FINAL NOTICE

To: **BUCKINGHAM BRIDGEFINANCE CORP LTD**

Address: **7 Brockwell Avenue, Beckenham, Kent, BR3 3GE**

FRN: **702861**

Dated: **9 November 2026**

ACTION

1. For the reasons given in this Final Notice, the Authority hereby cancels BUCKINGHAM BRIDGEFINANCE CORP LTD ("the Firm")'s Part 4A permission to carry on regulated activities.

2. The Authority issued to the Firm the Decision Notice, which notified it that for the reasons given in this notice and pursuant to section 55J of the Act, the Authority had decided to take the action specified above.

3. The Firm has not referred the matter to the Tribunal within 28 days of the date on which the Decision Notice was issued to it.

4. Accordingly, the Authority has today cancelled the Firm's Part 4A permission. The cancellation takes effect from the date of this Final Notice.

SUMMARY OF REASONS

5. On the basis of the facts and matters set out in this Notice, it appears to the Authority that the Firm is failing to satisfy the Suitability Threshold Condition, in that the Firm is not a fit and proper person to conduct regulated activities having regard to all the circumstances. Specifically, the Authority considers that the Firm has failed to pay overdue regulatory fees and levies owed to the Authority, despite request to do so.

6. The cancellation action set out at paragraph 1 above has been imposed in order to advance the Authority's consumer protection and integrity objectives (sections 1C and 1D of the Act).

FACTS AND MATTERS

9. The Firm is authorised by the Authority and permitted to carry on regulated activities as set out in the Financial Services Register.

10. The Firm has failed to pay overdue regulatory fees and levies owed to the Authority totalling £3,784.54 consisting of:

    a) an invoice dated 21 September 2021 for regulatory fees and levies of £2,089.23 which had been due for payment by 20 December 2021; and

11. The Firm has also failed to respond adequately to the Authority's repeated requests that it pay the fees and levies owed to the Authority.

FAILINGS

12. From the facts and matters described above, the Authority having regard to its operational objectives, which include protecting and enhancing the integrity of the UK financial system and the protection of consumers, considers that the Firm:

    a) has failed to comply with rules set out in FEES and SUP which require it to pay fees and levies to the Authority;

    b) has failed to respond appropriately, or at all, to the Authority's repeated requests that it pay the fees and levies owed, and is therefore failing to comply with Principle 11 (Relations with regulators), in that the Firm has not been open and co-operative in all its dealings with the Authority;

    c) has failed to satisfy the Authority that it is ready, willing and organised to comply with the requirements and standards of the regulatory system, namely the requirement to pay fees and levies to the Authority by the relevant due date as set out in FEES and SUP; and

    d) has therefore failed to satisfy the Authority that it is being managed in such a way as to ensure that its affairs will be conducted in a sound and prudent manner or that it is a fit and proper person having regard to all the circumstances.

13. For the reasons set out in this Notice, the Authority has cancelled the Firm's Part 4A permission to carry on regulated activities.

2. Section 55J(1)(a) of the Act allows the Authority to cancel an authorised person's Part 4A permission, if it appears to the Authority that an authorised person is failing, or is likely to fail, to satisfy the Threshold Conditions.

3. The Suitability Threshold Condition set out in Part 1B(2E) of Schedule 6 to the Act provides, in relation to a person ("A") carrying on or seeking to carry on regulated activities which do not consist of or include a PRA-regulated activity, that:
"A must be a fit and proper person having regard to all the circumstances, including –

[…]

(f) whether A's business is being, or is to be, managed in such a way as to ensure that its affairs will be conducted in a sound and prudent manner;

[…]"

4. Paragraph 23(1) of Schedule 1ZA of the Act provides:

"the [Authority] may make rules providing for the payment to it of such fees, in connection with the discharge of any of its qualifying functions, as it considers will (taking account of its expected income from fees and charges provided for by any other provision of this Act) …enable it:

a) to meet expenses incurred in carrying out its functions [other than its excepted functions,] or for any incidental purpose, […]".

5. Section 213(6) of the Act permits the FSCS to recover shares of the FSCS levy payable, as a debt owed to the Authority and FSCS respectively.

RELEVANT REGULATORY PROVISIONS

6. In exercising its power to cancel a Part 4A permission to carry on regulated activities, the Authority must have regard to the regulatory requirements and guidance published in the Handbook and in regulatory guides. The main considerations relevant to the action stated in this Notice are set out below.

Relevant Principle

7. Principle 11 requires that a firm must deal with its regulators in an open and co-operative way, and must disclose to the Authority appropriately anything relating to the firm of which the Authority would reasonably expect notice.

The Threshold Conditions

8. Guidance on the Threshold Conditions is set out in COND.

9. COND 1.2.1 sets out that the Threshold Conditions represent the minimum conditions to which the Authority is responsible, which a firm is required to satisfy, and continue to satisfy, in order to be given and to retain a Part 4A permission.

COND 2.5 – Guidance on the Suitability Threshold Condition

10. COND 2.5.1AUK reproduces the relevant statutory provision that a person concerned must be a fit and proper person having regard to all the circumstances, including, amongst other things, whether its business is being, or is to be, managed in such a way as to ensure that its affairs will be conducted in a sound and prudent manner (COND 2.5.1AUK(f)).

11. COND 2.5.6G gives examples of the kind of particular considerations to which the Authority may have regard when assessing whether a firm will satisfy, and continue to satisfy, the Suitability Threshold Condition including, but not limited to:

- whether the firm has been open and co-operative in all its dealings with the Authority ((Principle 11 of the Principles (Relations with regulators)) and is ready, willing and organised to comply with the requirements and standards under the regulatory system in addition to other legal, regulatory and professional obligations; the relevant requirements and standards will depend on the circumstances of each case, including the regulated activities which the firm has permission, or is seeking permission to carry on (COND 2.5.6G(1)); and

- whether the firm has contravened, amongst other things, any provisions of the Act or the regulatory system (which includes the Threshold Conditions, the Principles and other rules, the Statements of Principle, codes and guidance (COND 2.5.6G(4)).

(1) in full and without deduction (unless permitted or required by a provision in FEES); and

The Supervision Manual

Chapter 6B of SUP regarding cancellation of a firm's permission

23. The Authority's approach in relation to its enforcement powers is set out in Chapter 6B of SUP, certain provisions of which are summarised below.

24. SUP 6B.1.1G reflects the statutory provisions of section 55J of the Act to the effect that the Authority may use its own-initiative power to cancel an authorised person's Part 4A permission where, amongst other factors, the person is failing, or is likely to fail, to satisfy the Threshold Conditions for which the Authority is responsible (SUP 6B.1.1G(1)).

25. SUP 6B.5.1G states that the Authority will consider cancelling a firm's Part 4A permission using its own-initiative powers under section 55J of the Act in circumstances which includes where the Authority has very serious concerns about a firm, or the way its business is or has been conducted (SUP 6B.5.1G(1)).

26. SUP 6B.5.2G provides examples of the types of circumstances in which the Authority will consider cancelling a Part 4A permission on its own initiative, including non-payment of Authority fees or repeated failure to pay Authority fees except under threat of enforcement action (SUP 6B.5.2G(5)), repeated failures to comply with rules or requirements (SUP 6B.5.2G(7)) and a failure to cooperate with the FCA which is of sufficient seriousness that the FCA ceases to be satisfied that the firm is fit and proper (SUP 6B.5.2G(8).
