6. Information submitted to the Authority by the Firm in regulatory returns for the period 1 April 2021 to 31 March 2023 shows that the Firm is not carrying on any regulated activities for which it holds a Part 4A permission. There are no other matters that suggest the Firm is carrying on regulated activities.

 11. As a result of the matters specified above, on 16 February 2024, the Authority gave the Firm the Further Notice which stated that:
 - a) the Authority considered that the Firm is carrying on no regulated activity to which its Part 4A permission relates; and
 - b) the Authority proposes to cancel the Firm's Part 4A permission on 14 March 2024 unless the Firm takes the steps specified in the directions to the Further Notice.
 12. The Firm failed to take the steps specified in the Further Notice.

CANCELLATION OF PART 4A PERMISSION

13. From the facts and matters described above, and having regard to paragraph 1(3) of Schedule 6A to the Act, the Authority considers that the Firm is carrying on no regulated activity to which its Part 4A permission relates. 2. The Authority is authorised by paragraphs 1(1) and (2) of Schedule 6A to the Act to cancel an Authority-authorised person's Part 4A permission, if it appears to the Authority that the Authority-authorised person is carrying on no regulated activity to which the permission relates.
3. Paragraph 1(3) of Schedule 6A of the Act provides that the circumstances in which the Authority may form the view that an Authority-authorised person is carrying on no regulated activity include (but are not limited to) circumstances where the person fails—
 - (a) to pay any periodic fee or levy as is required by the Handbook, or
 - (b) to provide such information to the Authority as is required by the Handbook.

In exercising its power to cancel an Authority-authorised person's Part 4A permission, the Authority must have regard to the regulatory requirements and guidance published in the Handbook and in regulatory guides, such as EG. The main considerations relevant to the action stated in this Notice of Decision are set out below.

Relevant Rules

6. FEES 4.2.1R requires that:

"A *person* shown in column (1) of the table in *FEES 4.2.11 R* as the relevant fee payer must pay each periodic fee applicable to it, calculated in accordance with the provisions referred to in column (2) of the applicable table, as adjusted by any relevant provision in this chapter:

- (2) on or before the date given in column (3) of that table, unless *FEES 4.2.10 R* applies."

7. FEES 4.3.1R states that:

11. FEES 7A.3.1R requires that:

"A *firm* must pay the *SFGB money advice levy* or *SFGB debt advice levy* applicable to it:

- (2) by 1 August or, if later, within 30 days of the date of the invoice in the fee year to which that sum relates.

12. FEES 13.2.1R requires that:

"A *firm* must pay each *IML levy* applicable to it:

- (1) in full and without deduction by 1 August (or, if later, within 30 *days* of the date of the invoice) in the financial year to which the sum relates; and

13. SUP 16.10.4R specifies that:

"(1) Within 60 business days of its accounting reference date, a firm must check the accuracy of its firm details through the relevant section of the [Authority] website.

[...]

(3) If any of the details are incorrect, the firm must submit the corrected firm details to the [Authority] using the appropriate form set out in SUP 15 Ann 3 and in accordance with SUP 16.10.4AR.”

14. SUP 16.10.4AR(1) specifies that:

“A firm must submit any corrected firm details under SUP 16.10.4R(3) using the appropriate online systems accessible through the [Authority’s] website.”

15. SUP 16.10.4AAR, which applies where, in complying with SUP 16.10.4R(1), a firm does not need to submit corrected firm details under SUP 16.10.4R(3), specifies that:

“(2) Within 60 business days of its accounting reference date, a firm must submit a report to the [Authority] confirming that the firm details which it has checked under SUP 16.10.4R(1) remain accurate, using the appropriate online systems accessible through the [Authority’s] website.”

Guidance concerning the use of the Authority’s additional power to cancel an authorised firm’s Part 4A permission on its own initiative

16. Guidance on the use of the Authority’s power to cancel an Authority-authorised person’s Part 4A permissions on its own initiative under Schedule 6A to the Act is set out in SUP and EG.

17. EG 8.5.2A states that the Authority may cancel the Part 4A permission of a firm that is an Authority-authorised person, under Schedule 6A of the Act, if:

- (1) it appears to the Authority that the firm is carrying on no regulated activity to which the permission relates; and
- (2) the firm has failed to respond as directed by the Authority to notices served by the Authority to the firm under paragraph 2 of Schedule 6A.

18. EG 8.5.2A also states that Schedule 6A specifies that the Authority may form the view that a firm is carrying on no such regulated activity on the basis of its failure to pay a periodic fee or levy or provide information to the Authority, in each case as required by the Handbook.

19. SUP sets out further guidance on the Authority’s power under Schedule 6A of the Act. In particular, SUP 7.2.2AG states that the Authority may decide to cancel an Authority-authorised person’s Part 4A permission using its powers under Schedule 6A of the Act:

- (1) if that person appears to the Authority not to be carrying on any regulated activity to which the permission relates, including, without restriction, if the person has failed to:
 - (a) pay a periodic fee or levy under the Handbook; or
 - (b) provide the Authority with information required under the Handbook; and
- (2) if that person, when served by the Authority with two notices under paragraph 2 of Schedule 6A of the Act, has not:
 - (a) responded in the manner directed, in those notices or otherwise, by the Authority; nor

(b) taken other steps as may also be directed by the Authority;

the second of which notices will specify the effective date of the proposed cancellation.

20. SUP 7.2.2CG states that, apart from the circumstances described in SUP 7.2.2AG(1), the Authority may also form the view, under Schedule 6A of the Act, that a firm is no longer conducting any regulated activity to which its permission relates in light of, without restriction:

(1) one or more reports, provided to the Authority by the firm, under SUP 16 or otherwise, indicating that it is no longer doing so.

21. SUP 7.2.2DG states that:

(1) the Authority's additional own-initiative variation power under Schedule 6A to the Act (which includes the power to cancel the Part 4A permission of an Authority-authorized firm under Schedule 6A of the Act and references to "additional own-initiative variation power in the remainder of this Notice of Decision should be read as such) has, unlike the Authority's own-initiative variation power under section 55J of the Act, a single basis: that it appears to the Authority that the relevant Authority-authorized person is not carrying on any regulated activity to which its Part 4A permission relates.

(2) if the Authority uses its additional own-initiative variation power, it is therefore more likely to cancel the relevant firm's Part 4A permission, rather than merely varying it by removing or amending the description of one or more such activities or by imposing one or more limitations.

(3) the Authority will, however, consider all relevant facts and circumstances, including, without restriction:

(a) the relevant firm's responses, if any, to the notices given by the Authority under paragraph 2 of Schedule 6A; and

(b) if applicable, the factors described in SUP 6.4.22G, including whether there are any matters relating to the firm requiring investigation,

before deciding whether to use its additional own-initiative variation power and whether to use it to cancel or vary.

22. SUP 7.2.7G(1) states that a firm has no right of referral to the Tribunal in respect of the Authority exercising its additional own-initiative variation power, under Schedule 6A to the Act, on the Authority-authorized firm's Part 4A permission.
