I'd like to make an FOI request re: interest only mortgages.

I was wondering if you had any up to date figures on the number of homeowners who are currently on interest only mortgages in the UK.

Also, are you able to tell me how many interest only mortgages will mature (come to an end) in 2024 ... 2025, 26, 27, 28, 29, 30, 31, 32, 33.
