  - ii. Credit broking

6. The Firm has failed to pay periodic fees and levies owed to the Authority as required under the Handbook under the rules set out in FEES 4.2.1R, 4.3.1R, 5.7.1R, 6.7.1R, 6.7.3R, 7A.3.1R and 13.2.1R. In particular, the Firm has failed to pay an invoice dated 20 Sep 2023 for periodic fees and levies of £409.54 which had been due for payment by 20 Oct 2023.

11. As a result of the matters specified above, on 12 Mar 2024, the Authority gave the Firm the Further Notice which stated that:

- (a) the Authority considered that the Firm is carrying on no regulated activity to which its Part 4A permission relates; and
- (b) the Authority proposes to cancel the Firm's Part 4A permission on 2 April 2024 unless the Firm takes the steps specified in the directions to the Further Notice.

## **ANNEX ON CANCELLATION OF PART 4A PERMISSION ON INITIATIVE OF FCA: ADDITIONAL POWER**

### **RELEVANT STATUTORY PROVISIONS**

1. The Authority's operational objectives established in section 1B of the Act include protecting and enhancing the integrity of the UK financial system and securing an appropriate degree of protection for consumers.
2. The Authority is authorised by paragraphs 1(1) and (2) of Schedule 6A to the Act to cancel an Authority-authorized person's Part 4A permission, if it appears to the Authority that the Authority-authorized person is carrying on no regulated activity to which the permission relates.
3. Paragraph 1(3) of Schedule 6A of the Act provides that the circumstances in which the Authority may form the view that an Authority-authorized person is carrying on no regulated activity include (but are not limited to) circumstances where the person fails—

(b) to provide such information to the Authority as is required by the Handbook.

4. The Authority must exercise its power to cancel an Authority-authorized person's Part 4A permission using its additional own initiative power in accordance with the procedure set out in paragraph 2 of Schedule 6A to the Act.

### **RELEVANT HANDBOOK PROVISIONS**

5. In exercising its power to cancel an Authority-authorized person's Part 4A permission, the Authority must have regard to the regulatory requirements and guidance published in the Handbook and in regulatory guides, such as EG. The main considerations relevant to the action stated in this Notice of Decision are set out below.
6. SUP 16.3.11R requires that:

"A firm must submit reports required under this chapter to the [Authority] containing all the information required."

7. SUP 16.3.13R(1) requires that:

"A *firm* must submit a report required by this chapter in the frequency, and so as to be received by the [Authority] no later than the due date, specified for that report."

8. SUP 16.3.13R(4) states that:

"If the due date for submission of a report required by this chapter is a set period of time after the end of a half-year, a quarter, or a month, the dates will be determined by (a) or (b) below except where otherwise indicated:

(a) the *firm's accounting reference date*;

(b) monthly, 3 monthly or 6 months after the *firm's accounting reference date*, as the case may be."

9. The Firm falls within RAG 12. The reporting requirements relevant to the Firm are set out in the rules specified in paragraph 6 of this Notice of Decision.

**Guidance concerning the use of the Authority's additional power to cancel an authorised firm's Part 4A permission on its own initiative**

10. Guidance on the use of the Authority's power to cancel an Authority-authorized person's Part 4A permissions on its own initiative under Schedule 6A to the Act is set out in SUP and EG.

11. EG 8.5.2A states that the Authority may cancel the Part 4A permission of a firm that is an Authority-authorized person, under Schedule 6A of the Act, if:

- (1) it appears to the Authority that the firm is carrying on no regulated activity to which the permission relates; and
- (2) the firm has failed to respond as directed by the Authority to notices served by the Authority to the firm under paragraph 2 of Schedule 6A.

12. EG 8.5.2A also states that Schedule 6A specifies that the Authority may form the view that a firm is carrying on no such regulated activity on the basis of its failure to pay a periodic fee or levy or provide information to the Authority, in each case as required by the Handbook.

13. SUP sets out further guidance on the Authority's power under Schedule 6A of the Act. In particular, SUP 7.2.2AG states that the Authority may decide to cancel an Authority-authorized person's Part 4A permission using its powers under Schedule 6A of the Act:

(1) if that person appears to the Authority not to be carrying on any regulated activity to which the permission relates, including, without restriction, if the person has failed to:

- (a) - pay a periodic fee or levy under the Handbook; or
- (b) - provide the Authority with information required under the Handbook; and

(2) if that person, when served by the Authority with two notices under paragraph 2 of Schedule 6A of the Act, has not:

- (a) responded in the manner directed, in those notices or otherwise, by the Authority; nor
- (b) taken other steps as may also be directed by the Authority;

the second of which notices will specify the effective date of the proposed cancellation.

14. SUP 7.2.2DG states that:

- (1) the Authority's additional own-initiative variation power under Schedule 6A to the Act (which includes the power to cancel the Part 4A permission of an Authority-authorized firm under Schedule 6A of the Act and references to "additional own-initiative variation power in the remainder of this Notice of Decision should be read as such) has, unlike the Authority's own-initiative variation power under section 55J of the Act, a single basis: that it appears to the Authority that the

relevant Authority-authorized person is not carrying on any regulated activity to which its Part 4A permission relates.

- (2) if the Authority uses its additional own-initiative variation power, it is therefore more likely to cancel the relevant firm's Part 4A permission, rather than merely varying it by removing or amending the description of one or more such activities or by imposing one or more limitations.
- (3) the Authority will, however, consider all relevant facts and circumstances, including, without restriction:
  - (a) the relevant firm's responses, if any, to the notices given by the Authority under paragraph 2 of Schedule 6A; and
  - (b) if applicable, the factors described in SUP 6.4.22G, including whether there are any matters relating to the firm requiring investigation,

before deciding whether to use its additional own-initiative variation power and whether to use it to cancel or vary.

15. SUP 7.2.7G(1) states that a firm has no right of referral to the Tribunal in respect of the Authority exercising its additional own-initiative variation power, under Schedule 6A to the Act, on the Authority-authorized firm's Part 4A permission.
