

## **The Housing Disrepair Group Limited**

The FCA has refused The Housing Disrepair Group Limited's application to be authorised to conduct claims management regulated activities.

This decision follows the transfer of regulatory responsibility for claims management companies (CMCs) to the FCA on 1 April 2019. The Housing Disrepair Group Limited applied for permission to conduct claims management regulated activities on 31 July 2019. A final Notice refusing its application was issued by the FCA on 8 April 2021.

The FCA refused the application as it cannot ensure that The Housing Disrepair Group Limited will satisfy and continue to satisfy the threshold conditions set out in Schedule 6 of the Financial Services and Markets Act 2000, in particular the Appropriate Resources and Suitability threshold conditions. The threshold conditions are the minimum standards that firms must meet in order to be authorised by the FCA.
