FACTS AND MATTERS

4. Tradesneeds was authorized by the Authority on 18 January 2016 and has Part 4A permission to conduct the following regulated activities in relation to consumer credit:
 - a. Agreeing to carry on a regulated activity; and
 - b. Credit-broking
5. Tradesneeds submitted regulatory returns to the Authority for the periods 18 February 2021 to 17 February 2023 which show that Tradesneeds has not generated any income from the regulated activities it is permitted to carry on. In addition, there are no other matters that suggest Tradesneeds is carrying on regulated activities.
6. Under SUP 16.10.4R, 16.10.4AR and 16.10.14AAR, Tradesneeds is required to submit the FDA to the Authority by the relevant due date. However, Tradesneeds has failed to submit the FDA to the Authority.
7. On 24 April 2023, the Authority gave Tradesneeds the Notice which stated that:
 - (a) it appears to the Authority that Tradesneeds is carrying on no regulated activity to which its Part 4A permission relates; and
 - (b) the Authority may take action to cancel Tradesneeds’ Part 4A permission unless it responds to the Notice in the manner specified in the directions to the Notice.
8. Tradesneeds failed to respond to the Notice.
9. As a result of the matters specified in paragraph 7 above, on 31 May 2023, the Authority gave Tradesneeds the Further Notice which stated that:
 - a) the Authority considered that Tradesneeds is carrying on no regulated activity to which its Part 4A permission relates; and

- b) the Authority proposes to cancel Tradesneeds' Part 4A permission on 7 July 2023 unless Tradesneeds takes the steps specified in the directions to the Further Notice.

10. Tradesneeds failed to take the steps specified in the Further Notice.

CANCELLATION OF PART 4A PERMISSION

- 11. From the facts and matters described above, the Authority considers that Tradesneeds is carrying on no regulated activities to which its Part 4A permission relates. The Authority has therefore decided to cancel Tradesneeds' Part 4A permission. The cancellation of Tradesneeds' Part 4A permission takes effect on the date of this Notice of Decision.
- 12. The statutory and regulatory provisions relevant to this Notice of Decision are set out in the Annexes.

ANNEX ON CANCELLATION OF PART 4A PERMISSION ON INITIATIVE OF FCA: ADDITIONAL POWER

RELEVANT STATUTORY PROVISIONS

1. The Authority's operational objectives established in section 1B of the Act include protecting and enhancing the integrity of the UK financial system and securing an appropriate degree of protection for consumers.
2. The Authority is authorised by paragraphs 1(1) and (2) of Schedule 6A to the Act to cancel an Authority-authorised person's Part 4A permission, if it appears to the Authority that the Authority-authorised person is carrying on no regulated activity to which the permission relates.
3. The Authority must exercise its power to cancel an Authority-authorised person's Part 4A permission using its additional own initiative power in accordance with the procedure set out in paragraph 2 of Schedule 6A to the Act.

RELEVANT HANDBOOK PROVISIONS

4. In exercising its power to cancel an Authority-authorised person's Part 4A permission, the Authority must have regard to the regulatory requirements and guidance published in the Handbook and in regulatory guides, such as EG. The main considerations relevant to the action stated in this Notice of Decision are set out below.

Relevant Rules

10. SUP 16.10.4R specifies that:

“(1) Within 60 business days of its accounting reference date, a firm must check the accuracy of its firm details through the relevant section of the [Authority] website.

[...]

(3) If any of the details are incorrect, the firm must submit the corrected firm details to the [Authority] using the appropriate form set out in SUP 15 Ann 3 and in accordance with SUP 16.10.4AR.”

11. SUP 16.10.4AR(1) specifies that:

“A firm must submit any corrected firm details under SUP 16.10.14R(3) using the appropriate online systems accessible through the [Authority's] website.”

12. SUP 16.10.14AAR, which applies where, in complying with SUP 16.10.14R(1), a firm does not need to submit corrected firm details under SUP 16.10.14R(3), specifies that:

“(2) Within 60 business days of its accounting reference date, a firm must submit a report to the [Authority] confirming that the firm details which it has checked under SUP 16.10.14R(1) remain accurate, using the appropriate online systems accessible through the Authority's website.”

Guidance concerning the use of the Authority's additional power to cancel an authorised firm's Part 4A permission on its own initiative

13. Guidance on the use of the Authority's power to cancel an Authority-authorised person's Part 4A permissions on its own initiative under Schedule 6A to the Act is set out in SUP and EG.
14. EG 8.5.2A states that the Authority may cancel the Part 4A permission of a firm that is an Authority-authorised person, under Schedule 6A of the Act, if:
 - (1) it appears to the Authority that the firm is carrying on no regulated activity to which the permission relates; and
 - (2) the firm has failed to respond as directed by the Authority to notices served by the Authority to the firm under paragraph 2 of Schedule 6A.
15. EG 8.5.2A also states that Schedule 6A specifies that the Authority may form the view that a firm is carrying on no such regulated activity on the basis of its failure to pay a periodic fee or levy or provide information to the Authority, in each case as required by the Handbook.
16. SUP sets out further guidance on the Authority's power under Schedule 6A of the Act. In particular, SUP 7.2.2AG states that the Authority may decide to cancel an Authority-authorised person's Part 4A permission using its powers under Schedule 6A of the Act:
 - (1) if that person appears to the Authority not to be carrying on any regulated activity to which the permission relates, including, without restriction, if the person has failed to:
 - (a) provide the Authority with information required under the Handbook; and
 - (2) if that person, when served by the Authority with two notices under paragraph 2 of Schedule 6A of the Act, has not:
 - (a) responded in the manner directed, in those notices or otherwise, by the Authority; nor
 - (b) taken other steps as may also be directed by the Authority;

the second of which notices will specify the effective date of the proposed cancellation.
17. SUP 7.2.2CG states that, apart from the circumstances described in SUP 7.2.2AG(1), the Authority may also form the view, under Schedule 6A of the Act, that a firm is no longer conducting any regulated activity to which it permission relates in light of, without restriction:
 - (1) one or more reports, provided to the Authority by the firm, under SUP 16 or otherwise, indicating that it is no longer doing so;
18. SUP 7.2.2DG states that:
 - (1) the Authority's additional own-initiative variation power under Schedule 6A to the Act (which includes the power to cancel the Part 4A permission of an Authority-authorised firm under Schedule 6A of the Act and references to "additional own-initiative variation power in the remainder of this Notice of Decision should be read as such) has, unlike the Authority's own-initiative variation power under section 55J of the Act, a single basis: that it appears to the Authority that the relevant Authority-

authorised person is not carrying on any regulated activity to which its Part 4A permission relates.

- (2) if the Authority uses its additional own-initiative variation power, it is therefore more likely to cancel the relevant firm's Part 4A permission, rather than merely varying it by removing or amending the description of one or more such activities or by imposing one or more limitations.
- (3) the Authority will, however, consider all relevant facts and circumstances, including, without restriction:
 - (a) the relevant firm's responses, if any, to the notices given by the Authority under paragraph 2 of Schedule 6A; and
 - (b) if applicable, the factors described in SUP 6.4.22G, including whether there are any matters relating to the firm requiring investigation,

before deciding whether to use its additional own-initiative variation power and whether to use it to cancel or vary.

19. SUP 7.2.7G(1) states that a firm has no right of referral to the Tribunal in respect of the Authority exercising its additional own-initiative variation power, under Schedule 6A to the Act, on the Authority-authorized firm's Part 4A permission.
