## **FIRST SUPERVISORY NOTICE**

---

**To:** Deptford and New Cross Credit Union Limited  
**Of:** 165 New Cross Road  
London  
SE14 5DG

**FSA Reference Number:** 213958

**Dated:** 20 May 2010

**TAKE NOTICE: The Financial Services Authority of 25 The North Colonnade, Canary Wharf, London E14 5HS (the “FSA”) has taken the following action**

### **1. ACTION**

- 1.1 For the reasons listed below and pursuant to section 45 of the Financial Services and Markets Act 2000 (the “Act”), the FSA has varied the permission granted to Deptford and New Cross Credit Union Limited (“DNX”), pursuant to Part IV of the Act (“DNX’s Part IV permission”) by removing its regulated activity with immediate effect. Accordingly, DNX’s Part IV permission no longer includes the regulated activity of accepting deposits.
- 1.2 The FSA has further varied DNX’s Part IV permission by including the following requirements, namely that DNX must not:
- (i) make new loans, or make further advances in relation to, or otherwise vary the terms of, any existing loans;
  - (ii) redeem any member's shares;
  - (iii) effect any share to loan transfers;

- (iv) repay any deposits; or
  - (v) without the written consent of the FSA, make any payment, or otherwise dispose of, deal with or diminish the value of any of its assets, except to pay expenses incurred in the ordinary course of DNX's business.
- 1.3 For the avoidance of doubt, the expenses referred to in 1.2(v) do not include gifts, or payments of unusual or significant amounts to DNX's employees or officers or any persons connected to them.
- 1.4 The FSA has also varied DNX's permission by including the following requirements, namely that within 14 days it must:
  - (i) advise in writing all members of DNX that it is no longer permitted by the FSA to carry on accepting deposits and of the other restrictions placed upon it by the FSA; and
  - (ii) provide the FSA with a copy of the written advice sent to all members for its regulated activity pursuant to (i) above, together with a list of all members to whom such advice has been sent.

## **2. REASONS FOR ACTION**

### **Summary**

- 2.1 The FSA has concluded, on the basis of the facts and matters described below, that DNX is failing and will continue to fail to satisfy the threshold conditions set out in Part 1 of Schedule 6 to the Act (the "Threshold Conditions") in that, in the opinion of the FSA, DNX has failed to maintain positive capital, and presents a risk to consumers by continuing to be permitted to conduct the regulated activity it carries on.
- 2.2 The FSA considers that DNX should not be permitted to accept new deposits nor should it make any further loan advances or redeem any membership shares, when it has failed to maintain adequate capital.
- 2.3 The FSA considers, on the basis of those facts and matters, that it is necessary, in order to protect the interests of consumers, for the action specified above to take immediate effect.

### **Relevant statutory provisions**

- 2.4 The FSA's regulatory objectives established in section 2(2) of the Act include the protection of consumers.
- 2.5 The FSA is authorised by section 45 of the Act to exercise the following powers:
  - to vary an authorised person's permission where it appears to the FSA that such person is failing to satisfy the Threshold Conditions;

- to vary such a permission by removing a regulated activity from those for which the permission is given; and
  - to include any provision in the permission as varied that could be included if a fresh permission were being given in response to an application under section 40 of the Act, including the imposition pursuant to section 43 of the Act of such requirements as the FSA considers appropriate.
- 2.6 Section 53(3) of the Act allows such variations to take effect immediately if the FSA reasonably considers that it is necessary for the variations to take effect immediately.
- 2.7 Paragraph 4(1) of Schedule 6 to the Act sets out Threshold Condition 4, which states:
- “The resources of the person concerned must, in the opinion of the Authority, be adequate in relation to the regulated activities that he seeks to carry on, or carries on.”

### **Relevant Handbook provisions**

- 2.8 In exercising its power to vary a Part IV permission, the FSA must have regard to relevant provisions in the FSA Handbook of Rules and Guidance (the “Handbook”). The main considerations relevant to the action specified are set out below.

