ~~in (2)~~;
(3)

(1) will generally (in the case of the FCA-prescribed senior management responsibilities in SYSC 24.3.3G(1)) be the most senior employee or officer responsible for managing that area (or the most senior below the chief executive); and

(2) will:

(a) be sufficiently senior and credible; and

(b) have sufficient resources and authority;

to be able to exercise their management and oversight responsibilities effectively.

Executive or non-executive

24.3.2 G The FCA expects that normally a *firm* will allocate the FCA-prescribed
4.7.24(1) senior management responsibility ~~in rows~~ with the following FCA reference letters (5), (7), (8), (9) and (10) (see column three of the table in SYSC 24.2.6R) to an *SMF manager* who is a *non-executive director* of the *firm* (or, in the case of a partnership, a partner without management responsibilities):

(1) (f) (development of members of governing body);

(2) (j) (internal audit oversight);

(3) (k) (compliance oversight);

(4) (l) (risk control oversight);

(5) (m) (remuneration code oversight); and

(6) (n) (whistleblower's champion).

24.3.3 G (1) ~~The~~ Subject to (2), the FCA expects that normally a *firm* will
4.7.24 allocate: ~~(a) the other FCA-prescribed senior management responsibilities; and (b) functions under SYSC 4.7.8R (Allocation of overall responsibility for a firm's activities, business areas and management functions);~~ to an *SMF manager* who performs executive functions for the *firm*.
(2)

- (2) The relevant *rules* in *COLL* deal with the persons to whom a *firm* should allocate *FCA-prescribed senior management responsibility (za)* (*COLL* value for money assessment and independent director requirements).

Exceptions for small non-complex firms

- 24.3.4 G The *FCA* accepts that it may not be practical for a small non-complex *firm*
 4.7.24 ~~(see SYSC 4.5.13G)~~ to comply with the parts of ~~(1), (2) and (3)~~ *SYSC*
 (5) 24.3.1G(1), SYSC 24.3.2G and SYSC 24.3.3G(1) that would otherwise apply to it.
- 24.3.5 G (1) A ~~*firm*~~ *UK SMCR dual regulated banking sector firm* is likely to be
 4.5.13(2) small ~~and non-complex~~ for ~~these~~ the purposes in SYSC 24.3.4G if :
 (a) it is:
- (a) a small CRR firm as defined in the part of the *PRA's*
 (i) ~~rulebook~~ *PRA Rulebook* called "Allocation of responsibilities"; or
 - (b) a *credit union* that meets the *PRA's* size requirements for
 (ii) small CRR firms as defined under the *PRA's* requirements in (a)(i);
- (2) A *firm* is likely to be non-complex for these purposes if:
- (a) it conducts a limited number of simple business lines; ~~and~~
 (b)
 - (b) it does not rely on group governance arrangements; and
 (c)
 - (c) (in the case of a *branch*) it does not rely on governance arrangements for other parts of the *firm*.

Not assigning too many responsibilities to one person

- 24.3.6 G When deciding how to allocate *FCA-prescribed senior management responsibilities*, a *firm* should avoid assigning such a wide range of responsibilities to a particular *SMF manager* that they are not able to carry out those responsibilities effectively.

Dividing and sharing management functions between different people

- 24.3.7 G The *FCA* expects that a *firm* will not normally split an *FCA-prescribed*
 4.7.25(1) *senior management responsibility* between several *SMF managers*, with each only having responsibility for part.
- 24.3.8 G The *FCA* expects that a *firm* will not normally allocate responsibility for:
 4.7.25(2)

- ~~(a) an FCA-prescribed senior management responsibility; or~~
- ~~(b) a function under SYSC 4.7.8R (Allocation of overall responsibility for a firm's activities, business areas and management functions);~~

to two or more *SMF managers* jointly.

24.3.9 G (1) Although the norm should be for a *firm* to have a single individual
4.7.26 performing each *FCA-prescribed senior management responsibility*
~~or function allocated under SYSC 4.7.8R (Allocation of overall~~
~~responsibility for a firm's activities, business areas and management~~
~~functions),~~ there may be circumstances in which responsibilities can
be divided or shared (see (2)).

(2) A *firm* should only divide or share a responsibility where this is
appropriate and can be justified.

(3) For example, it would be justified to share a ~~function or~~
responsibility if that is done:

- (a) as part of a job share; or
- (b) where departing and incoming senior managers work
together temporarily as part of a handover

(4) A *firm* may have co-heads of a department or business unit if this
can be justified under (1) to (3).

24.3.10 G (1) The *FCA* expects a *firm* to divide and allocate responsibilities under:
4.7.27 this chapter

- ~~(a) SYSC 4.7.5R (Allocation of FCA-prescribed senior~~
~~management responsibilities); and~~
- ~~(b) SYSC 4.7.8R (Allocation of overall responsibility for a firm's~~
~~activities, business areas and management functions);~~

between its *SMF managers* so that responsibilities are grouped
together appropriately.

(2) The *firm* should make the judgement:

- (a) in (1); and
- (b) about whether and how responsibilities ~~and functions~~ should
be shared;

under:

- (c) SYSC 4.1.1R (robust governance arrangements); ~~and~~

- (d) any other applicable *Handbook* requirements, including ~~SYSC 4.7.25G and SYSC 4.7.26G~~ SYSC 2 (Apportionment of Responsibilities) and SYSC 24.3.7G to SYSC 24.3.9G; and
 - (e) article 21 of the MiFID Org Regulation (General organisational requirements) or other similar relevant and directly applicable *EU* legislation.
- (3) The *firm* should take into account the way it is organised, the business it carries out and the need not to allocate too many responsibilities to one individual (see ~~SYSC 4.7.23G~~ SYSC 24.3.6G).
- (4) The *FCA* expects a *firm* to allocate *FCA-prescribed senior management responsibilities* ~~and responsibilities allocated under SYSC 4.7.8R (Allocation of overall responsibility for a firm's activities, business areas and management functions)~~ to the *SMF managers* they are most closely linked to.
- 24.3.11 G SUP 10C.11.31G to SUP 10C.11.33G (Statements of responsibilities)
4.7.28 contains material about:
- (1) how to prepare *statements of responsibilities* where a responsibility ~~or function~~ is shared or divided between several *SMF managers*; and
 - (2) dividing and sharing responsibilities.
- 24.3.12 G (1) A *firm* may allocate more than one *FCA-prescribed senior*
4.7.29 *management responsibility* to the same *SMF manager*.
- (2) This is subject to:
- (a) ~~SYSC 4.7.23G~~ SYSC 24.3.6G (should not give too many responsibilities to one person); and
 - (b) SYSC 24.3.10G (what responsibilities should be grouped together).

Allocation of responsibilities and territorial scope:

- 24.3.13 G (1) As explained in SYSC 24.1.3R, there is no territorial limitation to the
4.7.30 application of this ~~section~~ chapter.
- (2) This means that a *firm* should allocate:
- ~~(a) the FCA-prescribed senior management responsibilities; and~~
 - ~~(b) overall responsibilities under SYSC 4.7.8R;~~
- so that they cover activities, transactions, business areas and management functions that are located or take place wholly or partly

outside, as well as ones in, the *United Kingdom*.

- 24.3.14 G ~~The~~ In the case of a *non-UK SMCR firm*, the *FCA-prescribed senior management responsibilities* relate to the activities of the ~~third-country~~ *relevant authorised person's firm's branch* in the *United Kingdom* (see SYSC 24.1.5R).
- 4.8.8

After SYSC 24 (Senior managers and certification regime: Allocation of prescribed responsibilities) insert a new SYSC 24 Annex 1. The text is not underlined.

24 Which FCA-prescribed senior management responsibilities apply to which kind of firm

Annex 1

Introduction and exclusions

- 1.1 G This annex sets out which *FCA-prescribed senior management responsibilities* apply to which type of *SMCR firm*.
- 1.2 R In this annex:
- (1) a ✓ means that the *FCA-prescribed senior management responsibility* does apply;
 - (2) a × means that the *FCA-prescribed senior management responsibility* does not apply; and
 - (3) a reference letter refers to the reference letters in the table in SYSC 24.2.6R (Table: *FCA-prescribed senior management responsibilities*).
- 1.3 G If an *FCA-prescribed senior management responsibility* is not included in the table for a particular class of *firm* that means that *FCA-prescribed senior management responsibility* does not apply to any *firm* in that class.
- 1.4 R The following *FCA-prescribed senior management responsibilities* do not apply to a *full-scope UK AIFM* in relation to its *managing an AIF*:
- (1) responsibility (j) (internal audit oversight);
 - (2) responsibility (k) (compliance oversight);
 - (3) responsibility (l) (risk oversight);
 - (4) responsibility (j-3) (independence of outsourced internal audit);
 - (5) responsibility (t) (business model); and

- (6) responsibility (dd) (informing *governing body* of obligations).

Banking sector firms

- 2.1 R (1) The table in SYSC 24 Annex 1 2.3R sets out which *FCA-prescribed senior management responsibilities* apply to which type of *SMCR dual regulated banking sector firm*.
- (2) *SMCR firms* in (1) are divided into the following categories for the purposes of in (1):
- (a) a *UK SMCR dual regulated banking sector firm* (excluding *firms* in (b));
- (b) a small *UK SMCR dual regulated banking sector firm*; and
- (c) a *third-country SMCR dual regulated banking sector firm*.
- 2.2 R A small *UK SMCR dual regulated banking sector firm* means a *UK SMCR dual regulated banking sector firm* that is:
- (1) a small CRR firm as defined in the part of the *PRA Rulebook* called “Allocation of responsibilities”; or
- (2) a *credit union*.
- 2.3 R Table: FCA-prescribed senior management responsibilities applying to banking sector firms

Insurance sector firms

- 3.1 R (1) The table in SYSC 24 Annex 1 3.2R sets out which *FCA-prescribed senior management responsibilities* apply to which type of *Solvency II firm* (including a *large non-directive insurer*) and to a *small non-directive insurer*.
- (2) *SMCR firms* in (1) are divided into the following categories for the purposes in (1):
- (a) a *Solvency II firm* (excluding *firms* in any other paragraph);

25 Senior managers and certification regime: Management responsibilities maps and handover procedures and material

25.1 Application and purpose

Main application rules

25.1.1 R This ~~section~~ chapter applies to: ~~UK relevant authorised persons~~.
4.5.1

- (1) an SMCR dual regulated banking sector firm;
- (2) an enhanced scope SMCR firm; and
- (3) a Solvency II firm (including a large non-directive insurer) but excluding:
 - (a) an insurance special purpose vehicle; and
 - (b) a firm in SYSC 23 Annex 1 3.2R (firms in run-off);

except to the extent that this chapter applies a narrower scope to a particular provision.

25.1.2 R This ~~section~~ chapter is not limited to *regulated activities* or other specific
4.5.3 types of activities.

Territorial scope

25.1.3 R Subject to SYSC 25.1.4R, There there is no territorial limitation on the
4.5.2 application of this ~~section~~ chapter.

25.1.4 R This ~~section~~ chapter applies to a non-UK SMCR firm:
4.6.1

- (1) ~~EEA relevant authorised persons; and~~
- (2) ~~third-country relevant authorised persons;~~

in relation to the activities of a *branch* maintained by ~~them~~ the firm in the *United Kingdom*.

How this chapter applies to non-UK SMCR firms

25.1.5 R Unless the context requires otherwise, the following terms in ~~SYSC 4.5.7R~~
4.6.9(2) this chapter are modified as follows in relation to a non-UK SMCR firm:

Reference in SYSC 4.5.7R <u>this chapter</u>	Modification
<i>firm</i>	treated as a reference to the <i>branch</i>
<i>governing body, management body, senior management and senior personnel</i>	(a) treated as a reference to the <i>branch's governing body, management body, senior management or senior</i>

	<p><i>personnel</i>;</p> <p>(b) the <i>Glossary</i> definitions of these terms are adjusted so as to refer to the <i>branch</i> rather than the <i>firm</i> as a whole</p>
<i>group</i>	treated as including the rest of the <i>firm</i>
<i>PRA-prescribed senior management responsibilities</i>	treated as a reference to PRA-prescribed UK branch senior management responsibilities
functions allocated under SYSC 4.7.8R (Allocation of overall responsibility for a firm's activities, business areas and management functions)	treated as a reference to functions allocated under SYSC 4.8.10R (Local responsibility for a branch's activities, business areas and management functions)

Purpose

- 25.1.6 G (1) One purpose of the *management responsibilities map* is to help the
4.5.6(1) *firm* and the *FCA* satisfy themselves that the *firm* has a clear organisational structure (as required by ~~*SYSC*~~ the regulatory system).
- (2) It also helps the *FCA* to identify who it needs to speak to about
4.5.6(2) particular issues ~~and who is accountable if something goes wrong~~.
- (3) The *management responsibilities map* helps the *FCA* to operate its
4.6.17(3) powers and requirements for individuals. For example it helps the *FCA*:
- (a) to identify who is accountable if something goes wrong;
- (b) to understand the role of the *approved person* (or *candidate*) in the *branch firm* and therefore to judge how to use its powers under the ~~*approved persons*~~ regime for SMCR firms, such as the power to grant or refuse approval of an SMF manager.

25.2 Management responsibilities maps: Main rules

General rule

- 25.2.1 R (1) A UK SMCR firm must, at all times, have a comprehensive and up-
4.5.4 to-date ~~document~~ document (the *management responsibilities map*) that describes its management and governance arrangements, ~~including:~~

(2) A non-UK SMCR firm must, at all times, have a comprehensive and up-to-date document (the *management responsibilities map*) that describes the management and governance arrangements for any branch it maintains in the United Kingdom.

(3) A *management responsibilities map* must include:

(a) details of the reporting lines and the lines of responsibility;
~~(+)~~ and

(b) reasonable details about:

~~(2)~~

(i) the *persons* who are part of those arrangements; and

~~(+)~~

(ii) their responsibilities.

~~(b)~~

(See further requirements in SYSC 25.2.3R.)

25.2.2 R The *firm's management responsibilities map* must show clearly how any
 4.5.5 responsibilities covered by a *firm's management responsibilities map* are
 shared or divided between different *persons*.

Specific requirements

25.2.3 R A *management responsibilities map* must include:
 4.5.7

- (1) (a) the names of all the *firm's*:
 - (i) *approved persons* (including *PRA approved persons*);
 - (ii) members of its *governing body* and (if different) *management body* who are not *approved persons*;
 - (iii) *senior management*;
 - (iv) *senior personnel*; and
- (b) details of the responsibilities which they hold;
- (2) all responsibilities described in any current *statement of responsibilities*;
- (3) details of the management and governance arrangements relating to:
 - (a) the *FCA-prescribed senior management responsibilities*; and

- (b) the *PRA-prescribed senior management responsibilities*;
including the identity of the *persons* to whom those functions are allocated;
- (4) the reasons why (if it has done any of these things) the *firm*:
 - (a) allocates responsibility for an *FCA-prescribed senior management responsibility* to more than one *person* jointly;
or
 - (b) divides responsibility for an *FCA-prescribed senior management responsibility* between different *persons*;
- (5) details about the functions allocated under ~~*SYSC 4.7.8R (Allocation of overall responsibility for a firm's activities, business areas and management functions)*~~ *SYSC 26 (Senior managers and certification regime: Overall and local responsibility)*, including:
 - (a) what ~~those~~ the activities, business areas and management functions allocated under that chapter are;
 - (b) the management and governance arrangements relating to them;
 - (c) ~~details about whether and how they are shared or divided up;~~
[deleted]
 - (d) the reasons why (if it has done this) the *firm* allocates responsibility for any such function to more than one *person* jointly; and
 - (e) the identity of the *persons* to whom those functions are allocated;
- (6) matters reserved to the *governing body* (including the terms of reference of its committees) and, if different, the *management body*;
- (7) details of how the *firm's* management and governance arrangements fit together with:
 - (a) its *group*; and
 - (a) any other *person* in (8);
- (8) details of the extent to which the *firm's* management and governance arrangements are provided by, or shared with, other members of its *group* or others;
- (9) details of the reporting lines and the lines of responsibility (if any) between the *firm* and those who carry out functions in relation to

~~them~~ it and:

- (a) other members of its *group* or other third parties;
 - (b) *persons* acting as employees or officers of, or otherwise acting for, anyone in (a); or
 - (c) committees or other bodies of anyone in (a);
- (10) reasonable information about the *persons* described or identified in the *management responsibilities map*, including:
- (a) whether they are *employees* of the *firm* and, if not, by whom they are employed;
 - (b) if they are *certification employees* of the *firm*; and
 - (c) the responsibilities they have in relation to other *group* members or any other *person* in (8); and
- (11) details of how (1) to (10) fit together and fit into the *firm's* management and governance arrangements as a whole.

25.2.4 R ~~SYSC 4.5.7R(1)~~ SYSC 25.2.3R(1) does not require the *firm* to include the
4.5.8 names of *approved persons* under SUP 10A.1.16BR (Appointed representatives).
[Editor's note: This provision will be reviewed in a second Consultation Paper]

25.3 Management responsibilities maps: Exclusion of non-financial services activities for some firms

25.3.1 R An enhanced scope SMCR firm may prepare its management responsibilities map so that (subject to SYSC 25.3.4R) it only includes its management and governance arrangements to the extent that they cover, support or otherwise relate to its SMCR financial activities.

25.3.2 G Support functions that should be covered by a management responsibilities map under SYSC 25.3.1R might include:

- (1) human resources;
- (2) the firm's information technology; and
- (3) compliance and legal services.

25.3.3 G (1) A firm may have a non-financial services business in addition to carrying on its SMCR financial activities. Its support services may support both aspects of its business and its management responsibilities map may therefore still need to cover the support

services even though they also cover the *firm's* non-financial services business.

- (2) Take for example human resources. If the *firm's* human resources function covers the *firm's* entire workforce without separating the parts that deal with the *firm's* financial services and its other business, the *management responsibilities map* should cover the entire human resources function.
- (3) On the other hand, the *firm* may separate the part of its human resources function that deals with those working in its financial services business from the part that deals with the other part of its business. In that case the *management responsibilities map* may leave out the part of the human resources function that covers its non-financial services business.

25.3.4 R If a *firm* uses the exclusion in SYSC 25.3.1R it must include sufficient information about the excluded management and governance arrangements to show how the included management and governance arrangements fit in with the *firm's* management and governance arrangements as a whole.

25.4 Guidance about what should be in a management responsibilities map

Material applicable to all firms

- 25.4.1 G The *management responsibilities map* should be consistent with the
4.5.9(1) *statements of responsibilities*.
- 25.4.2 G The *statements of responsibilities* and the *management responsibilities map*
4.5.9(2) should all be prepared in a way that makes it simple to see how the responsibilities allocated in a particular *statement of responsibilities* fit into the overall system of management and governance of the *firm*.
- 25.4.3 G The *management responsibilities map* should include functions that are:
4.5.10
 - (1) included in a *PRA controlled function* under:
 - (a) rules 2.3 to 2.5 in the part of the *PRA Rulebook* titled 'Senior Management Functions';
 - (b) rules 2.5 to 2.6 in the part of the *PRA Rulebook* titled 'Insurance - Senior Insurance Management Functions'; or
 - (c) rules 2.5 to 2.6 in the part of the *PRA Rulebook* titled 'Large Non-Solvency II Firms – Senior Insurance Management Functions';

(*PRA rules complementing SUP 10C.9* (Minimising overlap with the

PRA approved persons regime)); or

(2) excluded from the *other overall responsibility function* under SUP 10C.7.1R(2) (Exclusion for *approved person* with approval to perform other *designated senior management functions*); or

(3) excluded from the *other local responsibility function* under SUP 10C.8.1R (Exclusion for *approved person* with approval to perform other *designated senior management functions*).

25.4.4 G A *firm's management responsibilities map* should demonstrate that there are
4.5.11 no gaps in the allocation of responsibilities among its management.

25.4.5 G A *firm* need only include summary details of the *persons* in ~~SYSC 4.5.7R(1)~~
4.5.12(2) SYSC 25.2.3R(1).

25.4.6 G A *firm's SMF managers* and members of its governing body may overlap
4.5.12(3) with its *senior management* and *senior personnel*. If so, the *firm* does not have to give the same details twice.

25.4.7 G A *firm* should include details of individuals in addition to those in ~~SYSC~~
4.5.12(4) ~~4.5.7R(1) (3) and (5)~~ SYSC 25.2.3R(1), (3) and (5) if they are needed to make the *management responsibilities map* clear. For example, it may be necessary to include these details if the same individual has responsibilities in a number of different areas of the *firm*.

25.4.8 G A *firm* should only include summary details about *statements of*
4.5.12(5) *responsibilities* under ~~SYSC 4.5.7R(2)~~ SYSC 25.2.3R(2). There is no need to duplicate the *statements of responsibilities*. The main aim of including material about *statements of responsibilities* in the *management responsibilities map* is to show how the material:

(1) fits into the *firm's* overall governance structure; and

~~(a)~~

(2) for each *statement of responsibilities*, fits with the others.

~~(b)~~

25.4.9 G A *management responsibilities map* should include a checklist confirming
4.5.12(7) that all *FCA-prescribed senior management responsibilities* have been allocated or, if some have not been allocated, the reason why.

25.4.10 G If:
4.5.12(8)

(1) any *designated senior management function* is performed by; or

~~(a)~~

(2) any *FCA-prescribed senior management responsibility* is allocated

(b) to;

more than one *person*, a *firm's management responsibilities map* should give details of how the performance or discharge of the responsibilities is to be carried out by those *persons*.

25.4.11 G The ~~executive~~ executive director function, the other local responsibility
4.5.12(6) function, the group entity senior manager function, the partner function and the *other overall responsibility function* are defined generally and generically and can be performed by several people. Therefore, there is no need to explain why several people perform one of the functions.

25.4.12 G The material in *SUP 10C.11.31G* and *SUP 10C.11.32G* (recording sharing
4.5.12(9) and splitting of responsibilities in *statements of responsibilities*) also applies to a *management responsibilities map*.

Branches of non-UK firms

25.4.13 G One effect of SYSC 25.1.5R is that a non-UK SMCR firm should draw up its
management responsibilities map as if the rest of the firm outside the UK
branch were a separate company in its group. This means, for example, that
the map should include:

- (1) details of how the branch's management and governance
arrangements fit together with the wider firm;
- (2) details of the extent to which the branch's management and
governance arrangements are provided by, or shared with, the wider
firm; and
- (3) details of the reporting lines and the lines of responsibility between
the branch and those who carry out functions in relation to it and the
wider firm and persons acting for it.

Small firms

- 25.4.14 G (1) The *FCA* expects that the *management responsibilities map* of a
4.5.13(1) small and non-complex *firm* is likely to be simple and short. It may be no more than a single sheet of paper.
- (2) See SYSC 24.3.5G for what small and non-complex mean.

25.5 Single Management responsibilities map should be a single document

25.5.1 R A *management responsibilities map* must be a single ~~document~~ document.
4.5.14

25.5.2 G (1) The requirement for a *management responsibilities map* to be a
4.5.15(1) single ~~document~~ document does not mean that it has to be a single

sheet of paper or must be capable of being reproduced as one.

4.5.15(2) (2) A *management responsibilities map* may be made up of a folder with several files or items in it. The folder may be electronic.

4.5.15(3) (3) However, a *firm* that creates a *management responsibilities map* in this way should ensure that its approach is compatible with it being a single ~~document~~ document. In particular:

- (a) there should be a single item that identifies every item making up the *management responsibilities map* and shows where each item can be found;
- (b) for example, this could be a contents list of the items making up the *management responsibilities map* with electronic links to each of them;
- (c) the *management responsibilities map* should be complete by itself and should not refer to documents not forming part of it;
- (d) every item in the *management responsibilities map* should only contain material about the matters required by this ~~section~~ chapter to be included in *management responsibilities maps*;
- (e) for example, if there is relevant material in the *firm's* report and accounts, the folder should only contain the relevant parts or a link to those parts.

4.5.15(4) (4) The folder and its contents should be easily identifiable as the *firm's management responsibilities map*

25.5.3 G Although a *management responsibilities map* can be large and complex,
4.5.15(5) ~~SYSC 4.5.13G~~ SYSC 25.4.14G explains that, for small non-complex *firms*, it may be small and simple.

25.6 Management responsibilities maps: Material only relevant to EEA SMCR firms

Application

25.6.1 R This section applies to an EEA SMCR firm.

Purpose

25.6.2 G (1) The *management responsibilities map* is an important support to the
4.6.17(1) FCA's functions as *Host State competent authority*.

- 4.6.17(2) (2) Having requirements and powers that apply directly to individuals helps to make the requirements on *firms* that the *FCA* is required or entitled to impose as *Host State competent authority* more effective.
- (3) As explained in SYSC 25.1.6G (Purpose), the *management responsibilities map* also helps the *FCA* to operate its powers and requirements for individuals.
- 4.6.17(4) (4) By helping the *FCA* to better understand how the *branch* is structured, the *management responsibilities map* also helps the *FCA* to carry out more effective supervision of conduct of business, money laundering and other *Host State* responsibilities.
- 25.6.3 G This ~~section~~ chapter is not intended to extend the application of the *common platform requirements* or other parts of *SYSC* to matters which are reserved by an *EU* instrument to the *firm's Home State regulator* in relation to *EEA relevant authorised persons* *SMCR firms*.
- 4.6.5(2)

FCA-prescribed senior management responsibilities

- 25.6.4 G *SYSC 25.2.3R* (Specific requirements) requires a *management responsibilities map* to cover the allocation of *FCA-prescribed senior management responsibilities*. This is not relevant to an *EEA SMCR firm* as *FCA-prescribed senior management responsibilities* do not apply to it.

~~Responsibilities maps for EEA relevant authorised persons: leaving~~ Leaving out information already supplied

- 25.6.5 R An *EEA relevant authorised person* *SMCR firm* may exclude from its *management responsibilities map*:
- 4.6.20
- (1) any information contained in its *requisite details*;
 - (2) any information contained in any notice of changes to its *requisite details* under the *EEA Passport Rights Regulations*; and
 - (3) any other information that has been supplied by the *firm* to the *FCA* or the *PRA* (including through the *firm's Home State competent authority*) if:
 - (a) that information was supplied to the *FCA* or the *PRA* as a *Host State competent authority* ~~for credit institutions or investment firms~~; and
 - (b) the *Single Market Directives* or any other *EU* legislation provides for the supply of that information to the *FCA* or the *PRA* as described in (a).
- 25.6.6 G Information contained in ~~*SYSC 4.6.20R* (1) and (2)~~ *SYSC 25.6.5R*(1) and (2) covers:
- 4.6.21

- (1) details about the *branch* contained in the notice given by the *firm's Home State competent authority* as part of the process for establishing the *branch* in the *United Kingdom*; and
- (2) any updates to that information under the *EEA Passport Rights Regulations*.
- 25.6.7 G The *management responsibilities map* of an *EEA ~~relevant authorised person~~ SMCR firm* may therefore consist of information:
4.6.22
- (1) that has changed since its *requisite details* were supplied or were last changed; or
- (2) that is not covered in the *firm's Home State competent authority's* passport notification.
- 25.6.8 G The *FCA* expects that an *EEA ~~relevant authorised person~~ SMCR firm* that
4.6.23 excludes information from its *management responsibilities map* under SYSC 25.6.5R will identify in its *management responsibilities map* the documents supplied to the *FCA* or the *PRA* where the omitted information can be found.
- 25.6.9 G In practice an *EEA ~~relevant authorised person~~ SMCR firm* may find it easier
4.6.24 to prepare its *management responsibilities map* without omitting any information under SYSC 25.6.5R so that all the information referred to in ~~SYSC 4.6.15R to SYSC 4.6.19R~~ SYSC 25.2 (Management responsibilities maps: Main rules) can be found in a single integrated ~~document~~ *document*.
- 25.6.10 G ~~SYSC 4.6.27G and SYSC 4.6.28G do~~ SYSC 25.3 (Guidance about what
4.6.26 *should be in a management responsibilities map*) does not take into account the right of a *firm* to omit information under SYSC 25.6.5R. ~~They assume~~ *It assumes* that the *firm* will prepare a single ~~document~~ *document* under SYSC 25.6.9G. However ~~SYSC 4.6.27G and SYSC 4.6.28G are~~ 25.3 is not intended to take away the right to omit information under SYSC 25.6.5R.

25.7 **Guidance about SYSC 25 Annex 1G**

- 25.7.1 G This section gives guidance about SYSC 25 Annex 1G (Examples of the business activities and functions of an SMCR firm).

Purpose of SYSC 25 Annex 1G (~~The main business activities and functions of a relevant authorised person~~)

- 25.7.2 G (1) A *firm* may use ~~it~~ SYSC 25 Annex 1G as a checklist prompt to see
4.5.16(2) whether its *management responsibilities map* covers all its business activities.
- (2) A *firm* may wish to prepare its *management responsibilities map* using the same split of activities, where this is appropriate.
4.5.16(3)

25.7.3 G As mentioned in SYSC 26.11.2G, a *firm* may also use ~~it~~ SYSC 25 Annex 1G
 4.5.16(5) as a ~~checklist prompt~~ when allocating responsibilities under SYSC ~~4.7.8R~~
 (Allocation of overall responsibility for a firm's activities, business areas
 and management functions) 26 (Senior managers and certification regime:
Overall and local responsibility).

25.7.4 G If a *firm* uses SYSC 25 Annex 1G to help it prepare its *management*
 4.5.16(4) *responsibilities map* or when allocating responsibilities under SYSC 26
(Senior managers and certification regime: Overall and local responsibility),
 it should bear in mind that it is not comprehensive and that there may be
other business activities and functions that are relevant to that firm (see
 SYSC 25.7.8G).

25.7.5 G There is no direct link between SYSC 25 Annex 1G and the senior
 4.5.17 ~~management managers~~ regime for ~~relevant authorised persons~~ SMCR firms.

Contents of SYSC 25 Annex 1G (~~The main business activities and functions of a~~
~~relevant authorised person~~)

25.7.6 G SYSC 25 Annex 1G sets out examples of the main business activities and
 4.5.18 functions that the FCA thinks ~~are likely to~~ could be relevant to most large or
complex firms, although the FCA does not require *firms* to organise
 themselves in this way.

25.7.7 G Most or all of these activities and functions will normally apply to a
 4.5.19 complex *firm*. Many of them may not apply to a non-complex *firm*.

25.7.8 G (1) SYSC 25 Annex 1G is not comprehensive. While it is intended to
 4.5.20 cover most front-line business activities of ~~a relevant authorised~~
~~person~~ an SMCR firm, it does not cover all internal oversight and
 monitoring functions.

(2) For example, it does not cover compliance or internal audit or the
firm's governing body or its *committees*.

25.8 Management responsibilities maps: Records

25.8.1 G A *firm* should consider past versions of its *management responsibilities map*
 4.5.21 as an important part of its records and as an important resource for the FCA
 in supervising the *firm*.

25.8.2 G Past versions of a *firm's management responsibilities map* form part of its
 4.5.22 records under SYSC ~~9.1 (General rules on record keeping)~~ the regulatory
system.

25.9 Handover procedures and material

Application

- 25.9.1 R This section applies to a firm that meets the following conditions:
4.9.1(1)
- (1) it falls within SYSC 25.1.1R (Application and purpose); and
 - (2) it falls within one of the following categories:
 - (a) it is a UK ~~relevant authorised persons~~ SMCR firm; and or
 - (b) it is a ~~third-country-relevant authorised persons~~ SMCR dual regulated banking sector firm.
- 25.9.2 R For ~~third-country-relevant authorised persons~~ non-UK SMCR firms,
4.9.1(2) references in this section to an *SMF manager* are references to the *SMF manager* when acting as an *SMF manager* for the *firm's branch* in the *United Kingdom*.
- 25.9.3 R This section does not apply to a full-scope UK AIFM in relation to its managing an AIF.

Rules about handover material

- 25.9.4 R A *firm* must take all reasonable steps to ensure that:
4.9.4
- (1) a *person* who is becoming an *SMF manager*;
 - (2) an *SMF manager*:
 - (a) taking on a new job or new responsibilities; or
 - (b) whose responsibilities or job are being changed; and
 - (3) anyone who has management or supervisory responsibilities for the *SMF manager* in (1) or (2);
- has, when the *SMF manager* starts to perform ~~his~~ their new or revised responsibilities or job, all information and material that a *person* in (1) to (3) could reasonably expect to have to perform those responsibilities or that job effectively and in accordance with the requirements of the *regulatory system*.
- 25.9.5 R (1) A *firm* must have a policy about how it complies with SYSC 25.9.4R,
4.9.5 including the systems and controls it uses.
- (2) A *firm* must make and maintain adequate records of the steps taken to comply with SYSC 25.9.4R.

25.9.6 G The information and material in SYSC 25.9.4R that should be made available
4.9.6 includes details:

- (1) about unresolved or possible breaches of the requirements of the *regulatory system*; and
- (2) of any unresolved concerns expressed by the *FCA*, the *PRA* or another *regulatory body*.

25.9.7 G (1) The main purpose of SYSC 25.9.4R is to help the *SMF manager* with
4.9.7 ~~his~~ their new or revised responsibilities or job and to help the managers of *SMF managers*.

- (2) It should be a practical and helpful document and not just a record.
- (3) The material should include an assessment of what issues should be prioritised.
- (4) It should include judgement and opinion, not just facts and figures.

Handover arrangements and certificates

25.9.8 G (1) Where the responsibilities or job in SYSC 25.9.4R are being taken
4.9.8 over from another *person*, the *firm* should have arrangements for an orderly transition.

