
FINAL NOTICE

To: Manda Garage Limited

**Of: Unit 21 Ventura Place
Poole
BH16 5SW**

FRN: 758609

Dated: 29 January 2019

ACTION

1. For the reasons set out in this Final Notice, the Authority hereby takes the following action against MGL.
2. The Authority issued to MGL the Decision Notice which notified it that for the reasons given below and pursuant to section 55J of the Act, the Authority had decided to cancel MGL's permission.
3. MGL has not referred the matter to the Tribunal within 28 days of the date on which the Decision Notice was issued to it.
4. Accordingly, the Authority has today cancelled MGL's permission.

DEFINITIONS

5. The definitions below are used in this Final Notice:

"the Act" means the Financial Services and Markets Act 2000;

"the Authority" means the Financial Conduct Authority;

"the Decision Notice" means the Decision Notice issued to MGL dated 16 October 2018;

"MGL" means Manda Garage Limited;

"MGL's Part 4A permission" means the permission granted by the Authority to MGL pursuant to Part 4A of the Act;

"the Returns" means the CCR003 (Lenders) and CCR007 (key data) returns for the period ended 31 August 2017, which MGL was due to submit to the Authority by 12 October 2017;

"the suitability Threshold Condition" means the threshold condition stated at paragraph 2E of Schedule 6 to the Act;

"the Threshold Conditions" means the threshold conditions set out in Schedule 6 to the Act;

"the Tribunal" means the Upper Tribunal (Tax and Chancery Chamber); and

"the Warning Notice" means the Warning Notice issued to MGL dated 19 September 2018.

REASONS FOR ACTION

6. On the basis of the facts and matters and conclusions described in the Warning Notice issued to MGL and in the Decision Notice, it appears to the Authority that MGL is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that MGL is a fit and proper person having regard to all the circumstances, including whether MGL managed its business in such a way as to ensure that its affairs were conducted in a sound and prudent manner.
7. This is because MGL has failed to comply with the regulatory requirement to submit the Returns. MGL has not been open and co-operative in all MGL's dealings with the Authority, in that it has failed to respond adequately to the Authority's repeated requests for it to submit the Returns, and has thereby failed to comply with Principle 11 of the Authority's Principles for Businesses and to satisfy the Authority that it is ready, willing and organised to comply with the requirements and standards of the regulatory system.
8. These failures, which are significant in the context of MGL's suitability, lead the Authority to conclude that MGL has failed to manage its business in such a way as to ensure that its affairs are conducted in a sound and prudent manner, that it is not a fit and proper person, and that it is therefore failing to satisfy the Threshold Conditions in relation to the regulated activities for which MGL has had a permission.

DECISION MAKER

9. The decision which gave rise to the obligation to give this Final Notice was made by the Regulatory Decisions Committee.
