Of: **104 Bodley Road

FSA Reference
Number: **305393 / SAK01070**

Dated: **21 November 2008**

TAKE NOTICE: The Financial Services Authority (the "FSA") of 25 The North Colonnade, Canary Wharf, London E14 5HS gives you, Salman Ahmed Khan trading as Salman A Khan, final notice about a decision to cancel the permission granted to you to carry on regulated activities

1. ACTION

- 1.1 The FSA gave you a Decision Notice on 22 October 2008 (the "Decision Notice") which notified you that for the reasons given below and pursuant to section 45 of the Financial Services and Markets Act 2000 (the "Act"), the FSA had decided to cancel the permission granted to you pursuant to Part IV of the Act ("your FSA permission").
- 1.2 You were informed of your statutory right to make a reference to the Financial Services and Markets Tribunal, but you have not referred the Decision Notice to the Tribunal within 28 days of the date on which the Decision Notice was given to you. Accordingly, the FSA has today cancelled your FSA permission.

2. REASONS FOR ACTION

- 2.1 On the basis of the facts and matters and conclusions described in its Warning Notice dated 3 September 2008 (the "Warning Notice") (a copy of the relevant extract of the Warning Notice is attached to and forms part of this Notice), and in the Decision Notice, it appears to the FSA that you are failing to satisfy the threshold conditions set out in Part 1 of Schedule 6 of the Act (the "Threshold Conditions")
- 2.2 This is because, in the opinion of the FSA, your resources are not adequate in relation to the regulated activities you have permission to carry on, and you are therefore failing to satisfy Threshold Condition 4 (Adequate resources).
- 2.3 In addition, as you have failed to pay fees and levies totalling £1,166.06 owed to the FSA, despite repeated requests to do so, the FSA has concluded that you have failed to comply with Principle 11 (Relations with regulators) of the FSA's Principles for Businesses.
- 2.4 These failings, which are significant in the context of your suitability, lead the FSA to conclude that you are not conducting your business soundly and prudently and in compliance with proper standards, and are therefore failing to satisfy Threshold Condition 5 (Suitability).

3. DECISION MAKER

The decision which gave rise to the obligation to issue this Final Notice was taken by the Regulatory Decisions Committee.

4. IMPORTANT

- 4.1 This Final Notice is given to you in accordance with section 390(1) of the Act. The Final Notice is being sent to the address you provided to the FSA for the service of notices.

BY THE FSA TO SALMAN AHMED KHAN TRADING AS SALMAN A KHAN**

2. REASONS FOR ACTION

Failure to maintain adequate capital resources

- 2.1 The FSA has concluded, on the basis of the facts and matters described below, that you are failing to satisfy the threshold conditions set out in Part 1 of Schedule 6 to the Act (the "Threshold Conditions") in that, in the opinion of the FSA, your resources are not adequate in relation to the regulated activities you have permission to carry on, as required by Threshold Condition 4 (Adequate Resources).

Non payment of fees and levies owed to the FSA

- 2.2 The FSA has also concluded, on the basis that you have failed to pay fees and levies totalling £1,166.06 owed to the FSA, despite repeated requests to do so, that you have failed to satisfy the FSA that you are conducting your business soundly and prudently and in compliance with proper standards as required by Threshold Condition 5 (Suitability).

...

Facts and matters relied on

- 2.29 You are a sole trader authorised by the FSA on 31 October 2004 to carry on regulated home finance business and permitted from 14 January 2005 to carry on insurance mediation business.
- 2.30 You are permitted to handle client money and are therefore subject to a requirement in MIPRU 4.2.2 that you must maintain capital resources of at least £10,000 at all times, and may not use personal assets to make up any shortfall.
- 2.31 Also, as you hold client money in a non-statutory trust you are therefore subject to a requirement in CASS 5.4.4(4)R that you do not handle client money in this way unless you maintain capital resources of at least £50,000 at all times. The financial information provided by you in your latest RMAR demonstrated a capital resources deficit (in respect of the £50,000 level) of £44,000 at 1 April 2008. You have provided no proposals to rectify your capital resources deficit.
- 2.32 In addition, you have failed to pay fees and levies totalling £1,166.06 owed to the FSA, despite repeated requests and warnings from the FSA.

Conclusions

- 2.32 The facts and matters described above lead the FSA, having regard to its regulatory objectives, to the following conclusions:
- you are failing to meet the requirement set out in MIPRU 4.2.2, that you must, at all times, maintain capital resources equal to or in excess of your relevant capital

resources requirement of £10,000, and it appears that you have not met that requirement for at least two years;

- you are failing to meet the condition in CASS 5.4.4(4) that you may not hold client money in a non-statutory trust unless you maintain at all times capital resources of not less than £50,000;
- these failings are significant and material in relation to the regulated activities for which you have permission and you are therefore failing to satisfy Threshold Condition 4 (Adequate resources);
- you have failed to comply with rules that require you to make payment of FSA fees of which £1,166.06 is outstanding;
- you have not been open and cooperative in all your dealings with the FSA, in that you have generally ignored requests by the FSA to comply with the requirement to make payment of FSA fees;
- you have therefore failed to comply with Principle 11 of the FSA's Principles for Businesses, and have failed to satisfy the FSA that you are ready and willing and organised to comply with the requirements and standards under the regulatory system;
- you have also failed to satisfy the FSA that you are conducting your business soundly and prudently in compliance with proper standards or that you are a fit and proper person having regard to all the circumstances. These failures are significant in the context of your suitability, and
- you are therefore also failing to satisfy Threshold Condition 5 (Suitability).
