"the Overdue Balance" means the amount owed by ESUL to the Authority comprising an invoice dated 2 December 2015 for £295 for regulatory fees and levies for the period 1 April 2015 to 31 March 2016, which was due for payment by 1 January 2016;

"the Tribunal" means the Upper Tribunal (Tax and Chancery Chamber); and

"the Warning Notice" means the Warning Notice issued to ESUL dated 8 November 2016.

REASONS FOR THE ACTION

6. On the basis of the facts and matters and conclusions described in the Warning Notice, and in the Decision Notice, it appears to the Authority that ESUL is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that ESUL is a fit and proper person having regard to all the circumstances, including whether ESUL managed its business in such a way as to ensure that its affairs were conducted in a sound and prudent manner.
7. ESUL has failed to pay the Overdue Balance and it has not been open and co-operative in all its dealings with the Authority, in that ESUL has failed to respond to the Authority's repeated requests for it to pay the Overdue Balance, and has thereby failed to comply with Principle 11 of the Principles and to satisfy the Authority that it is ready, willing and organised to comply with the requirements and standards under the regulatory system.
8. These failures, which are significant in the context of ESUL's suitability, lead the Authority to conclude that ESUL has failed to manage its business in such a way as to ensure that its affairs are conducted in a sound and prudent manner, that it is not a fit and proper person, and that it is therefore failing to satisfy the Threshold Conditions in relation to the regulated activities for which it has had a permission.