(2) As part of these arrangements, the *firm* should take reasonable steps to ensure that the predecessor contributes to the information and material in SYSC 25.9.4R all that would be reasonable to expect the predecessor to know and consider relevant, including the predecessor's opinions.

(3) One way of doing this could be for the predecessor to prepare a handover certificate.

(4) However, the *FCA* accepts that there will be cases in which it will be impractical to ask the predecessor to prepare a handover certificate.

Application of this section to other parts of a firm's management

25.9.9 G A *firm* should consider whether to apply the procedures in this section to
4.9.9 other parts of its management.

26 Senior managers and certification regime: Overall and local responsibility

26.1 Application

Main application rules

26.1.1 R This chapter applies to:

- (1) an SMCR dual regulated banking sector firm;
- (2) an enhanced scope SMCR firm; and
- (3) a Solvency II firm (including a large non-directive insurer) but excluding:
 - (a) an insurance special purpose vehicle; and
 - (b) a firm in SYSC 23 Annex 1 3.2R (firms in run-off);

except to the extent that this chapter applies a narrower scope to a particular provision.

26.1.2 R SYSC 4.8 This chapter is not limited to regulated activities or other specific

4.8.4 types of activities.

Exclusions

26.1.3 R This chapter does not apply to an *EEA SMCR firm*.

Territorial scope

26.1.4 R There is no territorial limitation on the application of ~~SYSC 4.8~~ this chapter,
4.8.3 save as set out in SYSC 26.1.5R.

26.1.5 R ~~This section relates to the activities of a *third-*~~ When this chapter applies to the activities of a *third-*
4.8.2 *country relevant authorised person's non-UK SMCR firm*, it applies in
relation to the *firm's branch* in the *United Kingdom*.

26.1.6 R Unless the context requires otherwise, the terms in the first column of the
table in SYSC 26.1.7R are modified as described in the second column of
that table in relation to a *non-UK SMCR firm*.

26.1.7 R Table: Application of this chapter to a third-country SMCR firm

<u>Reference in this chapter</u>	<u>Modification</u>
<u><i>firm</i></u>	<u>treated as a reference to the <i>branch</i></u>
<u><i>governing body</i></u>	<u>(a) treated as a reference to the <i>branch's governing body</i>;</u> <u>(b) the <i>Glossary</i> definition of this term</u> <u>is adjusted so as to refer to the <i>branch</i></u> <u>rather than the <i>firm</i> as a whole</u>
<u><i>group</i></u>	<u>treated as including the rest of the <i>firm</i></u>

26.2 Purpose

26.2.1 G The purpose of this ~~section~~ chapter is to ensure, together with the equivalent
4.8.5 *PRA* requirements and the requirements about *FCA-prescribed senior*
management responsibilities in SYSC 24 (*Senior managers and certification*
regime: Allocation of prescribed responsibilities), that:

(1) an *SMF manager* is responsible and accountable for every area of a

branch's firm's activities;

- (2) the allocation of responsibilities is done systematically and explicitly; and
- (3) the process of allocation of responsibilities under this chapter covers every part of a *firm's* activities, business areas and management functions (subject to the exclusions in SYSC 26.4 (Exclusions) without any gaps in what is allocated in this process.

26.2.2 G The purpose of this chapter is not primarily to ensure that formal responsibility for everything a *firm* does is allocated amongst its senior management. Even without the requirements of this chapter, responsibilities that have not been allocated explicitly would fall to the *chief executive* by default. However, one of the purposes of this chapter is to avoid responsibilities being allocated by implication or by default.

- 26.2.3 G (1) The allocation of responsibilities under this chapter does not replace the responsibilities of the *chief executive*.
- (2) If a *firm* allocates responsibilities under this chapter to an *SMF manager* other than the *chief executive*, the *chief executive* will be responsible for managing that *person's* performance of those responsibilities in the same way that the *chief executive* manages that *person's* other responsibilities.
- (3) A *firm* may allocate responsibilities under this chapter to the *chief executive*.

26.3 **Main rules**

26.3.1 R A UK SMCR *firm* must ensure that, at all times, one or more of its *SMF managers* have overall responsibility for each of the activities, business areas and management functions of the *firm*.

4.7.8(1)

26.3.2 R (1) A non-UK SMCR *firm* must ensure that, at all times, one or more of its *SMF managers* has overall responsibility (subject to the *branch's governing body*) for each of the activities, business areas and management functions of the *branch* that are under the management of the *branch's governing body*.

4.8.10(1)

4.8.10(2) (2) A non-UK SMCR *firm* must ensure that, at all times, one or more of its *SMF managers* has responsibility for each of the activities, business areas and management functions of the *branch* not covered by (1).

4.8.10(3) (3) An *SMF manager* in (2) must be directly involved in the management of the activity, business area or management function for which they have responsibility under (2).

26.3.3 R An *SMF manager* who has responsibility for an activity, business area or
4.8.10(4) management function under ~~(1) or (2)~~ this section:

(1) (in the case of a *UK SMCR firm*) has “overall responsibility”;

(2) (in the case of a *non-UK SMCR firm*) has “local responsibility”;

for that activity, business area or management function.

26.3.4 R A *firm* must make the allocations of responsibilities in this ~~rule~~ chapter in
4.7.8(3) such a way that it is clear who has which of those responsibilities.

26.4 Exclusions

Exclusions where other requirements apply

26.4.1 R *SYSC 26.3 (Main rules) does not require a firm to ensure that SMF managers have local or overall responsibility for any activity, business area or management function that is included in an FCA-prescribed senior management responsibility.*

26.4.2 R ~~This rule~~ *SYSC 26.3 (Main rules) does not require a firm PRA-authorised person to ensure that SMF managers have local or overall responsibility for any activity, business area or management function that is:*
4.7.8(2)

(a) ~~included in an FCA-prescribed senior management responsibility; or~~

(1) included in ~~an~~ a PRA-prescribed senior management responsibility;
(b) or

(2) managed (as part of the *PRA-designated senior management function* concerned) by any of the *firm's SMF managers* approved to perform
(e) any of the following *PRA-designated senior management functions* for the *firm*:

(a) the Chief Finance function;

(i)

(b) the Chief Risk function;

(ii)

(c) the Head of Internal Audit function; ~~or~~

(iii)

(d) the Head of Key Business Area function; ~~or~~

(iv)

- (e) the Chief Operations function; or
- (f) the Group Entity Senior Manager function or the Group Entity Senior Insurance Manager function.
- (v)

Exclusion of the governing body and non-executive directors

- 26.4.3 R ~~This rule~~ SYSC 26.3 (Main rules) does not require a *firm* to allocate overall
4.8.10(6) or local responsibility for the running of the *branch's firm's governing body*.
- 26.4.4 G ~~This SYSC 26.4.3R~~ means that a *person* does not have overall or local
4.8.13(2) responsibility for a function under SYSC 4.8.10R this chapter just by being a member of a *branch's firm's governing body* or equivalent.
- 26.4.5 G (1) A *person* who just provides oversight of a function does not have
4.7.18 overall or local responsibility for that function under SYSC 4.7.8R
(Allocation of overall responsibility for a firm's activities, business areas and management functions) this chapter.
- (2) Paragraph (1) and ~~SYSC 4.7.17G~~ SYSC 26.4.4G mean that a *non-executive director* acting as such does not have overall or local responsibility for a function under ~~SYSC 4.7.8R~~ SYSC 26.3 or perform the *other overall responsibility function or the other local responsibility function.*
- (3) Paragraph (1) and ~~SYSC 4.7.17G~~ SYSC 26.4.4G mean that a *non-executive director*:
- (a) providing oversight of a function; or
 - (b) being responsible for the independence of a function;
- does not have overall or local responsibility for that function under ~~SYSC 4.7.8R~~ this chapter or perform the *other overall responsibility function or the other local responsibility function.*

Exclusion of non-financial services activities

- 26.4.6 R SYSC 26.3 (Main rules) only requires an *enhanced scope SMCR firm* to
allocate responsibility for activities, business areas and management functions to the extent that they support, form part of or otherwise relate to its SMCR financial activities.
- 26.4.7 G SYSC 25.3.2G and SYSC 25.3.3G (Management responsibilities maps:
Exclusion of non-financial services activities for some firms) are relevant to when an enhanced scope SMCR firm may exclude support services from the allocation of responsibilities under this chapter.

Exclusion where the 12-week rule applies

- 26.4.8 R (1) This rule applies where:
- (a) a firm appoints someone to perform a function in order to provide cover as described in SUP 10C.3.13R(1) (The 12-week rule) or the PRA equivalent; and
 - (b) the firm has allocated any responsibilities (the “Responsibilities”) under SYSC 26.3 (Main rules) to the SMF manager (the absent manager) who is absent as described in SUP 10C.3.13R(2) or the PRA equivalent.
- (2) While the disapplication of the designated senior management function provided for in SUP 10C.3.13R(1) or the PRA equivalent is still in force the firm may allocate the Responsibilities to an employee who is not an SMF manager.
- (3) For the purposes of this rule, the PRA equivalent of:
- (a) SUP 10C.3.13R is:
 - (i) rule 2.3 in the “Senior Management Functions” part of the PRA Rulebook;
 - (ii) rule 2.4 in the “Insurance - Senior Insurance Management Functions” part of the PRA Rulebook; and
 - (iii) rule 2.4 in the “Large Non-Solvency II Firms – Senior Insurance Management Functions” part of the PRA Rulebook.
 - (b) SUP 10C.3.13R(1) and (2) are:
 - (i) rules 2.3(1) and (2) in the “Senior Management Functions” part of the PRA Rulebook;
 - (ii) rules 2.4(1) and (2) in the “Insurance - Senior Insurance Management Functions” part of the PRA Rulebook; and
 - (iii) rules 2.4(1) and (2) in the “Large Non-Solvency II Firms – Senior Insurance Management Functions” part of the PRA Rulebook.
- 26.4.9 G A firm need not allocate the Responsibilities referred to in SYSC 26.4.8R(1)(b) to the person who is providing cover for the absent SMF manager.
- 26.4.10 G SYSC 26.4.8R and SUP 10C.3.13R apply to a person performing the other overall responsibility function or the other local responsibility function as well as to a person performing one of the other designated senior

management functions.

Exclusion for AIFMD

- 26.4.11 R A full-scope UK AIFM may treat managing an AIF as not being part of its SMCR financial activities for the purposes of this chapter.

26.5 **Guidance on territorial scope**

Allocation of responsibilities and territorial scope

- 26.5.1 G SYSC 26.1.4R (territorial scope) means that a firm should allocate overall responsibilities under this chapter so that they cover activities, transactions, business areas and functions that are located or take place wholly or partly outside, as well as ones in, the United Kingdom.

Allocation of responsibility for transactions in branches

- 26.5.2 G There is an exception to SYSC 26.5.1G for a non-UK SMCR firm. This is that SYSC 26.1.5R limits this chapter to the activities of its UK branch.
- 26.5.3 G (1) It is common for a branch to carry out only part of a transaction. For instance, a transaction may be booked in a branch but negotiated and arranged elsewhere or vice versa.
- 4.8.30
- (2) When allocating responsibility to an SMF manager for activities in relation to transactions under ~~SYSC 4.8.10R~~ SYSC 26.3 (Main rules), a firm should not exclude a transaction which is arranged, booked or negotiated in the branch merely because other elements of the transaction occur outside the United Kingdom.

26.6 **Meaning of local and overall responsibility: General**

UK firms

- 26.6.1 G The meaning in practice of overall responsibility for a function depends on whether that function is under the management of the firm's governing body or not.
- 26.6.2 G (1) Certain EU legislation requires the governing body of a firm to have ultimate responsibility for, and the prime and leading role in, managing the firm.
- (2) In particular this is the case under:
- (a) article 88 of the CRD (Governance arrangements);
- (b) article 9 of MiFID (management body); and

(c) article 40 of the *Solvency II Directive* (Responsibility of the administrative, management or supervisory body).

(3) This means that the *governing body* of a *UK SMCR firm* subject to these requirements will manage the conduct of the whole of the business of the *firm*. In turn that means that the parts of this chapter dealing with a function that is not managed by the *firm's governing body* will not be relevant to it.

26.6.3 G The *FCA* recognises that for some *UK SMCR firms* not subject to the requirements in *SYSC 26.6.2G*, some activities, business areas and functions of a *firm* may not be under the management of its *governing body*. This may be the case where, for example:

(1) the *firm* does not have a *governing body*; or

(2) the *firm's* shareholders play a key role in managing it through, for example, a *group management committee*.

Branches of non-UK firms

26.6.4 G (1) ~~*SYSC 4.8.10R(1)*~~ *SYSC 26.3.2R(1)* refers to the activities, business areas and management functions of the *branch* that are under the management of the *branch's governing body*. However, the *FCA* recognises that for some *branches*, some activities, business areas and functions of the ~~branches~~ *branches* may not be under the management of the *branch's governing body*. This may be the case where the *branch* does not have its own *governing body* or where it is organised in such a way that certain functions are under the management of a *person* or body outside the *branch's* management structure. In those circumstances, it would not be appropriate to require the *firm* to allocate overall responsibility for that matter to a *person* who is part of the management structure of the *branch*.

4.8.11(2)

(2) The requirements to allocate responsibility for activities, business areas and functions of a *branch* under ~~*SYSC 4.8.10R(1)*~~ and (2) ~~*SYSC 26.3.2R(1)*~~ and (2) respectively are intended to allow for the difference described in ~~(2)~~ (1). In particular:

(a) ~~*SYSC 4.8.10R(1)*~~ *SYSC 26.3.2R(1)* is intended to cater for the situation where a particular activity, business area or function of the *branch* is under the management of the *branch's governing body*. In that situation, the *firm* should allocate ~~overall~~ responsibility for that matter under ~~*SYSC 4.8.10R(1)*~~ *SYSC 26.3.2R(1)*; and

(b) ~~*SYSC 4.8.10R(2)*~~ *SYSC 26.3.2R(2)* is intended to cater for the situation where a particular activity, business area or function of the *branch* is not under the management of *branch's governing body*. In that situation, the *firm* should allocate responsibility for that matter under ~~*SYSC 4.8.10R(2)*~~ *SYSC*

26.3.2R(2).Further guidance

- 26.6.5 G SYSC 26.7 gives guidance on the effect of SYSC 26.3 (Main rules) when a function is under the governing body's management. SYSC 26.8 gives guidance on the effect of SYSC 26.3 when the function is not.

Day-to-day or ultimate control

- 26.6.6 G ~~SYSC 4.8.10R(4) states that a person who has responsibility for an activity, business area or management function under SYSC 4.8.10R(1) or (2) will have local responsibility for that matter.~~ Having overall or local responsibility under this chapter for a matter does not necessarily mean:

- (1) having ultimate authority over it; or
- (2) having day-to-day management control of that function.

- 26.6.7 G ~~Having overall responsibility for a matter does not mean having ultimate authority over it. The~~ In particular, the ultimate decision-making body of a ~~firm~~ many UK SMCR firms is ~~its~~ their governing body, acting collectively.

26.7 Meaning of local and overall responsibility: Reporting to the governing body

- 26.7.1 G This section gives guidance on what overall and local responsibility for a function means when the governing body manages the function in question under SYSC 26.3 (Main rules).

- 26.7.2 G When ~~SYSC 4.7~~ this chapter refers to a *person* having overall or local responsibility for a function as described in SYSC 26.7.1G, it means a *person* who has:

- (1) ultimate responsibility (under the *governing body* and the chief executive) for managing or supervising that function; and
- (2) primary and direct responsibility for:
 - (a) briefing and reporting to the *governing body* about that function; and
 - (b) putting matters for decision about that function to the *governing body*.

- 26.7.3 G In general, the *FCA* expects that a person to whom overall responsibility for a function is allocated ~~under SYSC 4.8.10R(1)~~ as described in SYSC 26.7.1G will be the most senior employee or officer responsible for managing or supervising that function under the management of the ~~branch's~~ *governing body*.

- 26.7.4
4.7.13
- G (1) A *person* with overall or local responsibility for a matter will either be a member of the *governing body* or will report directly to the *governing body* for that matter.
- (2) For example, a *firm* appoints A to be head of sales. A is not on the *governing body*. A reports to an executive director (B) and B reports to the *governing body* about the sales function. In this example B, rather than A, has overall responsibility for sales.
- 26.7.5
4.7.14
- G (1) A *person* who reports to another, or is subject to oversight by another, may still have overall or local responsibility for a function.
- (2) For example, a head of compliance may report direct to the *governing body* but be subject to performance appraisal by the ~~chief executive~~ *chief executive*. In this example, the head of compliance will still have overall responsibility for compliance.
- (3) If a *person* (A):
- (a) reports directly to the *firm's governing body* about a particular matter; but
 - (b) is not a member of the *governing body*; and
 - (c) reports to a member of the *governing body* (B) about that matter, who also reports to the *governing body* about that matter;
- B has overall or local responsibility for that matter.
- (4) If:
- (a) a *person* (A) reports directly to the *firm's governing body* about a particular matter;
 - (b) A also reports to another *person* (B) about that matter;
 - (c) neither A nor B is a member of the *governing body*; and
 - (d) B also reports directly to the *firm's governing body* about that matter;
- B has overall responsibility for that matter.
- (5) A member of the *governing body* who reports to the chief executive may still have overall or local responsibility for a function.
- (6) If:
- (a) a *person* (A) reports directly to the *firm's governing body* about a particular matter; and

- (b) A's function is subject to oversight by a *non-executive director* (B) or by a committee of the *firm's governing body* chaired by B;

A (not B) has overall or local responsibility for that matter.

- 26.7.6 G A *person* may have ~~overall~~ local responsibility for a function ~~under SYSC~~
4.8.18 ~~4.8.10R(1)~~ for a branch of a non-UK SMCR firm even though that *person*
also reports to a *person* outside the *branch*.

26.8 **Meaning of local and overall responsibility: Not reporting to the governing body**

Scope of this section

- 26.8.1 G ~~SYSC 4.8.10R(2)~~ This section relates to the allocation of overall or local
4.8.20(1) responsibility for any activities, business areas and functions of the ~~branch~~
firm which are not under the management of ~~the branch's~~ its governing body
(see SYSC 26.3 (Main rules)).

Branches: Responsibility held outside the management structure of branch

- 26.8.2 G A *person* having local responsibility for a function ~~under SYSC 4.8.10R(2)~~
4.8.20(3) for a branch does not need to be part of the management structure of the
branch in order to have local responsibility for the function.

Branches: Setting overall strategy for a branch

- 26.8.3 G (1) Generally, where a *non-UK SMCR firm* allocates responsibility
4.8.27 ~~under SYSC 4.8.10R~~ as described in SYSC 26.8.1G to one of the
firm's SMF managers who is not based in the *branch* the *FCA* would
expect:
- (a) that the responsibility would not be allocated to a manager
whose responsibilities for the *branch* are limited to setting
overall strategy for the *branch*; and
- (b) that, instead, the *firm* would allocate it to a manager who is
the most senior *person* responsible for implementing the
strategy for the *branch*.
- (2) See SUP 10C.1.5AG for more about how the difference between
strategic and implementing responsibilities affects the *FCA* senior
~~management managers~~ regime for approved persons in third-country
~~relevant authorised persons non-UK SMCR firms~~.
- 26.8.4 G (1) In some cases, a *person* who has local responsibility for a particular
4.8.26 function may be very senior within the *firm* as a whole.

- (2) For instance, in some *branches*, an individual with local responsibility for a function may also be the head of the *firm's* Europe and Middle East division for a business line and may be more senior within the *firm* as a whole than the *person* performing the *PRA's* Head of Overseas Branch *designated senior management function*.

UK firms

- 26.8.5 G Having overall responsibility for a function as described in SYSC 26.8.1G means being the most senior employee or officer responsible for managing or supervising that function.

26.9 **Who functions should be allocated to**

Seniority

- 26.9.1 G ~~However, the~~ The FCA expects that anyone who has overall or local
4.7.21(2) responsibility for a matter:

(1) will be sufficiently senior and credible; and

~~(a)~~

(2) will have sufficient resources and authority;

~~(b)~~

to be able to exercise ~~his~~ their management and oversight responsibilities effectively.

- 26.9.2 G (1) The *FCA* would not consider it unusual if a *person* who has overall
4.8.22 or local responsibility for a particular function was not a member of the ~~*branch's*~~ *firm's* *governing body* or equivalent.
- (2) For example, in some ~~*branches*~~ *firms*, the head of compliance may report directly to the ~~*branch's*~~ *firm's* *governing body* even though the head of compliance is not a member of the *governing body*.

- 26.9.3 G Other parts of this chapter dealing with seniority are:

(1) SYSC 26.7.3G (seniority of someone with overall responsibility for a function under the management of a *firm's* governing body);

(2) SYSC 26.8.3G (seniority of someone from elsewhere in the *firm* having local responsibility in a *branch*); and

(3) SYSC 26.8.5G (seniority of someone within a *UK SMCR firm* with overall responsibility for a function not under the management of a *firm's* governing body).

Not giving too much responsibility to one individual

- 26.9.4 G (1) It will be common for a small non-complex *firm* to divide overall or
 4.7.23(1) local responsibility for its activities under the management of its governing body between members of its *governing body* and not to assign overall or local responsibility for any activity to someone who is not a member.
- (2) However, when deciding how to divide up overall or local
 4.7.23(2) responsibility for its activities, a *firm* should avoid assigning such a wide range of responsibilities to a particular *person* so that the *person* is not able to carry out those responsibilities effectively.
- (3) Therefore, in a large or complex *firm*, the *FCA* expects overall or
 4.7.23(3) local responsibility for some functions to be assigned to *persons* in the layer of management below the *governing body*. Anyone in that layer having overall or local responsibility for an activity will be performing a *designated senior management function*.
- 26.9.5 G ~~Paragraph (2)~~ SYSC 26.9.4G(2) also applies to allocating responsibility for
 4.8.28(5) functions that are not under the management of the *firm's* or *branch's* *governing body*.

Dividing and sharing management functions between different people

- 26.9.6 G The following provisions of SYSC 24.3 (Who prescribed responsibilities should be allocated to) also apply to allocations under this chapter so far as those provisions deal sharing responsibilities:
- (1) SYSC 24.3.8G (responsibilities should generally not be shared);
- (2) SYSC 24.3.9G (when responsibilities may be shared); and
- (3) SYSC 24.3.11G (statements of responsibilities);
- 26.9.7 G (1) The material in SYSC 24.3 (Who prescribed responsibilities should be allocated to) about splitting of responsibilities is not directly relevant to this chapter. This is because SYSC 24 deals with functions that have been defined in the *Handbook* whereas this chapter does not define the areas into which a *firm's* activities should be divided when allocating responsibilities to its *SMF managers*.
- (2) However SYSC 24.3.10G (responsibilities should be grouped together appropriately) is also relevant for deciding whether responsibility for a particular set of matters should be allocated to one *SMF manager* or allocated between several.

26.10 Group management arrangements and outsourcing

- 26.10.1 G (1) ~~SYSC 4.7.8R (Allocation of overall responsibility for a firm's activities, business areas and management functions)~~ This chapter
4.7.31 requires overall or local responsibility for various aspects of a *firm's* affairs to be allocated to an *SMF manager*.
- (2) This requirement does not prevent a *firm* from relying on an employee of a company in the same group to perform the function.
- (3) A *firm* has two main choices about how to fit such arrangements into the senior ~~management managers~~ regime for ~~relevant authorised persons~~ SMCR firms.
- (a) The group employee is appointed by the ~~firm's~~ firm (usually by its governing body if it has one) to perform the function. This means that the *firm* will have entered into an arrangement with that *person*. As explained in SUP 10C.3.9G, an arrangement with the *firm* is one of the factors that makes the senior ~~management managers~~ regime for ~~relevant authorised persons~~ SMCR firms apply. The result is that the group official will be performing a *controlled function* and will need to be approved as an *SMF manager*.
- (b) The *firm* appoints someone (A) to oversee what the group employee does (so far as it concerns the *firm*) and ~~to take overall~~ allocates responsibility for the function to A, leaving day-to-day activities to the group employee. A will need to be approved as an *SMF manager*.
- 26.10.2 G SYSC 26.10.1G and ~~SYSC 4.7.33G~~ also ~~apply~~ applies to a *firm* that
4.7.34 outsources functions to a third party and is relying on an individual from the outsourced services provider to carry out the functions in those paragraphs.
- 26.10.3 G (1) ~~SYSC 4.7.8R (Allocation of overall responsibility for a firm's activities, business areas and management functions)~~ This chapter
4.7.32 does not cover responsibility for an aspect of a *firm's* PRA-authorised person's affairs managed by an individual approved to perform the Group Entity Senior Manager or the Group Entity Senior Insurance Manager PRA-designated senior management function (see SYSC 26.4.1R (Exclusions where other requirements apply)).
- (2) Where a responsibility is held by someone approved to perform ~~the Group Entity Senior Manager~~ one of those PRA-designated senior management function functions for the ~~firm~~ PRA-authorised person, there is no need to appoint that person under this chapter and apply the arrangements in SYSC 26.10.1G.
- (3) (a) The *statement of responsibilities* for the individual performing the ~~Group Entity Senior Manager~~ PRA-designated senior management function; and

- (b) the *firm's management responsibilities map*;
- should clearly show what responsibilities are held by that individual.

26.11 Link between this chapter and other parts of the senior managers regime

Link between ~~the~~ designated senior management ~~regime~~ functions and this ~~section~~ chapter

- 26.11.1 G (1) Having overall or local responsibility for an activity under ~~SYSC~~
4.7.36(1) ~~4.7.8R this chapter~~ requires approval as an *SMF manager*. This is because a *person* who has overall or local responsibility for an activity will be:
- (a) performing the *other overall responsibility function* or the other local responsibility function; or
- (b) approved to perform another *designated senior management function*.
- 4.7.36(2) (2) The *other overall responsibility function* applies because this is the effect of *SUP* 10C.7.1R (definition of *other overall responsibility function*).
- 4.7.36(3) (3) *SUP* 10C.7.1R says that the *other overall responsibility function* does not apply to a person who is approved to perform another *designated senior management function*.
- 4.8.33(2) (4) The other local responsibility function applies because this is the effect of *SUP* 10C.8.1R (Definition of the other local responsibility function (SMF22)).
- 4.8.34 (5) *SUP* 10C.8.1R(2) says that the *other local responsibility function* does not apply to a *person* who is approved to perform another *designated senior management function* in relation to the *branch*.

Link between SYSC 25 Annex 1G and this ~~section~~ chapter

- 26.11.2 G (1) The purpose of SYSC 25 Annex 1G (~~The main~~ Examples of the
4.7.37 ~~business activities and functions of a relevant authorised person an~~ SMCR firm) is to help a *firm* to prepare its *management responsibilities map* (see SYSC 25.7.2G).
- (2) There is no direct link between SYSC 25 Annex 1G and this ~~section~~ chapter.
- (3) However, a *firm* may find SYSC 25 Annex 1G useful as a ~~checklist~~ prompt to help it make sure that it has not failed to allocate overall or local responsibility under ~~SYSC 4.7.8R this chapter~~ for a particular

activity of the *firm*.

- (4) If a *firm* uses SYSC 25 Annex 1G to ~~help it check whether it has allocated~~ as a prompt when it allocates overall or local responsibility as described in (3), it should bear in mind that it is not comprehensive (see SYSC 25.7.8G).

- 26.11.3 G ~~SYSC 4.7.26G (a *firm* should normally allocate responsibility for particular areas to a single *SMF manager*) does not mean that the~~ The FCA expects
4.7.38 does not require there to be a separate *person* with overall responsibility for each individual business area in SYSC 25 Annex 1G (~~The main~~ Examples of the business activities and functions of ~~a relevant authorised person~~ an SMCR firm).

27 Senior managers and certification regime: Certification regime

27.1 Application and purpose

Application

- 27.1.1 R This ~~section~~ chapter applies to ~~a relevant authorised person~~ an SMCR firm.
5.2.1
- 27.1.2 G This ~~section~~ chapter is also relevant to *employees* of ~~relevant authorised persons~~ SMCR firms performing functions specified as *FCA-specified significant-harm functions*.
5.2.2

Exclusions

- 27.1.3 R This chapter does not apply to a *firm* that meets the following conditions:
- (1) it is an *internally managed AIF*;
 - (2) it is a *body corporate*; and
 - (3) it is not a *collective investment scheme*.

Purpose

- 27.1.4 G (1) This ~~section~~ chapter is about the FCA's certification regime.
5.2.3
- (2) Under this regime, a *firm* should ensure that its employees only perform an *FCA-specified significant-harm function* if they have a certificate issued by that *firm* to perform that function.
- (3) The purpose of this ~~section~~ chapter is to specify '*FCA-specified significant-harm functions*' and to give *guidance* on the FCA's certification regime.

27.2 Requirements of the certification regime

General

27.2.1 G Most of the requirements of the certification regime are in the Act. This section summarises and gives guidance on them.

27.2.2 G (1) [The requirement in SYSC 5.2.4G comes into force on 7 March 2017.]

5.2.5

(2) [SYSC TP 5 explains how the certification regime applies before then.]

[Editor's note: This provision will be reviewed in a second Consultation Paper]

~~General~~ Basic requirements

27.2.3 G Under section 63E(1) of the Act, a *firm* must take reasonable care to ensure that no *employee* of the *firm* performs an *FCA-specified significant-harm function* under an arrangement entered into by the *firm* in relation to the carrying on by that *firm* of a *regulated activity*, unless the *employee* has a valid certificate issued by that *firm* to perform the function to which certificate relates.

5.2.4

Fitness to act

27.2.4 G Under section 63F of the Act, a *firm* may issue a certificate to a *person* only if the *firm* is satisfied that the *person* is a fit and proper *person* to perform the *FCA-specified significant-harm function* to which the certificate relates.

5.2.6

27.2.5 G Under section 63F of the Act, in assessing if a *person* is fit and proper to perform an *FCA-specified significant-harm function*, a *firm* must have regard, in particular, to whether that person:

5.2.7

- (1) has obtained a qualification;
- (2) has undergone, or is undergoing, training;
- (3) possesses a level of competence; or
- (4) has the personal characteristics,

required by general *rules* made by the *FCA*.

27.2.6 G *FIT 1.3* provides guidance to *firms* about the criteria that the *FCA* would expect the *firm* to consider in assessing if a *person* is fit and proper to perform an *FCA-specified significant-harm function*.

5.2.8

- 27.2.7 G SYSC 22 (Regulatory references) deals with obtaining references from a
5.2.9 previous *employer* when a *firm* is planning to appoint someone to perform a
specified significant-harm function as part of its assessment of whether that
person is fit and proper.
- 27.2.8 G (1) A *person* seconded from a contractor may fall into the certification
5.2.10 regime. The material in SYSC 27.4.1G is relevant to when this is the
case.
- (2) In deciding if a *person* seconded from a contractor is fit and proper,
the *firm* may take into account information and references from the
contractor.
- (3) In deciding how much reliance to put on the contractor, the *firm*
should take into account:
- (a) the familiarity of the contractor with the obligations of *firms*
under ~~SYSC 27~~ this chapter, the corresponding *PRA*
requirements and the requirements of the *Act* described in
this ~~section~~ chapter;
- (b) whether any reference directly addresses the criteria in *FIT*;
and
- (c) the degree to which the *firm* believes it can rely on the
contractor's judgement about the secondees' fitness and
properness and the grounds for that belief.

Issuing and renewing certificates

- 27.2.9 G Under section 63F of the *Act*, a certificate issued by a *firm* to a *person* must:
5.2.11
- (1) state that the *firm* is satisfied that the *person* is fit and proper to
perform the function to which the certificate relates; and
- (2) set out the aspects of the affairs of the *firm* in which the *person* will
be involved in performing the function.
- 27.2.10 G (1) The *Act* says that a certificate is valid for a period of 12 months,
5.2.12 beginning with the day on which it is issued.
- (2) The *FCA* believes that the *Act* allows a *firm* to draft a certificate to
expire after fewer than 12 months. The *FCA* interprets the *Act* in this
way because to require a *firm* to make a certificate last longer than
the *firm* thinks best is likely to make it harder for the *firm* to ensure
the fitness of its *certification employees*. That would undermine the
purpose of the certification regime in the *Act*.
- (3) A certificate cannot be drafted to last more than 12 months.

