Fee-blocks A014 and I010

FCA	Tariff base	Annual income – corporate finance business
FCA	Validation date	For financial year ended in the calendar year ending 31 December 2024

We need fees and levies information to calculate your fees for the Financial Conduct Authority (FCA), Financial Guidance Levy (FGL) and the Financial Ombudsman Service (FOS). We provide separate guidance for data relevant to the [FSCS levies](#).

This guidance sheet provides details on the data to include within the firm's fee tariff data submission. We have given links to relevant parts of our Handbook to help you complete the form correctly. This sheet covers the following fee-blocks:

- **FCA fee-block A014**
- **FOS industry block I010**

For more information on this fee block, including which regulated activities place firms into fee-blocks, please refer to the fees manual ([FEES](#)).

Each year we consult on any proposed fee policy changes and fee tariff bases may be subject to change. So before submitting the fee tariff data, you should also refer to the [latest publications](#) about fees on our website. These explain any proposed changes to the tariff data you must report, and the expected date when any changes will be implemented.

For publications and further information on fees and levies, visit our [fees webpages](#).

Notes:

Your firm is allocated to FSCS class 2 category 1, life distribution and investment intermediation (CLII-1), which replaced FSCS classes SC02 and SD02. The levy for this category continues to be based on annual eligible income. See the guidance for [FSCS category CLII-1](#)
