### Clarification request response from 11 December 2023

*"Regarding your queries in relation to my questions:*

*Correct, question 1 was just concerning Retail Lending as a whole (not any particular business sector)*

*Question 2: Correct, I was just asking for the stats in relation to Second Charge Lending in particular.*

*Question 3 RE. "The total number of Part 4a New Authorisations and VoP requests."*

*I am asking for the TOTAL number of new authorisations/VoP requests (regardless of sector) – the TOTAL number.*

*Question 4: RE. Upper Tribunal (past 5 years): Again, I'm asking for the TOTAL number of refusals etc (not sector specific)."*