- 27.2.11 G Under section 63F of the *Act*, if, after having considered if a *person* is fit and
5.2.13 proper to perform an *FCA-specified significant-harm function*, a *firm* decides not to issue a certificate to that *person*, the *firm* must give the *person* a notice in writing stating:
- (1) what steps (if any) the *firm* proposes to take in relation to the *person* as a result of the decision; and
 - (2) the reasons for proposing to take those steps.
- 27.2.12 G If, after having considered whether a *person* is fit and proper to perform an
5.2.14 *FCA-specified significant-harm function*, a *firm* decides not to issue a certificate to that *person*, it should consider if the circumstances warrant making a notification to the *FCA* for a breach of the *rules* in *COCON* pursuant to *SUP* 15.3.11R (Breaches of rules and other requirements in or under the *Act* or the *CCA*).
- 27.2.13 G Under section 63F of the *Act*, a *firm* must maintain a record of every
5.2.15 *employee* who has a valid certificate issued by it.
- 27.2.14 G (1) ~~The *FCA*'s approach to specifying *FCA-specified significant harm*~~
5.2.16(1) ~~*functions* has the effect that several elements of a *person*'s job may involve an *FCA-specified significant-harm function* or that a *person* may~~ A *firm* need not issue multiple certificates for one of its *employees* even if they perform several *FCA-specified significant-harm functions* as part of the same job.
- (2) Similarly, a *firm* need not issue multiple certificates for one of its *employees* who performs an *FCA-specified significant-harm function* that is made up of a number of different functions.
 - (3) An example of an *FCA-specified significant-harm function* in (2) is the material risk taker *FCA-specified significant-harm function* described in *SYSC* 27.7.15R. *SYSC* 27.7.15R says that each function carried out by someone who is covered by that *rule* is an *FCA-specified significant-harm function*.
 - (4) ~~However, this does not mean that the *FCA* expects a *firm* to issue multiple certificates to each *certification employee*. Rather than having to issue multiple certificates, ~~in a certificate~~, a *firm* may, in a certificate, describe the *employee*'s functions that involve an *FCA-specified significant-harm function* in broad terms, and without listing all the activities that the function may involve.~~
5.2.16(2)
 - (5) A *firm* should assess whether the *employee* is fit and proper to perform all aspects of the *employee*'s functions that involve an *FCA-specified significant-harm function* as described by a certificate.
5.2.16(3)
- 27.2.15 G (1) In cases where a *certification employee*'s role changes to involve a
5.2.17(1) new ~~function involving an *FCA-specified significant-harm function*~~

part way through the ~~twelve~~ 12-month period for which their certificate is valid, ~~and that new function has may have different requirements relating to:~~ the firm may need to reissue the certificate.

(2) If that new function has different requirements relating to:

- (a) personal characteristics;
- (b) the level of competence, knowledge and experience;
- (c) qualifications; or
- (d) training;

the *FCA* would expect the *firm* to assess whether the *employee* is fit and proper to perform that new function before they start it.

5.2.17(2) (3) ~~A~~ In such a case, the *firm* should not wait until the point of annual reassessment to determine whether the *employee* is fit and proper for the new function.

5.2.17(3) (4) ~~Paragraphs (1) and (2) also apply if a *certification employee's* role changes to involve a new *FCA-specified significant-harm function* part way through the twelve month period. A *firm* may not need to issue a new certificate if:~~

- (a) applying the conditions in paragraph (1) are met (2), the *firm* concludes that no re-assessment is required; and
- (b) the certificate is drafted broadly enough to cover the new *FCA-specified significant-harm function*.

(5) Paragraphs (1) to (4) also apply if a *certification employee's* role changes part way through the 12-month period without the new role involving a new *FCA-specified significant-harm function*.

27.2.16 G (1) This paragraph gives further *guidance* on the flexibility a *firm* has in
5.2.17A drafting its certificates.

(2) A certificate may cover functions that a *certification employee* is not currently performing, as long as the *firm* has assessed the *employee's* fitness for these additional functions. This is subject to (3).

(3) When a *firm* is deciding what a certificate can cover beyond the functions that the *certification employee* is currently performing, it should take the factors in ~~SYSC 5.2.17G(1)~~ SYSC 27.2.15G(2) into account. A certificate should not normally cover an additional function if ~~SYSC 5.2.17G(1)~~ SYSC 27.2.15G(2) would require the *firm* to consider the *employee's* fitness before allowing them to perform it.

- (4) A *firm* may, if it wishes, restrict a certificate to the functions that the *certification employee* is currently performing rather than drafting the certificate more widely as described in (2) and (3).
- (5) SYSC 27.2.10G deals with the flexibility a *firm* has in choosing the period for which a certificate lasts.

27.3 **Territorial scope**

Scope: territorial scope

- 27.3.1
5.2.19
- R (1) A function is an *FCA-specified significant-harm function* for a ~~UK relevant authorised person~~ UK SMCR firm only to the extent:
- (a) it is performed by a *person* from an establishment of the *firm* (or its *appointed representative*) in the *United Kingdom*; or
 - (b) the *person* performing that function is dealing with a *client* of the *firm* in the *United Kingdom* from an establishment of the *firm* (or its *appointed representative*) overseas.
- (2) A function is an *FCA-specified significant-harm function* for a *non-UK relevant authorised person* SMCR firm, only to the extent that it is performed by a *person* from an establishment of the *firm* (or its *appointed representative*) in the *United Kingdom*.
- (3) Paragraph (1) does not apply to *FCA-specified significant-harm function* (7) (material risk takers). For a ~~UK relevant authorised person~~ SMCR firm, *FCA-specified significant-harm function* (7) applies without any territorial limitation.
- 27.3.2
5.2.20
- G The *FCA* interprets the phrase ‘dealing with’ in SYSC 27.3.1R as including having contact with *clients* and extending beyond ‘dealing’ as used in the phrase ‘dealing in investments’. ‘Dealing in’ is used in Schedule 2 to the *Act* to describe in general terms the *regulated activities* which are specified in Part II of the *Regulated Activities Order*.
- 27.3.3
5.2.20A
- G The *FCA* interprets the phrase ‘a *client* of the *firm* in the *United Kingdom*’ in SYSC 27.3.1R as referring to:
- (1) for a *client* which is a body corporate, its office or *branch* in the *United Kingdom*; or
 - (2) for a *client* who is an individual, a *client* who is in the *United Kingdom* at the time of the dealing.

27.4 General material about the scope of the certification regime

~~Scope: employees~~ Employees

27.4.1 G (1) The certification regime only applies to an *employee*.

~~5.2.21~~

(2) This definition includes a *person* who:

- (a) personally provides, or is under an obligation personally to provide, services to the *firm* in question under an arrangement made between the *firm* and the *person* providing the services or another *person*; and
- (b) is subject to (or to the right of) supervision, direction or control by the *firm* as to the manner in which those services are provided.

27.4.2 G (1) A *person* who works for an *appointed representative* of a *firm* may fall into the certification regime. In practice, however, they may not meet the conditions for the certification regime to apply.

~~5.2.22~~

(2) One condition for the certification regime to apply to a *person* is that the *person* performs a *specified significant-harm function* under an arrangement entered into by the *firm* (see SYSC 27.2.3G). However, unlike the equivalent parts of the *Act* for the *approved persons* regime, the *Act* does not say that the certification regime applies if the function is performed under an arrangement entered into by the employee with a contractor of the *firm* instead of the *firm*.

(3) The certification regime only applies if the *person* concerned is an *employee*. This is defined in SYSC 27.4.1G. In many cases, a *person* working for an *appointed representative* will not fall into this definition as they may not:

- (a) provide services to the *firm*; or
- (b) be subject to (or to the right of) supervision, direction or control by the *firm*.

(4) If none of these limitations on the scope of the certification regime apply, a *person* working for an *appointed representative* will be subject to the certification regime, as long as the other conditions in this ~~section~~ chapter are met.

[*Editor's note*: This provision will be reviewed in a second Consultation Paper]

~~Scope: effect~~ Effect of PRA requirements

27.4.3 G A *specified significant-harm function* does not cease to be an *FCA-specified*

~~5.2.23~~ *significant-harm function* if the *PRA* also specifies that function as a *specified significant-harm function*.

~~Scope: exclusions~~ Exclusions

27.4.4 G Under section 63E(7) of the *Act*, ~~SYSC 27~~ this chapter does not apply to an arrangement which allows an *employee* to perform a function if the question of whether the *employee* is fit and proper to perform the function is reserved under any of the *Single Market Directives* or the *auction regulation* to an authority in a country or territory outside the *United Kingdom*.

27.4.5 R This ~~section~~ chapter does not apply to a function performed by a *person* acting as:

~~5.2.25~~

- (1) an insolvency practitioner under section 388 of the Insolvency Act 1986;
- (2) a nominee in relation to a voluntary arrangement under Part I (Company Voluntary Arrangements) of the Insolvency Act 1986;
- (3) an insolvency practitioner under article 3 of the Insolvency (Northern Ireland) Order 1989; or
- (4) a nominee in relation to a voluntary arrangement under Part II (Company Voluntary Arrangements) of the Insolvency (Northern Ireland) Order 1989.

27.4.6 R A function performed by a *non-executive director* of a *firm* acting as such is not an *FCA-specified significant-harm function* for that *firm*.

27.4.7 G (1) An individual *sole trader* will not themselves be a *certification employee*.

(2) However members of a *sole trader's* staff may be.

(3) Therefore the certification regime does not apply to a *sole trader* with no *employees*.

27.5 Exclusions for emergency and temporary appointments

~~Scope: emergency~~ Emergency appointments

27.5.1 R (1) If:

~~5.2.27~~

- (a) a *firm* appoints an individual to perform a function which, but for this *rule*, would be an *FCA-specified significant-harm function*;

- (b) the appointment is to provide cover for a *certification employee* whose absence is reasonably unforeseen; and
- (c) the appointment is for less than four weeks;

then the performance by that individual of such function does not constitute an *FCA-specified significant-harm function*.

- (2) This *rule* does not apply to *FCA-specified significant-harm function* (5) (functions requiring qualifications).

27.5.2 G SYSC 27.5.1R does not apply to *FCA-specified significant-harm function* (5)
5.2.28 (functions requiring qualifications). Where there is an unforeseen absence of an *employee* performing a function for which there is a qualification requirement:

- (1) the *firm* should take reasonable care to ensure that no *employee* of that *firm* performs that function without a valid certificate; and
- (2) the certificate should be issued before the *person* starts to perform the function.

~~Scope: temporary~~ Temporary UK role (the 30-day rule)

- 27.5.3 R (1) None of the *FCA-specified significant-harm functions* extend to an
5.2.28A individual (“P”) in relation to a *firm* if:
- (a) P is based outside the *United Kingdom* for the *firm*; and
 - (b) in a 12-month period, P spends no more than 30 days performing what would otherwise be an *FCA-specified significant-harm function* for that *firm* within the territorial scope of this ~~section~~ chapter as described in SYSC 27.3.1R.
- (2) Paragraph (1) only applies to the extent that P is appropriately supervised by:
- (a) one of the *firm’s SMF managers*; or
 - (b) one of the *firm’s certification employees* whose certificate covers the *FCA-specified significant-harm function* that is to be disapplied under (1).
- (3) This *rule* does not apply to any *FCA-specified significant-harm function* to the extent that it involves:
- (a) giving advice or performing related activities in connection with *pension transfers*, *pension conversions* or *pension opt-outs* for *retail clients*; or
 - (b) giving advice to a *person* to become, or continue or cease to

be, a member of a particular Lloyd's syndicate.

- (4) In the case of a *UK ~~relevant authorised person~~ SMCR firm*, this rule does not apply to *FCA-specified significant-harm function* (7) (material risk takers).

27.5.4 G SYSC 27 Annex 1G gives examples of how SYSC 27.5.3R works.

~~5.2.28B~~

27.5.5 G The *FCA* would expect an individual from overseas using the temporary *UK role rule* in SYSC 27.5.3R to be accompanied on a visit to a *customer* in the *United Kingdom*.

~~5.2.28C(4)~~

27.5.6 G An individual benefiting from the temporary *UK role rule* in SYSC 27.5.3R may still be subject to the requirements of *TC* (Training and competence). However, *TC* 2.1.9R gives an exemption from certain qualification requirements in *TC* to an individual benefiting from the temporary *UK role rule*.

~~5.2.28C(2)~~

27.6 **Specification of functions**

~~Scope: general~~ General requirements

27.6.1 R In accordance with section 63E of the *Act* (Certification of employees by ~~relevant~~ authorised persons), a function is an *FCA-specified significant-harm function* only if, in relation to the carrying on of a *regulated activity* by a *firm*, that function:

~~5.2.18~~

- (1) is not a *controlled function* in relation to the carrying on of that *regulated activity* by that *firm*; and
- (2) will require the *person* performing it to be involved in one or more aspects of the *firm's* affairs, so far as relating to that *regulated activity*.

~~Scope: FCA-specified significant-harm functions~~

27.6.2 R In accordance with section 63E(3) of the *Act*, the functions in the table in SYSC 27.6.3R are *FCA-specified significant-harm functions*.

~~5.2.29~~

27.6.3 R Table: FCA-specified significant-harm functions

~~5.2.30~~

Function	Where defined
(1) CASS oversight	SYSC 27.7.1R

(2) Benchmark submission and administration	SYSC 27.7.3R
(3) Proprietary trader	SYSC 27.7.4R
(4) Significant management	SYSC 27.7.5R
(5) Functions requiring qualifications	SYSC 27.7.11R
(6) Managers of certification employees	SYSC 27.7.13R
(7) Material risk takers	SYSC 27.7.14R
(8) Client-dealing	SYSC 27.7.18R
(9) Algorithmic trading	SYSC 27.7.23R

- 27.6.4 G (1) If a function falls into more than one of the *FCA-specified significant-harm functions* in the table in SYSC 27.6.3R, all of those *FCA-specified significant-harm functions* apply to it.
- 5.2.31 (2) For example, if a *person's* job involves both *FCA-specified significant-harm function* (5) (functions requiring qualifications) and (7) (material risk takers), the emergency appointments *rule* (SYSC 27.5.1R) does not apply to that job.
- (3) Another example is the *rule* about the territorial scope of this section (SYSC 27.3.1R) for a *UK relevant authorised person SMCR firm*. For example, if a *person's* job involves both *FCA-specified significant-harm function* (5) (functions requiring qualifications) and (7) (material risk takers), the territorial restriction in that *rule* does not apply to that job. Instead, this ~~section~~ chapter applies without any territorial limitation.
- (4) The reason for (3) is that ~~SYSC 5.2.19R(3))~~ SYSC 27.3.1R(3) says that there is no territorial limitation on *FCA-specified significant-harm function* (7) for a *UK relevant authorised person SMCR firm*. As explained in (1), it does not matter that the job also involves *FCA-specified significant-harm function* (5), to which the territorial limitation does apply.

27.7 Definitions of the FCA-specified significant-harm functions

CASS oversight function

27.7.1 R (1) Each of the following is an *FCA-specified significant-harm function*:
~~5.2.32~~

- (a) in relation to a *CASS medium firm* and a *CASS large firm* (other than a *CASS large debt management firm*), the function of acting in the capacity of a *person* who is allocated the function in *CASS 1A.3.1AR* (oversight of operational effectiveness);
- (b) in relation to a *CASS large debt management firm*, the function of acting in the capacity of a *person* who is allocated the function in *CASS 11.3.4R* (oversight of operational effectiveness);
- (c) in relation to a *CASS small firm*, the function of acting in the capacity of a *person* who is allocated the function in *CASS 1A.3.1R* (oversight of operational effectiveness).

- (2) A function in (1) is not an *FCA-specified significant-harm function* for that *firm* if it is performed by an *SMF manager* of that *firm*.

27.7.2 G ~~SYSC 5.2.32R(1)~~ SYSC 27.7.1R(1) only applies to a *firm* to the extent that
~~5.2.32A~~ CASS applies to that *firm*.

Benchmark submission and administration function

27.7.3 R Each of the following is an *FCA-specified significant-harm function*:
~~5.2.33~~

- (1) acting in the capacity of a *person* who is allocated the function in *MAR 8.2.3R(1)* (benchmark manager); and
- (2) acting in the capacity of a *person* who is allocated the function in *MAR 8.3.5R(1)* (benchmark administration manager).

Proprietary trader function

27.7.4 R The function of acting as a *proprietary trader* whose activity involves, or
~~5.2.34~~ might involve, a risk of significant harm to the *firm* or any of its *customers* is an *FCA-specified significant-harm function*.

Significant management function

- 27.7.5 R (1) The function of acting as a *senior manager*, with significant
~~5.2.35~~ responsibility for a significant business unit, is an *FCA-specified significant-harm function*.
- (2) For a ~~non-UK relevant authorised person's~~ SMCR firm's branch in the *United Kingdom*, the significant management function is limited to business units of the *branch*.

- 27.7.6
5.2.36 G A *senior manager* carrying on the significant management *FCA-specified significant-harm function* under SYSC 27.7.5R could, for example, be:
- (1) the head of a unit carrying on the activities of:
 - (a) retail banking;
 - (b) personal lending;
 - (c) corporate lending;
 - (d) salvage or loan recovery; ~~or~~
 - (e) *proprietary trading*; ~~or~~
 - (f) designated investment business;
 - (g) effecting contracts of insurance;
 - (h) credit-related regulated activity;
 - (i) making material decisions on the commitment of the firm's financial resources, its financial commitments, its assets acquisitions, its liability management or its overall cash and capital planning;
 - (j) processing confirmations, payments, settlements, insurance claims, client money and similar matters;
 - (k) administration of contracts of insurance;
 - (l) complaints handling; or
 - (m) determining whether an applicant should be accepted for credit (including lending) and on what terms; or
 - (2) a member of a committee (that is, a *person* who, together with others, has authority to commit the *firm*) making decisions in these functions.
- 27.7.7
5.2.37 G The examples in SYSC 27.7.6G are illustrative only. They are not intended to be exhaustive.
- 27.7.8 G A business unit is not limited to one that carries on commercial activities with customers and third parties or that earns revenue. A business unit can be an internal support department that has no contact with people outside the firm. It may include, for example, human resources, operations or information technology.
- 27.7.9
5.2.37 G For the purposes of the definition of the significant management *FCA-specified significant-harm function*, the following additional factors about

the *firm* should be considered:

- (1) the size and significance of the *firm's* business in the *United Kingdom* – for example, a *firm* carrying on *designated investment business* may have a large number of *certification employees* (for example, in excess of 100 individuals);
- (2) the number of *regulated activities* carried on, or proposed to be carried on, by the *firm* and (if relevant) other members of the *group*;
- (3) its *group* structure (if it is a member of a *group*);
- (4) its management structure (for example, matrix management); and
- (5) the size and significance of its international operations, if any.

27.7.10 5.2.38 G When considering whether a business unit is significant for the purposes of SYSC 27.7.5R, the *firm* should take into account all relevant factors in the light of the *firm's* current circumstances and its plans for the future, including:

- (1) the risk profile of the unit;
- (2) its use or commitment of the *firm's* capital;
- (3) its contribution to the profit and loss account;
- (4) the number of *employees, certification employees* or *SMF managers* in the unit;
- (5) the number of *customers* of the unit; and
- (6) any other factor which makes the unit significant to the conduct of the *firm's* affairs so far as relating to the *regulated activity*.

Functions requiring qualifications

- 27.7.11 5.2.39 R
- (1) Each function involving an activity for which there is a qualification requirement as specified in TC App 1.1.1R (Activities and Products/Sectors to which TC applies) is an *FCA-specified significant-harm function*.
 - (2) For a *non-UK ~~relevant authorised person~~ SMCR firm*, each function involving an activity for which there would have been a qualification requirement, as specified in (1) if the *firm* had been a *UK ~~relevant authorised person~~ SMCR firm*, is an *FCA-specified significant-harm function*.
- 27.7.12 5.2.40 G
- (1) SYSC 27.7.11R (Functions requiring qualifications) does not apply to a *UK ~~relevant authorised person~~ SMCR firm* where TC does not apply.

- (2) ~~SYSC 27.7.11R (Functions requiring qualifications)~~ applies to a *non-UK relevant authorised person SMCR firm* irrespective of whether the function in TC App 1.1.1R (Activities and Products/Sectors to which TC applies) applies to *incoming EEA firms* or *overseas firms* for the purposes of TC.
- (3) The extended territorial scope of qualification requirements as specified in TC App 2.1.1R (Territorial Scope subject to the limitation in TC Appendix 3) does not apply in full to the FCA-specified significant-harm function in SYSC 27.7.11R because SYSC 27.3.1R (Territorial scope) restricts the scope of this chapter outside the United Kingdom.

Managers of certification employees

- 27.7.13 R (1) The function of managing or supervising a *certification employee*,
5.2.41 directly or indirectly, is an *FCA-specified significant-harm function*.
- (2) A function in (1) is not an *FCA-specified significant-harm function* for that *firm* if it is performed by an *SMF manager* of that *firm*.

Material risk takers

- 27.7.14 R Each function performed by a *person* in column (2) of the table in SYSC 27.7.15R is an *FCA-specified significant-harm function* with respect to a *firm* in the corresponding entry in column (1).
- 27.7.15 R Table: Definition of material risk taker

<u>Type of SMCR firm</u>	<u>Employees included</u>
<u>(1) A UK SMCR dual regulated banking sector firm</u> <u>A third-country SMCR dual regulated banking sector firm</u>	<u>Each member of the dual-regulated firms Remuneration Code staff of the firm in column (1).</u> <u>This includes any person who meets any of the criteria set out in articles 3 to 5 of Commission Delegated Regulation (EU) No 604/2014 (criteria to identify categories of staff whose professional activities have a material impact on an institution's risk profile)).</u>
<u>(2) An EEA SMCR dual regulated banking sector firm</u> <u>For these purposes sub-paragraphs (i) and (ii) in SYSC 19D.1.1R(1)(d) (application of the dual-regulated firms</u>	<u>In relation to a firm in column (1), the definition of dual-regulated firms Remuneration Code staff is extended so that it includes employees of this kind of firm in the same way as it includes employees of a third-country SMCR</u>

<u>(3) A firm falling within SYSC 19A.1 (application provisions for the remuneration code for IFPRU investment firms)</u>	<u>Each member of the Remuneration Code staff of the firm in column (1).</u>
<u>(4) A firm that would fall within SYSC 19A.1 if it applied to an incoming EEA firm</u> <u>For these purposes sub-paragraphs (i) and (ii) in SYSC 19A.1.1R(1)(d) (application of the Remuneration Code) do not apply.</u>	<u>In relation to a firm in column (1), the definition of Remuneration Code staff is extended so that it includes employees of this kind of firm in the same way as it includes employees of an overseas firm in row (3) of this table.</u>
<u>(5) A firm falling within SYSC 19B.1 (application provisions for the remuneration code for a full-scope UK AIFM)</u>	<u>Each member of the AIFM Remuneration Code staff of the firm in column (1).</u>
<u>(6) An above-threshold non-EEA AIFM or an incoming EEA AIFM</u>	<u>In relation to a firm in column (1), the definition of AIFM Remuneration Code staff is extended so that it includes employees of this kind of firm in the same way as it includes employees of firms in row (5) of this table.</u>
<u>(7) A firm falling within SYSC 19C.1 (application provisions for remuneration code for BIPRU firms)</u>	<u>Each member of the BIPRU Remuneration Code staff of the firm in column (1).</u>
<u>(8) A firm that would fall within SYSC 19C.1 if it applied to an incoming EEA firm or an incoming Treaty firm</u>	<u>In relation to a firm in column (1), the definition of BIPRU Remuneration Code staff is extended so that it includes employees of this kind of firm in the same way as it includes employees of a third country BIPRU firm in column (1) of row (7) of this table.</u>
<u>(9) A firm falling within SYSC 19E.1 (application provisions for remuneration code for UCITS management companies)</u>	<u>Each member of the UCITS Remuneration Code staff of the firm in column (1).</u>
<u>(10) An EEA UCITS management</u>	<u>In relation to a firm in column (1), the definition of UCITS Remuneration</u>

<u>company</u>	<u>Code staff</u> is extended so that it includes <i>employees</i> of this kind of <i>firm</i> in the same way as it includes <i>employees</i> of <i>firms</i> in row (9) of this table.
<u>(11) A Solvency II firm</u>	<u>Persons</u> referred to in articles 275.1(c) and (d) of <i>Solvency II Regulation</i> 2015/35 (key functions and staff with a <u>material impact</u>).

27.7.16 G If the definitions or requirements in column (2) of the table in SYSC 27.7.15R (as adjusted) do not apply to a *firm* in the corresponding entry in column (1), that row of the table does not apply to the *firm*.

27.7.17 G One result of SYSC 27.7.16G is that a *credit union* is excluded from the table in SYSC 27.7.15R. Therefore the material risk taker *FCA-specified significant-harm function* does not apply to a *credit union*. However, it is subject to equivalent *PRA* requirements.

Client-dealing function

27.7.18 R A person (“P”) performs the client-dealing *FCA-specified significant-harm function* for a *firm* if:
5.2.44

- (1) P is carrying out any of the activities in the table in SYSC 27.7.19R; and
- (2) those activities will involve P dealing with:
 - (a) a *person* with or for whom those activities are carried out; or
 - (b) the property of any such *person*;

in a manner substantially connected with the carrying on of *regulated activities* by the *firm*.

27.7.19 R Table: Activities covered by the client-dealing *FCA-specified significant-harm function*
5.2.45

Activity	Comments
(1) The following activities: (a) <i>advising on investments</i> other than a <i>non-investment insurance contract</i> ; or	(a) does not include <i>advising on investments</i> in the course of carrying on the activity of giving <i>basic advice</i> on a <i>stakeholder product</i> .

(b) performing other functions related to this, such as <i>dealing</i> and <i>arranging</i> .	
(2) The following activities: (a) giving advice in connection with <i>corporate finance business</i> ; or (b) performing other functions related to this.	
(3) If the <i>firm</i> does any of the following activities: (a) <i>dealing</i> , as principal or as agent; or (b) <i>arranging (bringing about) deals in investments</i> ; taking part in those activities is included.	(a) and (b) do not include <i>dealing</i> or <i>arranging (bringing about) deals in investments</i> in a <i>non-investment insurance contract</i> . For the activity in this row (3), SYSC 5.2.44R(2)(a) and (b) <u>SYSC 27.7.18R(2)(a) and (b)</u> are expanded to cover also: (a) a <i>person</i> in connection with whom the activities in the first column of this row are carried out; and (b) the property of any such <i>person</i> .
(4) If the <i>firm</i> is acting in the capacity of an <i>investment manager</i> the following are included: (a) taking part in that activity; and (b) carrying on functions connected to this.	
(5) Acting as a ‘bidder’s representative’ in relation to <i>bidding in emissions auctions</i> .	Acting as a ‘bidder’s representative’ has the meaning in sub-paragraph 3 of article 6(3) of the <i>auction regulation</i> .

27.7.20 G SYSC 27.3.2G (the *FCA* interprets the phrase ‘dealing with’ as including
5.2.46 having contact with and extending beyond ‘dealing’ as used in ‘dealing in investments’) applies to SYSC 27.7.18R.

- 27.7.21 G The client-dealing *FCA-specified significant-harm function* generally
5.2.47 involves dealing with any *person* with or for whom the activities in the table in SYSC 27.7.19R are carried out (or their property). That *person* need not be a *client* of the *firm*.
- 27.7.22 G The restrictions in SYSC 27.6.1R (*FCA-specified significant-harm function*
5.2.48 should require the *person* performing it to be involved in one or more aspects of the *firm's* affairs so far as they relate to *regulated activities*) also applies to the client-dealing *FCA-specified significant-harm function*.

Algorithmic trading function

- 27.7.23 R (1) Each of the following is an *FCA-specified significant-harm function*:
5.2.49
- (a) approving the deployment of:
 - (i) a trading algorithm or a part of one; or
 - (ii) an amendment to a trading algorithm or a part of one; or
 - (iii) a combination of trading algorithms; and
 - (b) each of the following functions:
 - (i) having significant responsibility for the management of monitoring whether or not a trading algorithm; and
 - (ii) deciding whether or not a trading algorithm;
 is, or remains, compliant with the *firm's* obligations.
- (2) The *firm's* obligations in (1)(b) include:
- (a) the *firm's* regulatory obligations; and
 - (b) the rules and requirements of the *trading venues* to which the *firm's* trading systems are connected.
- 27.7.24 R (1) A trading algorithm means a computer algorithm used in ~~algorithmic~~
5.2.50 ~~trading~~ algorithmic trading.
- (2) ~~Algorithmic trading has the meaning in Directive 2014/65/EU of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments.~~
- 27.7.25 G ~~Algorithmic trading~~ Algorithmic trading is not limited to high-frequency
5.2.51 algorithmic trading.

- 27.7.26 G Deploying a trading algorithm includes deploying one on a *trading venue* on
5.2.52 which the *firm* has not traded before where the *firm* is already using that trading algorithm on another *trading venue*.
- 27.7.27 G ~~SYSC 5.2.49R(1)(b)~~ SYSC 27.7.23R(1)(b) (monitoring or deciding whether
5.2.53 or not a trading algorithm is compliant) includes testing, such as validation and stress testing.
- 27.7.28 G (1) Sometimes an approval or a decision involves sign-off from different
5.2.54 people about different aspects of the decision or approval.
- (2) If this is the case, all will have given the approval or decision for the purposes of SYSC 27.7.23R.
- 27.2.29 G (1) Sometimes an approval or decision involves sign-off by a number of
5.2.55 people of different levels of seniority about the same aspects of the decision.
- (2) If this is the case, only the most senior decision-taker gives the approval or decision for the purposes of SYSC 27.7.23R.
- (3) Where the *firm's* procedures do not require the more senior person to carry out a detailed review of the decision of the more junior, both the junior and the senior person will give the approval or decision.
- 27.7.30 G A *firm* may have deployed an algorithm even though:
5.2.56
- (1) it has not yet actually been used in the generation or acceptance of orders; or
- (2) it is not actually being used in the generation or acceptance of orders at the moment; or
- (3) it is not currently being used in the generation or acceptance of orders because the circumstances have not arisen for it to start doing so.
- 27.7.31 G In the examples in SYSC 27.7.30G the algorithm is capable of being used in
5.2.57 the generation or acceptance of orders but is not actually generating or accepting them at the moment. However, a *firm* does not deploy an algorithm if the algorithm is not yet capable of generating or accepting orders because, for example, it is still in development.

Example		How the temporary UK role rule applies
(1)	A spends 20 days in the <i>UK</i> performing the proprietary trader <i>FCA-specified significant-harm function</i> for Firm X and wishes to spend another 20 days in the <i>UK</i> performing the significant management <i>FCA-specified significant-harm function</i> for Firm X.	The <i>rule</i> does not allow this. There is a single 30-day allowance, not a separate 30-day allowance for each <i>FCA-specified significant-harm function</i> .
(2)	A spends 20 days in the <i>UK</i> performing an <i>FCA-specified significant-harm function</i> for Firm X (which is a <i>UK-relevant authorised person</i> <i>UK SMCR firm</i>) and wishes to spend another 20 days dealing with Firm X's <i>clients</i> in the <i>UK</i> from the overseas office of Firm X in which A is based.	The <i>rule</i> does not allow this. There is a single 30-day limit for both types of contact with the <i>UK</i> .
(3)	A wishes to spend 40 days dealing with Firm X's <i>clients</i> in the <i>UK</i> from the overseas office of Firm X (which is a <i>UK-relevant authorised person</i> <i>UK SMCR firm</i>) in which A is based. However the total time spent doing that will only be a few hours overall.	The <i>rule</i> does not allow this. If A deals with a <i>UK client</i> on one day, that uses up one day of the 30-day allowance, however short the time for which the contact lasts.
(4)	A spends 25 days in calendar year one for Firm X in the <i>UK</i> and 25 days in calendar year two. However A spends 40 days in the <i>UK</i> for Firm X between June in calendar year 1 and June in calendar year 2.	The <i>rule</i> does not allow this. This is because the 30-day annual allowance relates to any 12-month period and not just a calendar year.
(5)	Firm X is a <i>non-UK-relevant authorised person</i> <i>non-UK SMCR firm</i> . A is <i>employed</i> by Firm X and is based in one of its offices outside the <i>UK</i> . A wants to work in the <i>UK branch</i> for 10 days.	<p>The <i>rule</i> applies to <i>non-UK-relevant authorised persons</i> <i>non-UK SMCR firms</i>.</p> <p>It does not matter that A is not <i>employed</i> by the <i>UK branch</i> and instead is <i>employed</i> by another part of Firm X.</p> <p>It does not make a difference whether A is based in an office of Firm X in its home state or one in a third country.</p>

(6)	A is based in one of Firm X's overseas offices. Firm X then decides to relocate A to the <i>UK</i> , where A will be certified to perform an <i>FCA-specified significant-harm function</i> for Firm X. Firm X wants to rely on the temporary <i>UK role rule</i> for the first 30 days while Firm X goes through the certification process for A.	The <i>rule</i> does not allow this. A is no longer based in an overseas office and so the <i>rule</i> does not apply.
(7)	A is based in the overseas branch of a <i>UK relevant authorised person</i> <u><i>UK SMCR firm</i></u> . A is to be promoted, so that A will be performing the material risk taker <i>FCA-specified significant-harm function</i> . Firm X wants to rely on the temporary <i>UK role rule</i> for the first 30 days while Firm X goes through the certification process for A.	The <i>rule</i> does not allow this because it does not apply to the material risk taker <i>FCA-specified significant-harm function</i> when it is performed for a <i>UK relevant authorised person</i> <u><i>UK SMCR firm</i></u> .
	A reference in this table to an <i>FCA-specified significant-harm function</i> is to a function that would have been an <i>FCA-specified significant-harm function</i> but for SYSC 27.5.3R (temporary <i>UK role</i>).

(8) <u>A board director of a UK SMCR firm</u> (a) a relevant authorised person; (b) a Solvency II firm; or (c) a small non-directive insurer.	This row only applies to a <i>UK domestic firm</i> .
Note: In accordance with the Glossary, <i>Solvency II firm</i> includes a <i>large non-directive insurer</i> .	

