In exercising its power to cancel an Authority-authorised person's Part 4A permission, the Authority must have regard to the regulatory requirements and guidance published in the Handbook and in regulatory guides, such as EG. The main considerations relevant to the action stated in this Notice of Decision are set out below.

Relevant Rules

6. SUP 16.3.11R requires that:

"A firm must submit reports required under this chapter to the [Authority] containing all the information required."
7. SUP 16.3.13R(1) requires that:

"A *firm* must submit a report required by this chapter in the frequency, and so as to be received by the [Authority] no later than the due date, specified for that report."
8. SUP 16.3.13R(4) states that:

"If the due date for submission of a report required by this chapter is a set period of time after the end of a half-year, a quarter, or a month, the dates will be determined by (a) or (b) below except where otherwise indicated:

 - (a) the *firm's accounting reference date*;

(b) monthly, 3 monthly or 6 months after the *firm's accounting reference date*, as the case may be."

9. The Firm falls within RAG3, RAG4, RAG6 and RAG8. A firm's RAG dictates specific reporting requirements for that firm, based on regulated activities which the firm has permission to carry on and arise from the rules contained in SUP, which stipulates the data item or regulatory report, frequency and the date by which the relevant data item or regulatory report is required to be submitted. The reporting requirements relevant to the Firm are set out in the rules specified in paragraph 6 of this Notice of Decision.

10. SUP 16.26.18R specifies that:

"(1) Paragraph (2) applies where an SMCR has not submitted any reports to the [Authority] in respect of a Directory person in accordance with the provisions of this section within the relevant period [...].

(3) The confirmation to be submitted to the [Authority] under paragraph (2) must be submitted no later than the first business day following the end of the relevant period".

11. SUP 16.26.19R specifies that an SMCR firm may submit a confirmation of accuracy at any time.

12. SUP 16.26.20R specifies that:

"(1) For the purposes of SUP 16.26.18R, the "relevant period" is the period which:

(i) submitted a report to the [Authority] in respect of any of its Directory persons; or

(ii) submitted a confirmation in accordance with SUP 16.26.18R;

(iii) submitted a confirmation in accordance with SUP 16.26.19R; and

(b) subject to (2), ends 364 days after the day specified in (a).

(2) If the relevant period includes the 29 February of a given year, the period ends 365 days after the day specified in paragraph (1)(a)."

Guidance concerning the use of the Authority's additional power to cancel an authorised firm's Part 4A permission on its own initiative

13. Guidance on the use of the Authority's power to cancel an Authority-authorized person's Part 4A permissions on its own initiative under Schedule 6A to the Act is set out in SUP and EG.

14. EG 8.5.2A states that the Authority may cancel the Part 4A permission of a firm that is an Authority-authorized person, under Schedule 6A of the Act, if:

- (1) it appears to the Authority that the firm is carrying on no regulated activity to which the permission relates; and
 - (2) the firm has failed to respond as directed by the Authority to notices served by the Authority to the firm under paragraph 2 of Schedule 6A.
15. EG 8.5.2A also states that Schedule 6A specifies that the Authority may form the view that a firm is carrying on no such regulated activity on the basis of its failure to pay a periodic fee or levy or provide information to the Authority, in each case as required by the Handbook.
16. SUP sets out further guidance on the Authority's power under Schedule 6A of the Act. In particular, SUP 7.2.2AG states that the Authority may decide to cancel an Authority-authorized person's Part 4A permission using its powers under Schedule 6A of the Act:
- (1) if that person appears to the Authority not to be carrying on any regulated activity to which the permission relates, including, without restriction, if the person has failed to:
 - (a) provide the Authority with information required under the Handbook; and
 - (2) if that person, when served by the Authority with two notices under paragraph 2 of Schedule 6A of the Act, has not:
 - (a) responded in the manner directed, in those notices or otherwise, by the Authority; nor
 - (b) taken other steps as may also be directed by the Authority;

the second of which notices will specify the effective date of the proposed cancellation.
17. SUP 7.2.2CG states that, apart from the circumstances described in SUP 7.2.2AG(1), the Authority may also form the view, under Schedule 6A of the Act, that a firm is no longer conducting any regulated activity to which its permission relates in light of, without restriction:
- (1) one or more reports, provided to the Authority by the firm, under SUP 16 or otherwise, indicating that it is no longer doing so;
 - (2) the firm's failure, on two or more occasions, to respond substantively to Authority correspondence, requesting a response, sent to:
 - (a) the address of the firm's principal place of business in the United Kingdom, as notified to the Authority in accordance with SUP 15.5.4R(1); or
 - (b) one or more other postal or electronic addresses previously provided to the Authority by the firm, or otherwise used by the firm, for the purpose of correspondence with the Authority and not known by the Authority to have been superseded in that regard.
18. SUP 7.2.2DG states that:
- (1) the Authority's additional own-initiative variation power under Schedule 6A to the Act (which includes the power to cancel the Part 4A permission of an Authority-authorized firm under Schedule 6A of the Act and references to "additional own-initiative variation power in the remainder of this Notice of Decision should be read as such)

has, unlike the Authority's own-initiative variation power under section 55J of the Act, a single basis: that it appears to the Authority that the relevant Authority-authorized person is not carrying on any regulated activity to which its Part 4A permission relates.

- (2) if the Authority uses its additional own-initiative variation power, it is therefore more likely to cancel the relevant firm's Part 4A permission, rather than merely varying it by removing or amending the description of one or more such activities or by imposing one or more limitations.
- (3) the Authority will, however, consider all relevant facts and circumstances, including, without restriction:
 - (a) the relevant firm's responses, if any, to the notices given by the Authority under paragraph 2 of Schedule 6A; and
 - (b) if applicable, the factors described in SUP 6.4.22G, including whether there are any matters relating to the firm requiring investigation,

before deciding whether to use its additional own-initiative variation power and whether to use it to cancel or vary.

19. SUP 7.2.7G(1) states that a firm has no right of referral to the Tribunal in respect of the Authority exercising its additional own-initiative variation power, under Schedule 6A to the Act, on the Authority-authorized firm's Part 4A permission.
