Regulatory fees and levies 2019/2020

FSCS class B1 (SB01) – General insurance provision

Tariff base	Relevant net premium income (RNPI) and Eligible liabilities (EL)
Validation date	Financial year ending in 2018

We need information from you to calculate your levies for the Financial Services Compensation Scheme (FSCS).

The rules for FSCS insurance provision classes are in the [Policyholder Protection](#) part of the Prudential Regulation Authority (PRA) rulebook.

Legal basis for firms allocated to class SB01: Firms with permission for:

- effecting contracts of insurance; and/or
- carrying out contracts of insurance;

that are contracts of general insurance

Tariff base SB01– Relevant net premium income and Eligible liabilities for financial year ended in 2018

The tariff bases for class SB01, general insurance provision are set out in [annex 2 of the PRA Policyholder protection rules](#).

In 2016 the FCA commenced a review on the funding arrangements of FSCS and consulted on proposals for several policy changes. The changes included the introduction of new funding classes and categories, which will become effective from 1 April 2019 and can be found in [FEES 6 annex 3A](#) of our handbook.

Your firm is now allocated to FSCS class 1 category 2, general insurance provision (CLGID-2) and is in addition to class SB01. The levy for this class is based on the same data you report for FSCS class SB01.
