Dated: **15 August 2018**

ACTION

1. For the reasons set out in this Final Notice, the Authority hereby takes the following action against THL.
2. The Authority issued to THL the Decision Notice which notified THL that for the reasons given below and pursuant to section 55J of the Act, the Authority had decided to cancel THL's Part 4A permission.
3. THL has not referred the matter to the Tribunal within 28 days of the date on which the Decision Notice was given to it.
4. Accordingly, the Authority has today cancelled THL's Part 4A permission.

“the Tribunal” means the Upper Tribunal (Tax and Chancery Chamber); and

“the Warning Notice” means the Warning Notice issued by the Authority to THL dated 31 May 2018.

REASONS FOR THE ACTION

6. On the basis of the facts and matters and conclusions described in the Warning Notice, and in the Decision Notice, it appears to the Authority that THL is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that THL is a fit and proper person having regard to all the circumstances, including whether THL managed its business in such a way as to ensure that its affairs were conducted in a sound and prudent manner.
7. THL has failed to pay the Overdue Balance and it has not been open and co-operative in all its dealings with the Authority, in that THL has failed to respond to the Authority’s repeated requests for it to pay the Overdue Balance, and has thereby failed to comply with Principle 11 of the Principles and to satisfy the Authority that it is ready, willing and organised to comply with the requirements and standards of the regulatory system.
8. These failures, which are significant in the context of THL’s suitability, lead the Authority to conclude that THL has failed to manage its business in such a way as to ensure that its affairs are conducted in a sound and prudent manner, that it is not a fit and proper person, and that it is therefore failing to satisfy the Threshold Conditions in relation to the regulated activities for which it has had a permission.
