**Of: The Power Station

FRN: 630111

Dated: 18 October 2017

ACTION

1. For the reasons set out in this Final Notice, the Authority hereby takes the following action against WSAVL.
2. The Authority issued to WSAVL the Decision Notice which notified it that for the reasons given below and pursuant to section 55J of the Act, the Authority had decided to cancel WSAVL's Part 4A permission.
3. WSAVL has not referred the matter to the Tribunal within 28 days of the date on which the Decision Notice was issued to it.
4. Accordingly, the Authority has today cancelled WSAVL's Part 4A permission.

"the Principles" means the Authority's Principles for Businesses;

"WSAVL's Part 4A permission" means the permission granted by the Authority to WSAVL pursuant to Part 4A of the Act.

REASONS FOR ACTION

6. On the basis of the facts and matters and conclusions described in the Warning Notice and in the Decision Notice, it appears to the Authority that WSAVL is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that WSAVL is a fit and proper person having regard to all the circumstances, including whether WSAVL managed its business in such a way as to ensure that its affairs were conducted in a sound and prudent manner.
7. This is because WSAVL has failed to comply with the regulatory requirements to submit the Return and pay the Overdue Balance. WSAVL has not been open and co-operative in all its dealings with the Authority, in that it has failed to respond adequately to the Authority's repeated requests for it to submit the Return and pay the Overdue Balance, and has thereby failed to comply with Principle 11 of the Authority's Principles for Businesses and to satisfy the Authority that it is ready, willing and organised to comply with the requirements and standards under the regulatory system.
8. These failures, which are significant in the context of WSAVL's suitability, lead the Authority to conclude that WSAVL has failed to manage its business in such a way

as to ensure that its affairs are conducted in a sound and prudent manner, that it is not a fit and proper person, and that it is therefore failing to satisfy the Threshold Conditions in relation to the regulated activities for which WSAVL has had a permission.
