FRN: 670583

Dated: 9 May 2017

ACTION

1. For the reasons set out in this Final Notice, the Authority hereby takes the following action against CCS.
2. The Authority issued to CCS the Decision Notice which notified it that for the reasons given below and pursuant to section 55J of the Act, the Authority had decided to cancel CCS's Part 4A permission.
3. CCS has not referred the matter to the Tribunal within 28 days of the date on which the Decision Notice was issued to it.
4. Accordingly, the Authority has today cancelled CCS's Part 4A permission.

"the Tribunal" means the Upper Tribunal (Tax and Chancery Chamber); and

"the Warning Notice" means the Warning Notice issued to CCS dated 21 February 2017.

REASONS FOR ACTION

6. On the basis of the facts and matters and conclusions described in the Warning Notice and in the Decision Notice, it appears to the Authority that CCS is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that CCS is a fit and proper person having regard to all the circumstances, including whether CCS managed its business in such a way as to ensure that its affairs were conducted in a sound and prudent manner.
7. This is because CCS has failed to comply with the regulatory requirements to submit the Return and pay the Overdue Balance. CCS has not been open and co-operative in all its dealings with the Authority, in that it has failed to respond adequately to the Authority's repeated requests for it to submit the Return and pay the Overdue Balance, and has thereby failed to comply with Principle 11 of the Authority's Principles for Businesses and to satisfy the Authority that it is ready, willing and organised to comply with the requirements and standards under the regulatory system.
8. These failures, which are significant in the context of CCS's suitability, lead the Authority to conclude that CCS has failed to manage its business in such a way as to ensure that its affairs are conducted in a sound and prudent manner, that it is not a fit and proper person, and that it is therefore failing to satisfy the Threshold
