REASONS FOR THE ACTION

6. On the basis of the facts and matters and conclusions described in the Warning Notice, and in the Decision Notice, it appears to the Authority that Ms Muffitt is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that Ms Muffitt is a fit and proper person having regard to all the circumstances, including whether Ms Muffitt managed her business in such a way as to ensure that her affairs were conducted in a sound and prudent manner.
7. Ms Muffitt has failed to pay the Overdue Balance and she has not been open and co-operative in all her dealings with the Authority, in that Ms Muffitt has failed to respond to the Authority’s repeated requests for her to pay the Overdue Balance, and has thereby failed to comply with Principle 11 of the Principles and to satisfy the Authority that she is ready, willing and organised to comply with the requirements and standards of the regulatory system.
8. These failures, which are significant in the context of Ms Muffitt’s suitability, lead the Authority to conclude that Ms Muffitt has failed to manage her business in such a way as to ensure that her affairs are conducted in a sound and prudent manner, that she is not a fit and proper person, and that she is therefore failing to satisfy the Threshold Conditions in relation to the regulated activities for which she has had a permission.
