REASONS FOR THE ACTION

6. On the basis of the facts and matters and conclusions described in the Warning Notice, and in the Decision Notice, it appears to the Authority that MBOPL is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that MBOPL is a fit and proper person having regard to all the circumstances, including whether MBOPL managed its business in such a way as to ensure that its affairs were conducted in a sound and prudent manner.
7. MBOPL has failed to pay the Overdue Balance and it has not been open and co-operative in all its dealings with the Authority, in that MBOPL has failed to respond to the Authority’s repeated requests for it to pay the Overdue Balance, and has thereby failed to comply with Principle 11 of the Principles and to satisfy the Authority that it is ready, willing and organised to comply with the requirements and standards of the regulatory system.
8. These failures, which are significant in the context of MBOPL’s suitability, lead the Authority to conclude that MBOPL has failed to manage its business in such a way as to ensure that its affairs are conducted in a sound and prudent manner, that it is not a fit and proper person, and that it is therefore failing to satisfy the Threshold Conditions in relation to the regulated activities for which it has had a permission.
