FCA	Tariff base	Annual income

We need fees and levies information to calculate your fees for the Financial Conduct Authority (FCA).

This guidance sheet provides details on the data to include within the firm's fee tariff data submission. We have given links to relevant parts of our Handbook to help you complete the form. This sheet covers the following fee-block:

- FCA fee-block B005 or AB05**

For more information on this, including which regulated activities place firms into fee-blocks, please refer to our fees manual ([FEES](#)).

Each year we consult on any proposed fee policy changes and fee tariff bases may be subject to change. So before submitting the fee tariff data you should also refer to the [latest publications](#) about fees on our website. These explain any proposed changes to the tariff data you must report, and the expected date when any changes will be implemented.

FCA fee-block: B005 or AB05 – Regulated Benchmark Administrators (RBAs)

Tariff base: annual income for your financial year ended in 2024

Annual income is defined in [FEES 4 Annex 11AR](#)

When completing their tariff data forms RBAs should ensure they follow the guidance set out in [FEES 4 Annex 13G](#), and take account of fair value and include income arising from the activities as a regulated benchmark administrator wherever that income comes from, whether from UK customers or non-UK customers.
