To: Thomas Hogg (trading as Automotion)

FRN: 783387

Dated: 29 November 2022

ACTION

1. For the reasons set out in this Final Notice, the Authority hereby takes the following action against Thomas Hogg (trading as Automotion).
2. The Authority issued to Mr Hogg the Decision Notice which notified Mr Hogg that for the reasons given below and pursuant to section 55J of the Act, the Authority had decided to cancel Mr Hogg's Part 4A permission.
3. Mr Hogg has not referred the matter to the Tribunal within 28 days of the date on which the Decision Notice was given to him.
4. Accordingly, the Authority has today cancelled Mr Hogg's Part 4A permission.

“the Warning Notice” means the Warning Notice issued by the Authority to Mr Hogg dated 3 October 2022.

REASONS FOR THE ACTION

6. On the basis of the facts and matters and conclusions described in the Warning Notice, and in the Decision Notice, it appears to the Authority that Mr Hogg is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that Mr Hogg is a fit and proper person having regard to all the circumstances, including whether Mr Hogg managed his business in such a way as to ensure that his affairs were conducted in a sound and prudent manner.
7. Mr Hogg has failed to pay the Overdue Balance and he has not been open and co-operative in all his dealings with the Authority, in that Mr Hogg has failed to respond to the Authority’s repeated requests for him to pay the Overdue Balance, and has thereby failed to comply with Principle 11 of the Principles and to satisfy the Authority that he is ready, willing and organised to comply with the requirements and standards of the regulatory system.
8. These failings, which are significant in the context of Mr Hogg’s suitability, lead the Authority to conclude that Mr Hogg has failed to manage his business in such a way as to ensure that his affairs are conducted in a sound and prudent manner, that he is not a fit and proper person, and that he is therefore failing to satisfy the Threshold Conditions in relation to the regulated activities for which he has had a Part 4A permission.
