## Regulatory fees and levies 2025/26

### Fee-blocks A009 and I006

FCA	Tariff base	Gross income
FCA	Validation Date	Valued at most recent financial year ended before 31 December 2024

We need fees and levies information to calculate your fees for the Financial Conduct Authority (FCA), Financial Guidance Levy (FGL) and the Financial Ombudsman Service (FOS). We provide separate guidance for data relevant to the [FSCS levies](#).

This guidance sheet provides details on the data to include within the firm's fee tariff data submission. We have given links to relevant parts of the Handbook to help you complete the form correctly. This sheet covers the following fee-blocks:

- **FCA fee-block A009**
- **FOS industry block I006**

For more information on this, including which regulated activities place firms into the fee-blocks above, please refer to the Fees manual ([FEES](#)).

Each year we consult on any proposed fee policy changes and fee tariff bases may be subject to change. So before submitting the fee tariff data, you should also refer to the [latest publications](#) about fees on our website. These explain any proposed changes to the tariff data you must report, and the expected date when any changes will be implemented.

For publications and further information on fees and levies, visit our [fees webpages](#).

#### Notes:

Your firm is allocated to FSCS class 3, investment provision claims (CLIP), which replaced FSCS class SD01. Your firm is also allocated to FSCS class 2 category 3, investment provision (CLII-3). The tariff base is the same for both classes and continues to be based on annual eligible income. See the guidance for [FSCS class 3, CLIP](#).
