2. The Authority issued to NDL the Decision Notice which notified it that for the reasons given below and pursuant to section 55J of the Act, the Authority had decided to cancel NDL's Part 4A permission.
3. NDL has not referred the matter to the Tribunal within 28 days of the date on which the Decision Notice was issued to it.
4. Accordingly, the Authority has today cancelled NDL's Part 4A permission.

REASONS FOR ACTION

6. On the basis of the facts and matters and conclusions described in the Warning Notice and in the Decision Notice, it appears to the Authority that NDL is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that NDL is a fit and proper person having regard to all the circumstances, including whether NDL managed its business in such a way as to ensure that its affairs were conducted in a sound and prudent manner.
7. This is because NDL has failed to comply with the regulatory requirements to submit the Return and pay the Overdue Balance. NDL has not been open and co-operative in all its dealings with the Authority, in that it has failed to respond adequately to the Authority's repeated requests for it to submit the Return and pay the Overdue Balance, and has thereby failed to comply with Principle 11 of the Authority's Principles for Businesses and to satisfy the Authority that it is ready, willing and organised to comply with the requirements and standards under the regulatory system.

8. These failures, which are significant in the context of NDL's suitability, lead the Authority to conclude that NDL has failed to manage its business in such a way as to ensure that its affairs are conducted in a sound and prudent manner, that it is not a fit and proper person, and that it is therefore failing to satisfy the Threshold Conditions in relation to the regulated activities for which NDL has had a permission.
