

Addendum

Please note:

1. It is necessary to make a change to the legal instrument as published in appendix 3 of Quarterly Consultation Paper No 20 CP 18/6 relating to the removal of the appointed representatives annual reporting requirement.
2. The removal of the reporting requirement is described in chapter 3 of the consultation paper; however the text making this change was omitted from the legal instrument. Therefore the legal text on the following page of this addendum should be inserted into the instrument as indicated. Any responses to the consultation paper should be made on the basis that this text is included.
3. As the policy intention set out in the text of chapter 3 has not changed, there will be no extension to the consultation period for this chapter.
