
FIRST SUPERVISORY NOTICE

To: **Shaun Gomersall (trading as Prince Regent Cars)**

Dated: **1 May 2007**

TAKE NOTICE: The Financial Services Authority of 25 The North Colonnade, Canary Wharf, London E14 5HS (the "FSA") has taken the following action

PROPOSED ACTION

- 1.1 For the reasons listed below and pursuant to section 45 of the Financial Services and Markets Act 2000 (the "Act"), the FSA has decided to vary the permission granted to you, Shaun Gomersall (trading as Prince Regent Cars), pursuant to Part IV of the Act ("your permission") by removing all regulated activities with immediate effect. Accordingly, your permission no longer includes any regulated activities.
- 1.2 The FSA has further decided to vary your Part IV permission by including the following requirements, namely that within 14 days you must:
 - (i) notify in writing all clients for your regulated activities that you do not have professional indemnity insurance ("PII") in place and that you are no longer permitted by the FSA to carry on regulated activities, and
 - (ii) provide the FSA with a copy of the written notice sent in accordance with (i) above, together with a list of all clients to whom the notice has been sent.

2. REASONS FOR ACTION

Summary

- 2.1 The FSA has concluded, on the basis of the facts and matters described below, that you are failing to satisfy the threshold conditions set out in Part 1 of Schedule 6 to the Act (the "threshold conditions") in that, in the opinion of the FSA, your resources are

not adequate in relation to the regulated activities you have permission to carry on. Specifically, you have failed to maintain PII, despite repeated requests for you to do so.

- 2.2 The FSA also considers, on the basis of those facts and matters, that it is necessary, in order to protect the interests of consumers, for the action specified above to take immediate effect.

Relevant Statutory Provisions

- 2.3 The FSA's regulatory objectives, established in section 2(2) of the Act, include the protection of consumers.

- 2.4 By section 45 of the Act, the FSA is authorised:

- to vary an authorised person's permission, where it appears to the FSA that such person is failing to satisfy the threshold conditions;
- to vary an authorised person's permission, where it is desirable to exercise that power in order to protect the interests of consumers;
- to include any provision in the permission as varied that could be included if a fresh permission were being given in response to an application under Section 40 of the Act, including the imposition pursuant to section 43 of the Act of such requirements as the FSA considers appropriate.

- 2.5 Section 53(3) of the Act allows such a variation to take effect immediately if the FSA reasonably considers that it is necessary for the variation to take effect immediately.

Relevant Threshold Condition

- 2.6 Paragraph 4 of Schedule 6 to the Act sets out Threshold Condition 4 which states that the resources of the person concerned must, in the opinion of the FSA, be adequate in relation to the regulated activities that he seeks to carry on, or carries on.

Relevant Principle

- 2.7 Principle 4 (Financial prudence) requires a firm to maintain adequate financial resources as laid out in the Principles for Businesses in the FSA Handbook.

Relevant guidance

- 2.8 In exercising its power to vary a Part IV permission, the FSA must have regard to guidance published in the FSA Handbook. The main considerations in relation to the action specified above are set out below.

ENF 3.5 - The FSA's policy for exercising its own-initiative power to vary a Part IV permission

- 2.9 ENF 3.5.2 requires the FSA to have regard to its regulatory objectives and the range of regulatory tools that are available to it.

- 2.10 ENF 3.5.3 provides that the FSA will take formal action affecting the conduct of a firm's commercial business only if that business is being conducted in such a way that the FSA judges it necessary to act in order to address the consequences of non-compliance with the Act, the Principles for Businesses and the rules.
- 2.11 ENF 3.5.8 provides that the circumstances in which the FSA will consider exercising its power to vary, include where the FSA has serious concerns that the authorised person has breached requirements imposed on it by or under the Act (including Principles and rules) and the breaches are material in number or in individual seriousness.
- 2.12 ENF 3.5.13 includes, among the factors which will determine whether the urgent exercise of the FSA's own-initiative power is an appropriate response to serious concerns, the extent of any loss or risk of loss or other adverse effect on consumers and the steps the authorised person has taken or is taking to address the issue.

COND 2.4 - Guidance concerning Threshold Condition 4: Adequate resources (paragraph 4, Schedule 6 to the Act)

- 2.13 COND 2.4.1(1) D reproduces the relevant statutory provision that the resources of the person concerned must, in the opinion of the FSA, be adequate in relation to the regulated activities that he seeks to carry on, or carries on.
- 2.14 COND 2.4.1(2) D sets out that the FSA, when forming its opinion as to whether the resources of an authorised person are adequate in relation to the regulated activities that he carries on, will have regard to, amongst other things, the provision he makes in respect of liabilities (including contingent and future liabilities).
- 2.15 COND 2.4.4(3) G requires the FSA to take into account relevant matters which are material in relation to the regulated activities for which the authorised person has permission.

Facts and matters relied on

- 2.16 You are authorised by the FSA to carry out mortgage and/or general insurance business.
- 2.17 As such, you are required to comply with FSA Rule 3.2.1R in the Mortgage and Home Finance Firms, and Insurance Intermediaries ("MIPRU") section of the FSA Handbook of Rules and Guidance (the "FSA Handbook"), which requires that:

"A firm must take out and maintain professional indemnity insurance that is at least equal to the requirements of MIPRU 3.2.4R."

- 2.18 You have failed to maintain PII, despite repeated requests by the FSA that you do so.

Conclusions

2.19 The facts and matters described above lead the FSA, having regard to its regulatory objectives which include the protection of consumers, to the following conclusions:

- by failing to maintain PII, you have breached MIPRU 3.2.1R;
- this failing is material in relation to the regulated activities for which you have permission and you therefore fail to satisfy Threshold Condition 4: adequate resources;
- these failings present a risk to the FSA's consumer protection objective. Appropriate action is necessary to help provide protection to consumers;
- the risk of adverse effect on consumers arising from your failing, which is a material breach of requirements imposed upon you by the FSA's rules, causes the FSA to have very serious concerns about you such that the exercise of the FSA's own-initiative power to vary your permission with immediate effect is an appropriate response to those concerns, and
- the variation of your permission should take immediate effect, to address the FSA's serious concern that any liabilities incurred by you cannot be met.
