To: Mark Andrew Walker

Of: James Street
Carlisle

FRN: 673235

Dated: 13 July 2016

ACTION

1. For the reasons set out in this Final Notice, the Authority hereby takes the following action against Mr Walker.
2. The Authority issued to Mr Walker the Decision Notice which notified Mr Walker that for the reasons given below and pursuant to section 55J of the Act, the Authority had decided to cancel Mr Walker's permission.
3. Mr Walker has not referred the matter to the Tribunal within 28 days of the date on which the Decision Notice was issued to him.

/cont...

“Mr Walker’s permission” means the permission granted by the Authority to Mark Andrew Walker pursuant to Part 4A of the Act;

“the Return” means the CCR007 return for the period ended 30 September 2015, which Mr Walker was due to submit to the Authority by 11 November 2015;

“the suitability Threshold Condition” means the threshold condition set out in paragraph 2E of Schedule 6 to the Act;

“the Threshold Conditions” means the threshold conditions set out in Schedule 6 to the Act; and

REASONS FOR ACTION

6. On the basis of the facts and matters and conclusions described in its Warning Notice issued to Mr Walker dated 11 May 2016 and in the Decision Notice, it appears to the Authority that Mr Walker is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that Mr Walker is a fit and proper person having regard to all the circumstances, including whether Mr Walker managed his business in such a way as to ensure that his affairs were conducted in a sound and prudent manner.
7. This is because Mr Walker has failed to comply with the regulatory requirement to submit the Return. Mr Walker has not been open and co-operative in all his dealings with the Authority, in that Mr Walker has failed to respond adequately to the Authority's repeated requests for him to submit the Return, and has thereby failed to comply with Principle 11 of the Authority's Principles for Businesses and to satisfy the Authority that he is ready, willing and organised to comply with the requirements and standards under the regulatory system.
8. These failures, which are significant in the context of Mr Walker’s suitability, lead the Authority to conclude that Mr Walker has failed to manage his business in such a way as to ensure that his affairs are conducted in a sound and prudent manner, that he is not a fit and proper person, and that he is therefore failing to satisfy the Threshold Conditions in relation to the regulated activities for which Mr Walker has had a permission.

DECISION MAKER

9. The decision which gave rise to the obligation to give this Final Notice was made by the Regulatory Decisions Committee.
