Of: **511 Calder Road

EH11 4AR**

FRN: **665371**

Dated: **17 August 2017**

ACTION

1. For the reasons set out in this Final Notice, the Authority hereby takes the following action against SSL.
2. The Authority issued to SSL the Decision Notice which notified it that for the reasons given below and pursuant to section 55J of the Act, the Authority had decided to cancel SSL's Part 4A permission.
3. SSL has not referred the matter to the Tribunal within 28 days of the date on which the Decision Notice was issued to it.
4. Accordingly, the Authority has today cancelled SSL's Part 4A permission.

DEFINITIONS

5. The definitions below are used in this Final Notice:

/cont...

"the Act" means the Financial Services and Markets Act 2000;

"the Authority" means the Financial Conduct Authority;

"the Decision Notice" means the Decision Notice issued to SSL dated 10 July 2017;

"the Overdue Balance" means the amount owed by SSL to the Authority totalling £395, comprising: an invoice dated 9 August 2016 for £250 for an administrative fee in respect of late submission of the CCR007 Return, which was due for payment by 8 September 2016; and an invoice dated 31 August 2016 for £145 in respect of periodic fees and levies, which was due for payment by 30 September 2016;

"the Principles" means the Authority's Principles for Businesses;

"the Return" means the CCR007 (key data) return for the period ended 30 April 2016, which SSL was due to submit to the Authority by 14 June 2016;

"the suitability Threshold Condition" means the threshold condition stated in Paragraph 2E of Schedule 6 to the Act;

"SSL" means Stingo & Stebulay Ltd;

"SSL's Part 4A permission" means the permission granted by the Authority to SSL pursuant to Part 4A of the Act;

"SUP" means the Authority's Supervision Manual, part of the Handbook;

"the Threshold Conditions" means the threshold conditions set out in Schedule 6 to the Act;

"the Tribunal" means the Upper Tribunal (Tax and Chancery Chamber); and

"the Warning Notice" means the Warning Notice issued to SSL dated 19 June 2017.

REASONS FOR ACTION

6. On the basis of the facts and matters and conclusions described in the Warning Notice and in the Decision Notice, it appears to the Authority that SSL is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that SSL is a fit and proper person having regard to all the circumstances, including whether SSL managed its business in such a way as to ensure that its affairs were conducted in a sound and prudent manner.
7. This is because SSL has failed to comply with the regulatory requirements to submit the Return and pay the Overdue Balance. SSL has not been open and co-operative in all its dealings with the Authority, in that it has failed to respond adequately to the Authority's repeated requests for it to submit the Return and pay the Overdue Balance, and has thereby failed to comply with Principle 11 of the Authority's Principles for Businesses and to satisfy the Authority that it is ready, willing and organised to comply with the requirements and standards under the regulatory system.

8. These failures, which are significant in the context of SSL's suitability, lead the Authority to conclude that SSL has failed to manage its business in such a way as to ensure that its affairs are conducted in a sound and prudent manner, that it is not a fit and proper person, and that it is therefore failing to satisfy the Threshold Conditions in relation to the regulated activities for which SSL has had a permission.

DECISION MAKER

9. The decision which gave rise to the obligation to give this Final Notice was made by the Regulatory Decisions Committee.
