Dated: 3 February 2022

ACTION

1. For the reasons set out in this Final Notice, the Authority hereby takes the following action against LBCL.
2. The Authority issued to LBCL the Decision Notice which notified LBCL that for the reasons given below and pursuant to section 55J of the Act, the Authority had decided to cancel LBCL's Part 4A permission.
3. LBCL has not referred the matter to the Tribunal within 28 days of the date on which the Decision Notice was given to it.
4. Accordingly, the Authority has today cancelled LBCL's Part 4A permission.

DEFINITIONS

5. The definitions below are used in this Final Notice:

“the Act” means the Financial Services and Markets Act 2000;

“the Authority” means the Financial Conduct Authority;

“the Decision Notice” means the Decision Notice issued by the Authority to LBCL dated 21 September 2021;

“LBCL” means L B Commercials Limited;

“LBCL s Part 4A permission” means the permission granted by the Authority to LBCL pursuant to Part 4A of the Act;

“the Principles” means the Authority’s Principles for Businesses;

“RAG” means Regulated Activity Group as referred to in SUP;

“the RDC” means the Regulatory Decisions Committee of the Authority;

“the Return” means the CCR007 (Key data) return for the period ended 30 November 2019, which LBCL was due to submit to the Authority by 15 January 2020;

“the suitability Threshold Condition” means the threshold condition set out in paragraph 2E of Schedule 6 to the Act;

“SUP” means the Authority’s Supervision Manual, part of the Handbook;

“the Threshold Conditions” means the threshold conditions set out in Schedule 6 to the Act;

“the Tribunal” means the Upper Tribunal (Tax and Chancery Chamber); and

“the Warning Notice” means the Warning Notice issued by the Authority to LBCL dated 26 August 2021.

REASONS FOR THE ACTION

6. On the basis of the facts and matters and conclusions described in the Warning Notice, and in the Decision Notice, it appears to the Authority that LBCL is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that LBCL is a fit and proper person having regard to all the circumstances, including whether LBCL managed its business in such a way as to ensure that its affairs were conducted in a sound and prudent manner.

7. This is because LBCL has failed to comply with the regulatory requirement to submit the Returns. LBCL has not been open and co-operative in all its dealings with the Authority, in that LBCL has failed to respond adequately to the Authority’s repeated requests for it to submit the Returns and has thereby failed to comply with Principle 11 of the Principles and to satisfy the Authority that it is ready, willing and organised to comply with the requirements and standards under the regulatory system.

8. These failures, which are significant in the context of LBCL’s suitability, lead the Authority to conclude that LBCL has failed to manage its business in such a way as to ensure that its affairs are conducted in a sound and prudent manner, that it is not a fit and proper person, and that it is therefore failing to satisfy the Threshold Conditions in relation to the regulated activities for which it was granted a Part 4A permission.

DECISION MAKER

9. The decision which gave rise to the obligation to give this Final Notice was made by the RDC.