### ***Relevant Principle***

- 2.9 Principle 4 (Financial prudence) of the FSA's Principles for Businesses (the “Principles”) in the Handbook requires a credit union to maintain adequate financial resources.

### ***Relevant Rules and guidance***

- 2.10 FSA Rule CRED 8.3.1R in the Credit Unions Sourcebook in the Handbook (“CRED”) states:

“A *version 1 credit union* must at all times maintain a positive amount of capital.”

- 2.11 The guidance in CRED 8.3.3G states that:

“CRED 8.3.1R implements the principle that every pound saved by a depositor with a *credit union* should always be worth at least a pound.”

- 2.12 CRED 5.2.4G allows the FSA to vary a credit union’s Part IV permission on its own initiative if it appears that the credit union is failing, or is likely to fail, to satisfy the Threshold Conditions.

### **Guidance concerning the relevant Threshold Condition**

- 2.13 Guidance on the Threshold Conditions is set out in Chapter 2 of the Part of the Handbook entitled Threshold Conditions (“COND”).

COND 2.4 - Threshold Condition 4: Adequate Resources (paragraph 4, Schedule 6 to the Act)

- 2.14 COND 2.4.1UK reproduces the relevant statutory provision that the resources of the person concerned must, in the opinion of the FSA, be adequate in relation to the regulated activities that he seeks to carry on, or carries on.
- 2.15 COND 2.4.2G(2) in giving guidance on the interpretation of “adequate resources”, defines the term “adequate” as meaning sufficient in terms of quantity, quality and availability and “resources” as including all financial resources, capital, provisions against liabilities, holdings of or access to cash and other liquid assets.
- 2.16 COND 2.4.4G(3) requires the FSA only to take into account relevant matters which are material in relation to the regulated activities for which the authorised person has permission.

**Relevant regulatory provisions**

- 2.17 The FSA's policy in relation to the use of its enforcement powers is set out in the Enforcement Guide (“EG”).

EG 8 - The FSA’s policy for exercising its own-initiative power to vary a Part IV permission

- 2.18 EG 8.1B provides that the FSA will have regard to its regulatory objectives and the range of regulatory tools that are available to it, when it considers how it should deal with a concern about a firm.
- 2.19 EG 8.5 provides that the circumstances in which the FSA will consider varying a firm’s Part IV permission include those where the FSA has serious concerns about the firm or about the way its business is being or has been conducted.
- 2.20 EG 8.5(1)(a) specifies the circumstances in which the FSA will consider exercising its own-initiative power include where a firm's financial resources appear to be inadequate for the scale or type of regulated activity it is carrying on.
- 2.21 EG 8.9 includes among the factors which will determine whether the urgent exercise of the FSA’s own-initiative power is an appropriate response, the extent of any loss or risk of loss or other adverse effect on consumers and the steps the authorised person has taken or is taking to address the issue.

**Facts and matters relied on**

- 2.22 DNX is a version 1 credit union which has four individuals currently approved as directors. According to documents provided by DNX to the FSA, DNX has approximately 1,100 members.

2.23 DNX's audited accounts for the year ended 30 September 2008 reported negative capital of £11,237. The Quarterly Returns submitted by DNX to the FSA covering the period since that date, appear to show that DNX's negative capital position has worsened, and, as at 31 March 2010, DNX appeared to the FSA to have negative capital of £31,450.

### **Conclusions**

2.24 The facts and matters described above lead the FSA, having regard to its regulatory objectives, to the following conclusions:

- DNX is in breach of CRED 8.3.1R by failing to maintain a positive amount of capital at all times and therefore the amount saved by its members is worth less than they deposited;
- this failing is material in relation to the regulated activity for which DNX has permission and it therefore fails to satisfy Threshold Condition 4 (Adequate resources);
- the risk of loss or other adverse effect on consumers because of DNX's failings causes the FSA to have serious concerns about DNX such that the exercise of the FSA's own-initiative powers to vary DNX's permission with immediate effect is an appropriate response to those concerns; and
- specifically, the variation of DNX's permission should take immediate effect to address the FSA's serious concern that its capital is inadequate in order for DNX to conduct the regulated activity.
