Memorandum of Understanding (“MOU”)

Between

The Financial Services Commission
 (“FSC”)

and

The Financial Conduct Authority
 (“FCA”)

The Securities and Futures Commission
 (“SFC”)

The Financial Supervisory Service
 (“FSS”)

Recitals

- A. The FSC is vested by the Act on the Establishment of Financial Services Commission, etc. of the Republic of Korea. The FSC has broad statutory mandate to carry out four key functions: financial policy formulation, financial institution and market oversight, anti-money laundering, and supervision and instruction of the FSS. The FSC thus has the statutory authority to draft and amend financial laws and regulations and issue regulatory licenses to financial institutions. In addition, the FSC oversees cross-border matters such as supervising foreign exchange transactions conducted by financial institutions to ensure their financial soundness. In respect of anti-money laundering, Korea Financial Intelligence Unit (KoFIU), which was also integrated into the FSC as part of the reorganization, leads the government's anti-money laundering and counter-terrorism financing efforts.
- B. The Responsibilities of the FSS include the supervision and examination of all financial institutions in the Republic of Korea. As an implementation body of the FSC by the relevant laws, the FSS may accordingly participate in the implementation of this Memorandum.
- C. The SFC came into existence under the Act on the Establishment of Financial Supervisory Organization. The SFC is responsible for the supervision of the securities and futures market within the FSC. The FSC represents the SFC and the FSS.
- D. The FCA is responsible for ensuring that relevant markets function well. In doing so, it aims to advance the protection of consumers, the integrity of the UK financial system and promote effective competition. It is responsible for the conduct regulation of all financial services firms in the UK. This includes acting to prevent market abuse and ensuring that financial firms treat customers fairly. The FCA is also responsible for the microprudential regulation of those financial services firms not supervised by the Prudential Regulation Authority (“PRA”), for example, asset managers, hedge funds, many broker-dealers and independent financial advisers.

- E. The FSC, SFC, and the FSS (together, "Republic of Korea Authorities") and the FCA wish to enter into this MOU to provide a formal basis for co-operation, including for the exchange of information and investigative assistance. The Republic of Korea Authorities and the FCA believe such co-operation will enable them to more effectively perform their functions.

Operative Part

 - “Authority” means the Republic of Korea Authorities or the FCA;
 - “FCA” means the Financial Conduct Authority;

Purpose and Principles

2. The purpose of this MOU is to establish a formal basis for co-operation, including the exchange of information and investigative assistance.
3. This MOU does not modify or supersede any laws or regulatory requirements in force in, or applying to, the Republic of Korea or the United Kingdom. This MOU sets forth a statement of intent and accordingly does not create any enforceable rights. This MOU does not affect any arrangements under other MOUs.
4. The Authorities acknowledge that they may only provide information under this MOU if permitted or not prevented under applicable laws, regulations and requirements.

Provision of Unsolicited Information

5. The Authorities may provide information, or arrange for information to be provided, on a voluntary basis even though no request has been made.

Requests for Assistance

6. If a request for assistance is made, each Authority will use reasonable efforts to provide assistance to the other, subject to its laws and overall policy. Assistance may include for example:
 - (a) providing information in the possession of the requested Authority;
 - (b) confirming or verifying information provided to it for that purpose by the requesting Authority;
 - (c) exchanging information on or discussing issues of mutual interest;
 - (d) obtaining specified information and documents from persons;
 - (e) questioning or taking testimony of persons designated by the requesting Authority;
 - (f) conducting inspections or examinations of financial services providers or arranging for the same; and
 - (g) permitting the representatives of the requesting Authority to participate in the conduct of enquiries made by or on behalf of the requested Authority pursuant to paragraphs (e) – (f) above.

Procedure for Requests

7. Requests for the provision of information or other assistance will be made in writing, or made orally and, unless otherwise agreed, confirmed in writing within ten business days. To facilitate assistance, the requesting Authority should specify in any written request:
 - (a) the information or other assistance requested (identity of persons, specific questions to be asked etc.);
 - (b) if information is provided by the requesting Authority for confirmation or verification, the information and the kind of confirmation or verification sought;
 - (c) the purpose for which the information or other assistance is sought;
 - (d) to whom, if anyone, onward disclosure of information provided to the requesting Authority is likely to be necessary and, in relation to onward disclosure to a person who is not a permitted onward recipient, the purpose such disclosure would serve;
 - (e) if the request for assistance is for the purpose of actual or possible enforcement action, the matters set out in clause 1 of Appendix 1; and
 - (f) any other matters specified by the requested Authority and by the applicable laws, regulations and requirements in relation to the requested Authority.

