3. Mr Taggar has not referred the matter to the Tribunal within 28 days of the date on which the Decision Notice was issued to him.
4. Accordingly, the Authority has today cancelled Mr Taggar's Part 4A permission.

REASONS FOR ACTION

6. On the basis of the facts and matters and conclusions described in the Warning Notice and in the Decision Notice, it appears to the Authority that Mr Taggar is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that Mr Taggar is a fit and proper person having regard to all the circumstances, including whether Mr Taggar managed his business in such a way as to ensure that his affairs were conducted in a sound and prudent manner.
7. This is because Mr Taggar has failed to comply with the regulatory requirements to submit the Return and pay the Overdue Balance. Mr Taggar has not been open and co-operative in all his dealings with the Authority, in that he has failed to respond adequately to the Authority's repeated requests for him to submit the Return and pay the Overdue Balance, and has thereby failed to comply with Principle 11 of the Authority's Principles for Businesses and to satisfy the Authority that he is ready, willing and organised to comply with the requirements and standards under the regulatory system.

8. These failures, which are significant in the context of Mr Taggar's suitability, lead the Authority to conclude that Mr Taggar has failed to manage his business in such a way as to ensure that his affairs are conducted in a sound and prudent manner, that he is not a fit and proper person, and that he is therefore failing to satisfy the Threshold Conditions in relation to the regulated activities for which Mr Taggar has had a permission.
