**To: Mansori Cars GB Limited**

**Address: 208A Cavendish Place

**FRN: 756316**

**Dated: 27 March 2019**

### **ACTION**

1. For the reasons set out in this Final Notice, the Authority hereby takes the following action against MCGBL.
2. The Authority issued to MCGBL the Decision Notice which notified MCGBL that for the reasons given below and pursuant to section 55J of the Act, the Authority had decided to cancel MCGBL's Part 4A permission.
3. MCGBL has not referred the matter to the Tribunal within 28 days of the date on which the Decision Notice was given to it.
4. Accordingly, the Authority has today cancelled MCGBL's Part 4A permission.

## **DEFINITIONS**

5. The definitions below are used in this Final Notice:

“the Act” means the Financial Services and Markets Act 2000;

“MCGBL’s Part 4A permission” means the permission granted by the Authority to MCGBL pursuant to Part 4A of the Act;

“the Overdue Balance” means the outstanding sum of £553, owed by MCGBL to the Authority comprising an invoice dated 2 August 2017 for £250 (which was due for payment by 1 September 2017) for a fee for a late submission of a regulatory return, which had been due to submitted by 13 June 2017; and an invoice dated 12 September 2017 for £303 (which was due for payment by 12 October 2017) for regulatory fees and levies for the period 1 April 2017 to 31 March 2018;

“the Principles” means the Authority’s Principles for Businesses;

“the suitability Threshold Condition” means the threshold condition set out in paragraph 2E of Schedule 6 to the Act;

“the Threshold Conditions” means the threshold conditions set out in Schedule 6 to the Act;

“the Tribunal” means the Upper Tribunal (Tax and Chancery Chamber); and

“the Warning Notice” means the Warning Notice issued by the Authority to MCGBL dated 30 October 2018.

## **REASONS FOR THE ACTION**

6. On the basis of the facts and matters and conclusions described in the Warning Notice, and in the Decision Notice, it appears to the Authority that MCGBL is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that MCGBL is a fit and proper person having regard to all the circumstances, including whether MCGBL managed its business in such a way as to ensure that its affairs were conducted in a sound and prudent manner.
7. MCGBL has failed to pay the Overdue Balance and it has not been open and cooperative in all its dealings with the Authority, in that MCGBL has failed to respond to the Authority’s repeated requests for it to pay the Overdue Balance, and has thereby failed to comply with Principle 11 of the Principles and to satisfy the Authority that it is ready, willing and organised to comply with the requirements and standards of the regulatory system.
8. These failures, which are significant in the context of MCGBL’s suitability, lead the Authority to conclude that MCGBL has failed to manage its business in such a way as to ensure that its affairs are conducted in a sound and prudent manner, that it is not a fit and proper person, and that it is therefore failing to satisfy the Threshold Conditions in relation to the regulated activities for which it has had a permission.
