<b>FCA</b>	<b>Tariff base</b>	<b>Number of traders</b>
<b>FCA</b>	<b>Valuation date</b>	<b>As at 31 December 2018</b>

We need fees and levies information to calculate your fees for the Financial Conduct Authority (FCA), Financial Guidance Levy (FGL) and the Financial Ombudsman Service (FOS). We provide separate guidance for data relevant to the [FSCS levies](#).

This guidance sheet provides details on the data to include within the firm's fee tariff data submission. We have given links to relevant parts of the Handbook to help you complete the form correctly. This sheet covers the following fee-blocks:

- **FCA fee-block A010**
- **FOS industry block I007**

For more information on this fee block, including which regulated activities place firms into the above fee-blocks, please refer to the fees manual ([FEES](#)).

Each year we consult on any proposed fee policy changes and fee tariff bases may be subject to change. So before submitting the fee tariff data, you should also refer to the [latest publications](#) about fees on our website. These explain any proposed changes to the tariff data you must report, and the expected date when any changes will be implemented.

For FSCS guidance, publication and further information on fees and levies, visit our [fees website](#).

#### Notes:

The PRA has different tariff bases for designated investment firms in PRA fee-block A10. The tariff bases are total trading book assets and financial operating income. We will not ask the relevant firms for this data as we will obtain this from our own regulatory systems.

Your firm is now allocated to FSCS class 2 category 1, life distribution and investment intermediation (CLII-1), which replaces FSCS classes SC02 and SD02. The levy for this category continues to be based on annual eligible income. See the guidance for [FSCS category CLII-1](#)

## FEES AND LEVIES 2019/20 – REQUEST FOR FEE-TARIFF DATA

### FCA fee-block: A010 – firms dealing as principal

#### Tariff base: number of traders, as at 31 December 2018

Any *employee* or agent, who:

ordinarily acts within the *United Kingdom* on behalf of an *authorised person* liable to pay fees to the *FCA* in its fee-block A.10 (firms dealing as principal/bidding in emissions auctions); and who,

as part of their duties in relation to those activities of the *authorised person*, commits the *firm* in market dealings or in transactions in *securities* or in other *specified investments* in the course of *regulated activities*.

But not any *employees* or agents who work solely in the *firm's Multilateral trading facility (MTF)* operation.

A *firm* may, as an option, report *employees* or agents as full-time equivalents (FTE), taking account of any part-time staff. In calculating the FTE, *firms* must take into account the total hours *employees* or agents have contracted to work for the *firm* and not the time *employees* or agents devote to the function of dealing as principal and bidding in emissions auctions. Any figures using the FTE calculation to be recorded to one decimal place, rounded down to the nearest decimal place.

### FOS industry block: I007 – firms dealing as principal

#### Tariff base: number of relevant traders as at 31 December 2018

You do not need to supply tariff data for Industry block I007 as the FOS levy is currently a flat fee.

If your firm has a valid FOS exemption no data is required.
