RELEVANT STATUTORY PROVISIONS

6. The statutory and regulatory provisions relevant to this Final Notice are set out in the Annex.

SUMMARY OF THE REASONS

7. On the basis of the facts and matters and conclusions described in the Warning Notice, and in the Decision Notice, it appears to the Authority that MMC is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that MMC is a fit and proper person having regard to all the circumstances.
8. MMC has failed to notify the Authority of a change in the address and telephone number of its principal place of business and has failed to deal openly and co-operatively with the Authority (in not providing up-to-date contact details).

FACTS AND MATTERS

9. MMC was authorised by the Authority on 22 August 2014 to conduct consumer credit business.
10. Correspondence sent by the Authority on 31 May and 14 July 2016 to the postal address last notified by MMC to the Authority as MMC’s principal place of business was returned to the Authority with the annotation “addressee gone away”.

11. Correspondence sent by the Authority on 16 June and 14 July 2016 to the email address last notified by MMC to the Authority was returned as undeliverable.
12. Correspondence sent by the Authority to an alternative email address for MMC on 23 June and 14 July 2016 was returned as undeliverable.
13. The Authority attempted to contact MMC on 23 June and 18 July 2016 on the last telephone number MMC provided to the Authority. The Authority was unable to connect the call as the telephone number rang continuously and there was no message facility.

FAILINGS

14. As set out in the facts and matters described above, the Authority has made repeated unsuccessful attempts to contact MMC using the postal address, email address and telephone number held by the Authority in relation to MMC.
15. The Authority has concluded, on the basis of the facts and matters described above, that:
 - a. MMC has failed to notify the Authority of a change in the address and telephone number of its principal place of business contrary to SUP 15.5.4R(1) and SUP 15.5.5R(1) respectively;
 - b. MMC has failed to deal openly and co-operatively with the Authority in breach of Principle 11 (Relations with regulators) of the Principles (in not providing up-to-date contact details);
 - c. MMC has not demonstrated that it is ready, willing and organised to comply with the requirements and standards under the regulatory system, namely the requirements in SUP 15.5.4R(1) and SUP 15.5.5R(1) to give the Authority reasonable advance notice of a change in the firm's principal place of business and telephone number, and the date of the change;
 - d. MMC has therefore failed to satisfy the Authority that its business is being managed in such a way as to ensure that its affairs will be conducted in a sound and prudent manner or that it is a fit and proper person having regard to all the circumstances; and
 - e. MMC is therefore failing to satisfy the suitability Threshold Condition in relation to its permitted regulated activities,

and accordingly the Authority considers that MMC's Part 4A permission should be cancelled.

DECISION MAKER

16. The decision which gave rise to the obligation to give this Final Notice was made by the Regulatory Decisions Committee.

 [...]."
2. The suitability Threshold Condition provides:
 "[The firm] must be a fit and proper person having regard to all the circumstances, including—
 [...]
 (d) whether [the firm] has complied and is complying with requirements imposed by the [Authority] in the exercise of its functions, or requests made by the [Authority], relating to the provision of information to the [Authority] and, where [the firm] has so complied or is so complying, the manner of that compliance;
 [...]
 (f) whether [the firm's] business is being, or is to be, managed in such a way as to ensure that its affairs will be conducted in a sound and prudent manner;
 [...]."

RELEVANT HANDBOOK PROVISIONS

3. In exercising its power to cancel a firm's Part 4A permission, the Authority must have regard to guidance published in the Handbook and in Regulatory Guides such as EG. The relevant main considerations in relation to the action specified above are set out below.

Relevant Principle

4. Principle 11 (Relations with regulators) of the Principles (PRIN 2.1.1R) provides:
 "A *firm* must deal with [the Authority] in an open and cooperative way, and must disclose to [the Authority] appropriately anything relating to the *firm* of which [the Authority] would reasonably expect notice."

Guidance concerning the suitability Threshold Condition

7. Guidance on the suitability Threshold Condition is set out in COND.
8. COND 2.5.2G states that the Authority will take into consideration anything that could influence a firm's continuing ability to satisfy the suitability Threshold Condition.
9. COND 2.5.6G states that examples of the kind of particular considerations to which the Authority may have regard when assessing whether a firm will satisfy, and continue to satisfy, the suitability Threshold Condition include whether:
 - the firm has been open and co-operative in all its dealings with the Authority and is ready, willing and organised to comply with the requirements and standards under the regulatory system (COND 2.5.6G(1));
 - the firm has contravened, amongst other things, the provisions of the regulatory system, which include the Principles and other rules (COND 2.5.6G(4)).

OTHER RELEVANT REGULATORY PROVISIONS

10. The Authority's policy in relation to its enforcement powers is set out in EG, certain provisions of which are summarised below.

Cancelling a firm's Part 4A permission on the Authority's own initiative

11. EG 8.1.1(1) provides that the Authority may use its own initiative power to vary or cancel the permission of an authorised person under section 55J of the Act, where the person is failing or is likely to fail to satisfy the Threshold Conditions for which the Authority is responsible.
12. EG 8.5.1(1) states that the Authority will consider cancelling a firm's Part 4A permission using its own initiative power contained in section 55J of the Act in

circumstances where the Authority has very serious concerns about the firm, or the way its business is or has been conducted.

13. EG 8.5.2 provides examples of the types of circumstances in which the Authority may cancel a firm's Part 4A permission. One such example is the failure to provide the Authority with valid contact details or failure to maintain the details provided, such that the Authority is unable to communicate with the firm (EG 8.5.2(6)).
