

Graduate programme 2021 – Make your mark with us – transcript

**Olivia Buckley – Associate:** I've had so much fun during my first year on the grad scheme.

**Forhad Ahmed – Associate:** There is so many different opportunities in which the FCA offers, in terms of the different departments which you could work in.

**Nicole Merriman – Associate:** I got to do five different roles across the grad scheme.

**Olivia Buckley – Associate:** – I have received training in anti-money laundering and deception detection.

**Nicole Merriman – Associate:** – The development you get is just fantastic.

**Omotola Bamide – Associate:** Found the interpersonal training really really helpful.

**Olivia Buckley – Associate:** – Having those opportunities on the table being made clear and available to you is very very useful to anyone joining the FCA.

**Robert Wlodarski (2020 Intern):** If you come from a STEM pipeline, this place is going to be perfect for you.

**Nicole Merriman – Associate:** I can definitely see my career progressing with the FCA.

**Omotola Bamide – Associate:** It's truly great and something you honestly will not find elsewhere.