- 1.1.2A R For Swiss general insurers, references in this sourcebook to parts of the *PRA Rulebook* for ‘Solvency II firms’ are to be read as references to the corresponding parts of the *PRA Rulebook* applying to *large non-directive insurers*.
- 1.1.3 R Rules 1 to 5 in *COCON* 2.1 apply to all *conduct rules staff*.
- 1.1.4 R (1) Rules SC1 to SC4 in *COCON* 2.2 apply to all *senior conduct rules staff members* (subject to (2)).
- (2) SC1 to SC3 in *COCON* 2.2 ~~do~~ does not apply to a ~~standard non-executive director~~ board director who is not an approved person (P) unless, P also satisfies as well as ~~being a standard non-executive director, they also fall into~~ one of the other categories of a senior conduct rules staff member.
- 1.1.5 G (1) The guidance in *COCON* 2.3 applies to ~~relevant authorised persons~~ SMCR firms.

- (3) SYSC 27.4.6R provides that a function performed by a *non-executive director* of a *firm* acting as such is not an *FCA-specified significant-harm function* for that *firm*.

To what conduct does it apply?

- 1.1.6 R For a *person (P)* who is an *approved person*, *COCON* applies to the conduct of *P* in relation to the performance by *P* of functions relating to the carrying on of activities (whether or not *regulated activities*) by the *firm (Firm A)* on whose application approval was given to *P*.

[**Note:** sections 64A(4) and (5)(a) of the *Act* (Rules of conduct)]

- 1.1.6A R For a *person (P)* who is a *board director* of a *firm (Firm A)* but is not an *approved person* of *Firm A*, *COCON* applies to the conduct of *P* in relation to the performance by *P* of functions relating to the carrying on of activities

(whether or not *regulated activities*) by Firm A.

[Note: sections 64A(4) and (5)(ab) of the *Act* (Rules of conduct)]

- 1.1.7 R (1) For a *person* (P) subject to *COCON* who is not an *approved person*, *COCON* applies to the conduct of P in relation to the performance by P of functions relating to the carrying on of activities (whether or not *regulated activities*) by P's employer (Firm A).

(2) This rule does not apply where *COCON* 1.1.6A applies.

[Note: sections 64A(4) and (5)(b) of the *Act* (Rules of conduct)]

- 1.1.7A R (1) Where Firm A in *COCON* 1.1.6R to *COCON* 1.1.7R is an *SMCR firm* other than an *SMCR dual regulated banking sector firm*, the application of *COCON* is further restricted by this rule.
- (2) *COCON* only applies to any conduct that forms part of or is for the purpose of any of the following:
- (a) the *SMCR financial activities* of Firm A; or
 - (b) any activities of Firm A that have, or might reasonably be regarded as likely to have, a negative effect on:
 - (i) the integrity of the *UK financial system*; or
 - (ii) the ability of Firm A to meet the “fit and proper” test in threshold condition 2E and 3D (Suitability); or
 - (iii) the ability of Firm A to meet the applicable requirements and standards under the *regulatory system* relating to Firm A's financial resources.

- 1.1.8 G (1) ~~*COCON* 1.1.6R and to *COCON* 1.1.7R~~ 1.1.7AR may apply to the same individual performing several roles.
- (2) For example, say that an individual (A) is an *approved person* for firm X and is employed by firm Y in a role that does not involve a *controlled function* or being a director. ~~Say that firm X is a *Solvency II firm* or a *small non-directive insurer* and that firm Y is a *relevant authorised person*.~~
- (3) *COCON* 1.1.6R applies to A's role with firm X and *COCON* 1.1.7R applies to A's role with firm Y.

Where does it apply?

- 1.1.9 R (1) *COCON* applies to the conduct of *conduct rules staff* set out in (2) wherever it is performed.
- (2) This rule applies to:

- (a) a *senior conduct rules staff member*; and
 - (b) a *certification employee* performing *FCA-specified significant-harm function* (7) (material risk takers) in the table in SYSC 5.2.30R for a ~~UK relevant authorised person~~ UK SMCR firm.
- 1.1.10 R (1) This *rule* applies to members of a *firm's conduct rules staff* apart from *conduct rules staff* in COCON 1.1.9R.
- (2) Subject to (3), COCON only applies to the conduct of *persons* to whom this *rule* applies (as set out in (1)) if that conduct:
 - (a) is performed from an establishment maintained in the *United Kingdom* by: an SMCR firm; or
 - (i) ~~(for a relevant authorised person)~~ that *person's* employer; or
 - (ii) ~~(for a Solvency II firm or a small non directive insurer)~~ the *firm* in relation to whom that *person* carries out *controlled functions*; or
 - (b) involves dealing with a *client* of the *firm* in the *United Kingdom* from an establishment overseas.
 - (3) Paragraph (2)(b) only applies to a ~~UK relevant authorised person~~ SMCR firm.
- 1.1.11 G The *FCA* interprets the phrase ‘dealing with’ in COCON 1.1.10R as including having contact with *customers* and extending beyond ‘dealing’ as used in the phrase ‘dealing in investments’. ‘Dealing in’ is used in Schedule 2 to the *Act* to describe, in general terms, the *regulated activities* which are specified in Part II of the *Regulated Activities Order*.
- 1.11A G The *FCA* interprets the phrase ‘a *client* of the *firm* in the *United Kingdom*’ in COCON 1.1.10R as referring to:
 - (1) for a *client* which is a body corporate, its office or *branch* in the *United Kingdom*; or
 - (2) for a *client* who is an individual, a *client* who is in the *United Kingdom* at the time of the dealing.
- 1.1.12 R A *person* will not be subject to COCON to the extent that it would be contrary to the *UK's* obligations under a *Single Market Directive* or the *auction regulation*.
- Purpose
- 1.1.13 G The purpose of this chapter is to set out *rules* for *conduct rules staff* and to provide *guidance* about those *rules* to *firms* whose staff are subject to them.

- 1.1.14 G *COCON* 1 Annex 1 has *guidance* on the role and responsibilities of *non-executive directors* to whom *COCON* applies.

1.2 Investments

- 1.2.1 G *COCON* refers in a number of places to ‘*investments*’. The *Glossary* meaning of *investment* is wide and is not just limited to the ordinary dictionary meaning.
- 1.2.2 G Therefore, for example, an *approved person* performing *controlled functions* in a *Solvency II firm* or a *small non-directive insurer* should note that that term includes rights under a contract of insurance, meaning they should also take into account those parts of *COCON* which provide *guidance* on individual conduct rules that refer to ‘*investments*’.
- 1.2.3 G Where *guidance* refers to risks associated with *investments* that will include risks applicable to rights under a contract of insurance including for example the risk of inadequate cover.

1 Annex 1G Guidance on the role and responsibilities of ~~NEDs~~ non-executive directors of SMCR firms subject to *COCON*

1 Introduction

- 1.1 This annex applies to *non-executive directors* (NEDs) of: an SMCR firm.
- (1) ~~a relevant authorised person;~~
 - (2) ~~a Solvency II firm (including a large non-directive insurer); or~~
 - (3) ~~a small non-directive insurer.~~
- 1.2 This annex covers the role of a NED in performing the roles in (1) to (4), below:
- (1) the role of chairman of the board of *directors*;
 - (2) the role of chairman of the nomination committee;
 - (3) the role of chairman of any other committee (irrespective of whether performing that role is itself a *designated senior management function*);
 - (4) the general NED role.
- 1.3 The *FCA*’s view of the role of a NED is consistent with the duties of directors included in *UK* company law and the description of the role of a NED in the *UK Corporate Governance Code*.

2 The general role of a NED

- 2.1 The role of a NED performing the general NED role is to:

- (1) provide effective oversight and challenge; and
- (2) help develop proposals on strategy.

2.2 To deliver this, their responsibilities include:

- (1) attending and contributing to board and committee meetings and discussions;
- (2) taking part in collective board and committee decisions, including voting and providing input and challenge; and
- (3) ensuring they are sufficiently and appropriately informed of the relevant matters prior to taking part in board or committee discussions and decisions.

2.3 Other key roles of a NED include:

- (1) scrutinising the performance of management in meeting agreed goals and objectives;
- (2) monitoring the reporting of performance;
- (3) satisfying themselves on the integrity of financial information;
- (4) satisfying themselves that financial controls and systems of risk management are robust and defensible;
- (5) scrutinising the design and implementation of the remuneration policy;
- (6) providing objective views on resources, appointments and standards of conduct; and
- (7) being involved in succession planning.

3 Role of a NED as chair of the board or a committee

3.1 Subject to any specific governance arrangements, *rules* or requirements applicable to the board or particular committees, a NED's responsibility as chairman of the board or a committee includes:

- (1) ensuring that the board or committee meets with sufficient frequency;
- (2) fostering an open, inclusive discussion which challenges executives, where appropriate;
- (3) ensuring that the board or committee devotes sufficient time and attention to the matters within its remit;
- (4) helping to ensure that the board or committee and its members have the information necessary to its and their tasks;

- (5) reporting to the main board on the committee's activities; and
- (6) facilitating the running of the board or committee to assist it in providing independent oversight of executive decisions;
- (7) in relation to the nomination committee, safeguarding the independence and overseeing the performance of the nomination committee.

3.2 The chair of the nomination committee should take reasonable steps to ensure that the nomination committee complies with:

- (1) the requirements in SYSC 4.3A about the nomination committee (if that part of SYSC applies to the *firm*); and
- (2) any specific and relevant requirements relating to the committee or to the matters within the committee's responsibilities.

3.3 ~~SYSC 4.3A.8R and SYSC 4.3A.9R deal with the nomination committee for relevant authorised persons. There is no equivalent material for Solvency II firms. Although being the chair of the nomination committee is not a controlled function for a small non-directive insurer, paragraph~~ Paragraph 3.2 of this annex is still relevant to a ~~small non-directive insurer~~ firm:

- (1) that is not required by the Handbook to have a nomination committee; or
 - (2) for which being the chair of such a committee is not a controlled function;
- if it has such a committee.

4 General approach to the role of a NED

4.1 The FCA recognises that NEDs individually do not manage a *firm's* business in the same way as executive *directors*. Therefore, the responsibilities for which NEDs are accountable are likely to be more limited.

4.2 A NED is neither required nor expected to assume executive responsibilities.

4.3 Although NEDs who are subject to the senior management regime for *SMF managers* or the *approved persons* regime for insurers have individual duties under that regime, the FCA views the regime and its application as consistent with the principle of collective decision-making.

4.4 The standard of care, skill and diligence that the FCA would expect from a NED is the care, skill and diligence that would be exercised by a reasonably diligent person with:

- (1) the general knowledge, skill and experience that may reasonably be expected of a person carrying out the functions carried out by the NED in relation to the firm, taking into account the standards in the *Handbook* (especially *COCON* and *DEPP*); and

- (2) the general knowledge, skill and experience that the NED has.

2 Individual conduct rules

2.1 Individual conduct rules

- 2.1.1 R *Rule 1: You must act with integrity.*
- 2.1.2 R *Rule 2: You must act with due skill, care and diligence.*
- 2.1.3 R *Rule 3: You must be open and cooperative with the FCA, the PRA and other regulators.*
- 2.1.4 R *Rule 4: You must pay due regard to the interests of customers and treat them fairly.*
- 2.1.5 R *Rule 5: You must observe proper standards of market conduct.*

2.2 Senior management conduct rules

- 2.2.1 R SC1: You must take reasonable steps to ensure that the business of the *firm* for which you are responsible is controlled effectively.
- 2.2.2 R SC2: You must take reasonable steps to ensure that the business of the *firm* for which you are responsible complies with the relevant requirements and standards of the *regulatory system*.
- 2.2.3 R SC3: You must take reasonable steps to ensure that any delegation of your responsibilities is to an appropriate person and that you oversee the discharge of the delegated responsibility effectively.
- 2.2.4 R SC4: You must disclose appropriately any information of which the *FCA* or *PRA* would reasonably expect notice.

2.3 Firms: Training and breaches

- 2.3.1 G Under section 64B of the *Act*, ~~a relevant authorised person~~ an SMCR firm must:
- (1) ensure that all *persons* subject to the *rules* in *COCON* are notified of the *rules* that apply to them; and
 - (2) take all reasonable steps to ensure that those *persons* understand how the *rules* in *COCON* apply to them.
- 2.3.2 G (1) The steps that ~~a relevant authorised person~~ an SMCR firm must take

to ~~secure~~ ensure that its *conduct rules staff* understand how the *rules* in *COCON* apply to them include the provision of suitable training.

- (2) Suitable training should always ensure that those who are subject to the *rules* in *COCON* have an awareness and broad understanding of all of the *rules* in *COCON*, and that they also have a deeper understanding of the practical application of the specific rules which are relevant to their work.
- (3) For example:
 - (a) for individuals who trade in the markets, *rule 5* in *COCON* 2.1.5R may apply in various circumstances arising in the individual's day-to-day activities and additional training may be appropriate to ensure that the individual knows how that *rule* applies to those activities in those various circumstances; or
 - (b) for individuals who deal directly with customers, *rule 4* in *COCON* 2.1.4R may apply in various circumstances which makes additional training appropriate for such individuals.

- 2.3.3 G There are *rules* and *guidance* in *SUP* 15.3 (General notification requirements) and *SUP* 15.11 (Notification of *COCON* breaches and disciplinary action) that deal with reporting by ~~a relevant authorised person~~ an *SMCR firm* of *COCON* breaches to the *FCA*.

3 General factors for assessing compliance

3.1 General factors for assessing compliance

- 3.1.1 G Where descriptions of conduct are provided in this chapter which exemplify breaches of the *rules* in *COCON*, they are not intended to be an exhaustive list of the kind of conduct that may contravene the relevant *rule*.
- 3.1.2 G In assessing compliance with, or a breach of, a *rule* in *COCON*, the *FCA* will have regard to the context in which a course of conduct was undertaken, including:
- (1) the precise circumstances of the individual case;
 - (2) the characteristics of the particular function performed by the individual in question; and
 - (3) the behaviour expected in that function.
- 3.1.3 G Without prejudice to section 66A of the *Act*, a *person* will only be in breach of any of the *rules* in *COCON* where they are personally culpable. Personal culpability arises where:

- (1) a *person's* conduct was deliberate; or
 - (2) the *person's* standard of conduct was below that which would be reasonable in all the circumstances.
- 3.1.4 G In determining whether or not the particular conduct of a *person* complies with the *rules* in *COCON*, factors the *FCA* would expect to take into account include:
- (1) whether that conduct relates to activities that are subject to other provisions of the *Handbook*;
 - (2) whether that conduct is consistent with the requirements and standards of the *regulatory system* relevant to the *person's firm*.
- 3.1.5 G In determining whether or not the conduct of a *senior conduct rules staff member* complies with *rules* SC1 to SC4 in *COCON*, factors the *FCA* would expect to take into account include:
- (1) whether they exercised reasonable care when considering the information available to them;
 - (2) whether they reached a reasonable conclusion upon which to act;
 - (3) the nature, scale and complexity of the *firm's* business;
 - (4) their role and responsibility as determined by reference to the relevant *statement of responsibility*;
 - (5) the knowledge they had, or should have had, of regulatory concerns, if any, relating to their role and responsibilities.
- 3.1.6 G In assessing whether a *senior conduct rules staff member* may have breached a *rule* in *COCON*, the nature, scale and complexity of the business and the role and responsibility of the individual undertaking the activity in question within the *firm* will be relevant in assessing whether that *person's* conduct was reasonable. For example, the smaller and less complex the business, the less detailed and extensive the systems of control need to be.
- 3.1.7 G *UK domestic firms* listed on the *London Stock Exchange* are subject to the *UK Corporate Governance Code*, whose internal control provisions are explained in the publication entitled 'Internal Control: Revised Guidance for Directors on the Combined Code (October 2005)' issued by the Financial Reporting Council. Therefore, *firms* in this category will be subject to that code, as well as to the *rules* in *COCON*. In forming an opinion as to whether a *senior conduct rules staff member* has complied with the *rules* in *COCON*, the *FCA* will give due credit if they followed corresponding provisions in the *UK Corporate Governance Code* and related guidance.

4 Specific guidance on individual conduct rules

...

4.2 Specific guidance on senior manager conduct rules

...

- 4.2.16 G The following is a non-exhaustive list of examples of conduct that would be in breach of *rule SC2*.

...

- (8) For a *senior conduct rules staff member* who is responsible for the compliance function, failing to ensure that:

...

- (e) the method of determining the remuneration complies, where applicable, with the *Remuneration Code* or for a *Solvency II firm* or a *small non-directive insurer*, other relevant requirements in relation to remuneration, as well as those remuneration codes applicable to firms as set out in SYSC 19B – 19E.

...

- 4.2.28 G (1) If a *senior conduct rules staff member* comes across a piece of information that is something of which they think the *FCA* or *PRA* could reasonably expect notice, they should determine whether that information falls within the scope of their responsibilities: which (for an *SMF manager*) is by virtue of that *person's statement of responsibilities*.

~~(a) or~~

~~(b) (for an approved person performing a significant influence function in a Solvency II firm or a small non-directive insurer) including by reference to their scope of responsibilities document.~~

- (2) If it does, then they should ensure that, if it is otherwise appropriate to do so, it is disclosed to the *appropriate regulator*.

Annex E

Amendments to the ~~Fit and Proper test for Approved Persons and Specified Significant-harm Functions~~ Fit and Proper test for Employees and Senior Personnel sourcebook (FIT)

In this Annex, underlining indicates new text and striking through indicates deleted text.

1 General

1.1 Application and purpose

1.1.1 G ~~FFF~~ FIT applies to:

- (1) ~~a firm~~ an SMCR firm ~~(including a relevant authorised person);~~
- (2) an applicant for *Part 4A permission*;
- (3) an *EEA firm*; or a *Treaty firm* ~~or a UCITS qualifier~~ that wishes to establish a *branch* into the *United Kingdom* using *EEA rights*; or *Treaty rights*; ~~or UCITS directive rights (see SUP 10A.1.10G and SUP 10A.1.11R)~~; or apply for a top-up permission ~~(see SUP 10A.1.13R)~~;
- (4) an *approved person* performing an FCA controlled function;
- (5) a *candidate* for an FCA controlled function;
- (6) a *certification employee* performing an *FCA specified significant-harm function*; ~~and~~
- (7) a *person* whom ~~a firm~~ an SMCR firm is proposing to certify to perform an *FCA specified significant-harm function*; and
- (8) a board director as set out in FIT 1.1.2(e).

1.1.2 G The purpose of *FIT* is to set out and describe the criteria that:

- (1) ~~a relevant authorised person~~ an SMCR firm should consider when:
 - (a) assessing the fitness and propriety of a *candidate* whom the *firm* is proposing to put forward for approval as an *FCA-approved SMF manager*;
 - (b) assessing the continuing fitness and propriety of a *person* approved to perform the function of an *FCA-approved SMF manager*, including for formulating an opinion about whether there are any grounds on which the regulator could withdraw the approval given to that individual to perform that function under section 63(2A) of the *Act*;

- (c) assessing the fitness and propriety of a *person* whom the *firm* is proposing to certify to perform an *FCA specified significant-harm function*; ~~and~~
 - (d) assessing the continuing fitness and propriety of a *person* whom the *firm* has certified to perform an *FCA specified significant-harm function*; ~~and~~
 - (e) (in the case an *FCA-authorised person* that is not a *limited scope core SMCR firm*) assessing the fitness of a *non-SMF board director subject to competence requirements* under the *competent employees rule*, any directly applicable *EU* legislation or any other requirement of the *regulatory system*.
- (2) the *FCA* will consider when assessing the fitness and propriety of a *candidate* for a *controlled function*, including a *designated senior management function* (see generally *SUP 10A* and *SUP 10C* on *approved persons*), and may consider when assessing the continuing fitness and propriety of *approved persons*.

1.1.3 G The table in [FIT 1.1.4G](#) summarises the situations to which [FIT](#) applies. ~~[deleted]~~

1.1.4 G Table: Situations to which *FIT* applies ~~[deleted]~~

What FIT applies to	Does it apply to relevant authorised persons?	Does it apply to firms that are not relevant authorised persons?	Comment
(1) A <i>firm</i> assessing the fitness and propriety of a <i>candidate</i> whom the <i>firm</i> is proposing to put forward for approval	Yes	No	However, the answer to Question 11 in <i>SUP 10A</i> Annex 1 (Frequently asked questions) says that the <i>FCA</i> 's approval process is not a substitute for the checks that a <i>firm</i> should be carrying out on its prospective recruits. <i>FIT</i> may be a useful guide to matters that a <i>firm</i> that is not a relevant authorised person should take into account.
(2) A <i>firm</i> assessing the continuing fitness and propriety of an <i>approved</i>	Yes	No	However, a <i>firm</i> should employ personnel with the skills, knowledge and expertise necessary for the discharge of the responsibilities allocated to them (<i>SYSC 5.1</i>). <i>FIT</i> may be a

<i>person</i>			useful guide to matters which a firm should take into account if it is not a relevant authorised person.

1.2 Introduction

- 1.2.-1 G Under section 60A(1) of the *Act*, before a ~~relevant authorised person~~ a firm may make an application for the *FCA*'s approval of a ~~designated senior management function, controlled function~~ the ~~relevant authorised person~~ firm must be satisfied that the *person* for whom the application is made is a fit and proper *person* to perform that function.
- 1.2.1 G Under section 61(1) of the *Act* (Determination of applications), the *FCA* may grant an application for approval made under section 60 (Applications for approval) of the Act only if it is satisfied that the *candidate* is fit and proper to perform the *controlled function* to which the application relates.
- 1.2.1 G Under section 63F of the *Act*, a ~~relevant authorised person~~ a firm may issue a certificate to a *person* to perform a *specified significant-harm function* only if it is satisfied that the *person* is a fit and proper *person* to perform that function.
- 1.2.1 G Under sections 60A and 63F 7of the *Act*, in assessing whether a *person* is a fit and proper person to perform an *FCA designated senior management function* or an *FCA specified significant-harm function*, a ~~relevant authorised person~~ a firm must have particular regard to whether that *person*:
- (1) has obtained a qualification; or
- (2) has undergone, or is undergoing, training; or
- (3) possesses a level of competence; or
- (4) has the personal characteristics;
- required by general *rules* made by the *FCA*.
- 1.2.1 G The key general *rules* relating to the criteria listed in ~~FIT 4.2.4B~~ 1.2.1BG include:
- (1) in the case of very senior *employees*, SYSC 4.2 (*persons* who effectively direct the business) and SYSC 4.3A.3R (*management body*);
- (2) for ~~employees~~ personnel of *firms* generally, SYSC 5.1.1R (the *competent employees rule*); ~~and~~
- (3) in relation to retail activities, ~~TC 2.1.12R~~ TC 2.1.1R (*employees' competence*); and
- (4) for those who are employees of insurance firms, SYSC 3.1.6R.
- 1.2.3 G Under section 63(1) of the *Act* (Withdrawal of approval), the *FCA* may withdraw an approval under section 59 ~~given by the FCA~~ or the *PRA* in relation to the performance by a *person* of a function if it considers that the *person* is not a fit

and proper *person* to perform the function.

- 1.2.4 G The *Act* does not prescribe the matters which the *FCA* should take into account when determining fitness and propriety. However, section 61(2) states that the *FCA* may have regard (among other things) to whether the *candidate* or *approved person*:

- (1) has obtained a qualification; or
- (2) has undergone, or is undergoing, training; or
- (3) possesses a level of competence; or
- (4) has the personal characteristics;

required by general *rules* made by the *FCA*.

- 1.2.4 G (1) Under Article 21(1)(d) of the *MiFID Org Regulation* and articles 34 and A 35 of *MiFID*, the requirement to employ personnel with the knowledge, skills and expertise necessary for the discharge of the responsibilities allocated to them is reserved to the *firm's Home State*. Therefore, in assessing the fitness and propriety of:

- (a) a *person* to perform a *controlled function*; or
- (b) a *certification employee*;

solely in relation to the *MiFID business* of an *incoming EEA firm*, the *FCA* will not have regard to that *person's* competence and capability.

- (2) Where the function relates to:
- (a) matters outside the scope of *MiFID*, for example activities related to a *specified benchmark* (see the *benchmark submission function* (CF 40), the *benchmark administration function* (CF 50) and the benchmark submission and administration *FCA-specified significant-harm functions* (see SYSC 5.2.33R); or
 - (b) business outside the scope of the *MiFID business* of an *incoming EEA firm*, for example ~~*insurance mediation activities*~~ *insurance distribution activities* in relation to *life policies*; or
 - (c) matters within the responsibility of the *FCA* as the *Host State regulator*, for example *money laundering* responsibilities (see the *money laundering reporting function* (CF11 and SMF17)) or (3) below;

the *FCA* will have regard to a *person's* competence and capability as well as their honesty, integrity, reputation and financial soundness.

- (3) The *FCA* will have regard to a natural *person's* competence and capability to the extent they give a *personal recommendation* or

information about *financial instruments, structured deposits, investment services or ancillary services* on behalf of a *UK branch* of:

- (a) an *investment firm* authorised under *MiFID*;
 - (b) an *AIFM investment firm* carrying out activities under article 6(4) of the *AIFMD* (provision of additional services);
 - (c) a *UCITS investment firm* carrying out activities under article 6(3) of the *UCITS Directive* (provision of additional services); or
 - (d) a *credit institution*.
- (4) (3) is the result of the combined effect of articles 25(1) (Assessment of suitability and appropriateness and reporting to clients) and 35(8) (Establishment of a branch) of *MiFID*.
- (5) (1) to (4) are also relevant to the matters an ~~EEA-relevant authorised person~~ *EEA SMCR firm* should take into account when assessing any *staff being assessed under FIT*. Where, under (1) to (4):
- (a) the *FCA* will have regard to a *person's* competence and capability, so should a *firm* when assessing any *staff being assessed under FIT*; and
 - (b) the *FCA* will not have regard to a *person's* competence and capability, a *firm* need not do so either when assessing any *staff being assessed under FIT*.

- 1.2.4 G Where the application relates to a function within a *Solvency II firm* and is for an
B *FCA controlled function* which is also a *Solvency II Directive* 'key function' as defined in the PRA Rulebook: Glossary, then the *FCA* will also have regard to the assessment made by the *firm* as required in article 273 of the *Solvency II Regulation* (EU) 2015/35 of 10 October 2014; Rules 2.1 and 2.2 of the PRA Rulebook: Solvency II Firms: Insurance - Fitness and Propriety, and other factors, as set out in *EIOPA* Guidelines on system of governance dated 28 January 2015 (see Guideline 16).

1.3 Assessing fitness and propriety

- 1.3.1 G The *FCA* will have regard to a number of factors when assessing the fitness and propriety of a *person* to perform a particular *controlled function*, as more particularly described in *FIT 2* (Main assessment criteria).
- 1.3.1A G The *FCA* would expect *firms* that are required to assess the fitness and propriety of *staff being assessed under FIT* to have regard to substantially the same factors as those outlined in *FIT 2*.
- 1.3.1B G In the *FCA's* view, the most important considerations will be the *person's*:

- (1) honesty, integrity and reputation;
 - (2) competence and capability; and
 - (3) financial soundness.
- 1.3.2 G In assessing fitness and propriety, the *FCA* will also take account of the activities of the *firm* for which the *controlled function* is or is to be performed, the *permission* held by that *firm* and the markets within which it operates.
- 1.3.2A G A ~~relevant authorised person~~ *firm* assessing the fitness and propriety of *staff being assessed under FIT* should consider:
- (1) the nature, scale and complexity of its business, the nature and range of financial services and activities undertaken in the course of that business; and
 - (2) whether the *candidate* or *person* has the knowledge, skills and experience to perform the specific role that the *candidate* or *person* is intended to perform.
- 1.3.2B G A ~~relevant authorised person~~ *firm* is reminded that, in assessing a *candidate* for a position within the *management body* of the *firm*, SYSC 4.3A.3R(3) requires the *firm* to ensure that the management body, as a collective, possesses adequate knowledge, skills and experience to understand the *firm's* activities.
- 1.3.3 G The criteria listed in *FIT* 2.1 to *FIT* 2.3 are *guidance* and will be applied in general terms when the *FCA* is determining a *person's* fitness and propriety. It would be impossible to produce a definitive list of all the matters which would be relevant to a particular determination. A ~~relevant authorised person~~ *firm* assessing the fitness and propriety of *staff being assessed under FIT* should be guided by substantially the same criteria in *FIT* 2.1 to *FIT* 2.3 (to the extent applicable to the *firm*), recognising that this is not intended to be a definitive list of matters to be considered.
- 1.3.4 G If a matter comes to the *FCA's* attention which suggests that the *person* might not be fit and proper, the *FCA* will take into account how relevant and how important it is. In the same way, if a matter comes to the attention of a ~~relevant authorised person~~ *firm* which suggests that any *staff being assessed under FIT* might not be fit and proper, the *firm* should take into account how relevant and how important that matter is.
- 1.3.4A G A ~~relevant authorised person~~ *firm* assessing the continuing fitness and propriety of an *approved person* is required to notify the *FCA* under section 63(2A) of the *Act* if it forms the opinion that there are grounds on which the *FCA* could withdraw its approval (see SUP 10C.14.24R). In discharging its obligation to notify the *FCA*, a ~~relevant authorised person~~ *firm* should take into account how relevant and how important the matter is that comes to its attention which suggests an *approved person* might not be fit and proper

before determining that a notification should be made.

- 1.3.4B G A ~~relevant authorised person~~ *firm* assessing the continuing fitness and propriety of *staff being assessed under FIT* should assess the role that the individual is actually performing at the time the assessment is done. For this purpose, the assessor(s) should be provided with an up-to-date job description for that individual in advance of the assessment.
- 1.3.5 G During the application process for a *controlled function*, the *FCA* may discuss the assessment of the *candidate's* fitness and propriety informally with the *firm* making the application and may retain any notes of those discussions.

2 Main assessment criteria

2.1 Honesty, integrity and reputation

- 2.1.1 G In determining a *person's* honesty, integrity and reputation, the *FCA* will have regard to all relevant matters including, but not limited to, those set out in *FIT* 2.1.3G which may have arisen either in the *United Kingdom* or elsewhere. The *FCA* should be informed of these matters (see ~~SUP 10A.14.17R and SUP 10C.14.18R~~ and *SUP* 10C.14.18R), but will consider the circumstances only where relevant to the requirements and standards of the *regulatory system*. For example, under *FIT* 2.1.3G(1), conviction for a criminal offence will not automatically mean an application will be rejected. The *FCA* treats each candidate's application on a case-by-case basis, taking into account the seriousness of, and circumstances surrounding, the offence, the explanation offered by the convicted *person*, the relevance of the offence to the proposed role, the passage of time since the offence was committed and evidence of the individual's rehabilitation.
- 2.1.1A G A ~~relevant authorised person~~ *firm* determining the honesty, integrity and reputation of *staff being assessed under FIT*, should consider all relevant matters, including those set out in *FIT* 2.1.3G, which may have arisen either in the *United Kingdom* or elsewhere. *Firms* should inform themselves of relevant matters, including checking for convictions for criminal offences (where possible) and contacting previous employers who have employed that *candidate* or *person*. If any *staff being assessed under FIT* has a conviction for a criminal offence, the *firm* should consider the seriousness of and circumstances surrounding the offence, the explanation offered by that *person*, the relevance of the offence to the proposed role, the passage of time since the offence was committed and evidence of the individual's rehabilitation.
- 2.1.2 G In considering the matters in *FIT* 2.1.1G, the *FCA* will look at whether the *person's* reputation might have an adverse impact upon the *firm* for which the *controlled function* is or is to be performed and at the *person's* responsibilities.

- 2.1.2A G In considering the reputation of *staff being assessed under FIT 2.1.1AG* a ~~relevant authorised person~~ *firm* should have regard to whether that *person's* reputation might have an adverse impact upon the *firm* for which the function is to be performed and the *person's* responsibilities.
- 2.1.3 G The matters referred to in *FIT 2.1.1G* to which the *FCA* will have regard, and to which a ~~relevant authorised person~~ *firm* should also have regard, include, but are not limited to:
- (1) whether the *person* has been convicted of any criminal offence; this *must* include, where provided for by the *Rehabilitation Exceptions Orders* to the Rehabilitation of Offenders Act 1974 or the Rehabilitation of Offenders (Northern Ireland) Order 1978 (as applicable), any spent convictions; particular consideration will be given to offences of dishonesty, fraud, financial crime or an offence under legislation relating to companies, building societies, industrial and provident societies, credit unions, friendly societies, banking, other financial services, insolvency, consumer credit *companies*, insurance, consumer protection, *money laundering*, market manipulation and *insider dealing*, whether or not in the *United Kingdom*;
 - (2) whether the *person* has been the subject of any adverse finding or any settlement in civil proceedings, particularly in connection with investment or other financial business, misconduct, fraud or the formation or management of a *body corporate*;
 - (3) whether the *person* has been the subject of, or interviewed in the course of, any existing or previous investigation or disciplinary proceedings, by the *appropriate regulator*, by other regulatory authorities (including a *previous regulator*), *clearing houses* and exchanges, professional bodies, or government bodies or agencies;
 - (4) whether the *person* is or has been the subject of any proceedings of a disciplinary or criminal nature, or has been notified of any potential proceedings or of any investigation which might lead to those proceedings;
 - (5) whether the *person* has contravened any of the requirements and standards of the *regulatory system* or the equivalent standards or requirements of other regulatory authorities (including a *previous regulator*), *clearing houses* and exchanges, professional bodies, or government bodies or agencies;
 - (6) whether the *person* has been the subject of any justified complaint relating to *regulated activities*;
 - (7) whether the *person* has been involved with a *company, partnership* or other organisation that has been refused registration, authorisation, membership or a licence to carry out a trade, business or profession, or has had that registration, authorisation, membership or licence

revoked, withdrawn or terminated, or has been expelled by a regulatory or government body;

- (8) whether, as a result of the removal of the relevant licence, registration or other authority, the *person* has been refused the right to carry on a trade, business or profession requiring a licence, registration or other authority;
- (9) whether the *person* has been a *director*, *partner*, or concerned in the management, of a business that has gone into insolvency, liquidation or administration while the *person* has been connected with that organisation or within one year of that connection;
- (10) whether the *person*, or any business with which the *person* has been involved, has been investigated, disciplined, censured or suspended or criticised by a regulatory or professional body, a court or Tribunal, whether publicly or privately;
- (11) whether the *person* has been dismissed, or asked to resign and resigned, from employment or from a position of trust, fiduciary appointment or similar;
- (12) whether the *person* has ever been disqualified from acting as a *director* or disqualified from acting in any managerial capacity;
- (13) whether, in the past, the *person* has been candid and truthful in all ~~his~~ their dealings with any *regulatory body* and whether the *person* demonstrates a readiness and willingness to comply with the requirements and standards of the *regulatory system* and with other legal, regulatory and professional requirements and standards.

