Dear

Freedom of Information: Right to know request

Thank you for your request under the Freedom of Information Act 2000 ("the Act") dated 11 January 2018. You initially asked for the following information:

"How many victims of crime have been dealt with under the Code of Practice for Victims of Crime in the years September 2015 - August 2016 and 2016 - 2017

How many times has a victim of crime been dealt with under Chapter 5 of the Victims of Crime Code in the period March - September 2017"

However, following our request for clarification, you contacted us on 16 January 2018 and redefined the scope your request as follows:

"I should be pleased if you would let me know how many times in the period from 31st October 2016 to 30th September 2017 the FCA under paragraph 1.5 of Chapter 5 of the Code has formally accepted responsibility for conducting a criminal investigation into the crime or has formally accepted responsibility for making a decision to prosecute that crime."

Your redefined request has now been considered, and I can confirm that the total number of cases falling into the category you refer to for the period in question is six.

Yours sincerely
