Release Handbook Summary

Release 136 for Listing, Prospectus, and Disclosure and Transparency Rules

This release contains pages to be inserted into your paper version of the Handbook in order to bring it up to date. These changes came into force between 7 March 2013 and 6 April 2013.

Please note that you will only receive updated pages to Handbook modules that you have subscribed to when there are changes to those modules.

Therefore, there will be some months when you may not receive any updated release pages. If you have a query regarding your modules please see the Instruments listed by module on the Handbook website, <http://fshandbook.info/FS/InstrumentsByDate.jsp>. A checklist, detailing which release number last updated pages within the Handbook hardcopy, is available. To view this, please visit <http://www.fca.org/uk/your-fca>; choose Search; enter Handbook release in the Search field, and select Submit.

As FCA/PRA designation applies across the Handbooks, all modules are being re-released this month. 'N/A' in the Board Date column indicates that a module has had designation applied but its text has not been changed by legal instrument. For further information, please see our *Guide to designation* http://media.fshandbook.info/extra/guide_to_designation.pdf.

Please remove existing pages and insert the new pages into your Handbook as follows:
