

## **Annex A**

Request received on 25 April 2024:

*"In its finalised non-handbook guidance on the anti-greenwashing rule (<https://www.fca.org.uk/publication/finalised-guidance/fq24-3.pdf>), the FCA said that "most respondents were supportive of the guidance coming into force on 31 May 2024, alongside the anti greenwashing rule".*

*Please could you provide me with the following information:*

*A copy of all responses to Question 3 of the consultation, relating to the timing of the guidance coming in to force. Please can you provide the identity of each responding organisation where this would not incur an exemption.*

*If providing named responses would incur an exemption, please can you provide me a breakdown of the number of responses in each of the following categories:*

- 1. Asking for an extension of the deadline either for the guidance or the rule itself.*
- 2. Explicitly stating that they have no issue with the deadline.*
- 3. Not taking a position either way."*

Clarification Received on 26 May 2024:

*To confirm, I am interested in all responses, but where an individual has responded in a personal capacity please could you replace their identity with [Individual Respondent] to avoid the personal information exemption.*