Assessing Requests

8. Each request for assistance will be assessed on a case-by-case basis by the requested Authority to determine whether assistance can be provided under the terms of this MOU. In any case where the request cannot be fulfilled in part or whole, the requested Authority will consider whether there may be other assistance which can be given by itself or by any other authority in its jurisdiction.
9. In deciding whether and to what extent to fulfil a request, the requested Authority may take into account:
 - (a) whether the request conforms with this MOU;
 - (b) whether the request involves the administration of a law, regulation or requirement which has no close parallel in the jurisdiction of the requested Authority;
 - (c) whether the provision of assistance would be so burdensome as to disrupt the proper performance of the requested Authority's functions;
 - (d) whether it would be otherwise contrary to the public interest or the essential national interest of the requested Authority's jurisdiction to give the assistance sought;
 - (e) if the request for assistance is for the purpose of actual or possible enforcement action, the further matter set out in clause 2 of Appendix 1;
 - (f) any other matters specified by the laws, regulations and requirements of the requested Authority's jurisdiction (in particular those relating to confidentiality and professional secrecy, data protection and privacy, and procedural fairness); and
 - (g) whether complying with the request may otherwise be prejudicial to the performance by the requested Authority of its functions.
10. The authorities recognise that assistance may be denied in whole or in part for any of the reasons mentioned in paragraph 9 in the discretion of the requested Authority.

Contact Points

11. The Authorities will provide a list of contact points to which information or requests for information or assistance under this MOU should be directed.

Further Provisions

12. The further provisions set out in:
 - (a) Appendix 1 will apply in relation to actual or possible enforcement matters;
 - (b) any other Appendices covering specific areas of financial services or specific issues, as agreed in writing by the Authorities, will apply.

Costs

13. If the cost of fulfilling a request is likely to be substantial, the requested Authority may, as a condition of agreeing to give assistance under this MOU, require the requesting Authority to make a contribution to costs.

Confidentiality

14. An Authority that receives non-public information under this MOU will only disclose that information in accordance with disclosure permitted under its applicable laws, regulations and requirements. The recipient Authority will endeavour to consult with the other Authority if it proposes to pass on information to another person. The recipient Authority will endeavour to comply with any restrictions on the use of information that are agreed when the information is provided.
15. If there is a legally enforceable demand for information supplied under this MOU, the Authority receiving the demand will notify the Authority that supplied the information of the demand, unless this is not practicable for reasons of urgency. The Authority receiving the demand will use all reasonable legal means to resist such a demand, including asserting such appropriate legal exemptions or privileges with respect to that information as may be available.

Disclosure to other domestic authorities

16. Notwithstanding Paragraphs 14 and 15 of this MOU, an Authority may disclose any non-public information it receives under this MOU to an Onward Receiving Authority without first consulting or notifying the Authority that supplied the information, and without needing to resist a request from the Onward Receiving Authority for disclosure, provided that:
 - (a) such disclosure is made in accordance with applicable laws, regulations and requirements;
 - (b) such disclosure is for the purposes of the lawful functions of the Authority making the disclosure and/or the Onward Receiving Authority; and
 - (c) the Onward Receiving Authority is required to maintain a level of confidentiality in respect of the non-public information that is at least equivalent to that which the Authority making the disclosure is subject to (including, where relevant, restrictions or conditions imposed on it by the Authority that supplied the information).

Consultation

17. The Authorities will keep the operation of this MOU under review and will consult when necessary with a view to improving its operation and resolving any matters.
18. Where the specific conduct set out in the request for assistance may constitute a breach of a law, regulation or requirement in both the territory of the requesting and the requested Authorities, the relevant Authorities will consult to determine the most appropriate means for each Authority to provide assistance.

Commencement

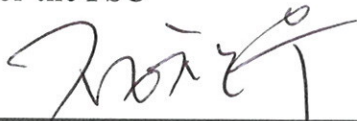

19. This MOU will take effect when both Authorities have signed it and will continue to have effect until terminated by either Authority giving 30 days advance written notice to the other Authority. It may be amended by agreement in writing.

Termination of existing MOU

20. In so far as it applies between the Republic of Korea Authorities and the Financial Conduct Authority, the MOU that was originally between the Financial Supervisory Commission, the Securities and Futures Commission, the Financial Supervisory Service, and the Financial Services Authority dated 28 November 2011 is hereby superseded and terminated effective as of the date hereof and shall be without further force or effect. However, any requests for assistance and cooperation that were made between the Republic of Korea Authorities and the Financial Conduct Authority before the effective date of termination will continue to have effect. For the avoidance of doubt nothing in this clause shall affect the application of that MOU of 28 November 2011 as between the Republic of Korea Authorities and the Prudential Regulation Authority.