2.2 Competence and capability

- 2.2.1 G In determining a *person's* competence and capability, the *FCA*, in accordance with FIT 1.1.2G, will have regard to all relevant matters including but not limited to:
 - (1) whether the *person* satisfies the relevant *FCA* training and competence requirements in relation to the *controlled function* the *person* performs or is intended to perform;
 - (2) whether the *person* has demonstrated by experience and training that they are suitable, or will be suitable if approved, to perform the *controlled function*;
 - (3) whether the *person* has adequate time to perform the *controlled function* and meet the responsibilities associated with that function.
- 2.2.1A G In determining a *person's* competence and capability to perform an *FCA designated senior management function* or an *FCA-specified significant-*

harm function, a ~~relevant authorised person~~ *firm*, in accordance with *FIT 1.1.2G*, should have regard to all relevant matters including but not limited to:

- (1) whether the *person* satisfies any applicable training and competence requirements (in relation to the function that the *person* performs or is intended to perform);
- (2) whether the *person* has demonstrated by experience and training that they are suitable to perform the function they are intended to perform;
- (3) whether the *person* has adequate time to perform the function in question and meet the responsibilities associated with that function.

2.2.2 G A *person* may have been convicted of, or dismissed or suspended from employment for, drug or alcohol abuses or other abusive acts. This will be considered by the *FCA* only in relation to a *person's* continuing ability to perform the particular *controlled function* for which the *person* is or is to be employed.

2.2.2A G The *FCA* would expect a ~~relevant authorised person~~ *firm* determining the competence and capability of *staff being assessed under FIT* to consider convictions, dismissals and suspensions from employment for drug or alcohol abuses or other abusive acts only in relation to a *person's* continuing ability to perform the particular *FCA designated senior management function* or an *FCA-specified significant-harm function* for which the *person* is, or is to be, employed.

2.3 Financial soundness

2.3.1 G In determining a *person's* financial soundness, the *FCA* will have regard, and a ~~relevant authorised person~~ *firm* should also have regard, to any factors including, but not limited to:

- (1) whether the *person* has been the subject of any judgment debt or award, in the *United Kingdom* or elsewhere, that remains outstanding or was not satisfied within a reasonable period;
- (2) whether, in the *United Kingdom* or elsewhere, the *person* has made any arrangements with ~~his~~ their creditors, filed for bankruptcy, had a bankruptcy petition served on ~~him~~ them, been adjudged bankrupt, been the subject of a bankruptcy restrictions order (including an interim bankruptcy restrictions order), offered a bankruptcy restrictions undertaking, had assets sequestrated, or been involved in proceedings relating to any of these.

2.3.2 G The *FCA* will not normally require a *candidate* to supply a statement of assets or liabilities. The fact that a *person* may be of limited financial means

will not, in itself, affect their suitability to perform a controlled function.
The *FCA* would expect a ~~relevant authorised person~~ firm to take a similar view in assessing whether *staff being assessed under FIT*, are fit and proper.

10C FCA senior ~~management~~ managers regime for approved persons in relevant authorised persons SMCR firms

10C.1 Application

General

10C.1.1 R This chapter applies to every ~~relevant authorised person~~ SMCR firm.

10C.1.2 G This chapter is also relevant to *FCA-approved SMF managers* of a ~~relevant authorised person~~ an SMCR firm.

10C.1.2A G SUP 10C Annex 1 (What functions apply to what type of firm) sets out:

(1) how this chapter applies to different types of SMCR firm; and

(2) the SMCR firms to which this chapter does not apply.

Non-UK ~~relevant authorised persons~~ firms: UK services

10C.1.3 R This chapter does not apply to a *non-UK* ~~relevant authorised person~~ SMCR firm ~~in relation to regulated activities which are carried on in the United Kingdom~~, other than in relation to an establishment maintained by it or its *appointed representative* in the *United Kingdom*.

EEA ~~relevant authorised persons~~ firms: general application

10C.1.4 R This chapter does not apply to an *EEA* ~~relevant authorised person~~ SMCR firm if and in so far as the question of whether a *person* is fit and proper to perform a particular function in relation to that *firm* is reserved to an authority in a country or territory outside the *United Kingdom* under:

- (1) the *Single Market Directives*;
 - (2) the *Treaty*;
 - (3) the *auction regulation*.
- 10C.1.5 G (1) *SUP 10C.1.4R* reflects the provisions of section 59(8) of the *Act* and, where relevant, the *Treaty*.
- (2) It preserves the principle of *Home State* prudential regulation.
- (3) For an *EEA ~~relevant authorised person~~ SMCR firm*, the effect is to reserve to the *Home State regulator* the assessment of fitness and propriety of a *person* performing a function in the exercise of an *EEA right*. A member of the *governing body*, or the notified *UK branch manager*, of an *EEA ~~relevant authorised person~~ SMCR firm*, acting in that capacity, will not, therefore, have to be approved by the *FCA* under the *Act*.
- (3A) For example, persons in Solvency II firms which are incoming EEA firms are not expected to be carrying out FCA functions to the extent that the person will be regarded as effectively running the firm or responsible for a Solvency II Directive ‘key function’.
- (4) Aside from (1) to (3) (3A) an *EEA ~~relevant authorised person~~ SMCR firm* should have:
- (a) considered the impact of the *Host State* rules with which it is required to comply when carrying on a *passported activity* or a *Treaty activity* through a *branch* in the *United Kingdom*;
 - (b) been notified of those provisions under Part II of Schedule 3 to the *Act* in the course of satisfying the conditions for *authorisation* in the *United Kingdom*; and
 - (c) considered, for example, the position of a *branch manager* based in the *United Kingdom* who may also be performing a function in relation to the carrying on of a *regulated activity* not covered by the *EEA right* of the *firm*. In so far as the function is within the description of an *FCA controlled function*, the *firm* will need to seek approval for that *person* to perform that *FCA controlled function*.

Overseas firms: general

- 10C.1.5A G (1) Generally, where an overseas manager of a *non-UK ~~relevant authorised person~~ SMCR firm* has responsibilities in relation to its *branch* in the *United Kingdom* that are strategic only, they

will not need to be an *FCA-approved SMF manager*.

- (2) However, where an overseas manager is responsible for implementing that strategy for its *branch* in the *United Kingdom*, and has not delegated that responsibility to an *SMF manager* in the *United Kingdom*, they will potentially be performing an *FCA controlled function* if the detailed conditions in this chapter defining the relevant *FCA controlled function* are met.

UK firm with overseas branches or providing services on a cross-border basis

10C.1.6 G There are no territorial limitations to *SUP 10C* for:

- (1) overseas branches of *UK firms*; or
- (2) *UK firms* providing services into or out of the *United Kingdom* on a cross-border basis.

Appointed representatives

10C.1.7 R This chapter does not deal with an *approved person* who is approved under *SUP 10A.1.16BR* (Appointed representatives).

- 10C.1.8 G
- (1) *SUP 10A.1.15R* to *SUP 10A.1.16DG* (Appointed representatives) deal with the *approved persons* regime for *appointed representatives of relevant authorised persons*.
- (2) In general this chapter does not apply to *appointed representatives of relevant authorised persons*. *SUP 10A* applies instead.
- (3) In theory, a *person* employed by an *appointed representative* of a *relevant authorised person* could come within one of the *controlled functions* in this chapter. If so, that person will be performing a *senior management function* and this chapter would apply. However, the *FCA* thinks that such a situation should rarely, if ever, arise.
- (4) If a *person* is an *approved person* under this chapter and under *SUP 10A* for the same *firm*, this chapter applies to *FCA-designated senior management functions* under this chapter and *SUP 10A* applies to *controlled functions* under *SUP 10A*. It is unlikely that such a scenario would ever arise in practice.

[*Editor's note: SUP 10C.1.7R and SUP 10C.1.8G will be reviewed in a second Consultation Paper*]

Insolvency practitioners

10C.1.9 R This chapter does not apply to a function performed by a *person* acting

as:

- (1) an insolvency practitioner within the meaning of section 388 of the Insolvency Act 1986;
- (2) a nominee in relation to a voluntary arrangement under Parts I (Company Voluntary Arrangements) and VIII (Individual Voluntary Arrangements) of the Insolvency Act 1986;
- (3) an insolvency practitioner within the meaning of article 3 of the Insolvency (Northern Ireland) Order 1989; or
- (4) a nominee in relation to a voluntary arrangement under Parts II (Company Voluntary Arrangements) and VIII (Individual Voluntary Arrangements) of the Insolvency (Northern Ireland) Order 1989.

Swiss general insurers

10C.1.10 R For Swiss general insurers, references in this chapter to parts of the PRA Rulebook for ‘Solvency II firms’ are to be read as references to the corresponding parts of the PRA Rulebook applying to large non directive insurers.

10C.1.11 G Swiss general insurers are in the large non directive insurers sector of the PRA Rulebook and the PRA applies to them, in relation to their controlled functions, provisions equivalent to those applying to third country branches in the Solvency II firms sector of the PRA Rulebook. The FCA includes them as third country undertakings of Solvency II firms and so they must follow the requirements for Solvency II firms set out in this chapter.

Insurance and mortgage credit mediation

10C.1.12 G See MIPRU 2.2 (Allocation of the responsibility for insurance distribution activity or MCD credit intermediation activity) for how the FCA’s senior managers regime for SMCR firms is adjusted for a firm carrying on insurance distribution activity or MCD credit intermediation activity.

10C.2 Purpose

10C.2.1 G The purpose of SUP 10C is:

- (1) to specify, under section 59 of the Act, descriptions of the FCA-designated senior management functions for ~~relevant authorised persons~~ SMCR firms, which are listed in SUP 10C.4.3R; and

- (2) to specify the manner in which a *firm* must apply for the *FCA's* approval under section 59 of the *Act* and other procedures for *FCA-approved SMF managers*; ~~and~~
- (3) ~~describe the *FCA's* senior management managers regime for *SMF managers in relevant authorised persons*.~~
- 10C.2.2 G ~~*SUP 10C* does not deal with the *PRA's* senior management regime for *relevant authorised persons*. The key parts of its regime can be found in the parts of the *PRA's* rulebook called 'Senior Management Functions' and 'Allocation of Responsibilities'. [deleted]~~
- 10C.2.3 G (1) The *FCA* has certain powers in relation to *PRA-approved persons*, such as the requirement for *FCA* consent to the *PRA* granting approval for the performance of a *PRA controlled function*. *SUP 10C* does not deal with these.
- (2) However, *SUP 10C.12.1G* has material about the *FCA's* policy on giving its consent to applications made to the *PRA* about conditional and time-limited approvals for *SMF managers in PRA-authorised persons*.
- 10C.2.4 G *SUP 10C.14* (Changes to an approved person's details) applies, in certain cases, to *PRA-approved persons*. Where this is the case, it says so.

10C.3 General material about the definition of controlled functions

Purpose

- 10C.3.1 G This section has general provisions that apply to the definition of all *controlled functions*.

Types of controlled function

- 10C.3.2 G There are two types of *FCA controlled function* under the *Act*:
- (1) an *FCA-designated senior management function*; and
- (2) an *FCA controlled function* that is not a *designated senior management function*.
- 10C.3.3 G All the *controlled functions* that the *FCA* has specified in this chapter are *designated senior management functions*. The *FCA* has not, in this chapter, used its power to specify *controlled functions* that are not *designated senior management functions*.
- 10C.3.4 G The *FCA* has (in *SUP 10A*) specified *controlled functions* for *relevant authorised persons* that are not *designated senior management functions*. (See *SUP 10C.1.7R* to *SUP 10C.1.8G* (Appointed

representatives)).

[*Editor's note:* This provision will be reviewed in a second Consultation Paper]

- 10C.3.5 G (1) Except as described in *SUP* 10C.3.4G, in this chapter, *FCA controlled function* and *FCA-designated senior management function* cover the same functions.
- (2) Therefore, a function is only covered by *SUP* 10C.4.3R (Table of FCA-designated senior management functions ~~for relevant authorised persons~~) if that function meets both the following sets of requirements:
- (a) the requirements of *SUP* 10C.3.6R (Definition of FCA controlled function: arrangements); and
- (b) the requirements of *SUP* 10C.3.10R (Definition of FCA-designated senior management function).

Definition of FCA controlled function: arrangements

- 10C.3.6 R In accordance with section 59 of the *Act* (Approval for particular arrangements), a function specified in this chapter is an *FCA controlled function* only to the extent that it is performed under an *arrangement* entered into by:
- (1) a *firm*; or
- (2) a contractor of the *firm*;
- in relation to the carrying on by the *firm* of a *regulated activity*.
- 10C.3.7 G Section 59(1) and (2) of the *Act* provide that approval is necessary for an *FCA controlled function* which is performed under an *arrangement* entered into by a *firm*, or its contractor (typically an *appointed representative*), in relation to a *regulated activity*.
- 10C.3.8 G (1) *Arrangement* is defined in section 59(10) of the *Act* as any kind of arrangement for the performance of a function which is entered into by a *firm* or any of its contractors with another *person*.
- (2) *Arrangement* includes the appointment of a *person* to an office, a *person* becoming a *partner*, or a *person's* employment (whether under a contract of service or otherwise).
- (3) An *arrangement* need not be a written contract but could arise by conduct, custom and practice.
- 10C.3.9 G If a *firm* is a member of a group, a *person* employed elsewhere in the *group* (for example, by the *holding company*) who carries out a

function in relation to the *firm* will only perform an *FCA controlled function*:

- (1) if the function is performed under an *arrangement* entered into by the *firm* (under section 59(1)); or
- (2) if:
 - (a) there is a contract (under section 59(2)) between the *firm* and the relevant *group* member permitting this; and
 - (b) the function is performed under an *arrangement* entered into by the contractor.

Definition of FCA-designated senior management function

- | | | |
|----------|---|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 10C.3.10 | R | Each <i>FCA-designated senior management function</i> is one which comes within the definition of a <i>senior management function</i> . |
| 10C.3.11 | G | <p>Section 59ZA(2) of the <i>Act</i> says that a function is a ‘senior management function’, in relation to the carrying on of a <i>regulated activity</i> by a <i>firm</i>, if:</p> <ol style="list-style-type: none"> (1) the function will require the <i>person</i> performing it to be responsible for managing one or more aspects of the <i>firm</i>’s affairs, so far as relating to the activity; and (2) those aspects involve, or might involve, a risk of serious consequences: <ol style="list-style-type: none"> (a) for the <i>firm</i>; or (b) for business or other interests in the <i>United Kingdom</i>. |
| 10C.3.12 | G | Section 59ZA(3) of the <i>Act</i> says that ‘managing’ includes, for these purposes, taking decisions, or participating in the taking of decisions, about how one or more aspects of the <i>firm</i> ’s affairs should be carried on. |

The 12-week rule

|----------|---|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 10C.3.13 | R | <p>If:</p> <ol style="list-style-type: none"> (1) a <i>firm</i> appoints an individual to perform a function which, but for this <i>rule</i>, would be an <i>FCA-designated senior management function</i>; (2) the appointment is to provide cover for an <i>SMF manager</i> whose absence is: <ol style="list-style-type: none"> (a) temporary; or |
|----------|---|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

- (b) reasonably unforeseen; and
- (3) the appointment is for less than 12 weeks in a consecutive 12-month period;

the description of the relevant *FCA-designated senior management function* does not relate to those activities of that individual.

- 10C.3.14 G SUP 10C.3.13R enables cover to be given for (as an example) holidays and emergencies and avoids the need for the precautionary approval of, for example, a deputy. However, as soon as it becomes apparent that a *person* will be performing an *FCA-designated senior management function* for more than 12 weeks, the *firm* should apply for approval.
- 10C.3.15 G See SUP 10C.12.7G to SUP 10C.12.14G (time-limited approvals) for procedures for temporary appointments longer than 12 weeks.
- 10C.3.16 G (1) A *firm* to which SYSC 26 (Senior managers and certification regime: Overall and local responsibility) applies may have allocated responsibilities under that chapter to an SMF manager who is absent under SUP 10C.3.13R.
- (2) SYSC 26.4.8R (Exclusion where the 12-week rule applies) deals with how those responsibilities may be reallocated during the SMF manager's absence.
- (3) SYSC 26.4.10G explains that SYSC 26.4.8R and SUP 10C.3.13R apply to a person performing the other overall responsibility function or the other local responsibility function as well as to other designated senior management functions.
- 10C.3.17 G (1) If:
- (a) a *firm* allocates any FCA-prescribed senior management responsibilities to an SMF manager; and
- (b) the SMF manager later becomes absent;
- the *firm* should reallocate them to another SMF manager.
- (2) The *firm* may not allocate the absent manager's FCA-prescribed senior management responsibilities to the person providing cover for that manager unless the person providing cover is also an SMF manager of the *firm*.

10C.4 Specification of functions

- 10C.4.1 R (1) Each function described in SUP 10C.4.3R is an *FCA controlled function*.

- (2) In accordance with section 59(6A) of the *Act* (Approval for particular arrangements), the *FCA* designates each function in (1) as a *senior management function*.
- 10C.4.2 R (1) ~~Part 1 of the table in SUP 10C.4.3R applies to UK relevant authorised persons.~~
- (2) ~~Part 2 of the table in SUP 10C.4.3R applies to EEA relevant authorised persons.~~

 [Editor's note: This provision will be reviewed in a second Consultation Paper]

10C.4A FCA governing functions: General

Sole traders

- 10C.4A.1 G (1) An individual *sole trader* themselves will not need approval to perform any of the *governing functions*. Therefore the *governing functions* do not apply to a *sole trader* with no employees.
- (2) It is possible, although perhaps not likely in practice, that the *governing functions* could apply to staff working for the *sole trader*.
- (3) In particular, it is possible for the *sole trader* to give sufficient authority to a staff member that the staff member meets the *Glossary* definition of a *director*.
- (4) This might happen, for example, if the *sole trader's* business is so large that the *sole trader* sets up a *governing body* to run it.

PRA-authorised persons

- 10C.4A.2 G *SUP* 10C.9 (Minimising overlap with the PRA approved persons regime) explains that in many cases a *person* performing one the functions set out in *SUP* 10C.5 to *SUP* 10C.5B for a *PRA-authorised person* will not in fact require approval from the *FCA* to perform the function and will just require *PRA* approval.

10C.5 FCA governing functions: Executive

Executive director function (SMF3): General

- 10C.5.1 R (1) For a ~~UK relevant authorised person~~ *SMCR firm*, the ~~executive~~ *executive* director function is the function of acting in the capacity of a *director* (other than a *non-executive director*) of the *firm*.
- (2) For a ~~third-country relevant authorised person~~ *non-UK SMCR firm*, the ~~executive~~ *executive* director function is the function of acting in the capacity of a *director* (other than a *non-executive director*) in relation to its *branch* in the *United Kingdom* where

the *person* performing that function has responsibility for managing one or more aspects of the *firm's* affairs so far as relating to the activities of the *branch*.

- (3) Paragraph (2) includes a *person* who is a member (other than a non-executive member) of the *branch's governing body*.
- (4) The executive director function does not apply to a UK SMCR firm that is:
 - (a) a partnership; or
 - (b) a limited liability partnership.

Partner function (SMF27): Partnerships and limited liability partnerships

- | | | |
|----------|----------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 10C.5.16 | <u>R</u> | <p>(1) <u>This rule applies to a UK SMCR firm that is a <i>partnership</i>.</u></p> <p>(2) <u>The <i>partner function</i> is the function of being or occupying the position of a <i>partner</i> in that <i>firm</i>.</u></p> <p>(3) <u>The <i>partner function</i> also includes:</u></p> <p>(a) <u>the function of being or occupying the position of a partner in that <i>firm</i> (by whatever name called); and</u></p> <p>(b) <u>acting as a member of the <i>firm's governing body</i>.</u></p> <p>(4) <u>(3) applies where the <i>Glossary</i> definition of <i>partner</i> is not wide enough to cover all the functions in (3).</u></p> |
| 10C.5.17 | <u>R</u> | <p>(1) <u>This rule applies to a UK SMCR firm that is a <i>limited liability partnership</i>.</u></p> |

- (2) The *partner function* is the function of being or acting in the capacity of:
- (a) a member in that *firm* or a *person* occupying the position of a member (by whatever name called);
 - (b) a *person* appointed to direct the *firm's* affairs; or
 - (c) a *person* in accordance with whose directions or instructions (not being advice given in a professional capacity) the members or *directors* are accustomed to act.

Partner function: When partners and members do not require approval

- 10C.5.18 R (1) This *rule* applies to a *firm* to which the *partner function* applies.
- (2) If the principal purpose of the *firm* is to carry on one or more *regulated activities*, each *person* in SUP 10C.5.16R to SUP 10C.5.17R (a “partner”) performs the *partner function*.
- (3) If the principal purpose of the *firm* is other than to carry on *regulated activities*:
- (a) a partner performs the *partner function* to the extent only that they have responsibility for a *regulated activity*; and
 - (b) a partner in a *firm* will be taken to have responsibility for each *regulated activity* except where the *firm* has apportioned responsibility to another partner or group of partners.
- 10C.5.19 G (1) The effect of SUP 10C Annex 1 2.4R is that *regulated activity* in SUP 10C.5.18R is to be taken as not including an activity that is a *non-mainstream regulated activity*.
- (2) Therefore, a partner whose only *regulated activities* are incidental to their professional services, in a *firm* whose principal purpose is to carry on other than *regulated activities*, need not be an *FCA-approved person*.
- (3) What amounts to the principal purpose of the *firm* is a matter of fact in each case having regard to all the circumstances, including the activities of the *firm* as a whole.
- (4) Any *regulated activities* which such a partner carries on are not within the description of the *partner function*.

Partner function: Limited partnerships

10C.5.20 R If a *partnership* is registered under the Limited Partnership Act 1907, the *partner function* does not extend to any function performed by a limited partner.

Partner function: Partners without influence

<u>10C.5.21</u>	<u>G</u>	<p>(1) <u>SUP 10C.5.16R to SUP 10C.5.20R (Partner function) are drafted to cover all partners and members.</u></p> <p>(2) <u>However, the <i>partner function</i> is (as are all <i>FCA-designated senior management functions</i>) subject to SUP 10C.3.10R (Definition of FCA-designated senior management function).</u></p> <p>(3) <u>The effect is that unless the function performed by the partner or member in question comes within the definition of a <i>senior management function</i>, the function does not come within the <i>partner function</i>. 10C.5A FCA governing functions: Oversight

Non-executive directors

10C.5A.1 G (1) As explained in SUP 10C.7.4G, the FCA does not expect a *non-executive director* ever to perform the *other overall responsibility function*.

10C.5.6 (2) Therefore, a *non-executive director* will not need to be approved to perform any *FCA-designated senior management function* unless they perform the *chair of the nomination committee function* one of the FCA-designated senior management functions set out in this section.

Chairman of the nomination committee function (SMF13)

10C.5A.2 R If the *firm* has a nomination committee, the ~~chair~~ chairman of the
10C.5.2 *nomination committee function* is the function of acting in the capacity
of the chairman of that committee.

10C.5A.3 G See SYSC 4.3A (CRR firms) for material about nomination committees

10C.5A.4 G Please note that the ~~chair~~ chairman of the nomination committee
10C.5.4 function still applies if the firm is not a CRR firm.

Chairman function (SMF9)

- 10C.5A.5 R The *chairman function* is the function of having responsibility for chairing, and overseeing the performance of the role of, the *governing body* of the *firm*.

Chairman of the risk committee function (SMF10)

- 10C.5A.6 R The *chairman of the risk committee function* is the function of having responsibility for chairing, and overseeing the performance of, any committee responsible for the oversight of the risk management systems, policies and procedures of the *firm*, including where applicable to the *firm*, a committee established in accordance with the *risk control requirements for SMCR firms*.

- 10C.5A.7 G The *chairman of the risk committee function* applies even if the *firm*:
- (1) is not obliged to have a committee of the type described in SUP 10C.5A.6R; or
 - (2) is not subject to any requirements of the *regulatory system* dealing with risk management systems, policies and procedures.

Chairman of the audit committee function (SMF11)

- 10C.5A.8 R The *chairman of the audit committee function* is the function of having responsibility for chairing, and overseeing the performance of, any committee responsible for the oversight of the internal audit system of the *firm* including where applicable to the *firm*, a committee established in accordance with the *internal audit requirements for SMCR firms*.

- 10C.5A.9 G The *chairman of the audit committee function* applies even if the *firm*:
- (1) is not obliged to have a committee of the type described in SUP 10C.5A.8R; or
 - (2) is not subject to any requirements of the *regulatory system* dealing with internal audit.

Chairman of the remuneration committee function (SMF12)

- 10C.5A.10 R The *chairman of the remuneration committee function* is the function of having responsibility for chairing, and overseeing the performance of, any committee responsible for the oversight of the design and the implementation of the *remuneration* policies of a *firm*, including where applicable to the *firm*, a committee established in accordance with:
- (1) SYSC 19A.3.12R (Remuneration Principle 4: Governance);
 - (2) SYSC 19B.1.9R (AIFM Remuneration Principle 3: Governance);
 - (3) SYSC 19C.3.12 R (Remuneration Principle 4: Governance);

(4) SYSC 19D.3.12R (Remuneration Principle 4: Governance);

(5) SYSC 19E.2.9R (UCITS Remuneration Principle 3: Governance).

10C.5A.11 G The chairman of the remuneration committee function applies even if the firm:

(1) is not obliged to have a committee of the type described in SUP 10C.5A.10R; or

(2) is not subject to any requirements of the regulatory system dealing with remuneration policies.

Chairman of the with-profits committee function (SMF15)

10C.5A.12 R If the firm has a with-profits committee, the chairman of the with-profits committee function is the function of acting in the capacity of a non-executive chairman of the committee.

10C.5A.13 R If the firm has a with-profits advisory arrangement, the chairman of the with-profits committee function is the function of being whichever of the following applies to the firm:

(1) the independent person referred to in paragraph (a) of the definition of with-profits advisory arrangement; or

(2) the non-executive directors referred to in paragraph (b) of that definition.

Senior independent director function (SMF14)

10C.5A.14 R The senior independent director function is the function of performing the role of a senior independent director, and having particular responsibility for leading the assessment of the performance of the person performing the chairman function.

10C.5B **FCA governing functions: Group entities**

Group entity senior manager function (SMF7)

10C.5B.1 R (1) The group entity senior manager function is the function of having a significant influence on the management or conduct of one or more aspects of the affairs of a firm in relation to its regulated activities.

(2) This controlled function does not include having such influence in the course of performance of another designated senior management function for that firm.

- (3) This controlled function only applies if it is performed by:
- (a) a person employed by; or
 - (b) an officer of:
any of the following:
 - (c) a parent undertaking or holding company of the firm; or
 - (d) another undertaking which is a member of the firm's group.

Basis on which group entity senior manager function is included

- 10C.5B.2 G (1) This provision explains the basis on which the group entity senior manager function is included as a controlled function.
- (2) The basic position is set out in SUP 10C.3.9G. As is the case with all controlled functions, the definition of the group entity senior manager function is subject to the overriding provisions in SUP 10C.3.6R, which sets out the requirements of section 59(1) and (2) of the Act.
- (3) This means that unless the firm has an arrangement permitting the performance of these roles by the persons concerned, these persons will not be performing the group entity senior manager function.
- (4) Therefore, the FCA accepts that there will be cases in which a person performing the role described in SUP 10C.5B.1R will not require approval.
- (5) However where there is such an arrangement the function may apply.

When the group entity senior manager function applies

- 10C.5B.3 G (1) Individuals in the management of a group in which a firm is a subsidiary do not automatically come within the group entity senior manager function even though their job relates to the firm.
- (2) The FCA does not aim or expect to approve individuals to perform this function for every firm to which the function potentially applies under SUP 10C Annex 1 (What functions apply to what type of firm) just because the firm is part of a group.
- (3) The FCA would not consider it to be unusual for there to be no one performing the group entity senior manager function for a

firm that is a subsidiary in a group.

- 10C.5B.4 G Whether someone performs the *group entity senior manager function* should be assessed on a case-by-case basis. The factors to be taken into account include:
- (1) the organisational structures of the group and the *firm*;
 - (2) the split of key responsibilities between the group and *firm* boards and senior management; and
 - (3) whether *SMF managers* based in the *firm* have an appropriate level of authority within the group to ensure that the *firm* complies with the requirements of the *regulatory system*.
- 10C.5B.5 G (1) An individual based elsewhere in a group whose responsibilities in relation to a subsidiary in the group that is a *firm* are limited to developing the group's overall strategy is unlikely to be performing the *group entity senior manager function*.
- (2) The function is more likely to apply to individuals who are directly responsible for implementing the group's strategy in the *firm*.
 - (3) Therefore, if an individual based elsewhere in the group:
 - (a) is directly responsible for taking decisions about how the *firm* should conduct its *regulated activities*; and
 - (b) has not delegated this responsibility to an *SMF manager* based in the *firm*;

it is likely that they will require approval to perform the *group entity senior manager function* (or, as described in SUP 10C.5B.6G, another *designated senior management function*).
 - (4) If however the *firm's governing body* has sufficient discretion in how it applies and responds to proposals coming from group committees or individuals based in parent entities, approval would generally not be required. In this case the individual will be carrying on a group-level function rather than performing a function on behalf of the *firm*.
 - (5) So, where:
 - (a) a *firm* has in place the required *SMF managers* based in the *firm*; and
 - (b) those *SMF managers* are effective and have sufficient control over the *firm*;

the *FCA* would not routinely expect the *firm* to have *persons*

performing the *group entity senior manager function* in place.

- 10C.5B.6 G (1) SUP 10C.5B.1R(2) means that an individual who is approved to perform another *designated senior management function* for a *firm* will often not need to be approved to perform the *group entity senior manager function* for that *firm* as well.
- (2) So for example if the individual has responsibility for the *firm*'s finances they may be performing the *chief finance officer function*. If that is the case the individual will not be performing the *group entity senior manager function*.
- (3) Similarly an individual who is approved to perform another *designated senior management function* for the *firm* may have influence that comes from holding that post in matters falling outside the core duties of that post. For example a chief finance officer of a *firm* will have important input into decisions that fall outside the core financial control function. That influence does not mean that they are performing the *group entity senior manager function*.

10C.5B.7 G The *group entity senior manager function* is potentially relevant:

- (1) whether the individual is located in or outside the *United Kingdom*; and
- (2) whether the group is headquartered in the *United Kingdom* or overseas.

- 10C.5B.8 G (1) The parent of a subsidiary *firm* cannot itself perform the *group entity senior manager function*.
- (2) A shareholder in the parent will also not perform this function unless the shareholder is also a director, officer or employee of the parent and is exerting significant influence over the *firm* through that role.

10C.6 FCA-required functions

Compliance oversight function (SMF16)

- 10C.6.1 R The *compliance oversight function* is the function of acting in the capacity of a ~~director or senior manager~~ person who is allocated the function in:
- (1) SYSC 6.1.4R(2); ~~or~~
- (2) article 22(3) of the *MiFID Org Regulation*; ~~or~~
- (3) article 22(3) of the *MiFID Org Regulation* (as applied in

accordance with SYSC 1 Annex 1 2.8AR, SYSC 1 Annex 1 3.2-AR, SYSC 1 Annex 1 3.2-BR, SYSC 1 Annex 1 3.2CR and SYSC 1 Annex 1 3.3R);

- (4) SYSC 6.1.4CR;
- (5) SYSC 3.2.8R; or
- (6) (for a full-scope UK AIFM) article 61(3)(b) of the AIFMD level 2 regulation.

Money laundering reporting function (SMF17)

- 10C.6.2 R The *money laundering reporting function* is the function of acting in the capacity of the *money laundering reporting officer* of a firm.
- 10C.6.3 G ~~A firm's obligations in respect of its money laundering reporting officer are set out elsewhere in the Handbook (see SYSC 6.3.9R and, for their scope, see the application provisions in SYSC 1 Annex 1). [deleted]~~

Limited scope function (SMF29)

[Editor's note: This function is the renamed apportionment and oversight function. The consequential changes to the Handbook required by this renaming will be dealt with in a second Consultation Paper.]

- 10C.6.4 R The *limited scope function* is the function of acting in the capacity of a person responsible for the apportionment function and/or the oversight function set out in SYSC 4.4.5R.
- 10C.6.5 G The fact that there is a person performing the *limited scope function*, and who has responsibility for activities subject to regulation by the FCA, may have a bearing on whether a manager who is based overseas will be performing an *FCA controlled function*. It is a factor to take into account when assessing the likely influence of the overseas manager.

Conduct risk oversight (Lloyd's) function (SMF23b)

- 10C.6.6 R The *conduct risk oversight (Lloyd's) function* is the function of acting in the capacity of a person who is allocated the function in SYSC 3.2.9AR.

10C.6A Systems and controls functions: Finance, risk and internal audit

Introduction

- 10C.6A.1 G The *FCA-designated senior management functions* in this section apply even if the firm:
- (1) is not required by the *regulatory system* to allocate any of these

roles to someone; or

- (2) is not subject to any requirements of the *regulatory system* dealing with the management of the matters referred to in SUP 10C.6A.3R to SUP 10C.6A.6R.

Seniority

- 10C.6A.2 G The *FCA* expects a *firm* to ensure that a person performing a function in this section for a *firm* has sufficient expertise and authority to perform that function effectively. A *director* or *senior manager* would meet this expectation.

Chief finance officer function (SMF2)

- 10C.6A.3 R The *chief finance officer function* is the function of having responsibility for management of the financial resources of the *firm*, including reporting directly to the *governing body* of the *firm* in relation to its financial affairs.

Chief risk officer function (SMF4)

- 10C.6A.4 R The *chief risk officer function* is the function of having responsibility for overall management of the risk controls of a *firm*, including:
- (1) the setting and managing of the *firm's* risk exposures; and
 - (2) reporting directly to the *governing body* of the *firm* in relation to its risk management arrangements.

- 10A.6A.5 G (1) Risk controls systems include ones designed to deal with the kinds of matters in the *risk control requirements for SMCR firms*.
- (2) However SUP 10C.6A.4R applies even if the provisions in (1) do not apply to the *firm*.

Head of internal audit function (SMF5)

- 10C.6A.6 R The *head of internal audit function* is the function of having responsibility for management of the internal audit function of the *firm*, including reporting directly to the *governing body* of the *firm* on the internal audit function.
- 10A.6A.7 G (1) Internal audit covers the kinds of matters in the *internal audit requirements for SMCR firms*.
- (2) However SUP 10C.6A.6R applies even if the provisions in (1) do not apply to the *firm*.

10C.7 Other overall responsibility function (SMF18)

Application

10C.7.1-2 R This section applies to a *firm*:

- (1) to which SYSC 26 (Senior managers and certification regime: Overall and local responsibility) applies; and
- (2) that is a UK SMCR firm.

10C.7.1-1 G The effect of SUP 10C.7.1-2R is that this section only applies to one of the following types of UK SMCR firm:

- (1) an SMCR dual regulated banking sector firm;
- (2) an enhanced scope SMCR firm; and
- (3) a Solvency II firm (including a large non-directive insurer) but excluding an insurance special purpose vehicle and certain firms in run-off.

Definition

10C.7.1 R A person performs the other overall responsibility function in relation to a *firm* if that person:

- (1) is performing:
 - (a) a function allocated to that *person* under ~~SYSC 4.7.8R~~ (Allocation of overall responsibility for a firm's activities, business areas and management functions) SYSC 26.3.1R (Main rules) in relation to the *firm*; or
 - (b) *FCA-prescribed senior management responsibility* ~~number (11)~~ (z) in the table in SYSC 24.2.5R (functions in relation to CASS) allocated to that *person* under ~~SYSC 4.7.5R (Allocation of FCA-prescribed senior management responsibilities)~~ SYSC 24.2 (Allocation of FCA-prescribed senior management responsibilities: Main allocation rules); and or
 - (c) (if the *firm* has allocated such a function to someone) the function of having overall responsibility for any of the activities, business areas and management functions

of the firm excluded from SYSC 26.3 (Main rules) by SYSC 26.4.11R (Exclusion for AIFMD); and

- (2) does not have an approval to perform any other *designated senior management function* in relation to the *firm*.

~~Other~~ The other overall responsibility function does not apply if approved for another function

10C.7.2 G The table in SUP 10C.7.3G gives examples of how SUP 10C.7.1R(2) works.

10C.7.3 G Table: Examples of how the other overall responsibility function applies

Example	Comments
(1) 'A' is appointed to perform the executive <i>executive director function</i> and to perform a potential <i>other overall responsibility function</i> for the same <i>firm</i> .	A only needs approval to perform the executive <i>executive director function</i> .
(2) 'A' is approved to perform the <i>other overall responsibility function</i> . Later, A is appointed to perform the executive <i>executive director function</i> for the same <i>firm</i> .	A requires approval for the <i>other overall responsibility function</i> when A is first appointed. When A is later approved to perform the executive <i>executive director function</i> , A stops performing the <i>other overall responsibility function</i> . The <i>firm</i> should use Form E to apply for approval for A to perform the executive <i>executive director function</i> and to notify the <i>FCA</i> that A is no longer performing the <i>other overall responsibility function</i> .
(3) 'A' is appointed to perform the <i>PRA's Head of Key Business Area designated senior management function</i> for <u>Firm X</u> and to perform a potential <i>other overall responsibility function</i> for the same <i>firm</i> . <u>Firm X is an SMCR dual regulated banking sector firm.</u>	A only needs approval to perform the <i>PRA's Head of Key Business Area designated senior management function</i> . It does not make any difference whether the potential <i>other overall responsibility function</i> that A performs is connected to the <i>PRA's Head of Key Business Area designated senior management function</i> .

<p>(4) 'A' is approved to perform the <i>other overall responsibility function</i> for <u>Firm X</u>. <u>Firm X is an SMCR dual regulated banking sector firm</u>. <p>(7) 'A' is appointed to take on some functions that come within the <i>other overall responsibility function</i>. (8) 'A' is appointed to a role for <u>Firm X</u> that comes within the <i>other overall responsibility function</i> . <u>Firm X is an SMCR dual regulated banking sector firm</u> . Later, the <i>firm</i> reorganises and A's role comes within the <i>PRA's Head of Key Business Area designated senior management function</i> . A's role does not otherwise change.	<p>The answer for example (7) applies.</p> <p><u>On A's first appointment, A will need to be approved to perform the other overall responsibility function.</u></p> <p><u>When A is later approved to perform the PRA's Head of Key Business Area designated senior management function, A stops performing the other overall responsibility function.</u></p>
(9) 'A' is appointed to a role for <u>Firm X</u> that comes within the <i>PRA's Head of Key Business Area designated senior management function</i> . It is also a potential <i>other overall responsibility function</i> . <u>Firm X is an SMCR dual regulated banking sector firm</u> . Later, the <i>firm</i> reorganises—A's role stays the same but now it falls outside the <i>PRA's Head of Key Business Area designated senior management function</i> .	<p>On A's first appointment, A only needs approval to perform the <i>PRA's Head of Key Business Area designated senior management function</i>. Following the reorganisation, the <i>firm</i> has three months to get approval for A to perform the <i>other overall responsibility function</i>. This three-month period applies because the relevant <i>PRA</i> rules keep the <i>PRA's Head of Key Business Area designated senior management function</i> in place, which means that the <i>other overall responsibility function</i> does not apply during that period.</p> <p>The relevant <i>PRA</i> rules can be found in Chapter 2 of the part of the <i>PRA rulebook</i> <u>Rulebook</u> titled 'Senior Management Functions'.</p>
(10) 'A' is appointed to a role for <u>Firm X</u> that comes within the <i>PRA's Head of Key Business Area designated senior management function</i> . A also performs a potential <i>other overall responsibility function</i> . <u>Firm X is an SMCR dual regulated banking sector firm</u> . Later, A gives up the <i>PRA</i> role but carries on with the potential <i>other overall responsibility function</i> .	The answer to example (9) applies.
(11) 'A' is appointed as an	On A's first appointment, A will need

executive director. A then resigns and takes up a job with the same <i>firm</i> coming within the <i>other overall responsibility function</i> .	to be approved to perform the executive <i>executive director function</i> . A will need to get approval to perform the <i>other overall responsibility function</i> before A gives up being a director <u>takes up their new responsibilities</u> .
Note (1): A potential <i>other overall responsibility function</i> means a function that would have come within the <i>other overall responsibility function</i> but is excluded by SUP 10C.7.1R(2).	
Note (2): A potential <i>other overall responsibility function</i> should be recorded in A's <i>statement of responsibilities</i> and in the <i>firm's management responsibilities map</i> .	

Non-executive directors

- 10C.7.4 G For the reasons described in ~~SYSC 4.7.18G~~ SYSC 26.4.5G, the FCA does not expect that a *non-executive director* will ever perform the *other overall responsibility function*.

10C.8 The other local responsibility function (SMF22) and EEA branch senior manager functions (SMF21)

Application

- 10C.8.1-1 G This section does not apply to a UK SMCR firm.

Other local responsibility function (SMF22)

- 10C.8.1 R A person performs the *other local responsibility function* in relation to a branch maintained in the United Kingdom by a ~~third country relevant authorised person~~ non-UK SMCR firm if that person:

- (1) is performing:
 - (a) a function allocated to that *person* under ~~SYSC 4.8.10R (Local responsibility for a firm's activities, business areas and management functions)~~ SYSC 26.3.1R (Main rules) in relation to the *firm*; or
 - (b) *FCA-prescribed senior management responsibility number (8) (z)* in the table in ~~SYSC 4.8.9R~~ SYSC 24.2.5R (functions in relation to CASS) allocated to that person under ~~SYSC 4.8.6R (FCA-prescribed senior management responsibilities)~~ SYSC 24.2 (Allocation of FCA-prescribed senior management responsibilities: Main allocation rules); and

- (2) does not have an approval to perform any other *designated senior management function* in relation to the *branch*.

10C.8.1A

R The other local responsibility function:

- (1) applies to a *firm* to which SYSC 26 (Senior managers and certification regime: Overall and local responsibility) applies; and
- (2) does not apply to an *EEA SMCR firm*.

10C.8.1B

G The effect of SUP 10C.8.1AR is that the *other local responsibility function* only applies to one of the following types of *non-UK SMCR firm*:

- (1) an *SMCR dual regulated banking sector firm*; and
- (2) a *Solvency II firm* (including a *large non-directive insurer*) but excluding an *insurance special purpose vehicle* and certain *firms in run-off*;

but does not apply to any *EEA SMCR firm*.

10C.8.2

G The table in SUP 10C.8.3G gives:

- (1) examples of how SUP 10C.8.1R(2) works; and
- (2) other examples of how the *other local responsibility function* works.

10C.8.3

G Table: Examples of how the other local responsibility function applies

Example	Comments
(1) 'A' is allocated local responsibility for one of a <i>branch's</i> main business lines. A is also appointed to perform a <i>PRA-designated senior management function</i> for the same <i>branch</i> . <u>The <i>firm</i> is a <i>PRA-authorised person</i>.</u>	A only needs approval to perform the <i>PRA-designated senior management function</i> .
(2) 'A' is outside the <i>branch's</i> management structure and A's responsibilities for the <i>branch</i> are limited to setting overall strategy for the <i>branch</i> . A does not have responsibility	A is not performing the <i>other local responsibility function</i> . The reason for this is explained in SYSC 26.8.3G. SUP 10C.8.1R(2) is irrelevant to this example.

for implementing that strategy.	
(3) A small branch undertakes two business lines (wholesale lending and corporate investments). 'A' is head of wholesale lending and is also an executive director of the branch. 'B' is head of corporate investments and does not sit on the branch management committee but reports to it on corporate investments. The branch allocates local responsibility for these functions to A and B. Neither A nor B performs any other PRA or FCA- <i>designated senior management functions function or (if the firm is a PRA-authorised person) PRA-designated senior management function.</i>	A only needs approval to perform the executive <i>executive director function.</i> B needs approval to perform the <i>other local responsibility function.</i>
(4) A branch does not have a Head of Internal Audit. 'P' is allocated local responsibility for internal audit in relation to that branch.	P needs approval to perform the <i>other local responsibility function.</i> However, if P has already been approved to perform another PRA or FCA- <i>designated senior management function or (if the firm is a PRA-authorised person) PRA-designated senior management function,</i> then P will not be performing the <i>other local responsibility function.</i>
(5) 'A' is appointed to perform the executive <i>executive director function.</i> The same branch also allocates local responsibility for some branch functions to A.	A only needs approval to perform the executive <i>executive director function.</i>
(6) 'A' is approved to perform the <i>other local responsibility function.</i> Later, A is appointed to perform the executive <i>executive director</i>	A requires approval for the <i>other local responsibility function</i> when A is first appointed. When A is later approved to perform the executive <i>executive director function,</i> A stops performing

function for the same firm.	the <i>other local responsibility function</i> . The firm should use Form E to apply for approval for A to perform the executive <i>executive director function</i> and to notify the FCA that A is no longer performing the <i>other overall responsibility function</i> .
(7) 'A' is appointed to perform: (a) the <i>compliance oversight function</i> for one firm (Firm X) in a group (which may or may not be a relevant authorised person); and (b) a function coming within the scope of the <i>other local responsibility function</i> for the <u>United Kingdom branch of another firm (which is a third-country-relevant authorised person)</u> in the same group (Firm Y).	A needs approval to perform the <i>compliance oversight function</i> for Firm X and the <i>other local responsibility function</i> for Firm Y.
(8) 'A' is appointed to take on some functions that come within the <i>other local responsibility function</i> . Later, A is appointed as chief risk officer. <u>A is a type of firm for which being chief risk officer is a PRA designated senior management function.</u>	On A's first appointment, A will need to be approved to perform the <i>other local responsibility function</i> . On being approved as chief risk officer, A stops performing the <i>other local responsibility function</i> as being chief risk officer is a PRA designated senior management function .
(9) 'A' is appointed as an executive director. A then resigns and takes up a job with the same firm coming within the <i>other overall responsibility function</i> .	On A's first appointment, A will need to be approved to perform the executive <i>executive director function</i> . A will need to get approval to perform the <i>other overall responsibility function</i> before A gives up being a director <u>takes up their new responsibilities</u> .
Note: Local responsibility is explained in SYSC 4.8.10R (Third-country relevant authorised persons: Allocation of responsibilities) <u>SYSC 26 (Senior managers and certification regime: Overall and local responsibility)</u> .	

- 10C.8.4 R (1) A *person* performs the *EEA branch senior manager function* in relation to the *branch* in the *United Kingdom* of an *EEA ~~relevant authorised person~~ SMCR firm* if that *person* has significant responsibility for one or more significant business units of the *branch* that carry on any of the activities listed in (2).
- (2) The activities listed in this paragraph are:
- (a) *designated investment business* other than *dealing in investments as principal*, disregarding article 15 of the *Regulated Activities Order*;
 - (b) processing confirmations, payments, settlements, insurance claims, client money and similar matters, in so far as this relates to *designated investment business*;
 - (c) the activity of *accepting deposits* from *banking customers* and activities substantially connected to that activity to the extent that it does not fall within (a) or (b), above; and
 - (d) activities that are subject to CASS.
- (3) In considering whether a *person* performs the functions in (2), only activities carried on from the *branch* are relevant.
- (4) Paragraph (2)(d) only applies in relation to the activities of a *firm* for which it has a *top-up permission*.
- 10C.8.5 G (1) The definition of the *EEA branch senior manager function* (SMF21) is similar to that of the significant management *FCA-specified significant-harm function* under SYSC 27.7.5R. However, only the former is an *FCA-designated senior management function*.
- (2) The main differences are:
- (a) *SUP 10C.8.4R(2)(d)* is not included in the significant management *FCA-specified significant-harm function*; and
 - (b) the overriding requirements in *SUP 10C.3* (General material about the definition of controlled functions) do not apply to the significant management *FCA-specified significant-harm function*.
- 10C.8.6 G A *person* performing the *EEA branch senior manager function* could, for example, be:
- (1) the head of a significant business unit carrying on the activities

in *SUP* 10C.8.4R(2); or

- (2) a member of a committee (that is, a person who, together with others, has authority to commit the *branch*) making decisions about those activities.

EEA branch senior manager function (SMF21): ~~meaning~~ Meaning of significance

- 10C.8.7 G When considering whether a business unit is significant for the purposes of *SUP* 10C.8.4R, the *firm* should take into account all relevant factors in the light of the *firm's* current circumstances and its plans for the future, including:
- (1) the risk profile of that unit;
 - (2) its use or commitment of the *firm's* capital;
 - (3) its contribution to the profit and loss account;
 - (4) the number of *employees* or *approved persons* working in the business unit;
 - (5) the number of customers; and
 - (6) any other factor which makes the unit significant to the conduct of the *branch's* affairs.

10C.9 **Minimising overlap with the PRA approved persons regime**

Application

- 10C.9.1 -1 G This section only applies to a *PRA-authorised person*.

Introduction

- 10C.9.1 G *SUP* 10C.9 deals with how the *FCA's* senior ~~management~~ managers regime for ~~relevant authorised persons~~ SMCR firms interacts with the *PRA's* one.
- 10C.9.2 G Both the *FCA* and the *PRA* may specify a function as a *designated senior management function* in relation to a *PRA-authorised person*.
- 10C.9.3 G If a *person's* job for a *firm* involves performing:
- (1) an *FCA-designated senior management function*, the *firm* should apply to the *FCA* for approval;
 - (2) a *PRA-designated senior management function*, the *firm* should apply to the *PRA* for approval;

- (3) both an *FCA-designated senior management function* and a *PRA-designated senior management function*, the *firm* should apply to both the *FCA* and the *PRA* for approval (the purpose of *SUP 10C.9* is to cut down the need for this sort of dual approval).

FCA controlled functions absorbed into PRA controlled functions

- 10C.9.4 G The *FCA* is under a duty, under section 59A of the *Act* (Specifying functions as controlled functions: supplementary), to exercise the power to specify any *senior management function* as an *FCA controlled function* in a way that it considers will minimise the likelihood that approvals need to be given by both the *FCA* and the *PRA* for the performance by a *person* of *senior management functions* in relation to the same *PRA-authorised person*.
- 10C.9.5 G The *FCA* and *PRA* have coordinated their *approved person* regimes to reduce the amount of overlap.
- 10C.9.6 G (1) *SUP 10C.9.8R* applies when a *firm* is seeking approval from the *PRA* for a *candidate* to perform a *PRA controlled function* and the intention is that the *candidate* will also perform what would otherwise be an *FCA governing function* once the *PRA* gives its approval. *SUP 10C.9.8R* works by disapplying that *FCA governing function*.
- (2) Where (1) applies, the activities within that *FCA governing function* are included in the *PRA controlled function* for which the *person* has approval. The following parts of the *PRA Rulebook* deal with this:
- (a) Chapter Two of the part of the ~~*PRA's rulebook*~~ *PRA Rulebook* titled 'Senior Management Functions' deals with this ;
- (b) Chapter 2 of the part of the *PRA Rulebook* titled 'Insurance - Senior Insurance Management Functions'
- (c) Chapter 2 of the part of the *PRA Rulebook* titled 'Large Non-Solvency II Firms – Senior Insurance Management Functions'; and
- (d) Chapter 2 of the part of the *PRA Rulebook* titled 'Non-solvency II Firms - Senior Insurance Management Functions'.
- 10C.9.7 G (1) *SUP 10C.9.9G* gives some examples of how *SUP 10C.9.8R* works.
- (2) The examples do not cover the *other overall responsibility function* because that function does not apply if the *person*

holds any other *designated senior management function* for the same *firm*. See the table in SUP 10C.7.3G for examples of how this works.

The main rule

- 10C.9.8 R A *person* (referred to as ‘A’ in this *rule*) is not performing an *FCA governing function* (referred to as the ‘particular’ *FCA governing function* in this *rule*) in relation to a *PRA-authorised person* (referred to as ‘B’ in this *rule*), at a particular time, if:
- (1) A has been approved by the *PRA* to perform any *PRA-designated senior management function* in relation to B;
 - (2) throughout the whole of the period between the time of the *PRA* approval in (1) and the time in question, A has been the subject of a *current PRA approved person approval* to perform a *PRA-designated senior management function* in relation to B;
 - (3) at the time of the *PRA* approval referred to in (1), A was not subject to a *current FCA approved person approval* to perform the particular *FCA governing function* in relation to B;
 - (4) as part of the application for the *PRA* approval referred to in (1), B notified the *PRA* that A would start to perform what would otherwise have been the particular *FCA governing function* (referred to as the ‘potential’ *FCA governing function* in this *rule*) at or around the time of the *PRA* approval in (1); and
 - (5) A started to perform the potential *FCA governing function* at, or around the time of, the *PRA* approval in (1) and has continued to perform it up to the time in question.

(2) Same as example (1), except that A will take up the role as an executive director slightly later because the approval is needed from the <i>firm's</i> shareholders or <i>governing body</i> .	No	Yes	The answer for (1) applies. The arrangements in this section apply if the application to the <i>PRA</i> says that A will start to perform the potential <i>FCA governing function</i> around the time of the <i>PRA</i> approval as well as at that time.
(3) Same as example (1) but the application to the <i>PRA</i> does not mention that it is also intended that A is to be an executive director. Yes	<i>SUP 10C.9.8R</i> does not apply if the application for <i>PRA</i> approval does not say that A will also be performing what would otherwise be an <i>FCA governing function</i> .
(4) A is to be appointed as chief executive and an executive director.	No. A is not treated as performing the executive <i>executive director function</i> . During that interim period, A keeps the status of a <i>PRA approved person</i> performing the director element of the <i>PRA</i> chief risk <i>designated senior management function</i> - which is included in that function under relevant <i>PRA</i> rules. The relevant <i>PRA</i> rules say that, during this transitional period, A is still treated as performing the <i>PRA</i> chief risk <i>designated senior management function</i> and <i>SUP</i> 10C.9.8R says that, for as long as A is performing a <i>PRA</i>-</p>

(10) A is appointed chief risk officer and an executive director. A goes on temporary sick leave. A takes up his old job when he comes back.	No, neither on A's first appointment nor when A comes back from sick leave.	Yes	SUP 10C.9.8R still applies on A's return because A does not stop performing either the PRA's chief risk function or what would otherwise have been the executive <i>executive director function</i> just because A goes on temporary sick leave.

(12) 'A' is to be appointed to perform the Head of Overseas Branch <i>PRA-designated senior management function</i> (SMF19) for a <i>third-country relevant authorised person</i> <u>SMCR firm</u> . A is also an executive director of that <i>firm's UK branch</i> .	No. A is not treated as performing the executive <i>executive director function.</i>	Yes	A's functions as a director will be included in the <i>PRA controlled function</i> .
<p>Note 1: The relevant <i>PRA</i> rules can be found in Chapter 2 of the part <u>parts</u> of the <i>PRA rulebook</i> called '<u>Senior Management Functions</u>' <i>Rulebook</i> listed in <i>SUP 10C.9.6G</i>.</p>			
<p>Note 2: Where one of the examples in this table includes someone being <u>chief risk or finance officer or chairman of the governing body</u>, the example assumes that the <i>firm</i> is of a type for which that function is a <i>PRA-designated senior management function</i>.</p>			

- 10C.9.10 G (1) The potential *FCA governing functions* should be recorded in A's *statement of responsibilities* and in the *firm's management responsibilities map*.
- (2) A potential *FCA governing function* means a function that would have been an *FCA governing function* but which is not an *FCA governing function* because of *SUP 10C.9.8R*.

Further guidance on the arrangements between the FCA and PRA about approvals

- 10C.9.11 G The *PRA* cannot give its approval for the performance of a *PRA-designated senior management function* without the consent of the *FCA*. The *firm* does not need to apply to the *FCA* for that consent.
- 10C.9.12 G Under section 59B of the *Act* (Role of FCA in relation to PRA decisions), the *FCA* may arrange with the *PRA* that, in agreed cases, the *PRA* may give approval without obtaining the consent of the *FCA*. No such arrangements are currently in force.

10C.10 Application for approval and withdrawing an application for approval

Purpose

- 10C.10.1 G This section explains how a *firm* should apply for approval for a *person* to perform an *FCA-designated senior management function*.
- 10C.10.2 G Unless the context otherwise requires, in *SUP* 10C.10 (Application for approval and withdrawing an application for approval) to *SUP* 10C.15 (Forms and other documents and how to submit them to the FCA), where reference is made to a *firm*, this includes an applicant for *Part 4A permission* and other *persons* seeking to carry on *regulated activities* as ~~a relevant authorised person~~ an SMCR firm.

When to apply for approval

- 10C.10.3 G (1) Section 59 of the *Act* (Approval for particular arrangements) says that a *firm* must take reasonable care to ensure that no one performs an *FCA controlled function* (including an *FCA-designated senior management function*) unless that *person* is acting in accordance with an approval given by the *FCA*.
- (2) That means that where a *candidate* will be performing one or more *FCA-designated senior management functions*, a *firm* must take reasonable care to ensure that the *candidate* does not perform these functions unless they have prior approval from the *FCA*.

Failure to apply for approval

- 10C.10.4 G (1) If a *person* performs an *FCA controlled function* (including an *FCA-designated senior management function*) without approval, it is not only the *firm* that is accountable. Under section 63A of the *Act* (Power to impose penalties), if the *FCA* is satisfied that:
- (a) a *person* ('P') has at any time performed an *FCA*

controlled function without approval; and

- (b) at that time P knew, or could reasonably be expected to have known, that P was performing an *FCA controlled function* without approval;

it may impose a penalty on P of such amount as it considers appropriate.

- (2) A *person* performs a *controlled function* without approval for these purposes if that *person* is not acting in accordance with an approval given under section 59 (Approval for particular arrangements).

Who should make the application?

- 10C.10.5 G In accordance with section 60 of the *Act* (Applications for approval), applications must be submitted by, or on behalf of, the *firm* itself, not by:
- (1) the *FCA candidate*; or
 - (2) (where the *FCA candidate* works for the *firm's parent undertaking* or *holding company*) by the *firm's parent undertaking* or *holding company*.
- 10C.10.6 G (1) The *firm* that is employing the *FCA candidate* to perform the *FCA-designated senior management function* will usually make the submission itself.
- (*SUP* 10C.10.7G describes some common situations.)
- (2) Where a *firm* has outsourced the performance of an *FCA-designated senior management function*, the details of the outsourcing determines whom the *FCA* anticipates will submit the *FCA-approved persons* application forms.
 - (3) The *firm* which is outsourcing is referred to as 'A' and the *person* to whom the performance of the *FCA-designated senior management function* has been outsourced, or which makes the arrangement for the *FCA-designated senior management function* to be performed, is referred to as 'B'. In each situation, A must take reasonable care to ensure that, in accordance with section 59(2) of the *Act*, no *person* performs an *FCA-designated senior management function* under an arrangement entered into by its contractor in relation to the carrying on by A of a *regulated activity*, without approval from the *FCA*.
- 10C.10.7 G Outsourcing arrangements

Outsourcing arrangements	Explanation	Submitting form
<i>Firm A to firm B</i>	The <i>FCA</i> will consider A to have taken reasonable care if it enters into a contract with B under which B is responsible for ensuring that the relevant <i>FCA-designated senior management functions</i> are performed by <i>FCA-approved SMF managers</i> , and that it is reasonable for A to rely on this.	<i>Firm B</i> submits <i>FCA-approved persons</i> forms on behalf of <i>firm A</i> .
Outsourcing by A to B (both being a member of the same <i>United Kingdom group</i> and each having its registered office in the <i>United Kingdom</i>)	See <i>SUP</i> 10C.3.9G	Either A or B may submit <i>FCA-approved persons</i> forms on behalf of <i>firms</i> in the group (see <i>SUP</i> 15.7.8G).
(i) A to B, where B: (a) is not an <i>authorised person</i> ; and (b) is not part of the same <i>group</i> as A; or (ii) A to B, where A is a <i>branch</i> of an <i>overseas firm</i> in the <i>United Kingdom</i> , and B is an <i>overseas undertaking</i> of the same <i>group</i> ; or (iii) A to B, where A is a <i>UK authorised</i>	Responsibility for (as opposed to the performance of) any activity <i>outsourced</i> to B will remain with A. See <i>SYSC</i> 8.	A ensures that an individual approved by the <i>FCA</i> or the <i>PRA</i> to perform a <i>designated senior management function</i> has responsibility for the <i>outsourced arrangement</i> and A submits a form in relation to that individual.

<i>subsidiary of an overseas firm and B is an overseas undertaking of the same group.</i>

How to apply for approval

- 10C.10.8 D (1) An application by a *firm* for the *FCA*'s approval under section 59 of the *Act* (Approval for particular arrangements) for the performance of an *FCA-designated senior management function* must be made by completing Form A (*SUP* 10C Annex 2D), except where *SUP* 10C.10.9D requires Form E.
- (2) If a *firm* must make an application using Form A, it must use Form A (shortened form) if: in the circumstances described in *SUP* 10C.10.8AD.

10C.10.8A D If a *firm* must make an application using Form A, it must use Form A (shortened form) if:

- (1) the candidate:
- (a) has current approved person approval to perform:
- (i) an *FCA* controlled function that is a significant influence function; or
- (ii) an *FCA* designated senior management function; or

(iii) a PRA controlled function; or

(b) has had current approved person approval of the type described in (a) within the previous six months; and

(2) there have been no matters arising in relation to the fitness and propriety of the person to whom the application relates which mean that the information provided to the FCA or the PRA regarding fitness and propriety in connection with the current approved person approval in (1)(a) or (b) may have changed since the application for that current approved person approval was made.

- 10C.10.9 D (1) A *firm* must use Form E (SUP 10C Annex 3D) where an *approved person*:
- (a) is both ceasing to perform one or more *controlled functions*; and
- (b) needs to be approved in relation to one or more *FCA-designated senior management function*;
- within the same *firm* or *group*.
- (2) A *firm* must not use Form E if the *approved person* has never before been approved to perform for any *firm*:

- (b) an *FCA-designated senior management function*; or
- (c) a *PRA controlled function*.
- (3) A *firm* must not use Form E if the *approved person* has not been subject to a *current approved person approval* from the *FCA* or *PRA* to perform for any *firm* for more than six months:

- (c) a *PRA controlled function*.
- (4) A *firm* must not use Form E if:
- (a) a notification has been made or should be made:
- (i) to the *FCA* under SUP 10C.14.18R (Changes in fitness to be notified under Form D); or

- (ii) (if the firm is a PRA-authorised person) to the PRA under any equivalent PRA rule; or
 - (iii) to the FCA under SUP 10A.14.17R (the equivalent to (i) ~~for firms that are not relevant authorised persons~~); or in SUP 10A).
 - ~~(iv) the PRA requirements corresponding to (iii);~~
- (whichever is applicable);
- (b) a notification has been made or should be made to the FCA or (if the firm is a PRA-authorised person) PRA under any of the following:

 - (ii) [deleted]
 - (iii) section 64C of the Act (Requirement for relevant authorised persons to notify regulator of disciplinary action); or
 - (c) (if the firm is a PRA-authorised person) a notification has been made or should be made to the PRA under any provision of ~~Chapter 11 of the part of the PRA rulebook~~ Rulebook titled "Notifications" (Conduct Rules: Notifications) corresponding to the requirements in (b); or

- (e) *controlled functions* which that *person* is ceasing to perform (as referred to in (1)); or
 - (f) any *controlled function* that they are continuing to perform for that *firm* or a *firm* in the same *group*.

10C.10.10 G SUP 10C.15 (Forms and other documents and how to submit them to the FCA) explains how applications should be submitted.

Statements of responsibilities

10C.10.11 G An application by a *firm* for the FCA's approval under section 59 of the Act (Approval for particular arrangements) for the performance of an *FCA-designated senior management function* should be accompanied

by a *statement of responsibilities*.

- 10C.10.12 G SUP 10C.11 (Statements of responsibilities) contains more material about *statements of responsibilities*, including (in particular) about a *statement of responsibilities* submitted under an application under SUP 10C.10.

Other material to be included in an application

- 10C.10.13 G A *firm to which SYSC 25.9 (Handover procedures and material) applies* should include in an application a reasonable summary of:

- (1) any handover certificate; and
- (2) any other handover material;

referred to in SYSC 25.9 (~~Handover procedures and material~~) that relates to the responsibilities that the *candidate* is to perform.

- 10C.10.13A D A *firm to which SYSC 25.2 (Management responsibilities maps: Main rules) applies* must include in an application for the FCA's approval under section 59 of the Act (Approval for particular arrangements) for the performance of an FCA-designated senior management function the latest version of the *firm's management responsibilities map*.

Vetting of candidates by the firm

- 10C.10.14 G Under section 60A of the Act, before a *firm* makes an application for approval, it should be satisfied that the *candidate* is a fit and proper person to perform the function to which the application relates. In deciding that question, the *firm* should have particular regard to whether the *candidate*, or any *person* who may perform a function on the *candidate's* behalf:

- (1) has obtained a qualification;
- (2) has undergone, or is undergoing, training;
- (3) possesses a level of competence; or
- (4) has the personal characteristics;

required by *FCA rules* in relation to *persons* performing functions of the kind to which the application relates.

- 10C.10.15 G For *guidance* on criteria that a *firm* should use for assessing whether an *FCA candidate* is fit and proper (including the *FCA rules* referred to in SUP 10C.10.14G), see *FIT*.

Criminal records checks and verifying fitness and properness

- 10C.10.16 R (1) A *firm* must (as part of its assessment of whether a *candidate* is

a fit and proper person to perform an *FCA-designated senior management function* and to verify the information contained in the application to carry out the *FCA-designated senior management function*) obtain the fullest information that it is lawfully able to obtain about the *candidate* under Part V of the Police Act 1997 (Certificates of Criminal records, etc) and related subordinated legislation of the *UK* or any part of the *UK* before making the application.

