REASONS FOR THE ACTION

6. On the basis of the facts and matters and conclusions described in the Warning Notice, and in the Decision Notice, it appears to the Authority that Mr Milner is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that Mr Milner is a fit and proper person having regard to all the circumstances, including whether Mr Milner managed its business in such a way as to ensure that his affairs were conducted in a sound and prudent manner.
7. Mr Milner has failed to pay the Overdue Balance and he has not been open and co-operative in all his dealings with the Authority, in that Mr Milner has failed to respond to the Authority’s repeated requests for him to pay the Overdue Balance, and has thereby failed to comply with Principle 11 of the Principles and to satisfy the Authority that he is ready, willing and organised to comply with the requirements and standards of the regulatory system.
8. These failures, which are significant in the context of Mr Milner’s suitability, lead the Authority to conclude that Mr Milner has failed to manage his business in such a way as to ensure that his affairs are conducted in a sound and prudent manner, that he is not a fit and proper person, and that he is therefore failing to satisfy the Threshold Conditions in relation to the regulated activities for which he has had a permission.
