REASONS FOR ACTION

6. On the basis of the facts and matters and conclusions described in the Warning Notice and in the Decision Notice, it appears to the Authority that Jake Vickers is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that Jake Vickers is a fit and proper person having regard to all the circumstances, including whether Jake Vickers managed his business in such a way as to ensure that his affairs were conducted in a sound and prudent manner.
7. This is because Jake Vickers has failed to comply with the regulatory requirement to submit the Return and pay the Overdue Balance. Jake Vickers has not been open and co-operative in all his dealings with the Authority, in that he has failed to respond adequately to the Authority's repeated requests for him to submit the Return and pay the Overdue Balance, and has thereby failed to comply with Principle 11 of the Authority's Principles for Businesses and to satisfy the Authority that he is ready, willing and organised to comply with the requirements and standards under the regulatory system.

8. These failures, which are significant in the context of Jake Vickers's suitability, lead the Authority to conclude that Jake Vickers has failed to manage his business in such a way as to ensure that his affairs are conducted in a sound and prudent manner, that he is not a fit and proper person, and that he is therefore failing to satisfy the Threshold Conditions in relation to the regulated activities for which Jake Vickers has had a permission.

DECISION MAKER

9. The decision which gave rise to the obligation to give this Final Notice was made by the Regulatory Decisions Committee.