(2) This rule does not apply to a *firm* that is a *sole trader* if the *candidate* is the *sole trader* themselves.

- 10C.10.23 G Please see *SYSC 22* (Regulatory references) about the requirement for a *firm* to ask for references from previous employers.
- Processing an application
- 10C.10.24 G The *Act* sets out the time that the *FCA* has to consider an application and come to a decision.
- 10C.10.25 G In any case, where the application for approval is made by a *person* applying for a *Part 4A permission*, the *FCA* has until the end of whichever of the following periods ends last:
- (1) the period within which an application for that *permission* must be determined; and
 - (2) the period of three months from the time it receives a properly completed application.
- 10C.10.26 G In any other case, it is the period of three months from the time it receives a properly completed application.
- 10C.10.27 G The *FCA* will deal with cases more quickly than this whenever circumstances allow and will try to meet the standard response times published on the website and in its Annual Report. However, the processing time will be longer than the published standard response times if:
- (1) an application is incomplete when received; or
 - (2) the *FCA* has knowledge that, or reason to believe that, the information is incomplete.
- 10C.10.28 G Before making a decision to grant the application or give a *warning notice*, the *FCA* may ask the *firm* for more information about the *FCA candidate*. If it does this, the three-month period in which the *FCA* must determine a completed application:
- (1) will stop on the day the *FCA* requests the information; and
 - (2) will start running again on the day on which the *FCA* finally receives all the requested information.
- 10C.10.29 G If there is a delay in processing the application within the standard response time, the *FCA* will tell the *firm* making the application as soon as this becomes apparent.
- 10C.10.30 G
- (1) Application forms must always be completed fully and honestly. Further notes on how to complete the form are contained in each form.
 - (2) If forms are not completed fully and honestly, applications will be subject to investigation and the *FCA candidate's* suitability

to be approved to undertake an *FCA controlled function* will be called into question.

- (3) A *person* who provides information to the *FCA* that is false or misleading may commit a criminal offence and could face prosecution under section 398 of the *Act*, regardless of the status of their application.

10C.10.31 G The *FCA* may grant an application only if it is satisfied that the *FCA candidate* is a fit and proper *person* to perform the *FCA-designated senior management function* stated in the application form. Responsibility lies with the *firm* making the application to satisfy the *FCA* that the *FCA candidate* is fit and proper to perform the *FCA-designated senior management function* applied for.

10C.10.32 G For further *guidance* on criteria for assessing whether an *FCA candidate* is fit and proper for the purposes of *SUP* 10C.10.31G, see *FIT*.

Decisions on applications

10C.10.33 G The *FCA* must:

- (1) grant the application;
- (2) grant the application subject to conditions or limitations (see *SUP* 10C.12 for more information); or
- (3) refuse the application.

10C.10.34 G Whenever it grants an application, the *FCA* will confirm this in writing to all *interested parties*.

10C.10.35 G If the *FCA* proposes to take the steps in *SUP* 10C.10.33G(2) or *SUP* 10C.10.33G(3) in relation to one or more *FCA-designated senior management functions*, it must follow the procedures for issuing *warning* and *decision notices* to all *interested parties*. The requirements relating to *warning* and *decision notices* are in *DEPP* 2.

Withdrawing an application for approval

10C.10.36 R A *firm* notifying the *FCA* of its withdrawal of an application for approval must use Form B (*SUP* 10A Annex 5R).

10C.10.37 G Under section 61(5) of the *Act* (Determination of applications), the *firm* may withdraw an application only if it also has the consent of:

- (1) the *candidate*; and
- (2) the *person* by whom the *candidate* is or would have been employed, if this is not the *firm* making the application.

- 10C.10.38 G *SUP 10C.15* (Forms and other documents and how to submit them to the FCA) explains how a notice of withdrawal should be submitted.

10C.11 Statements of responsibilities

What a statement of responsibilities is

- 10C.11.1 G (1) Section 60(2A) of the *Act* (Applications for approval) says that, if a *firm* is applying for approval from the *FCA* or the *PRA* for a *person* to perform a *designated senior management function*, the regulator to which the application is being made must require the application to contain, or be accompanied by, a statement setting out the aspects of the affairs of the *firm* which it is intended that the *person* will be responsible for managing in performing the function.
- (2) That statement is a *statement of responsibilities*.
- (3) A *statement of responsibilities* includes a statement amended under section 62A of the *Act* (see *SUP 10C.11.5G*).

What this section covers

- 10C.11.2 G (1) This section is about the *FCA*'s requirements for *statements of responsibilities*.
- (2) However, in the case of a *PRA-authorised person*, where applications and notifications relate both to *FCA-designated senior management functions* and to *PRA* ones, the regulators' requirements are consistent with each other.
- (3) The general material in this section (*SUP 10C.11.13G* to *SUP 10C.11.35G*) applies to *statements of responsibilities* submitted in all the cases covered by this section. It covers *statements of responsibilities* submitted as part of an application for approval or variation and revised *statements of responsibilities*.

Applications for approval

- 10C.11.3 D An application by a *firm* for the *FCA*'s approval under section 59 of the *Act* (Approval for particular arrangements) for the performance of an *FCA-designated senior management function* must be accompanied by a *statement of responsibilities* (*SUP 10C Annex 5D*).
- 10C.11.4 G (1) *SUP 10C.10* (Application for approval and withdrawing an application for approval) explains the procedures for applying for approval.
- (2) *SUP 10C.15* (Forms and other documents and how to submit

them to the FCA) explains how applications for approval should be submitted.

- (3) See the table in *SUP* 10C.11.19G for examples of how the requirements of this section about including *statements of responsibilities* in applications for approval apply in different situations.

Revised statements of responsibilities: Introduction

10C.11.5 G Under section 62A of the *Act*, a *firm* must provide the *FCA* with a revised *statement of responsibilities* if there has been any significant change in the responsibilities of an *FCA-approved SMF manager*. More precisely:

- (1) if a *firm* has made an application (which was granted) to the *FCA* for approval for a *person* to perform an *FCA-designated senior management function*;
- (2) the application contained, or was accompanied by, a *statement of responsibilities*; and
- (3) since the granting of the application, there has been any significant change in the aspects of the *firm's* affairs which the *FCA-approved SMF manager* is responsible for managing in performing the function;

the *firm* should provide the *FCA* with a revised *statement of responsibilities*.

Revised statements of responsibilities: Meaning of significant change

- 10C.11.6 G
- (1) This paragraph sets out non-exhaustive examples of potential changes which, in the *FCA's* view, may be significant and thus require the submission of a revised *statement of responsibilities*.
 - (2) A variation of the *FCA-approved SMF manager's* approval, either at the *firm's* request or at the *FCA's* or (in the case of a *PRA-authorised person*), *PRA's* initiative, resulting in the imposition, variation or removal of a condition or time limit, may involve a significant change.
 - (3) Fulfilling or failing to fulfil a condition on approval may involve a significant change.
 - (4) The addition, re-allocation or removal of any of the following (or part of one):
 - (a) an *FCA-prescribed senior management responsibility*;
 - (b) (in the case of a *PRA-authorised person*), a *PRA-prescribed senior management responsibility* ~~or a *PRA-*~~

~~prescribed UK branch senior management responsibility~~; or

- (c) responsibility for a function under ~~SYSC 4.7.8R~~
(Allocation of overall responsibility for a firm's activities, business areas and management functions)
SYSC 26 (Senior managers and certification regime: Overall and local responsibility) ;

may involve a significant change.

- (5) The sharing or dividing of ~~a function in (4) an FCA-prescribed senior management responsibility or a PRA-prescribed senior management responsibility~~ that was originally performed by one *person* between two or more *persons* may involve a significant change.
- (6) Ceasing to share ~~a function in (4) an FCA-prescribed senior management responsibility or a PRA-prescribed senior management responsibility~~ that was originally shared with another, or others, may involve a significant change.
- (6A) Beginning or ceasing to share responsibility for a function under SYSC 26 (Senior managers and certification regime: Overall and local responsibility) may involve a significant change.
- (7) A change is likely to be significant if it reflects a significant change to the job that the *person* is doing for the *firm*. Some factors relevant here include:
- (a) the importance to the *firm* of the functions being given up or taken on;
 - (b) whether the *FCA-approved SMF manager's* seniority in the *firm's* management changes;
 - (c) whether there are changes to the identity, number or seniority of those whom the *FCA-approved SMF manager* manages; and
 - (d) whether there are changes to the skills, experience or knowledge needed by the *FCA-approved SMF manager* for the job.

Revised statements of responsibilities: Procedure

- 10C.11.7 D (1) A *firm* must provide a revised *statement of responsibilities* under section 62A of the *Act* under cover of Form J (*SUP 10C Annex 5D*).

- (2) A *firm* must not use Form J where the revisions are to be made as part of arrangements involving an application:
- (a) for approval for the *FCA-approved SMF manager* concerned to perform another *designated senior management function* for the same *firm*; or
 - (b) to vary (under section 63ZA of the *Act* (Variation of senior manager's approval at request of relevant authorised person)) an approval for the *FCA-approved SMF manager* concerned to perform a *designated senior management function* for the same *firm*.
- (3) In the case of a *PRA-authorised person*, where the change to be notified to the *FCA* under section 62A of the *Act* is part of an arrangement under which:
- (a) the *firm* is also required to make an application or notification about the *FCA-approved SMF manager* to the *PRA*; but
 - (b) the *firm* is not required to send any application or notice about the *FCA-approved SMF manager* under this chapter directly to the *FCA* except for the notification under section 62A of the *Act*;
- the *PRA-authorised person* must provide the revised *statement of responsibilities* to the *FCA* by including it with the application or notice to the *PRA*.

10C.11.8 G Broadly, the intention of SUP 10C.11.7D(2) is that there is no need for Form J if the revised *statement of responsibilities* is being submitted together with Form A, Form E or Form I for the same *firm*.

- 10C.11.9 G
- (1) SUP 10C.15 (Forms and other documents and how to submit them to the FCA) explains how revised *statements of responsibilities* should be submitted.
 - (2) See the table in SUP 10C.11.19G for examples of how the requirements of this section about submitting revised *statements of responsibilities* apply in different situations.
 - (3) In particular, the table in SUP 10C.11.19G gives examples of how SUP 10C.11.7D(2) and (3) works work.

Variation of approval

10C.11.10 D An application by a *firm* to the *FCA* for the variation of an existing approval under section 63ZA of the *Act* (Variation of a senior manager's approval at request of ~~relevant~~ authorised person) must be accompanied by a *statement of responsibilities*.

- 10C.11.11 G (1) See *SUP* 10C.13 (Variation of conditional and time-limited approvals) for more details about applications to vary an approval.
- (2) *SUP* 10C.15 (Forms and other documents and how to submit them to the FCA) explains how applications to vary an approval should be submitted.
- (3) See the table in *SUP* 10C.11.19G for examples of how the requirements of this section about submitting *statements of responsibilities* with applications to vary an approval apply in different situations.

Ceasing to carry on some functions

- 10C.11.12 R If:
- (1) an *FCA-approved SMF manager* ceases to perform a *designated senior management function* for a *firm*; but
- (2) continues to perform an *FCA-designated senior management function* for that *firm*;
- the *firm* must (under Form J) submit a *statement of responsibilities* for the remaining functions complying with the requirements of this section (including *SUP* 10C.11.13D).

One document for each SMF manager for each firm

- 10C.11.13 D (1) A *firm* must prepare *statements of responsibilities* (including revised ones) for one of its *FCA-approved SMF managers* as a single document covering every *designated senior management function* for which:
- (a) that *FCA-approved SMF manager* has approval; or
- (b) for which an application for approval is being made; for that *firm*.
- (2) The statement must be up to date for each *designated senior management function*.

- 10C.11.14 G (1) *SUP* 10C.11.13D means that, at any time, a *firm* should have a single document for an *FCA-approved SMF manager* that:
- (a) contains *statements of responsibilities* for all *designated senior management functions* for which that *SMF manager* has approval; and
- (b) where relevant, contains *statements of responsibilities* for all *designated senior management functions* for

which the *firm* is applying for approval.

- (2) ~~The~~ (In the case of a *PRA-authorised person*), the document in (1) should cover *PRA-designated senior management functions* as well as *FCA-designated senior management functions*.
- (3) The document should be updated:
 - (a) under section 62A of the *Act* (see *SUP* 10C.11.5G); and
 - (b) whenever the *firm* has to submit *statements of responsibilities* under this section.
- (4) The *FCA* and the *PRA* have coordinated their arrangements so that a ~~firm~~ *PRA-authorised person* can prepare a single document that will meet the requirements of both regulators about *statements of responsibilities*.
- (5) The table in *SUP* 10C.11.19G gives examples of how these requirements work.

- 10C.11.15 G If a *person* is an *SMF manager* for several *firms* in a group ~~that are relevant authorised persons~~, there should be a separate document for each *firm*.
- 10C.11.16 G There should be a separate document for each *SMF manager* in a *firm*. A *firm* should not combine *statements of responsibilities* for several *SMF managers*.
- 10C.11.17 G The requirement for a single document does not prevent the document having an attachment sheet for additional information where *SUP* 10C Annex 5D (the *FCA*'s template for *statements of responsibilities*) allows this.

Submitting statements of responsibilities: examples of how the requirements work

- 10C.11.18 G The table in *SUP* 10C.11.19G gives examples of how the requirements in this section for submitting *statements of responsibilities* (combined, in the case of a *PRA-authorised person*, with the corresponding *PRA requirements*) work in different cases.

Need for a complete set of current statements of responsibilities

- 10C.11.20 R A *firm* must, at all times, have a complete set of current *statement of responsibilities* for all its *SMF managers*.
- 10C.11.21 G (1) A complete set of current *statement of responsibilities* means all

statements of responsibilities that the *firm* has provided to the *FCA* or (in the case of a *PRA-authorised person*), *PRA* as revised under section 62A of the *Act*.

- (2) A *statement of responsibilities* is not current if the *person* in question no longer performs any of the ~~controlled function~~ functions to which it relates.

Past versions

- 10C.11.22 (1) A *firm* should consider past versions of its *statements of responsibilities* as an important part of its records and as an important resource for the *FCA* in supervising the *firm*.
- (2) Past versions of a *firm's statements of responsibilities* form part of its records under ~~SYSC 9.1 (General rules on record-keeping)~~ the regulatory system.

What statements of responsibilities should contain: ~~general~~ General

- 10C.11.23 G A *statement of responsibilities* should:
- (1) show clearly how the responsibilities that the *SMF manager* performs as part of their *FCA-designated senior management function* fit in with the *firm's* overall governance and management arrangements; ~~and~~
- (1A) be consistent with the statement of responsibilities for the firm's other *SMF managers*; and
- (2) be consistent with the *firm's management responsibilities map* (if the firm is required to have one).
- (See ~~SYSC 4.5.9G, SYSC 4.6.12G and SYSC 4.6.27G~~ SYSC 25.4.1G and SYSC 25.4.2G for more about this.)

- 10C.11.24 G (1) A *statement of responsibilities* (including its attachment sheet for additional information) should:
- (a) be complete by itself;
- (b) not refer to documents not forming part of it; and
- (c) only contain material about the matters that this chapter, the corresponding *PRA* requirements (in the case of a *PRA-authorised person*), and the *Act* say should be included in it.
- (2) For example, if it is necessary to include relevant material from the *firm's* report and accounts, the *statement of responsibilities* should not attach the whole of the report and accounts or cross refer to them. Instead it should include a summary of the

relevant part only.

- 10C.11.25 G A *statement of responsibilities* should be:
- (1) practical and useable by the *FCA*;
 - (2) without unnecessary detail; and
 - (3) succinct and clear.
- 10C.11.26 G (1) *SYSC* or another part of the *regulatory system* will generally impose requirements (referred to as ‘prescribed requirements’ in this paragraph) that relate to a particular post or set of responsibilities.
- (2) For instance, these include:
- (a) the responsibilities that go with the *FCA required functions*; and
 - (b) the *FCA-prescribed senior management responsibilities*; and (in the case of a *PRA-authorised person*) the *PRA-prescribed senior management responsibilities* ~~and the *PRA-prescribed UK branch senior management responsibilities*~~.
- (3) The allocation of responsibilities under a *statement of responsibilities* should not reduce or alter the scope of any applicable prescribed requirements.
- (4) If:
- (a) the responsibilities that the *SMF manager* carries out as described in the *statement of responsibilities* go beyond the prescribed requirements; or
 - (b) the *firm* includes additional information about any prescribed requirements;
- the additional responsibilities or additional information should not:
- (c) reduce or alter the scope of the prescribed requirements; or
 - (d) dilute or undermine the prescribed requirements.
- 10C.11.27 G (1) ~~A~~ An example of the requirement that a firm’s statements of responsibilities for its *SMF managers* should be consistent (see *SUP 10C.11.23G*) is that they should together demonstrate that there are no gaps in the allocation of responsibilities among it’s the firm’s *SMF managers*.

- (2) *A firm's statements of responsibilities* should be interpreted, where possible, so as to avoid any gaps in the allocation of responsibility for its activities among its *SMF managers*.
- (3) Paragraphs (1) and (2) ~~are not relevant to EEA-relevant authorised persons~~ apply to a *firm* to which SYSC 26 (Senior managers and certification regime: Overall and local responsibility) applies.
- 10C.11.28 G (1) A *statement of responsibilities* of an *SMF manager* should include details about any:
- (a) *FCA-prescribed senior management responsibilities* ; and (in the case of a PRA-authorised person) PRA-prescribed senior management responsibilities ~~and PRA-prescribed UK branch senior management responsibilities~~ allocated to the *SMF manager*;
- (b) (in the case of a PRA-authorised person) functions that are included in a PRA controlled function under the arrangements described in SUP 10C.9 (Minimising overlap with the PRA approved persons regime); and
- (c) responsibility for a function allocated to the *SMF manager* under SYSC 4.7.8R (~~Allocation of overall responsibility for a firm's activities, business areas and management functions~~) or SYSC 4.8.10R (~~Local responsibility for a branch's activities, business areas and management functions~~). SYSC 26 (Senior managers and certification regime: Overall and local responsibility) if that chapter applies to the firm; and
- (d) responsibilities allocated under MIPRU 2.2 (Responsibility for insurance distribution activity or MCD credit intermediation activity).
- (2) Paragraph (1)(c) applies even if the responsibility is excluded from the *other overall responsibility function* under SUP 10C.7.1R(2) (~~Exclusion~~ exclusion for *approved person* with approval to perform other *controlled functions*) or from the *other local responsibility function* under SUP 10C.8.1R(2) (~~Exclusion~~ exclusion for *approved person* with approval to perform other *controlled functions*).
- 10C.11.29 G (1) The definition of every *FCA-designated senior management function* contains a responsibility which is inherent, inseparable from and intrinsically built into the specific role.
- (2) In many ways, this inherent responsibility is the most important responsibility of any given *SMF manager*, as it provides a rationale as to why that specific function is subject to pre-

approval by the *FCA* in the first place.

- (3) Even where an *SMF manager* has not been allocated any other responsibilities by the *firm*, the responsibility inherent in the definition of their *FCA-designated senior management function* means that they will be accountable for that aspect of the *firm's* activities.
- (4) For instance, even if a person approved to perform the *compliance oversight function* has no other responsibilities allocated to them, they will be accountable for the *Handbook* requirements for the *compliance oversight function*.

- 10C.11.34 G In general, the *FCA* expects the *statement of responsibilities* of a *non-executive director* who is an *SMF manager* to be less extensive than those of an executive *SMF manager*.

- 10C.11.35 G The *FCA* does not require any of the general duties of a *non-executive director* described in section 2 of *COCON* 1 Annex 1 (~~The general role of a NED~~ Guidance on the role and responsibilities of non-executive directors of SMCR firms subject to COCON) to be included in the *non-executive director's statement of responsibilities*.

10C.12 Conditional and time-limited approvals

Purpose

- 10C.12.1 G (1) *SUP* 10C.12 describes the regime for conditional and time-limited approvals.
- (2) In particular, *SUP* 10C.12 sets out the *FCA*'s policies on giving approval under section 59 subject to conditions or for a limited period only, as required by section 63ZD of the *Act* (Statement of policy relating to conditional approval and variation).
- (3) ~~The~~ (In the case of a *PRA-authorised person*) the policies described in *SUP* 10C.12 also apply when the *FCA* is considering whether to give its consent to an application made to the *PRA* for approval.
- (4) Material on variations of conditional and time-limited approvals can be found in *SUP* 10C.13 (Variation of conditional and time-limited approvals).
- 10C.12.2 G (1) The power to grant an approval subject to conditions or for a limited period only applies to *senior management functions*.
- (2) As all *FCA controlled functions* specified in this chapter are *senior management functions*, this means that this power applies to all *FCA controlled functions* specified in this chapter.
- (3) The *FCA* has (in *SUP* 10A) specified *controlled functions* for *relevant authorised persons* that are not *designated senior management functions*. See *SUP* 10C.1.7R to *SUP* 10C.1.8G (Appointed representatives) for more about this.
- [*Editor's note*: This provision will be reviewed in a second Consultation Paper]
- (4) The power to grant an approval subject to conditions or for a limited period does not apply to the *controlled functions* in (3).
- [*Editor's note*: This provision will be reviewed in a second Consultation Paper]

Introduction

- 10C.12.3 G The ~~FCA~~ *FCA* may:
- (1) grant an application for approval subject to any conditions that the *FCA* considers appropriate; and
- (2) grant the application to give approval only for a limited period.
- 10C.12.4 G The *FCA* may use this power only if it appears to the *FCA* that it is

desirable to do so to advance one or more of its *operational objectives*.

- 10C.12.5 G Factors that the *FCA* will take into account include:
- (1) those relating to the *firm* at the time of the application, such as:
 - (a) its size, scale and complexity; and
 - (b) its plans and prospects; and
 - (2) those relating to the *candidate* and, in particular, the *candidate's* fitness and properness.
- 10C.12.6 G The *FCA* expects that the most common use of the power to give qualified approvals would be:
- (1) time-limited approvals;
 - (2) a time limitation in relation to an ongoing or prospective enforcement investigation;
 - (3) a competency-related condition; and
 - (4) a role-limited condition.
- Time-limited approval
- 10C.12.7 G An example of a time-limited approval is where a *firm* needs to appoint the *candidate* on an interim basis while the *firm* seeks to appoint a permanent *candidate*. The *FCA* may approve the interim appointee on a time-limited basis.
- 10C.12.8 G The *FCA* would not generally impose a time limitation in these circumstances for a period of less than 12 weeks. The *FCA* would expect the *firm* to use the 12-week rule in *SUP* 10C.3.13R.
- 10C.12.9 G An example of when the *FCA* may approve an individual on a time-limited basis is where, following a sudden or unexpected departure:
- (1) a *firm* needs to fill an *FCA-designated senior management function* vacancy immediately; but
 - (2) it is likely to take longer than 12 weeks to recruit a permanent replacement; and
 - (3) there is an individual at the *firm* not currently approved to perform the relevant *FCA-designated senior management function* whom the *firm* and the *FCA* think capable of fulfilling the role on an interim, provisional basis but not necessarily on a permanent basis.
- 10C.12.10 G Generally, the *FCA* would not impose a time limitation of this type for

longer than 12 to 18 months.

- 10C.12.11 G The *FCA* would consider using this power for a person who is in the running for the long-term appointment.
- 10C.12.12 G (1) An example of how the *FCA* could deal with a *person* who is in the running for the long-term appointment is outlined below.
- (2) The head of compliance resigns unexpectedly from a *firm*. The *firm* wishes to appoint one of the deputies. The *FCA* and the *firm* believe the deputy to be capable of running the *firm's* compliance function on a day-to-day 'business as usual basis' but the deputy has no experience developing a long-term, firm-wide strategy. The *firm* estimates that it could take up to a year to recruit a permanent head of compliance. It also believes that the deputy could be the ideal candidate if the deputy could outline a viable compliance strategy for the *firm*.
- (3) In this situation, it may be appropriate to approve the deputy as head of compliance subject to a 12-month time limit.
- (4) Before the end of that period, the deputy would have to prepare a new compliance strategy and the deputy's ability to do so would be taken into account when deciding whether to approve the deputy on a permanent basis.
- 10C.12.13 G In deciding whether a *candidate* is fit and proper, the *FCA* will take into account the role that the *candidate* is going to perform. The standard for a *person* who is appointed on a temporary basis may be different from a *person* appointed on a permanent basis when the *person* with a temporary appointment has a more limited role.
- 10C.12.14 G The *FCA* may impose a condition on the approval, as well as time limitation. For example, in the example in *SUP* 10C.12.12G, the *FCA* may impose a condition prohibiting the *candidate* from significantly amending the management structure of the department.
- 10C.12.15 G The other main examples of a time-limited approval are:
- (1) an enforcement action time-limited approval (see *SUP* 10C.12.16G);
- (2) a time limitation used in conjunction with a competence condition (see *SUP* 10C.12.26G); and
- (3) a time limitation in relation to the scale of a role (see *SUP* 10C.12.35G).

Enforcement action: time limitation

- 10C.12.16 G An enforcement action time-limited approval relates to a case in which there is an enforcement investigation ongoing, or in prospect, the

results of which may call into question the *candidate's* fitness and properness, but at the time of application there are no or insufficient grounds to refuse approval. The *candidate* may or may not be a subject of that investigation.

10C.12.17 G The *FCA* will generally limit an enforcement action time-limited approval for a period long enough to allow the investigation to be completed so far as relevant to the *candidate*. Imposing a time limitation on approval would allow the *FCA* to look at the situation in more detail after approval, with the benefit of all the facts arising from the investigation.

10C.13.18 G The policy on the length of time-limited approvals in *SUP* 10C.12.8G does not apply to time limitations of this type.

Competence and related conditions

10C.12.19 G The *FCA* may take the view that a *candidate* would meet the fit and proper requirement with an approval subject to either, or both, of the following:

- (1) one or more conditions; and/or
- (2) a time limitation;

who would not have met that requirement without the qualification.

10C.12.20 G *Firms* should not see the power to give approval on this basis as an opportunity to put forward sub-standard *candidates* in the knowledge that they are unlikely to gain unconditional approval but may scrape through by way of a qualified approval.

10C.12.21 G

- (1) The *FCA* is likely only to give a qualified approval on the basis described in *SUP* 10C.12.19G in limited circumstances.
- (2) Generally, the *FCA* would only use this power in place of rejection where the deficiency is in only a relatively small proportion of the required job competencies.
- (3) Lack of technical knowledge is more likely to be easier to remedy than a problem with personal characteristics.
- (4) The *FCA* is only likely to give its approval on this basis when the *candidate* has fallen short of the required standard by a reasonably small margin (a 'near miss').

10C.12.22 G One example of a conditional approval based on the competence of the *candidate* would be where the *candidate* would have met the fitness and properness standard but for a shortfall in the *candidate's* technical knowledge and the shortfall is in a relatively narrow and specific area.

- 10C.12.23 G The *FCA* does not see this as being a probationary or standalone measure. The competency-related limitation would be time specific and linked to something that the *FCA* would wish to re-examine after the period has expired.
- 10C.12.24 G (1) When the *FCA* is imposing a competence-related condition where there is a shortfall, approval will only be granted on the condition that the *candidate* is required to undertake training or receive mentoring to eliminate the shortfall.
- (2) See *SUP* 10C.12.39G (role-limited approval) for an example of a shortfall in competence that is not dealt with by trying to remove it.
- 10C.12.25 G (1) An example of where a qualified approval based on competence may be used is for a *candidate* with proven management skills who is new to the role or the industry and requires some new technical knowledge for the new role.
- (2) For instance, a *candidate* for the role of a senior manager may have a proven track record as a senior manager but may lack detailed knowledge of a specific area, such as money laundering or of the technical details of prudential capital requirements.
- (3) A competence condition would require the *candidate* to undertake training in the area of shortfall after appointment.
- 10C.12.26 G (1) A competency-related approval is likely to be linked with a time-limited approval.
- (2) Under an approval of this kind, the *candidate* will be required to undertake the necessary training or other remedial measures.
- (3) The time for which the approval will last would be set to give the *firm* and the *candidate* a reasonable time to complete the measures.
- (4) At the end of the period, the *firm* would need to apply to the *FCA* to appoint the *candidate* on a permanent basis.
- 10C.12.27 G The *FCA* would only be likely to consider a qualified approval based on competence if it was sure that the *candidate* could achieve the required level of competence within a specified period, which is unlikely to be more than 12 to 18 months.
- 10C.12.28 G (1) The *FCA* may give a conditional approval instead of rejection in cases where the condition does not relate to the *candidate's* abilities.
- (2) For example, the *FCA* may consider that the *candidate* is suitable only if the *candidate* refrains from, or ceases

undertaking, certain actions and makes the approval conditional on that basis.

- (3) The *FCA* may require the *candidate* to go beyond the regulatory requirements in a given area.

- 10C.12.29 G (1) An example of *SUP* 10C.12.28G is where a *firm* wishes to appoint someone as an executive director who has a number of non-executive directorships.
- (2) The *FCA* may be concerned about the potential impact of these other commitments on that individual's ability to devote sufficient time to the proposed role with the *firm*.
- (3) In this situation, it might be appropriate to attach a condition to the individual's approval requiring that person to resign from some of their non-executive directorships.

Role-limited

- 10C.12.30 G A role-limited approval means:

- (1) a time-limited approval; or
- (2) a condition;

relating to the nature or scope of the *candidate's* role.

- 10C.12.31 G One example of a role-limited approval relates to the fact that the size, nature, scope and complexity of a *firm's* activities can change over time. An individual may be fit and proper to perform a *senior management function* at a certain *firm* at a point in time but the *FCA* may wish to re-assess that individual if the *firm's* situation changes.

- 10C.12.32 G It is not *FCA* policy to impose role-limited approvals routinely for all *firms* or for a certain category of *firm*. For example, there is no blanket policy that approval of a *candidate* for a post in a small *firm* would be subject to a qualification based on the *firm* remaining small.

- 10C.12.33 G Where a *firm* is expanding or transforming its business model or its risk profile and there are identifiable upcoming milestones, the *FCA* may wish to link the duration of a *candidate's* approval to these milestones.

- 10C.12.34 G If the change is likely to occur in the near future and the details are clear, the *FCA* may consider its approval of the application in the light of this proposed change.

- 10C.12.35 G (1) Very often it will be uncertain whether a change in circumstances will happen at all, the details may not yet be known or the timing may be uncertain.
- (2) In that case, the *FCA* may, subject to (3), make its judgement

based on the *candidate's* proposed role, without taking into account the possible change. This reflects the fact that the judgement of whether a *candidate* is fit and proper takes into account the role that they are actually going to play.

- (3) However, to reflect the possible change, the *FCA* would give a time-limited approval that would come to an end on the occurrence of the milestone.
- (4) The *firm* could then apply for a new and possibly unqualified approval.

10C.12.36 G An example under *SUP* 10C.12.35G is as follows.

- (1) In this example:
 - (a) an individual is to perform an *FCA-designated senior management function* in an unlisted *firm* which currently operates only in the *UK*; and
 - (b) the *firm* is planning a listing and a string of acquisitions which are projected to treble the size of its balance sheet and give it a global footprint over the next three years, but the *candidate* has never worked for an institution as large or as complex.
- (2) In this situation:
 - (a) it may be appropriate to limit the *candidate's* approval to a specified period. If the projected time for completing the transactions is three years, the approval would be for three years; or
 - (b) it may be appropriate to draft the time limitation by reference to the milestone. For example, the approval might be expressed to come to an end at the point at which the *firm's* balance sheet exceeds a certain size.

10C.12.37 G The policy on the length of time-limited approvals in *SUP* 10C.12.8G does not apply to time limitations of this type.

10C.12.38 G Another way of dealing with a *firm* that plans to reorganise itself but has not made a firm decision to do so or worked out the details, is to make the approval subject to the condition that the nature or scope of the *candidate's* role should not change. The *firm* could apply for the condition to be removed once the plans are ready to be carried out.

10C.12.39 G (1) Another example of a limited-role approval is where:

- (a) a *candidate* is not competent to carry out all the functions that are capable of falling within the *FCA-designated senior management function* for which

approval is sought; but

- (b) the *candidate* will be fit to carry out most of them; and
- (c) the *firm* has adequate arrangements to deal with the other aspects.

- (2) In such circumstances, the condition would be that the *candidate* does not get involved in the aspects of the role for which that *candidate* is not competent, as specified in the condition.

