Dear Sir / Madam,

**Financial Services Consumer Panel response to CP20/16: Debt Advice levy rates for 2020/21 – Additional Funding**

The FSCP supports the additional debt advice levy in 2020/21 for MaPS and Devolved Authorities.

It is essential that the relevant organisations receive the necessary funding for the provision of debt advice to respond to the Covid-19 crisis.

The Panel has no further comments.

Yours faithfully,

Wanda Goldwag  
Chair, Financial Services Consumer Panel
