FACTS AND MATTERS RELIED ON

7. HNCUL became regulated by the Authority on 2 July 2002 and also by the PRA on 1 April 2013.
8. A FSN was issued to HNCUL on 20 May 2009 which varied HNCUL’s permission by removing HNCUL’s only regulated activity such that HNCUL was unable to conduct any regulated business. On 18 August 2009, the FSCS declared HNCUL “in default” and its depositors were compensated by the FSCS for their savings. Since 20 May 2009 to date, HNCUL has continued to be authorised and to hold a Part 4A permission (albeit the permission is empty).

9. Correspondence sent by the Authority on 3 February 2017 and 13 February 2017 to the postal address last notified by HNCUL to the Authority as HNCUL's principal place of business was returned to the Authority marked "addressee gone away".
10. HNCUL has never provided a telephone number or email address to the Authority.
11. Accordingly, it appears to the Authority that HNCUL has failed to notify the Authority of a change in the address of its principal place of business.

FAILINGS

12. The Authority has concluded, on the basis of the facts and matters described above, that HNCUL:
 - a. has failed to notify the Authority of a change in the address of its principal place of business, contrary to SUP 15.5.4R(1);
 - b. has failed to deal openly and co-operatively with the Authority, in breach of Principle 11 (Relations with regulators) of the Principles (by not providing an up-to-date address for its principal place of business);
 - c. has not demonstrated that it is ready, willing and organised to comply with the requirements and standards under the regulatory system, namely the requirement in SUP 15.5.4R(1) to give the Authority reasonable advance notice of a change in the firm's principal place of business and the date of the change;
 - d. has therefore failed to satisfy the Authority that it is a fit and proper person, having regard to the operational objectives of the Authority; and
 - e. is therefore failing to satisfy the suitability Threshold Condition,and accordingly, HNCUL's Part 4A permission should be cancelled.

DECISION MAKER

13. The decision which gave rise to the obligation to give this Final Notice was made by the Regulatory Decisions Committee.

RELEVANT STATUTORY PROVISIONS

1. The Authority's operational objectives established in section 1B of the Act include protecting and enhancing the integrity of the UK financial system and securing an appropriate degree of protection for consumers.
2. The Authority is authorised by section 55J of the Act to cancel an authorised person's Part 4A permission, where it appears to the Authority that such a person is failing to satisfy the Threshold Conditions.
3. The suitability Threshold Condition provides, in relation to a person ("B") carrying on or seeking to carry on regulated activities which consist of or include a PRA-regulated activity, that:
 - "(1) B must be a fit and proper person, having regard to the operational objectives of the [Authority].
 - (2) The matters which are relevant in determining whether B satisfies the conditions in sub-paragraph (1) include-
 - (d) whether B has complied and is complying with requirements imposed by the [Authority] in the exercise of its functions, or requests made by the [Authority], relating to the provision of information to the [Authority] and, where B has so complied or is so complying, the manner of that compliance;

[...]."

RELEVANT HANDBOOK PROVISIONS

4. In exercising its power to cancel a firm's Part 4A permission, the Authority must have regard to the regulatory requirements and guidance published in the Handbook and in regulatory guides, such as EG. The relevant main considerations in relation to the action specified above are set out below.

Relevant Principle

5. Principle 11 requires a firm to deal with its regulators in an open and co-operative way, and to disclose to the Authority appropriately anything relating to the firm of which the Authority would reasonably expect notice.

Relevant Rule

6. SUP 15.5.4R requires that:

"A *firm* must give the [Authority] reasonable advance notice of a change in any of the following addresses, and give details of the new address and the date of the change:

 - (1) the *firm's* principal place of business in the *United Kingdom*;

[...]."

Guidance concerning the suitability Threshold Condition

7. Guidance on the suitability Threshold Condition is set out in COND.

COND 2.5 – Suitability: Paragraph 3D of Schedule 6 to the Act

8. COND 2.5.1CUK reproduces the relevant statutory provision that a person concerned must be a fit and proper person having regard to the operational objectives of the FCA, including, amongst other things, the need to ensure that it has complied and is complying with requirements imposed by the Authority in the exercise of its functions.
9. COND 2.5.2G states that the Authority will take into consideration anything that could influence a firm's continuing ability to satisfy the suitability Threshold Condition.
10. COND 2.5.6G gives examples of the kind of particular considerations to which the Authority may have regard when assessing whether a firm will satisfy, and continue to satisfy, the suitability Threshold Condition, including whether:
- the firm has been open and co-operative in all its dealings with the Authority and is ready, willing and organised to comply with the requirements and standards under the regulatory system (COND 2.5.6G(1));
 - the firm has contravened, amongst other things, the provisions of the regulatory system, which include the Principles and other rules (COND 2.5.6G(4)).

OTHER RELEVANT REGULATORY PROVISIONS

11. The Authority's policy in relation to its enforcement powers is set out in EG, certain provisions of which are summarised below.

Cancelling a firm's Part 4A permission on the Authority's own initiative

12. EG 8.1.1(1) provides that the Authority may use its own initiative power to vary or cancel the permission of an authorised person under section 55J of the Act, where the person is failing or is likely to fail to satisfy the Threshold Conditions for which the Authority is responsible.
13. EG 8.5.1(1) states that the Authority will consider cancelling a firm's Part 4A permission using its own initiative power contained in section 55J of the Act in circumstances where the Authority has very serious concerns about the firm, or the way its business is or has been conducted.
14. EG 8.5.2 provides examples of the types of circumstances in which the Authority may cancel a firm's Part 4A permission. One such example is the failure to provide the Authority with valid contact details or failure to maintain the details provided, such that the Authority is unable to communicate with the firm (EG 8.5.2(6)).
