“the Warning Notice” means the Warning Notice issued by the Authority to SMML dated 12 January 2023.

REASONS FOR THE ACTION

6. On the basis of the facts and matters and conclusions described in the Warning Notice, and in the Decision Notice, it appears to the Authority that SMML is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that SMML is a fit and proper person having regard to all the circumstances, including whether SMML managed its business in such a way as to ensure that the affairs were conducted in a sound and prudent manner.
7. SMML has failed to pay the Overdue Balance and has not been open and co-operative in all dealings with the Authority, in that SMML has failed to respond to the Authority’s repeated requests to pay the Overdue Balance and has thereby failed to comply with Principle 11 of the Principles and to satisfy the Authority that it is ready, willing and organised to comply with the requirements and standards of the regulatory system.
8. These failings, which are significant in the context of SMML’s suitability, lead the Authority to conclude that SMML has failed to manage its business in such a way as to ensure that his affairs are conducted in a sound and prudent manner, that it is not a fit and proper person, and that it is therefore failing to satisfy the Threshold

Conditions in relation to the regulated activities for which it has had a Part 4A permission.