Condition not based on fitness

| 10C.12.40 | G | <p>The power to impose a conditional or time-limited approval:</p> <ul style="list-style-type: none"> (1) does not depend on the <i>candidate</i> being unfit without that condition or limit; and (2) need not be related to the <i>candidate's</i> ability to do the job properly (see <i>SUP</i> 10C.12.28G). |
| 10C.12.41 | G | <p>One example of a conditional approval when the <i>candidate</i> is fit and proper and able to do the job is to support supervisory action in relation to the <i>firm</i>. So, if a <i>firm</i> is running a remedial programme, it may be a condition of the <i>candidate's</i> approval that the <i>candidate</i> takes responsibility for aspects of that programme.</p> |
| 10C.12.42 | G | <p>Although it is not general <i>FCA</i> policy to use the power to give qualified approval as a probationary measure, there may be circumstances where a <i>firm</i> wants to appoint a <i>candidate</i> to perform an <i>FCA-designated senior management function</i> who, although fit and proper, may, in the role, be responsible for the <i>firm's</i> approach to dealing with particularly unusual or severe challenges in the near future. In this situation, it might be appropriate to approve the <i>candidate</i> subject to a time limit with a view to reassessing that <i>candidate</i> for a permanent position in due course.</p> |
| 10C.12.43 | G | <p>In this scenario, the time-limited approval may be accompanied by a condition requiring the <i>candidate</i> to:</p> <ul style="list-style-type: none"> (1) complete an action or deliverable on or before the end of the time limit, eg a requirement on the acting Head of Sales to produce a revised strategy for treating customers fairly within the next six months; and (2) refrain from taking specific actions or decisions associated with the role until that person receives permanent approval, eg a requirement not to introduce a new sales channel until they receive permanent approval. |

Effects of a breach of condition

- 10C.12.44 G The provisions in:
- (1) section 59 of the *Act* that say a *firm* should take reasonable care to ensure that no *person* performs a *controlled function* without approval (see *SUP* 10C.10.3G); and
 - (2) section 63A of the *Act*, under which a *person* performing a *controlled function* without approval may be subject to a penalty (see *SUP* 10C.10.4G);
- apply not only to the performance of an *FCA-designated senior management function* by someone who has not been approved to perform that function but also to the performance of an *FCA-designated senior management function* for which the person has been approved in breach of a condition or time limitation.
- 10C.12.45 G Sections 59 and 63A of the *Act* show that failure to observe a condition does not in itself necessarily invalidate an approval. Instead, both the *firm* and the *SMF manager* may be subject to a penalty for breach of the *Act*. Such a failure may also:
- (1) involve a breach of *FCA rules* by the *firm* and a breach by the *SMF manager* of *COCON*; and
 - (2) call into question the fitness of the *SMF manager*.
- 10C.12.46 G For example, if an *SMF manager* is subject to a role-limited condition under which the *SMF manager* is not allowed to carry out certain specified aspects of the *FCA-designated senior management function* but the *SMF manager* goes ahead and carries out those aspects, the *SMF manager's* approval does not automatically come to an end. Instead, both the *firm* and the *SMF manager* may be subject to a financial penalty.
- 10C.12.47 G However the *Act* does allow a condition to be drafted in such a way that the approval ends if the condition is not met or is no longer met.

10C.13 Variation of conditional and time-limited approvals

Purpose

- 10C.13.1 G This section deals with variation of a conditional approval at the:
- (1) request of the *firm*; and
 - (2) initiative of the *FCA*.

- 10C.13.2 G (1) In particular, this section sets out the *FCA*'s policies about varying conditional approvals at the request of a *firm*, as required by section 63ZD of the *Act* (Statement of policy relating to conditional approval and variation).
- (2) This section does not deal with the *FCA*'s policies on varying a condition on its own initiative. *DEPP* 8 deals with that. However this section gives a short description of the *FCA*'s powers to impose such variations.

Variation of a conditional approval at the request of the firm: general description

- 10C.13.3 G A *firm* may apply to the *FCA* to change a conditional or time-limited approval. The changes for which a *firm* may apply are:
- (1) a variation of the condition;
- (2) removal of the condition; ~~and~~
- (3) the imposition of a new condition; or
- (4) where the approval is time-limited:
- (a) varying the time limit; or
- (b) removing the time limit.
- 10C.13.4 G (1) ~~If a the firm is applying for a change of the type described in SUP 10C.13.3G(1) or SUP 10C.13.3G(2) is a PRA-authorised person, there are requirements about whether the firm should apply to the FCA if the FCA imposed that condition, even if the approval was given by or the PRA. Paragraphs (2) to (3) summarise these requirements.~~
- (2) If the *firm* is applying for the imposition of a new condition, the *firm* should apply to the *FCA* if the approval to which the application relates was given by the *FCA*.
- (2A) If a *firm* is applying for a change of the type described in SUP 10C.13.3G(1) or SUP 10C.13.3G(2), the *firm* should (subject to (2C)) apply to the *FCA* if the *FCA* imposed that condition, even if the approval was given by the *PRA*.
- (2B) If a *firm* is applying for a change of the type described in SUP 10C.13.3G(4), the *firm* should subject to (2C)) apply to the *FCA* if the *FCA* imposed that time limit, even if the approval was given by the *PRA*.
- (2C) Where the time limit or condition has been varied before and the *FCA* was the last to vary it, the *firm* should apply to the

FCA. This applies whether the variation was made on the application of the *firm* or on the initiative of the FCA or the PRA.

(3) In other cases, the application should be to the PRA.

10C.13.5 G The ~~power right~~ to apply for a variation does not ~~apply to~~ include the right to apply for a time limitation where the current approval has effect for an unlimited period.

10C.13.5A G The procedures described in this section for the variation of an approval at the request of a *firm* do not apply where the condition or time limit has effect by virtue of section 66 of the Act (Disciplinary powers).

Variation of a conditional approval at the request of the firm: process

10C.13.6 D An application by a *firm* to the FCA under section 63ZA of the Act (Variation of senior manager's approval at request of ~~relevant~~ authorised persons) must be made by using Form I (SUP 10C Annex 4D).

10C.13.7 G (1) An application under SUP 10C.13.6D should be accompanied by a *statement of responsibilities* for the *approved person* concerned.

(2) See SUP 10C.11 (Statements of responsibilities) for more details.

10C.13.8 G SUP 10C.15 (Forms and other documents and how to submit them to the FCA) explains how applications to vary a conditional approval should be submitted.

10C.13.9 G The FCA has until the end of the period of three months from the time it receives a properly completed application to consider the application and come to a decision.

10C.13.10 G The FCA must either grant the application or, if it proposes not to grant an application, issue a *warning notice* (see DEPP 2).

10C.13.11 G The FCA may refuse an application if it appears to the FCA that it is desirable to do so to advance one or more of its *operational objectives*.

10C.13.12 G Before making a decision to grant the application or give a *warning notice*, the FCA may ask the *firm* for more information. If it does this, the three-month period in which the FCA must determine a completed application:

- (1) will stop on the day the FCA requests the information; and
- (2) will start running again on the day on which the FCA finally receives all the requested information.

- 10C.13.13 G Whenever it grants an application, the *FCA* will confirm this in writing to all *interested parties*.
- 10C.13.14 G If the *FCA* proposes to refuse an application, it must follow the procedures for issuing *warning notices* and *decision notices* to all *interested parties*. The requirements relating to warning and decision notices are in *DEPP 2*.
- 10C.13.15 R A *firm* notifying the *FCA* of its withdrawal of an application for variation of an approval must use Form B (*SUP 10A Annex 5R*).
- 10C.13.16 G *SUP 10C.15* (Forms and other documents and how to submit them to the *FCA*) explains how notifications of withdrawal of an application should be submitted.
- 10C.13.17 G Under section 61(5) of the *Act* (Determination of applications), as applied by section 63ZA(8) of the *Act* (Variation of senior manager's approval at request of ~~relevant~~ authorised person), the *firm* may withdraw an application only if it also has the consent of:
- (1) the *approved person*; and
 - (2) the person by whom the *approved person* is employed if this is not the *firm* making the application.

Variation of a conditional approval at the request of the firm: policy

- 10C.13.18 G The *FCA*'s policy on approving or refusing a request for a variation is the same as it is for imposing conditions on approval (see *SUP 10C.12* (Conditional and time-limited approvals)).
- 10C.13.19 G
- (1) An example of a situation in which the *FCA* would consider varying a condition would be a competency-related condition which required a training course to be completed (see, in particular, *SUP 10C.12.24G* for this type of condition).
 - (2) If the *firm* later concludes that a different course would be better, the *firm* may apply for a variation of the condition.
- 10C.13.20 G Another example of a situation in which the *FCA* would consider varying a condition would be a condition relating to a remedial programme (see *SUP 10C.12.41G*). If the remedial programme is changed, it may be appropriate to change the condition.
- 10C.13.21 G
- (1) Other examples of where the *FCA* may agree to removing a condition are where:
 - (a) the *approved person*'s role has changed so that the reason for the condition originally being imposed no longer applies; or

- (b) new information has come to light that removes any doubt about the *approved person's* competence so a condition is no longer necessary.

- (2) For example, the *FCA* may agree to removing a condition about the scope of the *approved person's* role of the type described in *SUP 10C.12.39G*.

- 10C.13.22 G See *SUP 10C.12.38G* for another example of a case where the *FCA* may agree to removing a condition (condition imposed pending reorganisation).

Variation of a conditional approval: action at the initiative of the *FCA*

- 10C.13.23 G Under section 63ZB of the *Act* (Variation of senior manager's approval on initiative of regulator), the *FCA* may vary an approval given by the *FCA* or the *PRA* for the performance of a *designated senior management function* if the *FCA* considers that it is desirable to do so to advance one or more of its *operational objectives*.

- 10C.13.24 G The *FCA* may vary an approval by:
- (1) imposing a condition;
 - (2) varying a condition;
 - (3) removing a condition; ~~or~~
 - (4) limiting the period for which the approval is to have effect; or
 - (5) removing or varying a time limit on an approval.

- 10C.13.25 G More information about the *FCA's* powers to vary a condition on its own initiative, including its policy on using these powers, can be found in *DEPP 8*.

10C.14 Changes to an FCA-approved person's details

Moving within a firm

- 10C.14.1 G
- (1) An *FCA-approved SMF manager's* job may change from time to time as a result, for instance, of a change in personal job responsibilities or a *firm's regulated activities*.
 - (2) Where the changes will involve the *SMF manager* performing one or more *FCA-designated senior management functions* different from those for which approval has already been granted, an application must be made to the *FCA* for approval for the *SMF manager* to perform those *FCA-designated senior*

management functions.

- (3) The *firm* must take reasonable care to ensure that an individual does not begin performing an *FCA-designated senior management function* until the *FCA* has granted *FCA-approved SMF manager* status to that individual for that *FCA-designated senior management function*.
- (4) Similarly (in the case of a *PRA-authorised person*), a *firm* must get the *FCA*'s approval if an individual is to start performing an *FCA-designated senior management function* in relation to that *firm* when they already have the *PRA*'s approval to perform a *PRA-designated senior management function* in relation to that *firm*.

- 10C.14.2 G (1) A *firm* should generally use Form E where an *approved person* is both ceasing to perform one or more *controlled functions* and needs to be approved in relation to one or more *FCA-designated senior management functions* within the same *firm* or group.
- (2) In certain cases, a *firm* should use Form A.
- (3) The details can be found in *SUP 10C.10.8D* to *SUP 10C.10.9D*.

Moving between firms

- 10C.14.3 G If it is proposed that an *FCA-approved SMF manager*:
- (1) will no longer be performing an *FCA-designated senior management function* under an *arrangement* entered into by one *firm* or one of its contractors; but
 - (2) will be performing the same or a different *FCA-designated senior management function* under an *arrangement* entered into by a new *firm* or one of its contractors (whether or not the new *firm* is in the same group as the old *firm*);

the new *firm* will be required to make a fresh application for the performance of the *FCA-designated senior management function* by that *person*.

- 10C.14.4 G In certain circumstances, when the *FCA* already has the information it would usually require, a shortened version of the relevant Form A may be completed. See ~~the notes relevant to each form~~ *SUP 10C.10.8D* and *SUP 10C.10.8AD* for full details.

Ceasing to perform an FCA-designated senior management function

- 10C.14.5 R (1) A *firm* must notify the *FCA* no later than seven *business days* after an *FCA-approved SMF manager* ceases to perform an *FCA-designated senior management function*.

- (2) It must make that notification by submitting to the *FCA* a completed Form C (*SUP* 10A Annex 6R).
- (3) If:
 - (a) the *firm* is also making an application for approval for that *approved person* to perform a *controlled function* within the same *firm* or *group*; and
 - (b) ceasing to perform the *FCA-designated senior management function* in (1) has triggered a requirement to make that application for approval:
 - (i) to the *FCA* using Form E (rather than a Form A) under *SUP* 10C.10.9D; or
 - (ii) to the *FCA* using Form E (rather than a Form A) under *SUP* 10A; or
 - (iii) to the *PRA* using the *PRA*'s Form E in accordance with the corresponding *PRA* requirements;

it must make the notification under (1) using that Form E.

(2) Form C is qualified if the information it contains: <ul style="list-style-type: none"> (a) relates to the fact that the <i>firm</i> has dismissed, or suspended, the <i>FCA-approved SMF manager</i> from its employment; (b) relates to the resignation by the <i>FCA-approved SMF manager</i> while under investigation by the <i>firm</i>, the <i>FCA</i> or any other <i>regulatory body</i>; (c) otherwise reasonably suggests that it may affect the <i>FCA</i>'s assessment of the <i>FCA-approved SMF manager</i>'s fitness and propriety; or (d) includes a notification about the <i>FCA-approved SMF manager</i> under one of the provisions of the <i>Act</i> listed in <i>SUP</i> 10C.14.22R (notification of grounds for withdrawal of approval and disciplinary action). |

- 10C.14.8 G (1) Notification under *SUP 10C.14.7R* may be made by telephone, email or fax and should be made, where possible, within one *business day* of the *firm* becoming aware of the information.
- (2) Oral notifications should be given directly to the *firm's* usual supervisory contact at the *FCA*. An oral notification left with another *person* or left on a voicemail, or other automatic messaging service, is unlikely to have been given appropriately.
- 10C.14.9 G A *firm* is responsible for notifying the *FCA* if any *FCA-approved SMF manager* has ceased to perform an *FCA-designated senior management function* under an arrangement entered into by its contractor.
- 10C.14.10 G (1) A *firm* can submit Form C or Form E to the *FCA* in advance of the cessation date.
- (2) If the actual cessation date turns out to be different from the one notified in advance, the *firm* should notify the *FCA*.
- (3) If the *firm*:
- (a) does not submit Form C (~~including a qualified one~~) following notification under *SUP 10C.14.7R*; or
- (b) submits Form C or Form E, in advance under (1) but it turns out that there is no requirement to have done so (because for example the *approved person* is staying in post);
- it should inform the *FCA* in due course of the reason. This could be done using Form D, if appropriate.
- 10C.14.11 G (1) When a *person* ceases the arrangement under which they perform an *FCA-designated senior management function*, they will automatically cease to be an *FCA-approved SMF manager* in relation to that *FCA-designated senior management function*.
- (2) A *person* can only be an *FCA-approved SMF manager* in relation to a specific *FCA-designated senior management function*. Therefore, a *person* is not an *FCA-approved SMF manager* during any period between ceasing to perform one *FCA-designated senior management function* (when they are performing no other *FCA-designated senior management function*) and being approved for another *FCA-designated senior management function*.
- 10C.14.12 G Sending forms promptly will help to ensure that any fresh application can be processed within the standard response times.

Changes to an approved person's personal details

10C.14.13 R If an *FCA-approved SMF manager's* title, name or national insurance number changes, the *firm* for which the *person* performs an *FCA-designated senior management function* must notify the *FCA* on Form D (*SUP* 10A Annex 7R), of that change within seven ~~business days~~ business days of the *firm* becoming aware of the matter.

10C.14.14 G The duty to notify in *SUP* 10C.14.13R does not apply to changes to an *FCA-approved SMF manager's* private address.

Changes to arrangements

10C.14.15 R (1) If any of the details relating to:

- (a) the arrangements in relation to any of a *firm's FCA-approved SMF managers*; or
- (b) any *FCA-designated senior management functions* of one of its *FCA-approved SMF managers*;

are to change, the *firm* must notify the *FCA* on Form D (*SUP* 10A Annex 7R).

(2) The notification under (1) must be made as soon as reasonably practicable after the *firm* becomes aware of the proposed change.

(3) This *rule* does not apply to anything required to be notified under section 62A of the *Act* (Changes in responsibilities of senior managers) or *SUP* 10C.11 (Statements of responsibilities).

10C.14.16 G *SUP* 10C.15 (Forms and other documents and how to submit them to the *FCA*) explains how notifications should be submitted.

Revised statements of responsibilities

10C.14.17 G (1) Under section 62A of the *Act*, a *firm* should provide the *FCA* with a revised *statement of responsibilities* if there has been any significant change in the responsibilities of an *FCA-approved SMF manager*.

(2) Details can be found in *SUP* 10C.11 (Statements of responsibilities).

Notifications about fitness, disciplinary action and breaches of COCON

10C.14.18 R (1) If a *firm* becomes aware of information which would reasonably be material to the assessment of the fitness and propriety of an *FCA-approved SMF manager*, or of *candidate* to be one (see *FIT*), it must inform the *FCA* either:

- (a) on Form D; or
- (b) if it is more practical to do so and with the prior agreement of the *FCA*, by email or fax;

as soon as practicable and, in any case, within seven *business days*.

- (2) This *rule* does not apply to anything required to be notified under *SUP* 10C.14.7R (Qualified Form C).

10C.14.19 G *SUP* 10C.15 (Forms and other documents and how to submit them to the *FCA*) applies to the submission of Form D.

10C.14.20 G Failing to disclose relevant information to the *FCA* may be a criminal offence under section 398 of the *Act*.

10C.14.21 G The duty to notify in *SUP* 10C.14.18R extends to any circumstances that would normally be declared when giving the information required for section 5 of Form A or matters considered in *FIT* 2.

10C.14.22 R If a *firm* is required to notify the *FCA* about an *FCA-approved SMF manager* under any of the following:

- (1) section 63(2A) of the *Act* (Duty to notify regulator of grounds for withdrawal of approval); or
- (2) [deleted]
- (3) section 64C of the *Act* (Requirement for ~~relevant~~ authorised persons to notify regulator of disciplinary action);

it must give that notification:

- (4) under *SUP* 10C.14.5R (Form C) if that *rule* applies;
- (5) under *SUP* 10C.14.7R (Qualified Form C) if that *rule* applies;
~~or~~

(5A) (in the case of a *PRA-authorised person*) under the *PRA's* requirements corresponding to (4) or (5), if those requirements apply; or

- (6) (in any other case) in accordance with *SUP* 10C.14.18R (Form D);

and in accordance with the requirements of this chapter (or if applicable the requirements ~~of *SUP* 10A or~~ of the *PRA*) about submission of those forms.

10C.14.23 G The table in ~~*SUP* 10C.12.24G~~ *SUP* 10C.14.24G summarises what the relevant parts of the sections of the *Act* listed in ~~*SUP* 10C.12.22G~~ *SUP*

10C.14.22R say.

Section 64C of the <i>Act</i> (Requirement for relevant authorised persons to notify regulator of disciplinary action)	<p>If:</p> <p>(a) a <i>firm</i> takes disciplinary action in relation to an <i>SMF manager</i>; and</p> <p>(b) the reason, or one of the reasons, for taking that action is a reason specified in <i>SUP</i></p>	<i>SUP</i> 15.11 (Notification of COCON breaches and disciplinary action)	An example of when a notification should be made using Form C rather than Form D is when a <i>firm</i> is required to notify the <i>FCA</i> under section 64C of the <i>Act</i> that it has dismissed an <i>SMF manager</i> .

	15.11.6R; the <i>firm</i> should notify the <i>FCA</i> of that fact.		
--	----------------------------------------------------------------------------	--	--

- 10C.14.25 G (1) When considering how to notify the *FCA* under *SUP* 10C.14.18R or *SUP* 10C.14.22R, a *firm* should have regard to the urgency and significance of a matter. If appropriate, the *firm* should also notify its usual supervisory contact at the *FCA* by telephone or by other prompt means of communication, before submitting a written notification.
- (2) Oral notifications should be given directly to the *firm's* usual supervisory contact at the *FCA*. An oral notification left with another *person* or left on a voicemail, or other automatic messaging service, is unlikely to have been given appropriately.

The need for complete and accurate information

- 10C.14.26 G (1) The obligations to supply information to the *FCA* under:
- (a) *SUP* 10C; or
- (b) the sections of the *Act* listed in *SUP* 10C.14.22R;
- apply notwithstanding any agreement (for example, a 'COT 3' Agreement settled by the Advisory, Conciliation and Arbitration Service (ACAS)) or any other arrangements entered into by a *firm* and an *employee* upon termination of the *employee's* employment.
- (2) A *firm* should not enter into any such arrangements or agreements that could conflict with its obligations under this section or the *Act*.

- 10C.14.27 G Failing to disclose relevant information to the *FCA* may be a criminal offence under section 398 of the *Act*.

Application of this section to PRA-approved persons

- 10C.14.28 R This section also applies to a notification about a *PRA-approved SMF manager* who is not an *FCA-approved SMF manager* required by any of the provisions of the *Act* listed in *SUP* 10C.14.22R.
- 10C.14.29 R The *PRA's rules* determine how a notification under *SUP* 10C.14.28R is to be made.
- 10C.14.30 G If a *firm* is required to notify the *FCA* about a *PRA-approved SMF manager* who is not an *FCA-approved SMF manager* under one of the sections of the *Act* referred to in *SUP* 10C.14.28R, it should make a

single notification under the *PRA* 's requirements. There is no need for a separate notification to the *FCA*.

10C.16 References and accurate information

References

- 10C.16.1 R ~~(1)~~ *SYSC* 22 (Regulatory references) says that if a *firm* (A):
- (a) is considering appointing a *person* (P) to perform any *controlled function* or certain other functions;
 - (b) requests a reference from a *firm* (B) that is P's current or former *employer*; and
 - (c) indicates to B the purpose of the request;
- B should, as soon as reasonably practicable, give a reference to A.
- ~~(2) This applies even if A is a *firm* to which *SUP* 10A (FCA Approved Persons) applies rather than this chapter.~~
- 10C.16.2 G *SYSC* 22 also requires *firms* to get a reference before applying to have someone approved as an *approved person*.

The need for complete and accurate information

- 10C.16.5 G (1) The obligations to supply information to:
- (a) the *FCA* under this chapter;
 - (b) [deleted]
- apply notwithstanding any:
- (c) agreement (for example a 'COT 3' Agreement settled by the Advisory, Conciliation and Arbitration Service (ACAS)); or

(d) any other arrangements entered into by a *firm* and an *employee* upon termination of the *employee's* employment.

[*Editor's note:* The other annexes to SUP 10C (forms) will be consulted on in a second Consultation Paper.]

Delete the existing SUP 10C Annex 1G (Summary of forms and their use in the senior management regime for SMF managers) and replace it with the following new annex. The text is not underlined.

10C Annex 1

What functions apply to what type of firm

Introduction

- 1.1 R This annex sets out which *FCA controlled function* applies to which type of *SMCR firm*.
- 1.2 G If an *FCA controlled function* is not included in a table for a particular class of *firm* that means that *FCA controlled function* does not apply to any *firm* in that class.
- 1.3 G (1) If one of the tables in this annex shows that an *FCA controlled function* applies to a type of *firm*, that function does not necessarily apply to every *firm* in that class.
- (2) That may be because of limitations in the description of the function itself. For example, the *partner function* only applies to partnerships.
- (3) Another reason would be if the *rules* defining the *FCA controlled function* refer to a *rule* elsewhere in the *Handbook* and that *rule* only applies to certain types of *firm*. For example, SYSC 1 Annex 1 (Detailed application of SYSC) and SYSC 4.4 (Apportionment of responsibilities) cut back the application of the *limited scope function*.
- (4) The exclusions in section 2 of this annex and in SUP 10C.1 are also relevant.
- 1.4 R In the tables in this annex:
- (1) ✓ means that the *FCA controlled function* applies;
- (2) × means that the *FCA controlled function* does not apply;

Exclusions

- 2.1 R None of the *FCA controlled functions* apply to a *not-for-profit debt advice body*.
- 2.2 R None of the *FCA controlled functions* apply to an *incoming EEA firm* that

is an *EEA pure reinsurer* with respect to its *passport activities* carried on from a *branch* in the *United Kingdom*.

- 2.3 R None of the *FCA controlled functions* apply to an *internally managed AIF* which is a *body corporate* and not a *collective investment scheme*.
- 2.4 R (1) This chapter, except in respect of the *FCA required functions*, does not apply to an *authorised professional firm* in respect of its *non-mainstream regulated activities*, subject to (2).
- (2) Where the *authorised professional firm* has appointed *FCA-approved persons* to perform the *FCA governing functions* with equivalent responsibilities for the *firm's non-mainstream regulated activities* and other *regulated activities*, for the *firm's non-mainstream regulated activities* this chapter applies with respect to the *FCA governing functions* and the *FCA required functions* only.

Functions applying to banking sector firms

- 3.1 R (1) The table in *SUP 10C Annex 1 3.2R* sets out which *FCA controlled function* applies to which type of *SMCR dual regulated banking sector firm*.
- (2) *SMCR firms* in (1) are divided into the following categories for the purposes in (1):
- (a) a *UK SMCR dual regulated banking sector firm*;
 - (b) an *EEA SMCR dual regulated banking sector firm*; and
 - (c) a *third-country SMCR dual regulated banking sector firm*.

Functions applying to insurance sector firms

- 4.1 R (1) The table in SUP 10C Annex 1 4.2R sets out which *FCA controlled function* applies to which type of *Solvency II firm* (including a *large non-directive insurer*) and to a *small non-directive insurer*.
- (2) *SMCR firms* in (1) are divided into the following categories for the purposes in (1):
- (a) a *Solvency II firm* not within any other paragraph of this rule;
 - (b) a *Solvency II firm* within paragraph (c) of the *Glossary* definition of *Solvency II firm* (EEA branch);
 - (c) a *Solvency II firm* within paragraph (b) of the *Glossary* definition of *Solvency II firm* (third country branch);
 - (d) a *small non-directive insurer*;
 - (e) a *firm* in SYSC 23 Annex 1 3.2R (*firms* in run-off); and
 - (f) an *insurance special purpose vehicle*.
- (3) An *insurance special purpose vehicle* only falls into paragraph (2)(f). Subject to that a *firm* in (2)(e) does not fall into any other

paragraph.

G As explained in SUP 10C Annex 1 1.3G, the full range of *FCA controlled functions* that are applied to a class of *firm* by this Annex may not apply to every *firm* in that class. For example, in the case of a *limited scope core SMCR firm* that is a *sole trader* or an *authorised professional firm*:

- (1) SUP 10C Annex 1 2.4R cuts back the *FCA controlled functions* that apply to an *authorised professional firm*.
- (2) In practice it is unlikely that the *governing functions* will apply to a *sole trader* (see SUP 10C.4A.1G).
- (3) The *money laundering reporting function* does not apply to a *sole trader* with no employees (see SYSC 6.3.9R).

The text of the new annex is the same as what was SUP 10C Annex 1G (Summary of forms and their use in the senior management regime for SMF managers) before the insertion of a new SUP 10C Annex 1 by this instrument but is amended as shown.

15 Notifications to the FCA

...

15.11 Notification of COCON breaches and disciplinary action

Reasons for making a notification to the FCA

- 15.11.1 G Under section 64A of the *Act*, the *FCA* may make *rules* about the conduct of *approved persons* and certain other *persons* who work for a *firm*.
- 15.11.2 G *COCON* sets out *rules* under section 64A of the *Act* and *guidance* on those *rules* for ~~relevant authorised person and insurers~~ SMCR firms.
- 15.11.3 G [deleted]
- 15.11.4 G Under section 64C of the *Act*, a *firm* must notify the *FCA* if it takes disciplinary action against certain people working for a ~~relevant authorised person~~ an SMCR firm and the reason for this action is a reason specified in *rules* made by the *FCA* (those *rules* are set out in *SUP* 15.11.6R).
- 15.11.5 G Disciplinary action against a *person* is defined in section 64C of the *Act* as the issuing of a formal written warning, the suspension or dismissal of that *person* or the reduction or recovery of any of such *person's* remuneration.
- 15.11.6 R If a reason for taking the disciplinary action is any action, failure to act or circumstance that amounts to a breach of *COCON*, then the ~~relevant authorised person~~ SMCR firm is required to notify the *FCA* of the disciplinary action.
- 15.11.6A G The effect of section 64C of the *Act* and *SUP* 15.11.6R is that the reporting obligation in section 64C of the *Act* and in this section:
- (a) only applies to ~~relevant authorised persons~~ SMCR firms; and
 - (b) only covers *persons* who are subject to *COCON* (who are called *conduct rules staff* in the *FCA Handbook*) rather than to the whole workforce of a ~~relevant authorised person~~ an SMCR firm.
- 15.11.7 G A *firm* should make a separate notification about a *person* under section 64C of the *Act* where:
- (1) it has made a notification to the *FCA* about a *person* pursuant to *SUP* 15.3.11R(1)(a) because of a breach of *COCON*; and
 - (2) it subsequently takes disciplinary action against the *person* for the action, failure to act, or circumstance, that amounted to a breach of *COCON*.
- 15.11.8 G If, after a *firm* has made a notification for a *person* (A) pursuant to section 64C of the *Act*, it becomes aware of facts or matters which cause it to change its view that A has breached *COCON*, or cause it to determine that A has breached a provision of *COCON* other than the provision to which the notification related, the *firm* should inform the *FCA* of those facts and

matters and its revised conclusion in line with a *firm's* obligation to comply with *Principle 11*, *SUP 15.6.4R* and, if applicable, *SUP 10C* or *SUP 15.11.13R(4)*.

- 15.11.9 G If a *firm* takes disciplinary action as a result of a conduct breach (see *SUP 15.11.6R*) against an *employee* but the *employee* has appealed or plans to appeal, the *firm* should still report the disciplinary action under section 64C of the *Act* but should include the appeal in the notification. The *firm* should update the *FCA* on the outcome of any appeal.

- 15.11.10 G [deleted]

- 15.11.11 G In relation to any *conduct rules staff*, the *FCA* does not expect a *firm* to notify it pursuant to section 64C of the *Act* if the breach of *COCON* occurred before the application of *COCON* to that *firm*.

Timing and form of notifications: SMF managers

- 15.11.12 G Where a *firm* is required to notify the *FCA* pursuant to section 64C of the *Act* and that notification relates to an *SMF manager*, *SUP 10C* sets out how and when the notification must be made, and the relevant *notification rules* in *SUP 10C* apply.

Timing and form of notifications: conduct rules staff other than SMF managers

- 15.11.13 R (1) A *firm* must make any notifications required pursuant to section 64C of the *Act* relating to *conduct rules staff* other than *SMF managers* in accordance with *SUP 15.11.13R* to *SUP 15.11.15R*.
- (2) That notification must be made annually.
- (3) Each notification must:
- (a) cover the 12 *month* period ending on the last day of August; and
 - (b) be submitted to the *FCA*:
 - (i) within two months of the end of the reporting period; or
 - (ii) (if the end of the reporting period in (b)(i) falls on a *day* which is not a *business day*) so as to be received no later than the first *business day* after the end of that period.
- (4) *SUP 15.6.4R* and *SUP 15.6.5R* (updates to a notification that is or has become incorrect) apply to a notification under this *rule* but the *firm* must include the update or correction in the next notification it is due to make under this *rule* rather than in the time and manner otherwise required for notifications under those *rules*.
- (5) If a *firm* (other than a *credit union*) has nothing to report under

section 64C of the *Act* and nothing to report under *SUP* 15.11.13R(4) for a particular reporting period, it must notify the *FCA* of that fact in accordance with *SUP* 15.11.13R to *SUP* 15.11.14R.

- 15.11.13A G *SUP* 15.11.8G gives examples of when a notification should be updated under *SUP* 15.11.13R(4).
- 15.11.14 R (1) A *firm* other than a *credit union* must make each notification pursuant to *SUP* 15.11.13R (notifications about section 64C of the *Act* relating to *conduct rules staff* other than *SMF managers*) by submitting it online through the *FCA*'s website using the electronic system made available by the *FCA* for this purpose.
- (2) A *firm* must use the version of Form H (named REP008 – Notification of Disciplinary Action) made available on the electronic system referred to in (1), which is based on the version found in *SUP* 15 Annex 7R.
- (3) If the information technology systems used by the *FCA* fail and online submission is unavailable for 24 hours or more, *SUP* 15.11.15R applies until such time as the facilities for online submission are restored.
- 15.11.14A G (1) If the information technology systems used by the *FCA* fail and online submission is unavailable for 24 hours or more, the *FCA* will endeavour to publish a notice on its website confirming that:
- (a) online submission is unavailable; and
- (b) the alternative methods of submission in *SUP* 15.11.15R apply.
- (2) Where *SUP* 15.11.14R(3) applies to a *firm*, *GEN* 1.3.2R (Emergency) does not apply.
- 15.11.15 R A *credit union* must make each notification pursuant to *SUP* 15.11.13R (notifications about section 64C of the *Act* relating to *conduct rules staff* other than *SMF managers*) in accordance with the *rules* and *guidance* in *SUP* 15.7, using Form H as set out in *SUP* 15 Annex 7R.

General guidance on notifications of rule breaches and disciplinary action

- 15.11.16 G [deleted]
- 15.11.17 G The obligation to notify pursuant to section 64C of the *Act* or to update or correct a notification under *SUP* 15.11.13R(4) does not replace or limit a *firm*'s obligation to comply with *Principle* 11.
- 15.11.18 G When considering whether to make a notification pursuant to section 64C of the *Act*, a *firm* should also consider whether a notification should be made under any *notification rules*, including, without limitation, any *notification*

rules that require a notification to be made to the *PRA*.

- 15.11.19 G The obligations to make a notification pursuant to section 64C of the *Act* apply notwithstanding any agreement (for example a ‘COT 3’ Agreement settled by the Advisory, Conciliation and Arbitration Service (ACAS)) or any other arrangements entered into by a *firm* and an *employee* upon termination of the *employee’s* employment. A *firm* should not enter into any such arrangements or agreements that could conflict with its obligations under this section.
- 15.11.20 G Failing to disclose relevant information to the *FCA* may be a criminal offence under section 398 of the *Act*.
