Dear

**Freedom of Information: Right to know request**

Thank you for your request under the Freedom of Information Act 2000 (the Act), for the following information:

- *The number of new mortgage loans written that were valued at over £1 million*
- *The total value of new mortgage loans written valued at over £1 million*

*For both sets of data, I would like the data broken down by quarter for each of the last three years, using a year-end date that is as recent as possible, preferably 31<sup>st</sup> December 2016.*

*If that is not available, please use then September 30th 2016, and if that is not available please use June 30<sup>th</sup> 2016.*

*If this is not possible, I would like the data for each of the last two years, broken down by quarter as detailed above.*

Your request has now been considered and the relevant information is attached in annex B.

If you have any queries then please contact me.

Yours sincerely
