ACTION

1. For the reasons set out in this Final Notice, the Authority hereby takes the following action against Mr Brown.

3. Mr Brown has not referred the matter to the Tribunal within 28 days of the date on which the Decision Notice was given to him.
4. Accordingly, the Authority has today cancelled Mr Brown's Part 4A permission.

“the Overdue Balance” means the outstanding sum of £72.50, owed by Mr Brown to the Authority for annual fees and levies for the period 1 April 2016 to 31 March 2017, which was due for payment by 21 December 2016;

“the Warning Notice” means the Warning Notice issued by the Authority to Mr Brown dated 6 September 2018.

REASONS FOR THE ACTION

6. On the basis of the facts and matters and conclusions described in the Warning Notice, and in the Decision Notice, it appears to the Authority that Mr Brown is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that Mr Brown is a fit and proper person having regard to all the circumstances, including whether Mr Brown managed his business in such a way as to ensure that his affairs were conducted in a sound and prudent manner.
7. Mr Brown has failed to pay the Overdue Balance and he has not been open and co-operative in all his dealings with the Authority, in that Mr Brown has failed to respond to the Authority’s repeated requests for him to pay the Overdue Balance, and has thereby failed to comply with Principle 11 of the Principles and to satisfy the Authority that he is ready, willing and organised to comply with the requirements and standards of the regulatory system.
8. These failures, which are significant in the context of Mr Brown’s suitability, lead the Authority to conclude that Mr Brown has failed to manage his business in such a way as to ensure that his affairs are conducted in a sound and prudent manner, that he is not a fit and proper person, and that he is therefore failing to satisfy the Threshold Conditions in relation to the regulated activities for which he was granted a Part 4A permission.
