Regulatory fees and levies 2025/26

FSCS class A (SA01) – deposit

Tariff base	Protected deposits
Validation date	As at 31 December 2024

We need information from you to calculate your levies for the Financial Services Compensation Scheme (FSCS).

The rules for FSCS deposit class are in the [Depositor Protection](#) part of the Prudential Regulation Authority (PRA) rulebook.

Legal basis for firms allocated to class A: A Deposit Guarantee Scheme (DGS) member:

- A UK bank;
- building society;
- credit union;
- Northern Ireland credit union; or
- an overseas firm that is not an incoming firm and has a Part 4A permission that includes accepting deposits.

Tariff base SA01– protected deposits as at 31 December 2024

The tariff base for class A is set out in [chapter 43 of the PRA Depositor Protection rules](#).

Deposits from large corporates and small local authorities have been protected since 3 July 2015. PRA rules require firms to include deposits from large corporates and small local authorities in their SCV files. Deposits for these types of customers must be included in the tariff data reported for FSCS class 6 (SA01). Deposits that are not eligible for protection are set out in [chapter 2 of the PRA Depositor Protection rules](#).

Firms should calculate protected deposits up to the covered limit of £85,000.

FEES AND LEVIES 2025/26 – REQUEST FOR FEE TARIFF DATA

New funding classes and categories for the FSCS became effective from 1 April 2019 and can be found in [FEES 6 annex 3A](#) of our handbook.

Your firm is allocated to FSCS class 6, deposit acceptors' contribution (CLDA), which replaced FSCS class F. The levy for this class is based on the same data you report for FSCS class SA01. Firms will only pay a levy in this class when funding is required for the retail pool.

Your firm is also allocated to the new FSCS class 2 category 4, structured deposits provision (CLII-4). The levy for this category is based on the data you report for FSCS class SA01 that is in respect of structured deposits only. Please see the guidance for [category CLII-4](#)
